Dear Poulsbo area Property Owner,

Appraisers from the Kitsap County Assessor's Office are now conducting on-site inspections throughout the greater Poulsbo area (see yellow area on map to the right). Washington State Law ([RCW 84.41.030](#)) requires inspections of all real property throughout the county at least once every six years. The inspections of the greater Poulsbo area should be completed by April 2024.

If an appraiser from the office attempts to contact you, please understand that they are trying to verify the characteristics of your property to ensure the accuracy of the data on record. Due to the high volume of inspections our appraisers are conducting, we are unable to accommodate appointments.

Our appraisers do not drive county vehicles; however, their vehicles are clearly marked with the proper county identification on both sides with the county logo and labeled "Assessor's Office". Appraisers should be easily identifiable with high visible vests or jackets with the county logo. Other verification options are to request to see individual credentials or contact our office at 360-337-7160. You may also check the inspection area progress map on our website and sign up for the office newsletter at: www.kitsap.gov/assessor

The cooperation of the public is always appreciated by our staff. We look forward to working with you and answering your questions.

Best Regards,

Phil Cook
Kitsap County Assessor
