

ADDENDUM #3 INFORMAL BID 2021-102

Kitsap County Department of Public Works
Sewer Utility Division
for
Transportation and Beneficial Use of Class-B Biosolids

TO: All Respondents
FROM: Vicki Martin, Buyer
CLOSING DATE: **Wednesday, February 10, 2021 at 2:00 PM (UNCHANGED)**
REF NO.: 2021-102 RFP
DATE: January 27, 2021

In response to questions received, the following information is provided to assist in responding to the above referenced proposal.

QUESTIONS AND RESPONSES

1. A question has arisen regarding prevailing wage as related to the Scope of Work.

Answer: A response has been received from Labor and Industries indicating the Scope of Work for this proposal will NOT include Prevailing Wage as a requirement.

Hauling away biosolids accumulated in mechanical treatment of wastewater (typically carried by the facility's conveyor system to the disposal container or truck) likely will not require prevailing wages under [chapter 39.12 RCW](#).

Any reference to "prevailing wage" in the Request for Proposal document or sample contract are there due to the usage of county required (if necessary) boilerplate text.
