Include documentation that shows your new monthly income and when the change occurred with your included documentation. **(Provide bank statements or income documentation showing new amounts)**

Example: You retired in May and your monthly income decreased from \$3,500 to \$1,000 beginning in June. Multiply \$1,000 x 12 to estimate your new annual income.

Important: If you receive income that is very low or zero, attach documentation to show how you meet your daily expenses. Include a written statement to help explain.

Definitions

RCW 84.36.383(1) – Combined Disposable Income

Combined disposable income is your disposable income plus the disposable income of your spouse/domestic partner and any co-tenants, minus allowable expenses for you or your spouse/domestic partner.

See Proof of expenses section for list of allowable expenses.

RCW 84.36.383(5) – Proof of Disability

Provide written acknowledgment or decision, **including the disability date**, from the Social Security Administration or Veterans Administration. A form completed and signed by a licensed physician may also be accepted. This form is available at the Assessor's office or online.

RCW 84.36.383(6) – Disposable Income

The Legislature gave "disposable income" a specific definition for the purpose of this program. Disposable income is adjusted gross income, as defined in the federal internal revenue code, plus all of the following that were not included in, or were deducted from, adjusted gross income:

- Capital gains, other than a gain on the sale of a principal residence that is reinvested in a new principal residence.
- Amounts deducted for losses or depreciation.
- Pensions and annuities.
- Social security act and railroad retirement benefit.
- Military pay and benefits other than attendant-care and medical-aid payments.
- Veterans pay and benefits other than attendant-care, medical-aid payments, VA disability benefits, and DIC.
- Dividend receipts.
- Interest received on state and municipal bonds.

These incomes are included in "disposable income" even when it is not taxable for IRS purposes.

Exemption program benefits

The taxable value of your home will be "frozen" as of January 1 in the year you first qualify for this program. Even though your assessed value may change, your taxable value will not increase above your frozen value. In addition, your combined disposable income determines the level of reduction (exemption) in your annual property taxes. **Note:** In 2019, the Legislature changed income thresholds effective for taxes levied for collection in 2020 and forward. **Kitsap County's income threshold is \$48,574.**

Income thresholds and level of reduction

Income Threshold 1: Exempt from regular property taxes on \$60,000 or 60% of the valuation, whichever is greater, plus exemption from 100% of excess levies and Part 2 of the state school levy.

Income Threshold 2: Exempt from regular property taxes on \$50,000 or 35% of the valuation, whichever is greater, not to exceed \$70,000, plus exemption from 100% of excess levies and Part 2 of the state school levy.

Income Threshold 3: Exempt from 100% of excess levies and Part 2 of the state school levy.
