**BAINBRIDGE ISLAND FIRE DEPARTMENT  
RESOLUTION NO. 03-2025  
RESOLUTION PROVIDING FOR THE SUBMISSION OF MULTI YEAR LEVY  
(General Election)**

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF BAINBRIDGE ISLAND FIRE DEPARTMENT PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON NOVEMBER 4, 2025, IN CONJUNCTION WITH THE STATE GENERAL ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION AUTHORIZING THE DISTRICT TO RESTORE ITS REGULAR PROPERTY TAX LEVY TO \$0.72 PER \$1,000.00 OF TRUE AND ASSESSED VALUATION AND ESTABLISHING A LIMIT FACTOR OF THE GREATER OF STATUTORY LIMIT OR THE CONSUMER PRICE INDEX SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS.

**Background:** WHEREAS, it is the judgment of the Board of Commissioners of the District that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

**WHEREAS,** The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved fire protection operations, replacing apparatus and equipment, firefighter recruitment and training and maintaining emergency medical service levels in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately \$0.57 per \$1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation.

**WHEREAS,** The District previously levied at a rate in excess of \$0.72 per \$1,000.00 of assessed valuation in 2016.

**WHEREAS,** The District experiences annual cost increases affecting its operations that reflect standard inflationary indices and that consistently exceed the statutory 101% limitation on tax levy increases.

**WHEREAS,** The District believes that it is reasonable to adopt a growth factor for years 2-6 of the levy lid lift period designed to allow the District to keep pace with inflation and has identified **the first-half to first-half Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the Seattle-Tacoma-Bellevue metropolitan area** as an appropriate measure of inflation in Kitsap County.

*Safeguarding lives, property, and the environment through prevention, education, and emergency response.*

**WHEREAS,** The Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

**Resolution:** NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Bainbridge Island Fire Department, Kitsap County, Washington as follows:

**Section 1.** In order to meet increased call volumes, maintain the level of fire protection, prevention, emergency medical services and the protection of life and property in the District, it is necessary for the District to operate and maintain emergency fire and medical service vehicles and improve station and other capital facilities and to retain properly trained firefighters equipped with proper firefighting and emergency medical equipment.

**Section 2.** In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the limitation on regular property taxes imposed by RCW 84.55.010, and levy beginning in 2025 and collect beginning in 2026, pursuant to RCW 52.16.130 and RCW 52.16.140 a general tax on taxable property within the District at a rate of \$0.72 per \$1,000.00 of assessed valuation subject to otherwise applicable statutory limits.

**Section 3.** In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2026, the District has determined that the limit factor for the five succeeding years shall be the greater of the statutory limit or 100% of the first-half to first-half Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the Seattle-Tacoma-Bellevue metropolitan area as reported in the levy year. Such percentage shall be used to determine the actual levy rate, subject to the maximum statutory rate of \$1.50 per \$1,000.00 of assessed valuation, in 2026-2030 to be collected in each following year.

**Section 4.** The amount levied in 2030 and collected in 2031 shall serve as the District's tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

**Section 5.** There shall be submitted to the qualified electors of the District for their ratification or rejection, at an election on November 4, 2025, in conjunction with the state general election to be held on the same date, the question of whether or not the regular property tax levy of the District should be restored to \$0.72 per \$1,000.00 of true and assessed valuation, and be adjusted by the greater of the statutory limit factor or 100% of the first-half to first-half Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the Seattle-Tacoma-Bellevue metropolitan area as reported in the levy year for the five following years subject to otherwise applicable statutory limitations.
