

KITSAP COUNTY ASSESSOR TAX COMBINATION REQUEST FORM

I request that the real property tax parcels listed below be combined and carried under one tax account number. I understand that tax parcels cannot be combined if they are in different taxing districts or if one parcel is subject to a mortgage and others are not or there are different lien holders on the properties. I also understand that the Assessor may determine that there are other reasons that preclude combination of these parcels. **PLEASE ALLOW APPROXIMATELY 4 – 6 WEEKS TO PROCESS.**
