Primary Local Voters' Pamphlet – August 2, 2022

Dear Kitsap County Voters:

Thank you for your participation in our democracy. To assist you as you decide who to support, we offer this pamphlet, which includes statements from 65 candidates running for 18 different positions in 2022.

On our website you will find even more ways to stay in-the-know about the election and about your ballot. At [Kitsap.gov/elections](https://www.kitsap.gov/elections) you will find:

- An online version of this pamphlet.
- A link that shows you where your ballot is in the process, whether it was sent, received by us and accepted.
- Ballot return statistics that show what the turnout is for each jurisdiction in the election.
- A webcam that shows our main ballot processing room, which allows you to see election workers processing ballots in real time.
- Links to past election results, information for military and overseas voters, and information about voter registration.

This Primary will narrow the field in the races on the ballot to the top-two vote getters in each race. Those top-two candidates will be on the General Election ballot on November 8. Primary ballots will be mailed soon after this pamphlet hits Kitsap County mailboxes, so this is a good time for you to begin studying the statements candidates have written for this Local Voters' Pamphlet.

Thank you again for taking seriously your role in our democracy.

Sincerely,

The staff members of the Kitsap County Auditor's Office, Elections Division

About this pamphlet

If you are a regular reader of our voters' pamphlets, you may notice a difference in this one. The printer we used the past few years is in the middle of moving its presses and will be unavailable this year. We struggled to find another printer in Washington that could print the 11"x17" tabloid format with as many pages as we believed we would need. So we decided that instead of having the pamphlet printed outside of Washington, we'd redesign it with the smaller pages for the elections this year. This is a format change we had discussed in years past and it matches the format the state uses. Email us at auditor@kitsap.gov to tell us what you think.

Candidate Statement Standards

Candidates for State and Federal Offices

Because the Secretary of State does not print a Primary voters' pamphlet, Kitsap County includes statements from Federal, State and Legislative candidates in its pamphlet as a courtesy to Kitsap County voters. Federal, State, and Legislative statements are submitted by candidates to the Secretary of State's Office where they are reviewed. Laws for the State Voters' Pamphlet do not permit the Secretary of State's Office to disallow or censor content. The statements for Federal, State and Legislative candidates are printed here as approved by the Secretary of State's Office. If you object to a candidate's statement, please direct your comments to the candidate.

Candidates for County Offices

Statements for candidates for county races are subject to RCW 29A.32 sections 210-280 and Kitsap County Administrative Rules. Once deemed compliant they are printed exactly as submitted. Kitsap County Elections does not correct punctuation, grammar, typos or inaccurate information.

Voter Information

Top 2 Primary

The purpose of the Primary is to reduce the number of candidates in each race to two for the General Election.

- Voters may vote for any one candidate in each contest.
- Voters are voting for candidates, not choosing a political party's nominees.

The two candidates that receive the most votes in the August Primary advance to the General Election. Candidates must receive at least 1 percent of the total votes cast for their position in order to be placed on the General Election ballot. It is possible that the two candidates who advance to the General Election prefer the same party.

Nonpartisan Offices – Primary

A Primary is held if three or more candidates file for a nonpartisan position. If no more than two candidates file, they appear only on the General Election ballot in the order determined by lot.

Military, Overseas and Early Ballots

If you are a military or overseas voter or if you believe your ballot will not be received in time to vote, you may request to receive your ballot by email or request an early ballot up to 90 days before an election. Early ballots list only the contests known at the time of the request. To request an email ballot or early ballot, visit: [kitsap.gov/elections](https://www.kitsap.gov/elections) or contact Kitsap County Elections.

Additional information for military and overseas voters is available from the Federal Voting Assistance Program at: www.fvap.gov.

Write-Ins – Which Votes Can Be Counted

Primary Election write-in votes can only be counted if:

- The candidate filed a Declaration of Write-in Candidacy, and;
- In a Primary there are enough write-in votes for a candidate to come in second, or in a General Election enough votes for a candidate to win.

Candidate and Committee Statements

The Local Voters' Pamphlet includes statements submitted by candidates running for offices and committees supporting or opposing ballot measures. Statements printed in this pamphlet are the opinions of the authors. Kitsap County Elections is not responsible for the content of statements or their factual and grammatical accuracy.

Your Right to Privacy

Every voter has the right to vote his or her ballot in secret.

Candidate and Political Committee Information

Candidates for Partisan Office

A candidate may state on the ballot a political party that he or she prefers. A candidate may choose to not state a party preference.

A candidate's party preference does not imply that the candidate is nominated or endorsed by the party or that the party approves of or associates with that candidate.

Precinct Committee Officer

A Precinct Committee Officer is a partisan office that is an elected or appointed member of a major political party. Precinct Committee Officers elect a chair and vice-chair of their party's county and legislative district central committees.

At the time of filing for office, candidates must be registered to vote in the precinct represented by the office they seek. Precinct Committee Officers are elected in the Primary.

Precinct Committee Officer contests will only appear on the ballot if two or more candidates from the same party file for that office.

For this office only: In order to vote for precinct committee officer you must affirm that you are a Democrat or a Republican and may vote for only one candidate from the party you select. Your vote for a candidate affirms your affiliation with the same party as the candidate. This preference is private and will not be matched to your name or shared.

Contributions to Candidates and Political Committees

- **Contribution Limits** – State law sets contribution limits on donations to legislative, judicial and county candidates as well as bona fide political party and caucus political committees.
- Anyone who donates more than \$25 in monetary and in-kind contributions must be identified by name and full address. For donations of more than \$100, occupation, employer name, city and state of his/her employer are also required.
- For a list of the people and organizations that donated to state and local candidates and ballot measure campaigns, visit **Public Disclosure Commission for Washington State** at www.pdc.wa.gov, or call (360) 753-1111. The PDC also explains filing requirements and contribution limits, laws and rules.
- For a list of the people and organizations that donated to federal candidates, visit www.fec.gov.

Major and Minor Political Parties

Major Political Parties

A political party qualifies as a "major" political party when it receives at least 5 percent of the total votes cast in any statewide office contest at the preceding state General Election in an even-numbered year. In 2022 Washington state has two major political parties: Democratic and Republican.

Minor Political Parties

A "minor" political party is any political party in which no candidate for statewide office received at least 5 percent of the total votes cast at the preceding General Election during an even-numbered year.

U.S. Senator – 6-year term

Henry Clay Dennison
(Prefers Socialist Workers Party)

Professional Experience: Currently a rail worker and a member of the SMART-TD union. A union coal miner for 18 years. Worked in textile, steel, and other industries, joining coworkers to fight for better conditions.

Education: The Black struggle and other workers' struggles taught me a profound confidence in the solidarity and fighting capacity of the working

class here and internationally

Community Service: Participation in actions supporting Black farmers fighting land loss, protests against police brutality, against anti-Jewish attacks, and in solidarity with immigrant workers. Defending free speech and debate, and standing against anti-working class, anti-scientific "cancel culture" and "wokeism"..

Statement: The Socialist Workers Party campaign presents a course for working people to organize, defend ourselves, and make gains amid deepening world capitalist crises. Workers need to break from the Democrats and Republicans, and use our unions to form a party of millions of working people, a labor party, to speak and fight in *our* interests.

Moscow's troops out of Ukraine now! U.S. troops & nuclear weapons out of Europe! End U.S. sanctions, which hurt working people. International working-class solidarity, including between Ukrainian and Russians toilers, is key to defeating Moscow's invasion. Workers here share common interests with fellow working people worldwide, not the rulers who exploit us. For unconditional recognition of Israel as a refuge for Jews, increasingly scapegoated for the capitalist crisis, and facing murderous violence.

Workers need access to healthcare, childcare, family planning, easier adoption, contraception, and safe and secure abortion. Solidarity with farmers, who face soaring production costs and threat of foreclosure. Nationalize the land, to guarantee use by those who live on and work it.

Defend Cuba's socialist revolution, which shows it *is* possible for workers and farmers to transform ourselves in struggle, take political power, and begin to uproot capitalist exploitation. End the U.S. economic war against Cuba!

Working people face long hours and insufficient time off. The labor movement must fight for a shorter work week with no cut in pay to create jobs, prevent layoffs, and allow family life. For cost-of-living raises of wages and retirement benefits with every price rise! To defend life and limb on the job, workers must aim for control of production.

Only a revolutionary government of workers and farmers can build a society in the interests of the majority. That's what the SWP fights for.

(Prefers Democratic Party)

Elected Experience: Precinct Committee for Grant County. State Delegate-Democratic Convention. National Platform Committee 1988. Former Vice Chair-Democratic Central Committee for Grant County. Committeeman-Washington State Democratic Central Committee 2016.

Other Professional Experience: Healthcare expert, holding one of

the highest medical degrees in the U.S. Expert of US-Arab / Muslim relations. Combined following of over 424k followers on Facebook (Dr.Mohammad Said).

Education: M.D. honors, PhD honors, MPH, Specialities: Internal Medicine, Family Practice, Geriatrics, Preventative & Alternative Medicine, Former Asst. Clinical Professor at VA in Fargo, ND. Fluent in Arabic, Spanish, English.

Community Service: 15 years of volunteer work at WA State correction facilities (local, county, & state).

Statement: In 1992 as co-founder, I attended Rainbow Coalition in Seattle with intentions to run for U.S. Senate at the same time Senator Patty Murray came for endorsement. They convinced me to withdraw my name on her behalf and I agreed. Since 1992, senator Patty Murray was elected for WA state & is the chairman of Health and other departments.

I had been a doctor practicing in the state of WA for 38+ years with no complaints against me. Unexpectedly, the Health department suspended my medical license based on misinformation & what I suspect to be racism and Islamophobic. My case was handled through Zoom due to the pandemic and those members if the medical commission were all below my education and experience. I was racially targeted and they said I was demented and unable to practice. That misinformation came from a geriatrician, a member of LGBT whom I visited to get a second medical opinion on some issues. An attorney presented several supporting evidence, proving I was a competent medical doctor. The commission however, were convinced by an assistant attorney general who had been against me for years and I have evidence of that.

I wrote to Patty Murray, the chairman of the Health department, as this was her department. Why did not do anything? I decided to publish not only my grievances but also that of hundreds of my patients, as I am running for U.S. Senate.

I advocate amendments to the constitution which include War Powers Act, direct trade with foreign countries by states, National Guard to be under state control, Second Amendment as a privilege and not a right, allow foreign-born Americans to run for President, and U.S. Congress to meet in states by rotation. U.S. Senator – 6-year term (cont.)

John Guenther (Prefers Republican Party)

Elected Experience: None, which is an attribute. Please read my statement carefully, I am about one thing results and I will bring results through this position.

Professional Experience: State and Tribal.

Education: MSW, I have every intention of getting involved in education on a local level. We have to fix where

our schools are at. I will work with both parties to focus on test scores, vouchers, and helping all schools.

Community Service: A great deal of service. I am a Tribal member who will reach out to both sides of the aisle, and I will be involved with fixing crime and homelessness on a local level.

Statement: My name is John Guenther, I am a Republican candidate for the US Senate. I am calling on votes from Democrats, Independents, and Republicans. I promise members of Congress or their significant others will not be permitted to own individual stocks and I will get term limits for the House and Senate; or I will not run again. Under my watch, we will fight the printing of money and the massive debts we are under, and we will stop inflation.

I will fight crime by ensuring Judges don't allow dangerous individuals out on bail. I will ensure Prosecutors file on dangerous individuals, I will fund the police, and will stop tent cities in city limits. I will be involved locally.

With education, focus on the basics, bring up test scores, why are poor and minority schools always the worst? We need to look at vouchers. Teach sex ed at home, and end CRT.

With energy, yes to alternative sources, but bring back nuclear, and get the uranium, oil and gas from American states. I will support legal immigration, and stop this surge. With foreign affairs, operate from a position of strength, stop allowing countries that are hostile to America, take over America. We are about to accidentally enter WWII.

I want to Reach out to Republicans and say, hardliners will not win, vote for me. Democrats, I will work closely with you and will work on a local level to make our State safe again, and help our educational system. With Independents, do you trust the direction we are going? We need leadership to right this wrong. I am saying to all three groups, vote for me and you will get results. I will not tell you that I have a plan, I will produce or not run again.

Tiffany Smiley (Prefers Republican Party)

Elected Experience: No prior elected experience, but an extensive background building coalitions and working with members from both parties to enact legislation reforming the Veterans Administration and improving veterans' health care.

Other Professional Experience: Triage nurse, full-time caregiver, President and Co-Founder of "Hope Unseen," veteran's advocate, mother of three growing boys.

Education: Whitworth College- Bachelor of Science in Nursing

Community Service: KADLEC Foundation Board, Elizabeth Dole Foundation, National Chamber for Hiring our Heroes, Veterans Airlift Command, Camp Corral, Smart Women Smart Money, Policy Vet Board

Statement: Tiffany Smiley grew up on a farm in rural Washington and dreamed of becoming a nurse. When she married her high school sweetheart, Scotty Smiley, and achieved her goal of becoming a triage nurse it seemed she'd achieved her version of the American Dream. That dream was shattered in April of 2005 when she was informed that her husband had been blinded by a suicide car bomber in Mosul, Iraq. At 23, Tiffany quit her nursing job and flew to Walter Reed Army Medical Center to be by Scotty's side.

At Walter Reed, Tiffany had to stand up to the federal government and fight for Scotty, his dreams and the care he had earned. For Tiffany, her experience with the military bureaucracy highlighted the challenges facing many service members and their families. Tiffany became their voice, going to Capitol Hill and meeting with anyone who would listen to her. She built coalitions with members from both sides of the aisle which ultimately resulted in real reform of the VA to help the catastrophically injured and their caregivers.

Drawing on her experiences as a veteran's advocate, Tiffany will build coalitions and work for policies that improve public safety and protect Washington families, combat spiraling gas prices and the inflation that's hurting the middle class and address the homeless crisis plaguing our communities. Tiffany will be a strong supporter of our men and women in law enforcement whose sacrifices keep our streets safe and allow Washington communities to thrive. As the mother of three school-age boys, Tiffany will invest in our schools to provide every child with a brighter future. Tiffany has earned the endorsement of the Washington State Republican Party. From a small farm in Eastern Washington to the nation's capital, Tiffany will be a voice for all of Washington.

Dr Pano Churchill (Prefers Democratic Party)

Elected Experience: I have been the elected leader of the *environmental parliament*, with 20yrs experience. I am also the elected leader of the independent Lincoln Party, which I have successfully led since 1999, and I am always working for the growth of a multiparty Democracy in our Country. Because of my professional experience I wish to represent the People of Washington state.

Other Professional Experience: My experience as an Innovator in Public Health and Pharmaceutical discovery innovations, enables me to understand & support the Health Care needs of all Americans. CRISPR -- A Revolution in Medicine, Evolution & Adaptation: <https://www.amazon.com/dp/B09YYN2T37>; *Brain Software*: <https://www.lulu.com/en/us/shop/dr-pano-churchill/brain-software/ebook/product-23558548.html?page=1&pageSize=4>; Articles: www.BEB.mobi

Statement: As a Democrat, I have always the interests of the people at heart, because I truly believe that *democracy* is the best form of government for all the people across this Earth.

My Bachelors of Arts & Science from the University of Washington, followed by many years of study at the Environmental University of Oxford graduating with a Public Health PHD & Environmental Science and Cybernetics. (PPE)

All of my life I have extended myself to the community, with non profit work at “People’s Health International” working against endemic diseases such as Tuberculosis and many other communicable illnesses that ravage the most neglected human beings at the bottom of the pyramid.

It is my fervent belief that government by the people, from the people and for the People -- shall never perish from this Earth, if we can help it.

That is, if we can help it be maintained as discussed in our party manifest, and as “We Democrats and Independents” can coalesce into a strong majority that will push through our political agenda of Growth, Equality in front of the eyes of the law, and Equanimity in opportunity to harvest the American Dream that is promised to all of us, but rarely delivered to the ones who are less fortunate amongst us, because of racial divisions, lack of economic opportunity for most, and also because we are still tied up to the carriage of runaways that preach systemic racism and white supremacy, and still happen to be the majority of our elected officials. This is what I am here to change, and that is why I ask for your vote.

Thank You

U.S. Senator – 6-year term (cont.)

Dave Saulibio
(Prefers JFK Republican Party)

Elected Experience: Yes, I have no elected experience. However, I do have food for thought for middle-road Democrats and voters with unhappy wallets.

Other Professional Experience: CEO, DAS Electronics (Army contract award for wireless systems); Manager, Boeing, 737 Airplane Electrical Wiring

Education: BA Business

Administration, University of Washington: Economics, Finance, Accounting; BA Political Science, Chaminade University: Constitutional Law & Government

Community Service: Army veteran, Captain, Second Infantry Division. Incidentally, I was a *middle-road*, JFK (John F. Kennedy) legacy Democrat. The Democratic Party *abandoned* me. I became a Republican. Praise God.

Statement: The 7% inflation in 2021, the worst in 40 years, cost the average U.S. household \$3,500 more for the same goods and services.

Think about this. The ineffective career politicians in charge, who just messed up your wallet, want another chance. Bad idea.

This election, *cut your losses*.

Vote your unhappy wallet a Senator (and Representative) who will sponsor tried-and-true policies that foster prosperity.

Specifically, under Democrat President John F. Kennedy, almost everything was made-in-the-USA, America was energy independent, our border was secured, and inflation was 1%. *With policies like JFK*, Donald Trump's inflation rate was 1.2%.

Something else. Article IV, Section 4, in the Constitution, protects each state against invasion. Accordingly, I oppose amnesty for illegal aliens. These people invaded America.

Sam Cusmir
(Prefers Democratic Party)

Professional Experience: Developed and operated two adult care facilities the last twenty years. Before, he was employed in a machine shop holding a variety of duties, and the other was participating in a family-owned remodel construction business.

Education: Renton Technical College; Certified Nursing Assistant; 2000 CNA; 2009 CNA Adm/Mgt; High School

graduation 1998; Apprenticeship in a machine shop 1999; Additional Studies-Coursework in Business and yearly continuing education

Community Service: He was included in a church building project, in Kent 2017. This group provided both physically and financially. His business has been giving support to orphan/widow programs local and abroad, and included for adult facility clients.

Statement: He and his wife and their six children live in Kent Washington. Born in Resita, Romania 1980, he was among twelve children. They immigrated in 1990 with parents and eight of the siblings. They all have eventually acquired United States citizenship. His wife is also from Romania, and they have been married for twenty years. They have been in business together since 2001. Outside his family, you can always find him at work, at the shop, or at the farm. Buying and selling real estate, construction work, small businesses, and farming are among his favorites. His successfulness has attracted him to running for office. In all of what is happening now, he has been seeing what new measures government should be taking. Certain things need "More of it!" until adequate completion. We've only started. In this society, good programs and personnel for security in schools need more development. A system to achieve accountability for government officials and workers needs to be created. The effect of Covid on everything still need recovery, not just resuming. Endeavors to gain what is needed to do something, to invest in capital, and the to discover a marketable service, all have been his good choices. He would like to have the opportunity to make good choices for you.

U.S. Senator – 6-year term (cont.)

Bill Hirt (Prefers Republican Party)

Elected Experience: Elected as president of class of twenty-five 1957 Armstrong Iowa High School graduates

Other Professional Experience:
Boeing Engineer 1962 to 1998

Education: BS in 1961 and MS in 1962 in Aerospace Engineering from Iowa State Engineering

Statement: This year's candidacy marks a decade of not trying to win but to use the Voters' Pamphlet to attract viewers to the posts on my blog <http://stopeastlinknow.blogspot.com>. It began in response to the Seattle Times failure to recognize Sound Transit had a board of elected officials and a CEO that didn't understand the basics of public transportation.

That 4-car light rail trains don't have the capacity to reduce peak-hour congestion on multi-lane freeways and cost too much to operate during off-peak commute. That the billions already spent on Prop 1 extensions will do nothing to reduce freeway congestion. They're only a down payment on ST3 "voter approved" extensions whose costs have increased from the \$54B voters approved in 2016 to \$135B in 2022; yet don't increase capacity but add to operating cost.

The Times has abided Sound Transit no longer releasing quarterly service reports that would have shown Northgate Link ridership was ~8000, a fraction of the 42,000-49,000 the paper had heralded as "Transit Transformed". Portending even worse debacles for the "voter approved" ST3 extensions; my goal to expose.

This year it will also allow state residents to vote for someone who doesn't believe the country is systemically racist, believes teaching CRT doesn't benefit students, and that sex education should be age appropriate. That Gov. Inslee should explain the benefits of EVs whose batteries are charged by fossil fueled generators and whose owners don't pay gas taxes to fund roads. Who questions the efficacy of his carbon tax when the country only emits 15% of the planet's CO2 and a Dec NAS paper conclusion:

CO3 warming effect decreases with concentration. CO2 has less and less effect with increased concentration. CO2 can go to 1000 to 2000 to 5000ppm and it won't warm the earth

Other Professional Experience:
Go duckduckgo or google
#familycourtreformchallenge, to find out more about me, my Facebook page is open.

Education: Been going to college and mostly been on the Dean's list.
From Pierce College, then to the

4-year University SNHU. Double major in BA Political Science (International Relations) and BA in Criminal Justice (Advocacy & Humanities).

Community Service: Firefighter and rescue team for Okanogan Firefighter Department District 16 and I've been a chef through Caregivers Network to help the needy. Helping parents and children in America and abroad in Family Court issues, also 10 years.

Statement: My name is Jon Butler, I'm running for United States Senator of Washington State/ My platform is Family Court Reform and Family Law Reform. I've been an advocate for going on 10 years now. Helping parents and children here in Washington to around the country and the world. Family Courts have destroyed families, dreams of our children and their parents for over a century. It Started in 1910. It is time to stop the abuse on Washingtonians and the American parents. I would like to Butler Corps, like Job Corps but for older adults: the homeless vets, woman and men. Where people can get a good education/ trade and off the street, to get them a job. Everyone needs just a nudge in the right direction. Also, I would love to give teachers raises and better incentives. They are on the front line our generations to come, and they should be treated like the best. Furthermore, somethings that has been on my heart to do is, limit terms on politicians. This has never been done in history. It is time to make history and make this happen. There are other great things I would love to get done for us Washingtonians, from creating stricter laws on pedophiles, stricter voter ID laws, again term limits, to even raising the speed limits on some highways. Plus, to step it up I don't ask for donations, my name isn't bought like most of them are. I even will be giving the paycheck back to the public. Giving it back to local communities and building families up. The other part will go to building Butler Corps. I am not asking for money. I'm asking for your vote. U.S. Senator – 6-year term (cont.)

Bryan Solstin (Prefers Democratic Party)

Elected Experience: Legal experience includes passing the patent bar and working as a U.S. patent agent.

Other Professional Experience: Senior aerospace propulsion engineer and software developer.

Education: Bachelor of Science in Mechanical Engineering at BYU.

Community Service: As a senior aerospace engineering, I led the creation of educational content. And continue to create content at Solstin Org Podcasts. sites.libsyn.com/415226 Focus is STEM, our broken monetary system, and sound money is the doorway to renaissance. As Senator Solstin, I will continue educational efforts. I fully support my wife's community effort. Dr. Solstin is from Uganda. She has dedicated her career to Washington's homeless and women's psychiatry.

Statement: Social Liberal and Fiscal Conservative

Fix Our Broken Monetary System: Inflation is at a 40-year high. US debt is \$30 trillion and accelerating. Since 1971, The Fed's money printing is administered like a painkiller. After 50 years, the US economy is addicted to synthetic stimulus. We can forgo the Weimar Republic pattern. There is a way out. Wtfhappenedin1971.com

Since 1971, wealth inequality continues to widen. QE and money printing is the biggest wealth transfer to the financial class in human history. Money printing is bleeding the working class. Inflating housing, food, and fuel. The root cause of homelessness. We are in a large-debt cycle and Bitcoin will provide relief from the failing US Dollar. As Senator Solstin, I will focus on fixing our broken monetary system. Bitcoin eliminates the magic money printer. Eliminates inflation. Crypto does not. Crypto is fiat.

I want to be Senator Solstin to give control back to citizens. I advocate privacy, individual sovereignty, and private property. In summary, Bitcoin. Nothing else is sufficiently decentralized. As a privacy advocate, I will fight every CBDC effort, including countries who implement a CBDC. The US worker shouldn't compete with an ultra-centralized, economy. Central Bank Digital Coin is slave money. Dystopian. I'm happy to debate this with any opponent.

Conservationist: I will fight for clean air, clean water, clean soil, and clean energy.

STEM Leadership: The internet's TCP/IP accelerates the velocity-of-data. Bitcoin's BTC/LN accelerates the velocity-of-value. Both protocols demonstrate *decentralized* resiliency, and accelerates the digital transformation of Science, Technology, Engineering and Math (STEM). I will strategically invest in STEM's digital transformation, accelerating abundance and prosperity for everyone. The aging US Senate desperately needs proven, STEM leadership. In the next term, Senator Murray will be 78.

U.S. Senator – 6-year term (cont.)

Patty Murray
(Prefers Democratic Party)

Elected Experience: Shoreline School Board, State Senator, United States Senator

Other Professional Experience: Shoreline Community College Cooperative Preschool Teacher

Education: Graduate, Washington State University

Statement: These last few years have been some of the toughest for our state that I can remember. But that has only made me more determined to be a strong voice in the other Washington for our workers and families—one who listens to the people of our state first and foremost, and always stands up for our values and priorities.

As your Senator, I focus on results and concrete ways I can make life better for people in our state. I led the Senate in passing legislation last year to get our kids back into the classroom safely, make COVID vaccines available to everyone who needed them, and help small businesses and families make ends meet through difficult times.

Right afterward, I got to work to help pass the Bipartisan Infrastructure Law, which will create good-paying union jobs in every part of our state, improve public transit, expand lower-cost clean energy, establish universal broadband, and upgrade our bridges, ferries, and ports to strengthen supply chains.

And, I negotiated a bipartisan budget that funds local priorities Washington workers and families like you have told me about, like helping veterans find housing and expanding job training.

I will always stand up to those who want to roll back workers' rights, jeopardize American democracy, or ban abortions. I believe the economy should work for everyone in our state, not just those at the very top. Instead of tax cuts for the rich, I want to lower families' costs for basics like health care and child care—make housing, college, and career and technical education more affordable, and invest in American manufacturing to bring good jobs back home.

I ask for your vote so I can keep fighting for you and everyone here in Washington state.

Thor Amundson
(Prefers Independent Party)

Professional Experience: Watching C-Span for 30 years

Education: Eisenhower High school, Yakima, Washington.

Community Service: Built fish ladders and state and federal water betterment projects throughout the state.

Statement: Hi, I'm Thor Amundson, and I am a pro-democracy candidate and freedom of choice and freedom of speech. Born and raised in Eastern Washington, I've lived and worked throughout the state, and this has given me the opportunity to talk with people in all walks of life, and to consider the variety of issues facing them. I believe that without a little more opportunity for the next generation, we cannot have a healthy civilization.

If corporations move to other countries, they should follow the same rules and labour practices as in the USA. Stop shipping logs, jobs, and clean air and water over seas. Turn off reactor at Hanford and no new reactor; stop making the mess. Replace Hanford with geothermal power generation. Nationwide public internet access for everyone and net neutrality. Ban the use of certain weed killers on federally funded sites like easements, fencelines, ditch banks, and public schools; reintroduce the monarch butterfly to Washington state. Overturn Citizen's United.

Picture a state and a nation where your children can afford to live. Annex Weyerhaeuser's land and give away 250k free off-the-grid homesteads in WA state. A place where elected officials are chosen by the people, not by their financial contributors. Make C-Span more entertaining. Rather than propose campaign reform, I'm going to implement it. I am not an attorney, and I am not a politician. Therefore, there will be no question about who I am working for. I will lead Washington into the 21st century.

Bring our Washington Orca back from Florida. Please vote for Thor Amundson, U.S. Senate.

U.S. Senator – 6-year term (cont.)

Charlie (Chuck) Jackson (Prefers Independent Party)

Elected Experience: Have read the Constitution and the Bill of Rights. The responsibility of Section 8 of the Constitution was abdicated to the Federal Reserve Bank. The Bolt (fishing) Decision was an honest call, Article 6 Paragraph 2, Treaties supersede the Constitution. Over 30 million laws on the book, how many are Special Interest Legislation; how many

were riders on must past spending bills. No elected experience, but it appears looking at situations from a different point of view could be beneficial.

Other Professional Experience: Over 40 years Military, Research, Tankers, Container Ships and Ferry Vessels

Education: Licensed United States Coast Guard Ship Engineer

Statement: We have a serious problem and even as wealthy as this Nation is, this is getting expensive. \$30,400,000,000,000 National Debt along with increasing interest rates; the postponement/abandonment of dealing with this has left the United States in a precarious financial situation, Interest Payments this year will exceed \$600 Billion (1.7 Billion Each Day).

The incumbent has been in office 29 years; the National Debt has increased over \$26,400,000,000,000 during her time in office. Without your help it will not get repaired, the people who created this mess have no incentive to fix it. Grandmothers, moms, your kids and grandkids have gotten Fleeced!

Not learning from but repeating history is Insane yet here we are again, will the catastrophic results repeat also? George Washington's farewell speech in 1798 addressed Political Parties and the damage they would inflict on this Nation because of Potentates and Despotism; the cost of abandoning Virtue and Morality for Legalism; the dangers and damage of Outside Foreign Influence; along with the irresponsibility and cost associated with an unfettered National Debt.

Thomas Jefferson stated: "I know no safe depository of the ultimate powers of society but the people themselves; and if we think them not enlightened enough to exercise their control with a wholesome discretion, the remedy is not to take it from them, but to inform their discretion by education."

Unfortunately there are no term limits; the Elephants and Asses (Republicans and Democrats) defrauded/deceived you, your kids and your grandkids! The only way to get rid of the lifers in the House and Senate is to remove/fire them all. If you are tired of the status quo, help change it. It's past time to clean house.

Have been writing about the Nation Debt since 1992, operate two websites Scaryreality.com, 2004; Insanityrules.org, 2019. Thanks Chuck

Naz Paul (Prefers Independent Party)

Statement: I am a successful entrepreneur, businesswoman, wife, and mother. Born and raised in Bellevue, WA, I have watched firsthand our state's downfall. Friends ask me "Naz, why would you put yourself out in the angry political world?" Simple. As the daughter to Iranian immigrants and as wife to a husband whose family fled the Socialist Republic of Romania,

I have seen sacrifice. I love my country, I love the constitution, and I want there to be a future for my children and yours! As an independent, I believe that our differences empower us and that respect is essential, even when we disagree. We all see the bad direction our country is headed and we all see the hypocrisy among both sides of the establishment. We all want change. I am that change.

I believe our 2-party system does not care for the common citizen. They pledge their allegiance to their party. I will pledge allegiance to our country and the people of WA! I promise to be honest, upright, and continue holding the same moral values that I hold in my personal life, family, and business. I won't be bought by special-interest groups and I will put the grueling issues that plague our state first on the list. From holding state officials accountable with homelessness funds, to fighting big Pharma, inflation, education, student loans, energy innovation, immigration, etc. The list goes on and I'm prepared to bring solutions to the table and work between party lines to get things done!

Who is best to represent you Washington? A democrat? A republican? Or is it an independent? One who truly loves her state, the Washington people, and wants to better the quality of life for all. The voters have to decide. Thank you for the opportunity to serve and represent you!

U.S. Senator – 6-year term (cont.)

Ravin Pierre (Prefers Democratic Party)

Elected Experience: Equivalent 20+ years navigating 'Respectability Politics' in the workplace.

Other Professional Experience: 17 years Aerospace Engineer, 9 years Aircraft Customer Service & Data Science (Thought Leader on Algorithmic Bias on aerospace products) Boeing. Worked at D.O.E. FermiLab, University of Michigan NASA MESSENGER satellite to Planet Mercury, U.S. Census Bureau. SPEEA

Union member, since 2006. U.S. Air Force (3 years)

Education: M.Sc. Astronautical Engineering, University of Southern California, 2011. B.Sc. Aerospace Engineering, Embry-Riddle Aeronautical University, 2005.

Community Service: Seattle University Master's Data Science Advisory Board Member, 2019. DataKind & United Nations High Commissioner for Refugees (UNHCR) satellite imagery Team Data Science manager volunteer. UW NSBE Career Mentor.

Statement: F*** Qanon. F*** Vladimir Putin. These enemies are existential threats to our Constitution & Democracy. We need newly elected blood and energy within U.S. Congress. I'm an Engineer and the America's 1st Data Scientist U.S. Senate candidate. As a Progressive who rejects corporate campaign donations, here's my new Senate Reform Ideas platform.

Term Limits Contract. If I serve more than 2 terms in office, I go to prison or face lawsuits by Washington State citizens; I propose a legal framework contract between myself and Washington State Executive Branch Government. Understand, if the terrible 'Texas abortion bounty hunting' is legal, then my contract proposal can be too.

Radical Transparency. Let's end secret backdoor lobbyist meetings; Make lobbyists' lives more difficult. *The police must wear bodycams, so should politicians.* I will be the 1st politician to wear bodycams, livestream record all interactions with lobbyists. My Senate Staffers will wear bodycams too.

We must '*Reframe National Security*' = '*All Basic needs met for all Americans!*' These are investments in America, not a burden. Healthcare, higher education, Public Infrastructure & Fighting Climate Change. Think about the broken 1977 Bridge of Vulcan, West Virginia. That desperate town actively requested foreign aid money from U.S.S.R. (see Wikipedia). When we don't take care of our own citizens, this makes us extremely vulnerable to foreign actors.

US Defense budget has *never been audited*, but it's not wise to cut before measuring. Let's impose 'failure to audit penalty', lock DOD budget at FY2019 with annual 10% reallocation penalty towards boosting Veteran medical care and cash payout to Veteran families' welfare.

In closing, I'm the *only* candidate in America offering *Term Limits Contract & Bodycam fulltime*. This is a 1 time offer, Washington State. I'm in no position to run for public office again in the future. *Peace! *mic drop**

Elected Experience: I ran for Governor In the 2020 Primary Elections. I don't trust anyone else to fight for the people of Washington with the tenacity, Fire, and transparency I will bring to the senate. You need to vote

and elect me to this seat. My job is to expose the abuse and show you who is doing it.

Congressional District 6 U.S. Representative – 2-year term

Rebecca Parson
(Prefers Democratic Party)

Elected Experience: I am not a career politician and will bring a fresh approach to Congress. I've appeared on both NPR and Fox News primetime, because I'm not afraid to talk to voters from across the political spectrum.

Other Professional Experience: Small Business Owner. Instructor at Johns Hopkins University. As a commissioner on the Tacoma Commission on

Disabilities, I chair the committee creating Tacoma's first wheelchair-accessible taxi service.

Education: Master's Degree, Johns Hopkins; Bachelor's Degree, Mary Washington.

Community Service: Board Member of Whole Washington; Court Appointed Special Advocate (CASA) for foster children; Volunteer with Tacoma Tenants Union; Co-Leader of Indivisible Tacoma; Co-Founder of Tacoma Housing Now; AmeriCorps

Statement: In our district — in the richest country on Earth — no one should be homeless, hungry, without healthcare, or in poverty. Working families shouldn't struggle to pay their rent or mortgage. The government shouldn't be bailing out Wall Street and multinational corporations during Covid while American small businesses go under. We shouldn't have 40,000 veterans and 120,000 kids living on the streets.

All of these problems are policy choices by the corporate elite. We have the money to solve them.

Everyone in the 6th District deserves a good-paying job and Social Security. You deserve healthcare without co-pays, deductibles, or premiums. You deserve safety, security, and a comfortable home. I'm the only candidate in this race fighting for the policies to make that happen, and I'm the only Democrat who does not take corporate or lobbyist money. I oppose Medicare privatization, which has been forced on millions of seniors without their consent. I answer to *you*, not corporations and lobbyists.

Here are some of my policies: Getting money out of politics. Protecting and *expanding* Social Security. Improving Medicare and expanding it to every American. A national jobs program like during the Great Depression (as part of a Green New Deal). A housing guarantee. Supporting active service members and veterans. Free college and trade school.

What this all adds up to is a secure job, healthcare, home, and retirement for all. How will we pay for it? By redirecting subsidies from the 1% to the 99%.

My grandfather was a U.S. Army Colonel, and my father was a U.S. Foreign Service Officer. I hope to continue my family's tradition of service in Congress. In 2020, I got 35,000 votes. Now I'm here to finish the job. I hope to earn your vote, so I can fight for *you* in Congress.

Derek Kilmer
(Prefers Democratic Party)

Elected Experience: U.S. Representative: 2013-Present, Appropriations Committee; Chair, Select Committee on Modernization of Congress; Cochair, Bipartisan Working Group; AMVETS Silver Helmet Award for supporting veterans; U.S. Navy's Distinguished Public Service Award; Bipartisan Policy Center Award for bipartisan problem solving; NPCA Friend of the National Parks;

Teddy Roosevelt Courage Award for campaign finance reform leadership; State Legislator: 2005-2012

Other Professional Experience: Former VP, Economic Development Board for Tacoma-Pierce County; Former Management Consultant

Education: Port Angeles High School; BA, Princeton University; Doctoral Degree, University of Oxford

Community Service: Former Trustee, Tacoma Community College; Former Board Member, Gig Harbor Chamber; Former Member, Rotary; Member, United Methodist Church

Statement: I'm proud of being recognized as one of the Representatives in Congress most committed to bringing people together, even working with people with whom I disagree. But too many people in our area are suffering because Mitch McConnell and Donald Trump believe that blocking progress may help them win elections.

My priority is helping folks in our community. People in our area are being squeezed by inflation. I've voted to crack down on price gouging by oil companies and lower gas prices. I helped write legislation to reduce dependence on China and boost manufacturing in America, which would reduce inflation. I voted to make prescription drugs more affordable and expand Social Security to provide relief from rising prices. I voted to protect a woman's right to choose and prevent any state from putting a woman or her doctor in prison. I voted to prevent voter suppression and protect voting rights. Unfortunately, McConnell is blocking all of those things from becoming law. No wonder folks are frustrated that Washington DC isn't doing enough to help people in our Washington.

I'm running for Congress to stand up for reform – to reduce the role of big money in politics, ban members of Congress from buying stocks, and stop Members from being paid if they don't do their jobs and pass a budget.

I'm running to get government working again for people – to clean up Puget Sound, expand Social Security, lower the cost of housing and reduce homelessness, keep our neighborhoods safe for everyone by funding police, and support local small businesses. I'll fight back against McConnell and Trump so we can make progress.

I grew up on the Olympic Peninsula, the son of two teachers. I'm committed to helping people in our area who are struggling. I ask for your vote.

Chris Binns
(Prefers Republican Party)

Elected Experience: None.

Other Professional Experience: USMC - 3years. Alaskan crab fisherman - 13years. Washington State Ferries - 25years.

Education: Graduate Bainbridge High School. Associate of Arts in Marine Engineering _ Trident Institute of Marine Technology. (SCCC)

Community Service: Church Volunteer.

Statement: It's been a rough couple of years with Jay Inslee and Derek Kilmer. The Governor has done only one thing well and that's abuse power. Representative Kilmer aligned with tyranny and misinformation against informed citizens. The unvaccinated were never the threat that good men and women were fired for. Men don't vote democrat! This isn't the party of your fathers. Kilmer voted with his party on the very legislative agenda that has fueled inflation, increased onerous regulations and usurped states' rights.

I offer a different style of leadership. I think for myself and only listen to experts. I don't trust them. I Trust the individuals to decide what's best for themselves and their families. Some voters don't follow politics too closely - and elect the wrong people. We learn and choose anew. In my judgement, we must bear down and stay the course of very little or no deficit spending. Educate the people about the myth of a man-made climate crisis and use all available sources to drive down the price of fuel and build electricity producing plants to meet increasing demand and avoid rolling brownouts. Eliminate federal restrictions to facilitate these goals. Encourage states to enforce the laws and punish criminals. Build jails and mental institutions as appropriate. Secure the borders and deport illegals after due process. Start logging and replanting forests to prevent massive fires. Remain a cash society and never cede U.S. sovereignty. Promote Common Law adjudications for liberty and accountability. In difficult times rational, not emotional, policies are the most merciful and just.

Federal money shouldn't be spent indoctrinating students in critical theories. Keep curriculum local or eliminate the Department of Education. Children must be taught the truth and to persevere, doing what's good and necessary.

Together we will regain sane governance. Let's stop the madness!

Congressional District 6 U.S. Representative – 2-year term (cont.)

Todd A Bloom
(Prefers Republican Party)

Elected Experience: First office sought

Other Professional Experience: Small business owner; Navy officer with eleven years' post-9/11 active service; Big Four experience working with national/global public companies and private clients; Sectors: Energy, finance, technology; CPA, CFA, CFP, attorney

Education: MA - Naval War College; LLM, UW; JD, MBA - Tulane (Freeman

Fellowship); BA - Simpson College (Epsilon Sigma honor society); Advanced Course in Logistics and Technology - Institute for Defense and Business

Community Service: Judicial experience as FINRA Arbitrator; CFA Institute - Examination Program; Adjunct Faculty - University of New Orleans, Tulane, UW (Milgard School); Volunteer - Louisiana Bar; Officer - CFA Society of Louisiana; Parish Finance Council

Statement: I'd like to reintroduce myself to Sixth District voters: I ran for this office in 2016 and was humbled and honored for your support in the Primary and for the more than 126,000 votes you gave me in the General election. Seeing the damage inflicted on our country by the ill-advised policies of this administration has prompted me to offer fresh leadership and practical real-world business experience to focus on addressing the many important issues we are facing: 40-year record inflation, shortages in critical goods, degradation of American energy and infrastructure, the spike in crime in our communities, and policies that undermine public safety and weaken our national security.

We are seeing lower labor participation and supply chain disruptions due to pandemic-related economic dislocation. Although household incomes had been improving, they are now being outpaced by inflation. The Federal Reserve has recklessly squandered its tools, holding interest rates too low, for too long; the Fed is in need of greater congressional oversight, for which I have the training and experience.

As a Navy officer, I swore an oath to support and defend the constitution. Our obligations to public safety and national security continue to be of great concern. I will focus on common sense solutions to restore faith in our laws and our criminal justice system. After a disastrous withdrawal from Afghanistan and weakness on the global stage, Russia and China have been emboldened. With a war in Europe and threats to our interests in Asia, we need someone with a strong record of knowledge and accomplishment in this arena.

I will work to restore strong economic growth, restore public order and safety and provide for the national defense to keep America safe; I respectfully request your vote.

Elizabeth Kreiselmaier
(Prefers Republican Party)

Elected Experience: Precinct Committee Officer

Other Professional Experience: Successful career in program evaluation and research at WestEd/Far West Laboratory (Program Director) and Oregon Research Institute (Research Scientist). Wrote and directed federal grants in special and general education.

Taught university and professional development courses, consultant to National Science Foundation, universities, state education departments, school districts, and nonprofits. Developed and evaluated programs for children with disabilities, their families, and professionals serving them. Presented and published nationally.

Education: Ph.D. Summa Cum Laude (top 2%), University of Oregon: Special Education, Management, and Counseling Psychology.

Community Service: Chaired many professional boards and task forces; active volunteer across numerous churches, schools, and community settings.

Statement: My candidacy isn't about me. It's about America and Americans, Washington and Washingtonians--people like you and me who live here, and love it here.

Most of us sense America's headed the wrong direction. Crime and homelessness are surging. Public safety's threatened. Businesses are suffering. Inflation is the highest in 40 years. We all feel pain at the grocery store and gas pump. Biden's administration isn't *solving* the problem--it *is* the problem. Congress isn't doing its job.

2022 is pivotal. I'm fighting for this District, to defend what we all love: Strong Families, Strong Communities, Strong Country. That means: Restoring public safety by supporting our police and military; Rebuilding our economy by lowering taxes and debt; Eradicating homelessness; Protecting America's sovereignty and our workers' livelihoods; Preserving Constitutional freedoms; and Reclaiming parental authority over their children's education.

I'm not a career politician and never intended to be. I was asked to run, for what others saw in me: commonsense leadership with a moral compass, combined with a skillset and professional background that delivers what's needed *now*: a gift for sizing up problems, communicating effectively, and engaging productively to *get things done right, and get the right things done*.

The Democrats' agenda is corrosive from within. It's rewarded destructive behaviors, and spawned crushing debt. House Democrats are off course, and our current Representative votes in lockstep with the worst of them, as if we were Seattle. (We're not). The House has been rife with dirty tricks, but it stops *now*.

I'm a Mom on a Mission to Clean Up The House in D.C. As the only endorsed Republican candidate in this race, (having earned the unprecedented early endorsement of the Washington State and County Republican Parties, current and former legislators, community, military, and law enforcement leaders), I ask for your vote.

Secretary of State – 2-year unexpired term

Bob Hagglund
(Prefers Republican Party)

Elected Experience: Granite Falls PCO 2017-present. Snohomish County Republican Legislative District committee chairman 2018-present and Election Integrity chairman, 2020-present.

Other Professional Experience: Four decades' professional experience in Data Science,

Machine Learning, Online Services, and Business Intelligence serving Healthcare, Manufacturing, Software Development, and Information Security businesses and government. Commercial clients include United Health, Kaiser, MultiCare, Microsoft, Ernst-Young, Nike, and Altria. Government clients include King County Metro, Apple Health, Medicare/Medicaid and Veterans Affairs.

Education: Recent Professional Certifications include University of Pennsylvania, The Wharton School: Data Analytics; University of Washington: Machine Learning and Data Manipulation at Scale, Systems and Algorithms.

Community Service: Election auditor and observer.

Statement: As Secretary of State, working with our citizens and Legislature, using only American labor not more globalism, I commit to improving and replacing election systems and processes as needed to guarantee every Washingtonian who can legally vote can easily vote, people who legally cannot vote do not vote, and implement a voter identification system and routine audits to protect the integrity of our elections. Compared with accuracy and transparency requirements for engineering, banking, and healthcare, our elections have been completely substandard. We deserve and will build an election system that earns our trust.

We need a strong voice of the people serving in Olympia, someone who has a record of actually getting things done, not just another government career builder, political agitator, or activist trying to build name recognition. We need innovative, free-market solutions proven in the real world. My successful career was built outside of the swamp of government. Like serving on jury duty, I will serve our people, taking responsibility, deliver what I promise, then return to private life, and never make excuses.

Kurtis Engle
(Prefers Union Party)

Elected Experience: None.

Other Professional Experience: Thresher class sonarman. Electronics technician. Forest firefighter. Logger. Mechanic. Painter. Driver. Etcetera.

Education: Certain people have made sure I got one.

Community Service: Five times on the ballot just to embarrass the politicians out of arresting me for talking to them about the Transit they sabotaged. Abuse of process is a thing, in Centralia. The Hardest place to leave I've ever been. I'd be there still if the police chief hadn't 'suggested' I leave town. So, bad eye or not, I bought a car, and a house, and left. It's a great pleasure to live among civilized people again.

Statement: For those unaware, China is assembling a 'security' pact in the Pacific. This amounts to a series of gas stations for their 350 ship navy, 80 ship maritime militia, and any aircraft and small craft imaginable. They already have Guadalcanal. They also have 100 tankers and 400 containerships (Temporary helo troopships). So, if certain dominoes fall certain ways, we could have half a million Chinese troops in Western Washington. Where there is a huge anchorage and ready protection from our Army provided by mountains, deserts, and rivers. If this comes even close to happening, we will already have had a bad day. Long before then I want the Military to Recon the place hard and think about what to do with that much trouble.

Chinas' move is not so much new as next. Part and parcel to the happenings in Ukraine. You don't need ESP to see war clouds gathering. We must get our supply chain out of their country. That wont happen by itself.

Then there are the republicans. I think the free states should sue the slave states. To have a free and fair election in the United States, it must be free and fair in every state.

Marquez Tiggs
(Prefers Democratic Party)

Elected Experience: N/A

Other Professional Experience:
U.S. Military Service; Banking and Financial Services

Education: MBA - Seattle University, in progress; Election Administration Cert - Auburn University, in progress; B.S. in Applied Management - Grand Canyon University

Community Service: Seattle Angels - Love Box Leader/Mentor; Military Family Fun Run Event; NAACP Member

Statement: I was born and raised in Russellville, Alabama, to a young mother and father. Growing up in the south as the 2nd oldest of 14 children was challenging at times; however, I garnered valuable leadership skills and the ability to influence. I learned the importance of hard work, giving back to the community, and becoming a person of value. After graduating high school and attending college, I decided to pursue a new career by enlisting in the U.S. Army and serving my country. Soon after my military career, I obtained my B.S. Degree and maintained a career in Banking. Washington has been my home for nearly a decade, and I enjoy volunteering and hiking.

I choose to run for Secretary of State because representation matters, voter education matters, election security matters, and restoring confidence in our democracy matter. Washington state has maintained recognized leadership in the nation with its impressive mail-in voting process and same-day voting registration. I believe I can carry on that legacy once I am elected.

As an openly gay man of color, it would be a groundbreaking achievement once I am elected.

I ask you for your vote to become your Secretary of State. #letsmakehistory

Tamborine Borrelli
(Prefers America First (R) Party)

Elected Experience: Voted in as Director of Washington Election Integrity Coalition United in November of 2020. WEiCU, pronounced (*We See You*).

Other Professional Experience:
Managing Director of multiple family businesses (Los Angeles, CA);
Owner, 'Spiral Café' (Yelm, WA);

Property Manager, 'Rainier Properties' (Rainier, WA);
Director, 'Wellspring Wellness Center' (Yelm, WA).

Education: Studied Spiritual Psychology at The University of Santa Monica; Trained in Leadership and Team Building; Studied Cyber Security pertaining to Election Management Systems.

Community Service: Rescue stray and disabled animals (2010- present); Election Integrity Investigator filing eight lawsuits & Writ of Mandamus (2016- present). Washington Representative of 'Restore-Liberty' (2021- present)

Statement: I am an Election Integrity Investigator fully committed to restoring transparent, secure and verified elections for all of Washington voters. Currently, we are told that our mail-in system is the most "convenient, accessible and secure" in the country, yet we appear to be sacrificing voter confidence in the name of convenience. The public is currently prohibited from inspecting the key aspects of our elections despite vulnerabilities of tabulation machines being widely known. Our voter rolls don't appear to be properly maintained which could allow fraudulent ballots to be accepted, and because anyone with your name and birthdate can turn in your ballot, we currently do not have verifiable ballot chain-of-custody. This isn't a partisan issue. If we can't trust the process of how we elect our representative government then our Democratic Republic is only an illusion. We the People must be the ones to restore a system that we can trust. No matter where we stand politically, if we can come together on this one thing, *we all will win*. Increased transparency and oversight are key to solving these problems. I am the only candidate in this race committed to restoring that accountability.

Secretary of State – 2-year unexpired term (cont.)

Steve Hobbs
(Prefers Democratic Party)

Elected Experience: Secretary of State Steve Hobbs will ensure every eligible Washingtonian’s voice is heard in secure, accessible elections. In the state Senate, Hobbs chaired the Transportation Committee and earned a reputation as a champion of bipartisan solutions.

Other Professional Experience: Three decades of military service in the United States Army and National Guard, achieving the rank of Lieutenant Colonel. Deployed to Kosovo and Iraq. Task Force Commander - Western Washington’s COVID-19 response mission.

Education: Master of Public Administration and Bachelor of Arts from the University of Washington. United States Army Command and General Staff College, Defense Information School.

Community Service: Rotary, American Legion, Nisei Veterans Committee

Statement: As your current Secretary of State, my top priority is to ensure our elections are secure and accessible to every eligible voter. I am proud of my career in public service working alongside Democrats, Republicans, and Independents advocating for all Washingtonians.

My mom, an Asian immigrant, raised me to work hard, value education, and serve others. That is why I have worn the uniform for more than 30 years and served 15 years in the state Senate.

With bipartisan support from state lawmakers, I am leading work that safeguards our election systems from cybersecurity threats, confronts malicious disinformation, and engages underrepresented communities. These commitments are why I am endorsed by numerous County Auditors who conduct elections, labor and business, voting rights advocates, and prominent state and federal leaders.

The Secretary of State must possess the highest standards of integrity and leadership and serve as a strong advocate for voting rights in Washington. As attacks on our democracy become more sophisticated, I am here to lead our state’s elections through security challenges. It has been the privilege of my life to serve as your Secretary of State, and I would be honored to earn your vote.

Keith L. Wagoner
(Prefers Republican Party)

Elected Experience: State Senator 2018-present (Minority Whip), Ways & Means and Law & Justice Committees, Behavioral Health Sub-committee (Ranking member); Mayor, City of Sedro-Woolley 2016-18; Sedro-Woolley City Council 2010-15

Other Professional Experience: U.S. Navy for 23 years as a Naval Aviator flying helicopters, including 13 years in overseas locations conducting resupply and Search and Rescue missions. Retired with the rank of Commander. Diplomatic assignment to U.S. Embassy Tokyo, Japan.

Education: United States Naval Academy, Annapolis MD. (BS, Physical Oceanography); University of San Diego (MS, Global Leadership)

Community Service: Fraternal Order of Police 2020 Legislator of the Year, Rotary International; Fraternal Order of Eagles #2069, American Legion Post 41

Statement: For five decades, Washington voters across the political spectrum, have trusted Republican leaders to oversee our sacred right to elect our own leaders. That ended when the governor appointed a Democrat to fill Secretary Wyman’s vacant seat. I am running to return this office to the “people’s choice” and to restore balance, accountability, and integrity to our election and voter registration system.

Washington has one of the most accessible election systems in the country; that needs to be protected. But with accessibility comes risk. Washington needs a SoS who understands the value of your vote and the need for constant vigilance and security improvements to protect the integrity of our elections; the bedrock of our society. Under my leadership, this office will be proactive, unbiased, and transparent.

Voter confidence suffers when we do not definitively and consistently demonstrate a commitment to free, fair, and transparent elections. And when confidence falters, voters no longer participate. I am the only candidate who has actually sponsored legislation (Washington Voter Confidence Act) to both improve access and accountability. I am not running to make things better for any political party, I am running to make things better for Washington State voters.

Secretary of State – 2-year unexpired term (cont.)

Mark Miloscia
(Prefers Republican Party)

Elected Experience: State Senator (15-19); State Representative, (99-13); Chair, House Audit Review Committee; Chair, Senate State Government and Elections Committee; Commissioner, Lakehaven Utility District, (96-99)

Other Professional Experience: Executive Director, Family Policy

Institute of Washington; Air Force B-52 Pilot and AF Contract Manager for Boeing B-1 program; Quality Examiner for Baldrige National Performance Program; Tacoma Goodwill Industrial Services Director, Substitute Teacher at Catholic and Federal Way and Auburn Public Schools

Education: BS, Engineering, USAF Academy; MBA, University of ND; MS, Clinical Psychology, Chapman University

Community Service: Federal Way Boys and Girls Club Board; Lake Dolloff PTA VP; State and National Baldrige Quality Examiner, St. Vincent's Knights of Columbus

Statement: I'm running for Secretary of State to restore trust and integrity to government, especially our election systems. From registering voters, to eliminating irregularities, and to auditing and validating all votes, I will insure 100% accuracy and compliance with laws!

We need a passionate, experienced leader to head this critical agency who will work with county auditors and fight for election integrity and fairness. I've spoken to many Washingtonians, Republicans, Democrats, and Independents alike, who feel as I do that our concerns with government performance are not welcome. It shouldn't be controversial for Washingtonians to ask for transparency or demand audits and evidence of zero fraud. Yet many who have merely asked questions about problems or irregularities, have been mocked, silenced, or labeled as conspiracy theorists.

Citizen oversight over government is uniquely American! I will support all people, of any political party or belief, who want to be involved to ensure that their voices, and the voices of all others, are heard.

If I accomplish one result as Secretary of State, it would be to ensure that all Washingtonians are 100% convinced that elections were accomplished with integrity, and the results are true. I would be honored to get your vote!

Julie Anderson
(Prefers Nonpartisan Party)

Elected Experience: Nonpartisan Pierce County Auditor, 2009 to Present; Nonpartisan Tacoma City Councilmember, 2004 to 2009

Other Professional Experience: Senior Policy Advisor, Department of Commerce; Executive Director, Tacoma-Pierce County YWCA; Assistant Regional Administrator, Department of Social and Health Services

Community Service: Past President and Member, Association of County Auditors; Secretary of State's Electronic Recording Standards Commission; Paul Harris Fellow, Rotary International; Board Member, UW Center for Leadership and Social Responsibility; Senior Fellow, American Leadership Forum; Washington State Bar Association Character and Fitness Board

Statement: Polarization has eroded trust in our government. The Secretary of State has the critical job of running trustworthy elections, as well as providing public records access, business registry, and library services. This demands experience. Partisanship has no place in the Secretary of State's office.

I've been Pierce County's nonpartisan Auditor for 12 years, leading a nationally recognized, award-winning office that has increased voter access, enhanced election security, and improved auditing procedures. I've provided oversight and statewide leadership in elections, increased access to public records, and streamlined business licensing. I hold national and state certifications in election administration and am a certified public records officer.

I've worked closely with counties throughout the state. Together, we've created a national reputation for excellence. That's how I've earned the trust and endorsement of more than 30 Democratic, Republican, and Independent election administrators and County Auditors throughout Washington State.

My experience and leadership managing hundreds of elections in Washington's second largest county has prepared me to serve as your Secretary of State. I will protect our democratic republic by making our elections more secure, transparent, and accessible. I ask for your vote.

Voting Facts and Tips

Track your ballot. Go to VoteWA.gov to see if your ballot has been sent to you, received by us, and then accepted.

Be on time! Our ballot drop boxes close at 8 p.m. sharp on election night, and mailed ballots MUST be postmarked no later than election day. If you have any doubts about whether your ballot will be postmarked on time, use one of our 25 drop boxes.

If you register online to vote, your signature comes from the Department of Licensing. If you match your signature to what's on your driver's license or what's on your state ID, your chances improve of having your signature match.

Not Yourname

Don't sign someone else's ballot envelope for them, even for someone in your same household who is away.

Power of attorney cannot be used to sign someone else's ballot envelope. If the voter cannot sign, have them make any mark on the declaration and have two witnesses sign in the spaces provided below the mark.

Our processes are public. Come watch us in person, or go to kitsap.gov/elections and watch via the webcam.

Beau "Gus" Moniker

If you write in a fake name on the ballot in a race, the write-in vote will not be recorded.

If you choose to not vote in one race, your votes in the other races still count.

24	25	26	27	28	29	30	28	29	30				

Ballots are mailed to voters 18 days before the election. For most elections most ballots arrive to Kitsap households at least two weeks before election day. It's not the norm, but sometimes voters in the same household receive their ballots on different days. If you don't have your ballot by July 21, feel free to email or call our office to check on the status.

Nothing on the ballot identifies you individually. The three bar codes show what election we're in, the precinct, a unique identifier of that single ballot (to prevent a ballot being scanned more than once) and the different page sides. Once a ballot is removed from an envelope, still in the secrecy sleeve, there is no way to link the actual ballot to an individual voter.

We test our ballot tabulation system before the election and do a random batch audit the day after the election to ensure that the system is counting ballots correctly. Both events are open to the public.

Legislative District 26 – State Senator – 4-year term

David Crissman
(Prefers Republican Party)

Elected Experience: I haven't been elected to any position since grade school. Anything's got to be better than my current job though, including being a politician, so I might as well give it a shot.

Other Professional Experience: I honorably served in the Army, doing tours of duty in both Iraq and Afghanistan.

Education: BS Business Administration from San Jose State University

Community Service: In today's world, who has time for community service?

Statement: I'm not a politician, but I'm tired of the way politics is going right now. I want to bring small, sensible government solutions to our problems, both at the state level and the district level. I support modern family values and keeping the government out of your bedroom.

Jesse L. Young
(Prefers Republican Party)

Elected Experience: State Representative, 2014 - Present.

Other Professional Experience: A software engineer and business owner, Jesse has advised companies globally in the industries of finance, healthcare, aerospace, and technology. He's also served in the Commandant's National Security Program, US Army War college.

Education: Wilson HS, Valedictorian and Washington State Scholar; University of Notre Dame, BBA-MIS.

Community Service: Jesse kept his promise, and successfully led the effort to stop toll increases saving commuters over \$200 million! A Rotarian (Paul Harris Fellow), Navy League member, and adoptive parent of YWAM's Adoption Ministry in Ethiopia, Jesse serves on the board of Harbor Hope Center fighting teenage homelessness on the peninsula.

Statement: Everyone deserves a thriving economy, transparent government, and the right to be safe from crime and fear. That's why I'm now running for State Senate. I will continue working tirelessly to stand up for *our* rights, *our* children's future, and *our* first responders – and I'm proud to be strongly endorsed by our police unions.

Growing up on the streets of Tacoma and experiencing homelessness as a youth, I learned to take nothing for granted. Despite a rough start to life, I was blessed to have the *opportunity* to apply hard work and street smarts to become Valedictorian of my class and then graduate from Notre Dame.

As your current State Representative, I care about making sure those opportunities exist for *everyone*. Unfortunately, we've seen those opportunities diminish under the radical policies enacted by our current Senator to defund our police, legalize drugs, and let criminals out of jail – while also raising our gas taxes, property taxes, and passing an unconstitutional state income tax.

Whether I'm standing against ineffective government or corporate interests, working to strengthen our schools, or applying my career experience to help get this economy going, I'll continue *working hard* to serve you. Remember Vote Young!

Emily Randall

(Prefers Democratic Party)

Elected Experience: Emily Randall is our current State Senator

Other Professional Experience: Emily has held professional roles at Planned Parenthood, Boston Children’s Hospital, and Wellesley College, helping people access the healthcare they need and the education opportunities they deserve.

Education: BA, Wellesley College - Emily was the first in her family to receive a college degree

Community Service: Board member, Kitsap Community Resources; Member, American Association of University Women, Gig Harbor; Volunteer, Access Women’s Health Justice; Fenway Community Health; Big Sister

Statement: As our State Senator, Emily put politics aside to represent our entire community. Emily is an effective, pragmatic leader who stands up to extremists on both sides.

A third generation Kitsap County native, Emily believes in our community’s strength and is committed to making it a better place to live and work. She knows that together, we can build strong, safe, and healthy communities—with great public schools, affordable and locally available healthcare, good jobs, traffic relief, and support for our small businesses.

Emily has lowered costs by cutting Tacoma Narrows tolls, providing tax relief for working families and small businesses, reducing prescription drug prices and healthcare costs—while expanding funding for law enforcement and our local schools.

The past few years have been tough for our families. We have more work to do to ensure we can afford not just to live here, but thrive here—that our kids have great schools and that our government stays focused on our priorities, not those of special interests. To do this we need to move beyond divisive politics and work together. *Endorsed: Congressman Derek Kilmer, Kitsap County Sheriff John Gese, Bremerton & South Kitsap Firefighters, American Federation of Teachers Washington.*

Drew C MacEwen
(Prefers Republican Party)

Elected Experience: I have served as State Representative in the 35th since 2013

Other Professional Experience: I served in the US Navy Nuclear Submarine Force and am now an investment manager and a partner in two local restaurants.

Education: Bachelor of Science from Excelsior College; Graduate of US Naval Nuclear Power Program

Community Service: I am a member of St David's in Shelton, past president of the Shelton Chamber of Commerce, board member of the Mike Tice Foundation, Shelton Rotary Club and have been part of the Mason General Hospital Foundation as well as the Kitsap Medical Society. Happy to still be playing hockey for the Bremerton Bulldogs!

Statement: During my first five years in office, we had a much more balanced legislature. That drove bipartisan approaches and solutions which I was happy to be part of. This led to sustainable budgets with surpluses, solving the McCleary education lawsuit, solving water rights related to the Hirst decision, and lowered college tuition. However, over the past few years the legislature has made life harder for many of our citizens. There is high inflation and energy costs, education has struggled through the pandemic, the state budget has grown exponentially, and law enforcement has been villainized and defunded. This is unacceptable. We need to return to a balanced state government, and I have the proven leadership to be part of the solutions. You deserve a stable economic environment; a strong education system and our first responders need the resources to keep us safe. We can do that and get back to having sustainable budgets with strong surpluses. I have the leadership and experience to do that. I ask for your vote and thank you!

Statement: I believe people are like me ... they desire a thriving community where individuals and families feel safe. They want to preserve our parks, trails and waterways. They long for real and actionable solutions to homelessness and a system where fair and honest law enforcement can uphold laws. We have enough money. We don't need new taxes. I'll bring two decades of experience in leading diverse teams that prioritize spending, eliminate waste, and build trust.

As a foster parent and foster agency director, I helped the most vulnerable find homes, jobs, education, and support. On KCR's Executive and Head Start Committees, I ensured children and families had the resources to thrive – including affordable housing and jobs training. As a business consultant, I've helped local small businesses grow.

We want transparency, accountability, and communication. We need a collaborative leader to navigate the challenges facing us today. *I don't simply talk about change, I lead it.* I believe people from different viewpoints can find common ground and implement solutions to bring Kitsap together.

If you desire change and fresh perspectives, vote Hinman. My experience isn't in politics, it's in getting things done ... which is exactly what our community needs now.

Paul Andrews
(Prefers Democratic Party)

Elected Experience: Elected Kitsap County Auditor in 2018.

Professional Experience: Along with being the chief election official for Kitsap County, Paul is Co-Chair of the State Licensing Committee, Secretary of the Kitsap County Finance Committee, and Board Member of the Washington State

Association of County Auditors. Paul's experience includes 29 years as an IT professional and Kitsap County Data Analyst.

Statement: As your County Auditor I have spent the last three years fulfilling my campaign promises: ensuring the Auditor's Office remains accountable to taxpayers, local elections are conducted securely and transparently, and county resources are more widely accessible. I'm proud to say we have met these goals for our community.

The Auditor's Office was one of few government offices that maintained full services throughout the COVID-19 pandemic. By leveraging technology and secure drop boxes we continued to meet the needs of the community.

As our county's chief election official, I ensured our last 15 local elections – including the largest ever recorded – were conducted fairly and transparently. We added cameras to our ballot room and began live streaming every public meeting, allowing everyone to watch democracy in action. We added voting opportunities through a new vote center, additional days of availability (including Saturday), and installation of three new secure ballot drop boxes.

The Auditor's Office plays an important role in our county and requires hands-on experience to ensure its success. I am uniquely qualified to continue leading this vital part of our local government with accountability and integrity and I ask for your vote.

Mike Simpson
(Prefers Republican Party)

Biography: Why am I the best choice? My managerial experience is extensive and the positions I've attained would never have materialized without competence, intelligence and fastidious attention to detail. Working for the Army in Iraq, well-honed skills and meticulous planning were essential

to the survival of our teams on the ground. As a senior non-commissioned officer, I oversaw several soldiers greater in rank while working directly for the Colonel. Having attained senior management positions with multiple Fortune 500 companies, I've managed corporate divisions with hundreds of employees, been accountable for safeguarding millions of dollars of equipment, and securing millions of documents.

Statement: Why am I running? As a federal employee, I could either stay silent about egregious errors in the Auditor's office, and keep my job, or resign and run to correct them.

Why is this race so important? Most people expect our elections to be run in a nonpartisan manner without intrusion from government. That is *not* what happened to me as the incumbent in the 2021 Bremerton City Council race; our County Auditor's office gerrymandered (moved, based on voting trends) hundreds of voters from my district months before Census data was available. I still won. Then, the Auditor's office petitioned to nullify *the will of the people, overturning the election*. Government should *never* put its thumb on the scale to favor one candidate over another. Additionally, significant managerial failings need correction: in my 2021 race, hundreds of ballots were sent to the wrong households and to rectify this error, voters were encouraged to *ask* for a new corrected ballot; individuals received multiple ballots; and it takes, on average, six months to record Commissioner Resolutions and Ordinances. This is unacceptable.

Together we can change the status quo, make the Auditor's office nonpartisan, and right these wrongs. *I'm asking for your vote.*

I am very proud of the reputation the Clerk's office has, and proud of the excellent public service that we provide. I have been fortunate to be a part of providing that service for over 37 years. I look forward to enhancing our services with new technologies while promoting access to justice.

Kitsap County Prosecuting Attorney – 4-year term

Chad M. Enright
(Prefers Democratic Party)

Elected Experience: Elected Kitsap County Prosecutor in 2018.

Juvenile Division.

Community Service: Chad currently serves as Immediate Past President of the Kitsap County Bar Association and as a Board Member of the American Red Cross (South Puget Sound and Olympics), Kitsap Community Resources, and The Arc of the Peninsulas.

Statement: I have dedicated my career to prosecuting criminals, fighting for justice, and keeping Kitsap County safe for all. In my first term, we endured the challenges of the pandemic and made meaningful improvements. I'm running for re-election to keep the prosecutor's office professional and efficient, while maintaining a focus on fairness and respect for everyone.

Over the last three years, we created new programs to keep Kitsap County safe, including the Domestic Violence Firearm, High Priority Offender, Financial Crime, and Felony Traffic Crimes programs. Through partnerships, we introduced the Welcome Home Project and Washington State's first Girls Court, reducing recidivism. We held Washington's first Legal Financial Obligations reconsideration day and National Expungement Week, giving those who have served their time the opportunity to move forward. Our employees participated in implicit bias training and we hired a dedicated Public Records Officer, ensuring everyone receives fair and timely responses from our office.

With my educational background, government experience, and commitment to our community, I'm uniquely qualified to continue leading the prosecutor's office. I will always strive to build a safer community and effectively manage resources, regardless of the challenges we may face. I look forward to earning your support again this year.
