WSSEF stimulates Kitsap County economy

The WSSEF promotes Kitsap County throughout the year singularly and in collaboration with other organizations and corporations. WSSEF promotional materials highlight Kitsap County; direct marketing to >1.1 million students enrolled in 2,369 public schools with 58,815 teachers and to the >32,000 home school students; support regional fairs; attend conventions; make presentations; host seminars; multi-media press releases to 269 Washington newspapers, magazines, radio and TV stations. You awarding the WSSEF with 2022 Kitsap County Lodging Tax funds aligns with the lodging tax funding intent thereby reimbursing the WSSEF for marketing expenses spent in good faith to promote past, present and future Kitsap County tourism. Kitsap County tourism needs financial COVID recovery ~ WSSEF and JSHS events are your answer!

WSSEF Marketing and Promotional Projects Directly Enhance Tourism Benefiting Kitsap County

The RCW funding requirements clearly outline for “marketing purposes.” WSSEF staunchly complies with RCW by conceptualizing and implementing “strategically unique promotional marketing plans” with statistical results.

****Project 1 (\$15,000) Junior Science & Humanities Symposium (JSHS)** Our newest WSSEF event, Junior Science & Humanities Symposium (JSHS), is February 19 & 20, 2022 held at the U.S. Naval Undersea Museum, Keyport. Thus, our participants, judges and families will enjoy our local hotels, restaurants and hotspots throughout Kitsap County. This exciting event needs marketing throughout the state bringing you February tourism!

****Project 2 (\$11,000) Updating / Creating New Marketing Materials; Advertising; Outreach; Video TV Ads** Creating new marketing materials are vital to reach and promote tourism to WSSEF in Kitsap County. WSSEF’s local graphic designer provides professional quality brochures, posters, mounted displays, banners, direct mailers, buttons, signs and used for year-round marketing promotional events. In addition to our “Remember Kitsap” tourism concept, we are collaborating with other festivals, museums, restaurants, local Chambers and other entities creating a “tourist agenda”. The USS Turner Joy reported their tourism levels during the WSSEF event raises their gate akin to a summer weekend.

****Project 3 (\$5,000) Website Upgrades** ~ The WSSEF website continues to provide a professional appearance while disseminating large amounts of data and protecting personal information. Ensuring quality technology availability ensures quantity increases in tourism. Our website provides WSSEF participants/tourists with lodging info, Fair data, local maps, “tourist hot spots” maps event hot-spots, schedules, web links, and other data enticing them to extend their Kitsap visit. WSSEF fills hotels, restaurants, parks, recreation spots, memorial areas and other Kitsap points of interest in the off-seasons.

****Project 4 (\$5,000) WSSEF Participation Travel Incentive ~ Proven Results** ~ Quantifiable results prove with your continued funding and WSSEF’s marketing action plan the percentage of traveling tourists and their tourism dollars for Kitsap County is increasing. WSSEF Participation Travel Incentive program ROI directly returns increased economy to Kitsap County lodging, restaurants and tourism activities. Participant feedback positively attributes their attendance number to funding. It is especially important now as school travelers are facing budget challenges post COVID shutdown.

****Project 5 (\$4,000) Event Facilities / Film Festival** ~ Funding provides for the video production and a portion of the Science Film Festival and event facility expenses incurred during the WSSEF. The Science Film Festival is a free and collaborative event that directly generates tourism! We anticipate filming / broadcasting Miss United States at WSSEF.

History of Organization/Event: The Washington State Science and Engineering Fair in its 65th year began as the Kitsap County Science Fair in 1957 initially sponsored by the Bremerton PTA and Olympic College in Kitsap County.

Scope: Promote/host WSSEF, JSHS & the free Science Film Festival in Kitsap County. WSSEF collaborates with local entities promoting tourist activities, conducts surveys and collates data providing documented tourism statistics to you.
