Solicited Services

Management of Kitsap's Consolidated Homeless Grant-funded hotel/motel voucher program a form of homelessness assistance program.

Funding for CHG homelessness assistance is provided through Washington State, administered by the Department of Commerce, and granted to the Kitsap County Department of Human Services. The Department of Human Services sub-contracts CHG funding that is designated for homelessness assistance to a community-based organization through this RFP process.

Program Goals

The hotel/motel voucher program provides short-term, temporary shelter (lodging) for those experiencing homelessness. The overall goal of the Hotel Voucher program funds is to reduce homelessness through providing safe temporary housing as a stepping-stone to stable permanent housing. This program is intended to be a supplement or substitute for emergency shelter beds. The program is intended to include intensive housing stability case management, permanent housing location assistance, system navigation assistance, evaluation of needs, connection with resources, relationship-building, and conflict resolution with hotel owners. All households must be entered into HMIS and Coordinated Entry.

The Department of Commerce determines eligible uses of funds and specific policies and procedures for CHG programs, which are listed in the Guidelines for the Consolidated Homeless Grant and are updated periodically.

Scope of Work

The following allowable uses of funds outline the elements of the scope of work, including specific requirements. Additional details can be found in the Department of Commerce's Guidelines for the Consolidated Homeless Grant.

Hotel/Motel Voucher Program

Operate the Hotel Voucher Program, including providing hotel vouchers and intensive case management for eligible households, working with these households to develop and carry out Housing Stability Plans. Components of this program should include:

- Development and/or expansion of a hotel voucher program, wherein arrangements would be made in advance with various hotels to accept vouchers or some sort of payment agreement in exchange for providing rooms at a reasonable rate for households participating in this program.
- Ideally the program would include agreements with multiple hotel owners/operators throughout Kitsap County to develop short-term temporary beds available as needed in different geographic areas of the county.
- Building relationships with hotel owners to engage them in this program and to resolve potential conflicts with program households as they arise.
- This program should work to coordinate with other funding sources that could provide additional and/or future assistance for households enrolled in the hotel voucher program.
- Vouchers should be negotiated for fixed time increments, such as a week or a month.
- Households should be referred for a specific length of time for the voucher.
These hotel vouchers should be prioritized for households who are currently unsheltered and moving inside.
- Intensive case management support should be provided for program households to make the adjustment from living outside to living in a temporary hotel room situation.

- Case management should include working with households to identify needs, resources, opportunities, and next steps through development of a Housing Stability Plan.
- Case management support should include housing location assistance for households' next housing situation (after the hotel voucher), connection with resources and benefits, referrals for behavioral health resources, and conflict resolution with hotel owners/operators.

Administration

Up to 15 percent of CHG Program costs over the course of the grant period may be used for administration. This limit must be reconciled before the end of the grant period.

Allowable administrative costs benefit the organization as a whole and cannot be attributed specifically to a particular program or to the homeless crisis response system. Administrative costs may include the same types of expenses that are listed in program operations (such as IT staff and office supplies), in the case that these costs are benefiting the agency as a whole and are not attributed to a particular program or the homeless system. Administrative costs may include, but are not limited to, the following:

- Executive director salary and benefits
- General organization insurance
- Organization wide audits
- Board expenses
- Organization-wide membership fees and dues
- Washington State Quality Award (WSQA) expenses
- General agency facilities costs (including those associated with executive positions) such as rent, depreciation expenses, and operations and maintenance.

All amounts billed to administration must be supported by actual costs. If actual costs in the contract period meet the budget cap, that amount may be charged in equal monthly amounts.

- Billed directly such as IT services that are billed by the hour.
- Shared costs that are allocated directly by means of a cost allocation plan.
- Costs related to executive personnel such that a direct relationship between the cost and the benefit cannot be established must be charged indirectly by use of an indirect cost rate which has been appropriately negotiated with an approved cognizant agency or by use of the 10 percent *de minimus* rate.

Evaluation

The CHG Homelessness Assistance Program should be considered a “work in progress,” with frequent internal evaluations to make necessary adjustments to ensure the efficacy of the programs. In addition, periodic “check ins” with partner agencies should be used to ensure that those partnerships support the efficacy of the program and that it is working for all parties.

- Implement program evaluation tools to measure client satisfaction and program effectiveness.
- Submit quarterly reports to Kitsap County. Provide additional reports and data as requested by Kitsap County.
- Annual on-site monitoring and evaluation by the County.
- Periodic monitoring and evaluation by the Washington State Department of Commerce.

Expectations of Contractor

- Flexibility – these programs are works in progress. Policies, procedures, and tools will need to be adjusted and refined over time.
- Collaborative Approach – the provider(s) must have the ability to build and maintain strong and effective working partnerships homeless service providers, housing providers, and landlords.
- Communication – staff must have the ability to communicate how the system works to people experiencing homelessness, service providers, and the public.
- Objectivity – successful operation of the program requires that the provider use consistency and fairness in applying all policies and procedures and use of tools.
- Problem Solving – the program provider must embrace a problem-solving approach to ending homelessness. To be effective, the provider must employ staff who are skilled at problem-solving and understand how to adopt a strengths-based and client-centered approach to all aspects of service delivery.
- Housing First – the organizational mission and philosophy of the provider must be aligned with Housing First principles: everyone is housing ready and there should be minimal barriers or service participation requirements imposed on homeless people as a condition of entering housing.
- Voluntary Services - Programs must not terminate or deny services to households based on refusal to participate in supportive services. Supportive services are helping or educational resources that include support groups, mental health services, alcohol and substance abuse services, life skills or independent living skills services, vocational services, and social activities.
- Progressive Engagement - Whenever possible, households experiencing a housing crisis should be diverted from entering homeless housing programs through problem-solving conversations, linkages to mainstream and natural supports, and/or flexible, and light-touch financial assistance. Initial assessment and services should address the immediate housing crisis with the minimal services needed, and frequent re-assessment determines the need for additional services. Services are individualized and responsive to the needs of each household.
- Systems Thinking – the Program is an essential component of the County’s homeless response system. To successfully operate the Program, the selected provider must embrace a systems-thinking approach.
- Data-informed – the data collected will be used for ongoing and continuous system improvement. The provider must have strong commitment to data quality and a willingness to make data-informed decisions.

Performance Measurement

The following outcomes/outputs will be used to assess the performance of the CHG Homelessness Assistance Program:

- Emergency Shelter (ES) – the goal is to increase exits to permanent housing, with a target of 50% exiting to a permanent housing destination.
- All Interventions – Equitable outcomes across racial and ethnic demographics should not be significantly less than the overall rate.
- All interventions – Provide complete, accurate, and timely entry of participant data.

Additional performance measures may be added, or the above performance measures may be modified, with agreement between the County and the Program provider.

- 3.7. Restrictions. The Contractor will only be entitled to receive payment for Goods and Services expressly authorized in the Contract, which are received during the Contract term, and accepted by the County. The Contractor acknowledges oral requests and approvals of additional services or additional compensation are prohibited and unenforceable. Advance payments are not authorized.
- 3.8. Compliance with Law and Federal Contract. The County is using federal funding to procure the goods and services provided under this Contract. Contractor agrees to comply with and make all necessary certification as required by the BJA FY 20 Coronavirus Emergency Supplemental Funding Program agreement which incorporated herein by reference and Appendix F, FEMA Contract terms.

SECTION 4. TERMINATION

- 4.1. For Convenience. The County may terminate the Contract, in whole or in part, without penalty, by giving ten (10) days prior notice to the Contractor.
- 4.2. For Funding issues. If any funding for Goods or Services is not available, withdrawn, reduced, or limited in any way, or if additional or modified conditions are placed on the funding after the Contract becomes effective, the County may in its discretion: (1) accept a decreased price offered by the Contractor; (2) terminate the Contract; or (3) terminate the Contract and re-solicit the requirements.
- 4.3. Termination for Default. The County may immediately terminate the Contract, in whole or part, due to the Contractor's failure to comply with any Contract term or condition, or to make satisfactory progress in performing the Contract.
- 4.4. Procedures. Upon receipt of notice of termination, the Contractor shall stop all Goods and Services as directed in the notice and minimize further costs. All goods, materials, documents, data, and reports prepared by the Contractor under the Contract shall become the property of, and delivered to, the County on demand. A final payment will be made to the Contractor only for Goods and Services provided and accepted by the County up to the effective date of termination. No costs incurred after the effective date of termination will be paid.

SECTION 5. STANDARDS, ACCEPTANCE, RISK OF LOSS, WARRANTY

5.1. Warranties. The Contractor warrants and represents to the County as follows:

- 5.1.1. The Contractor has free and unencumbered title and the right to sell the Goods to the County.
- 5.1.2. All Goods will: i) be free from defects, and errors or omissions in design, materials, and workmanship; ii) comply in every respect with any relevant specification, industry standards, samples, drawings, and the Contract; iii) be newly manufactured, of first quality and not end of life; iv) adequately marked, labeled, contained, and packaged to prevent damage or deterioration during transport; v) be able to be used, assembled, handled, stored, dismantled, decommissioned, and disposed of without risk to the health or safety of any person; vi) be of good and merchantable quality; and vii) of satisfactory quality and fit for the purpose for which the County has made known to the Contractor, or, where the County does not make any purpose known to the Contractor, for the purpose for which the Goods are normally used.
- 5.1.3. All Services will: i) be performed with due care, diligence, and skill, in a professional, efficient and safe manner, and to best industry standards; ii) be performed by appropriately qualified and experienced Personnel; iii) be fit for the ordinary purpose for which they are intended; and iv) comply with every relevant specification, industry standards, and the Contract. The Contractor shall devote such time, energy, attention, and efforts to the Services provided under this Contract in order to provide all Services promptly, efficiently, and satisfactorily.
- 5.1.4. The Contractor will do all acts, matters, and things that may be necessary for and incidental to the proper and efficient supply of the Goods and Services. The Contractor and its Personnel will comply with all laws and standards relating to the supply of the Goods and Services, including the County's standards, policies, procedures, and directions, and obtain all necessary licenses, consents, permits, and approvals to supply the Goods and Services. The Contractor shall keep the County informed of the progress of the Goods and Services in the manner, method, and intervals requested by the County.
- 5.1.5. The Contractor and its Personnel: i) are competent and have all necessary and appropriate skills, training, background, and valid qualifications to carry out the duties and responsibilities of their positions and the tasks allocated to them; ii) will behave in a professional and responsible manner at all times and perform the Services with due care and skill and in accordance with best industry practice; iii) understand and agree to the requirements of this Contract which are relevant to them; and iv) when accessing the County locations, will comply with any security, occupational health, and safety and other policies and procedures specified by the County from time to time.
- 5.1.6. The Contractor will ensure that the County will obtain the benefit of all warranties given by all manufacturers, subcontractors, suppliers, and other relevant third parties in relation to the Goods and Services; and that the supply, and use, of any Goods and Services does not and will not contravene any laws or infringe the rights of a third party (including any Intellectual Property Rights). During any applicable Warranty Period, the Contractor shall, at no additional charge to the County and without prejudice to any other rights or remedies of the County, repair or replace any Goods or Services that do not comply with any of the applicable warranties.

5.2. Inspection, Testing and Acceptance. Prior to delivery of any Goods, the Contractor must conduct pre-installation testing to confirm that all Goods have no apparent defects. All Goods and Services are subject to final inspection and acceptance by the County. In the event of nonconforming Goods and/or Services, the County may elect to do any or all of the following: a) waive the non-conformance; b) stop the work immediately; c) require the Contractor to bring Goods and Services into compliance; and/or d) terminate the Contract and seek all remedies available in law and in equity. The Contractor agrees to diligently correct any work and replace any Goods and Services

or make alternations necessary to meet specification requirements free of cost to the County. Inspection, testing, acceptance, or use of the Goods and Services will not affect the Contractors obligation under the warranty. All warranties shall survive inspection, testing, acceptance, and use.

- 5.3. Title and Risk of Loss. Title to all Goods and Services will vest in the County upon delivery to the County unless expressly agreed otherwise. Risk of loss for Goods will pass to the County at final acceptance. All work shall be performed at the Contractor's own risk, and the Contractor shall be responsible for any loss of or damage to materials, tools, or other articles used or held for use in connection with the work which includes without limitation transit, installation, and setup. All Goods failing to conform to the Contract shall be held at the Contractor's risk and may be returned to the Contractor.
- 5.4. Damage to County Property. The Contractor shall perform all work so that no damage to any County buildings or property results. The Contractor shall at its sole expense repair any damage caused to the satisfaction of the County. The Contractor shall take care to avoid damage to adjacent finished materials that are to remain. If finished materials are damaged, the Contractor shall at its sole expense, repair and finish in a manner which matches existing material as approved by the County.
- 5.5. Product Discontinuance. Should a product or model identified in the Contract be subsequently discontinued by the manufacturer, the County at its sole discretion may allow the Contractor to provide a substitute for the discontinued item. The Contractor shall request prior permission from the County to substitute a new product or model and shall provide the County with documentation from the manufacturer confirming that the product or model has been discontinued and identifying the names of the replacement product or model. All replacements shall meet or exceed all Contract specifications, be compatible with all the functions or uses of the discontinued product or model and be at a price equal to or less than the discontinued product or model.
- 5.6. Guarantee. All Goods and Services shall be guaranteed for a minimum period of one (1) year from the date of acceptance by the County against defects in material and workmanship. The Contractor at its sole expense shall be responsible for the repair or replacement of any defects identified during that period unless the defect was caused solely by misuse of the County.

SECTION 6. INDEMNIFICATION

- 6.1. To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless Kitsap County and its elected and appointed officials, officers, employees, and agents (collectively "Indemnitees") from and against all Claims resulting from or arising out of the performance of the Contract, whether such Claims arise from the acts, errors, or omissions of the Contractor, its Personnel, third parties, or anyone directly or indirectly employed by any of them, or anyone for whose acts, errors, or omissions for which any of them may be liable. It is the specific intent of the parties that the Indemnitees shall, in all instances except Claims arising from the sole negligence or willful misconduct of the Indemnitees, be indemnified by the Contractor from and against any and all Claims.
- 6.2. With regard to any Claim against any Indemnitee by any of the Contractor's Personnel, or anyone directly or indirectly employed by them, or anyone for whose acts they may be liable, the Contractor's indemnification obligation shall not be limited in any way by a limitation on the amount or type of damages, compensation, or benefits payable by or for the Contractor or the Contractor's Personnel under workers compensation acts, disability benefit acts, or other employee benefit acts. Solely for the purposes of this indemnification provision, the Contractor expressly waives its immunity under Title 51 RCW (Industrial Insurance) and acknowledges this waiver was mutually negotiated by the parties.
- 6.3. Claim. "Claim" means all losses, claims, suits, actions, liabilities, damages, demands, judgments, settlements, expenses, fines, or other liabilities of any kind or nature whatsoever, including without limitation, all costs including costs of Claim processing, investigation, reasonable attorneys' fees,

consequential damages, and punitive damages, for any personal or bodily injury, sickness, disease, disability, or death, or loss or damage to tangible or intangible business or property, including the loss of use. Claim includes any infringement, violation, or misappropriation of copyright, patent, trademark, or other proprietary rights of any third parties.

- 6.4. Obligations/Notice of Claim. The County will provide the Contractor notice of the assertion of liability by a third party that may give rise to a Claim by the County against the Contractor based on the indemnity contained herein. The Contractor shall respond to the County's tender of defense of a claim in writing within fourteen (14) calendar days from the notice date and will advise the County if the Contractor accepts or denies tender of the claim. The County may in its discretion withhold all or part of any payment due the Contractor under the Contract until the Contractor responds to such notice. The Contractor shall keep the County timely and fully informed through all stages of the defense and promptly respond to and comply with the County's requests for information. The County at all times reserves the right but has no obligation to participate in the defense and settlement of any Claim. Such participation shall not constitute a waiver of the Contractor's indemnity and defense obligations under the Contract. The Contractor shall not settle or compromise any Claim in any manner that imposes any obligations upon the County without the prior written consent of the County. The Contractor shall promptly advise the County of any occurrence or information known to the Contractor that could reasonably result in a Claim against the County. The violation of any provisions of Section 6, including improper refusal to accept tender, is a material breach.

SECTION 7. INSURANCE

- 7.1. Minimum Insurance Required. The Contractor and its subcontractors, if any, shall procure and maintain, until all of Contract obligations have been fully discharged, including any warranty period, all insurance required in Section 7 with an insurance company duly licensed in Washington State with an A.M. Best Company ratings of not less than A-VIII and a category rating of not less than "8", with policies and forms satisfactory to the County. Use of alternative insurers requires prior written approval from the County. Coverage limits shall be at minimum the limits identified in Section 7, or the limits available under the policies maintained by the Contractor without regard to the Contract, whichever is greater.
- 7.2. Professional Liability. (Check one of the following options):
- ☐ Not applicable.
 - ☒ Not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage will apply to liability for professional error, act or omission arising out of or in connection with the Contractor's Services under the Contract. The coverage shall not exclude bodily injury, property damage, or hazards related to the work rendered as part of the Contract or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations, or laboratory analysis where such Services are rendered under the Contract.
- 7.3. Commercial General Liability ("CGL"). Not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage shall include personal injury, bodily injury, and property damage for premise-operations liability, products/completed operations, personal/advertising injury, contractual liability, independent contractor liability, and stop gap/employer's liability. Coverage shall not exclude or contain sub-limits less than the minimum limits required herein, without the prior written approval of the County. The certificate of insurance for the CGL policy shall expressly cover the indemnification obligations required by the Contract.
- 7.4. Automobile Liability. (Check one of the following options):
- ☐ Contractor shall maintain personal automobile insurance on all vehicles used for Contract purposes as required by law.

- ☒ Not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. Coverage shall include liability for any and all owned, hired, and non-owned vehicles. Coverage may be satisfied with an endorsement to the CGL policy.
- ☐ Not less than \$100,000 per occurrence and \$300,000 annual aggregate. If a personal automobile liability policy is used to meet this requirement, it must include a business rider and cover each vehicle to be used in the performance of the Contract. If the Contractor will use non-owned vehicles in performance of the Contract, the coverage shall include owned, hired, and non-owned automobiles.

- 7.5. Umbrella or Excess Liability. The Contractor may satisfy the minimum liability limits required for the CGL and Automobile Liability under an Umbrella or Excess Liability policy. There is no minimum per occurrence limit of liability under the Umbrella or Excess Liability; however, the annual aggregate limit shall not be less than the highest "Each Occurrence" limit for either CGL or Automobile Liability. The Contractor agrees to an endorsement naming the County as an additional insured as provided in Section 7 unless the Umbrella or Excess Liability provides coverage on a "Follow-Form" basis.
- 7.6. Workers' Compensation and Employer Liability. If applicable, the Contractor shall maintain workers' compensation insurance as required under the Title 51 RCW (Industrial Insurance), for all Contractor's Personnel eligible for such coverage. If the Contract is for over \$50,000, then the Contractor shall also maintain employer liability coverage with a limit of not less than \$1,000,000.
- 7.7. Primary, Non-Contributory Insurance/Subcontractors. The Contractor's and its subcontractors' insurance policies and additional named insured endorsements will provide primary insurance coverage and be non-contributory. Any insurance or self-insurance programs maintained or participated in by the County will be excess and not contributory to such insurance policies. All Contractor's and its subcontractors' liability insurance policies must be endorsed to show as primary coverage. The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All subcontractors shall comply with all insurance and indemnification requirements herein.
- 7.8. Review of Policy Provisions. Upon request, the Contractor shall provide a full and complete copy of all requested insurance policies to the County. The County reserves the right without limitation, but has no obligation to revise any insurance requirement, or to reject any insurance policies that fail to meet the requirements of the Contract. The County also has the right, but no obligation to review and reject any proposed insurer providing coverage based upon the insurer's financial condition or licensing status in Washington. The County has the right to request and review the self-insurance retention limits and deductibles, and the Contractor's most recent annual financial reports and audited financial statements, as conditions of approval. Failure to demand evidence of full compliance with the insurance requirements or failure to identify any insurance deficiency shall not relieve the Contractor from, nor be construed or deemed a waiver, of its obligation to maintain all the required insurance at all times as required herein.
- 7.9. Waiver of Subrogation. In consideration of the Contract award, the Contractor agrees to waive all rights of subrogation against the County, its elected and appointed officials, officers, employees, and agents. This waiver does not apply to any policy that includes a condition that expressly prohibits waiver of subrogation by the insured or that voids coverage should the Contractor enter into a waiver of subrogation on a pre-loss basis.
- 7.10. Additional Insured, Endorsement, and Certificate of Insurance. All required insurance coverage, other than the workers' compensation and professional liability, shall name the County, its elected and appointed officials, officers, employees, and agents, as additional insureds and be properly endorsed for the full available limits of coverage maintained by the Contractor and its subcontractors. Endorsement is not required if the Contractor is a self-insured government entity or insured through a government risk pool authorized by Washington State.

The Certificate of Insurance and endorsement shall identify the Contract number and shall require not less than thirty (30) days' prior notice of termination, cancellation, nonrenewal, or reduction in coverage. At the time of execution, the Contractor shall provide the Certificate of Insurance, endorsement, and all insurance notices to: Risk Management Division, Kitsap County Department of Administrative Services, 614 Division Street, MS-7, Port Orchard, WA 98366.

- 7.11. No Limitation on Liability. The coverage limits identified herein are minimum requirements only and will not in any manner limit or qualify the liabilities or obligations of the Contractor under the Contract. All insurance policy deductibles and self-insured retentions for policies maintained under the Contract shall be paid by the Contractor. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the County, its elected and appointed officials, officers, employees, or agents. The Contractor's insurance shall apply separately to each insured against whom a claim is made, or suit is brought, subject to the limits of the insurer's liability.
- 7.12. Claims-Made. If the Contractor's liability coverage is written as a claims-made policy, the Contractor shall purchase an extended-reporting period or "tail" coverage for a minimum of three (3) years following completion of the performance or attempted performance of the provisions of this Contract.

- 9.4. Subcontracts. The Contractor shall provide the County a list of all subcontractors and the subcontractors' proposed responsibilities. "Subcontract" means any contract, express or implied, between the Contractor and another party or between a subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any Good or Service for the performance of the Contract. All subcontracts shall incorporate by reference the terms and conditions of this Contract. The Contractor is solely responsible for the performance and payment of its subcontractors.
- 9.5. Independent Contractor. Each party under the Contract shall be for all purposes an independent contractor. Nothing contained herein will be deemed to create an association, a partnership, a joint venture, or a relationship of principal and agent, or employer and employee between the parties. Neither the Contractor nor its Personnel shall be, or be deemed to be, or act or purport to act, as an employee, agent, or representative of the County. The Contractor shall have complete responsibility and control over its Personnel. The Contractor and its Personnel shall have no County employee-type benefits of any kind whatsoever, including without limitation, insurance, pension plan, vacation pay, or sick pay, or other right or privilege afforded to County employees. The Contractor and its Personnel shall be responsible for payment of all insurance, taxes, and benefits.

SECTION 10. OWNERSHIP, CONFIDENTIAL INFORMATION, AND BREACH

- 10.1. Ownership. Any and all work product, deliverable, equipment, or any other materials created, prepared, constructed, assembled, made, performed, or otherwise produced by the Contractor or its Personnel for delivery to the County under this Contract are the sole property of the County, must be delivered to the County upon termination of the Contract, or final payment to the Contractor, and shall not be used or released by the Contractor without prior authorization from the County. The Contractor agrees all such property shall constitute "work made for hire" as defined by the U.S. Copyright Act of 1976, 17 U.S.C § 101, and the ownership of the copyright and any other intellectual property rights in such property shall vest in the County at the time of its creation. Ownership of the intellectual property includes the right to copyright, patent, and register, and the ability to transfer these rights. Material the Contractor uses to perform this Contract that is not created, prepared, constructed, assembled, made, performed, or otherwise produced for or paid for by the County is owned by the Contractor and is not "work made for hire" within the terms of the Contract.
- 10.2. Personal Identifying Information/Breach. The Contractor shall ensure all personal identifying information, financial information, and other information made available to the Contractor by, or on behalf of, the County, or acquired or developed by the Contractor in the performance of the Contract (unless publicly available) is kept confidential, secured, and protected to prevent unauthorized access. In the event of unauthorized access or other security breach, the Contractor shall immediately notify the County and at its sole expense comply with all requirements of RCW 19.255.010. Upon Contract expiration or termination all confidential information shall be returned to the County or destroyed at the County's discretion.

SECTION 11. REPRESENTATIONS AND RECORDS

- 11.1. No Fee. The Contractor certifies it has not received, nor paid or agreed to pay another person or entity, other than a bona fide employee working exclusively for the Contractor, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of the Contract.
- 11.2. Licenses, Permits, and Taxes. The Contractor shall, at its own expense, have and maintain all licenses, registrations, permits, and approvals necessary for the performance of the Contract, including without limitation, registration with the Washington State Department of Revenue. The Contractor shall pay all fees (including licensing fees) and applicable federal, state, and local taxes.

- 11.3. Nondiscrimination. The Contractor and its Personnel shall not discriminate against any person on the basis of race, color, creed, religion, national origin, age, sex, marital status, sexual orientation, veteran status, disability, or other circumstance prohibited by federal, state, or local law, and shall comply with Title VI of the Civil Rights Act of 1964, P.L. 88-354 and the Americans with Disabilities Act, and as amended, in the performance of the Contract.
- 11.4. Public Records. The Contractor agrees that the Contract and all records associated with the Contract shall be available to the County for inspection and copying by the public pursuant to the Public Records Act, Chapter 42.56 RCW ("Act"). If the County determines that records in the custody of the Contractor are needed to respond to a request under the Act, the Contractor shall make all such records promptly available to the County at no cost to the County. With the exception of the Contract, if the Contractor considers any portion of any record, electronic or hard copy, to be protected from disclosure under the Act, the Contractor shall clearly identify all specific information it claims to be confidential or proprietary. If the County receives a request under the Act to inspect or copy proprietary information that has been identified by the Contractor as protected from disclosure and the County determines that release of the information is required by the Act or otherwise appropriate, the County's sole obligation will be to make a reasonable effort to notify the Contractor of the request and the date that such protected information will be released unless the Contractor obtains a court order to enjoin disclosure pursuant to RCW 42.56.540. If the Contractor fails to timely obtain a court order enjoining disclosure, the County will release the requested information on the date specified. The County has no obligation on behalf of the Contractor to claim any exemption from public inspection and copying under the Act. The County will not be liable to the Contractor for releasing records pursuant to the Act.
- 11.5. Advertising. The Contractor shall not advertise or use the name, trademark, or logo of the County, without the County's prior written consent.
- 11.6. Audit and Record Retention. The Contractor and its Personnel shall retain all records relating to performance of the Contract for six (6) years after completion of the Contract or longer if requested by the County. All records shall be subject to inspection and audit by the County. Upon request, the Contractor shall promptly make all records available to the County at no cost to the County.

SECTION 12. RIGHTS AND REMEDIES

- 12.1. Responsibility for Correction. Any defects of design, workmanship, or materials that would result in non-compliance with the Contract specification or law shall be fully corrected by the Contractor (including parts, labor, shipping, or freight) without cost to the County. This includes any necessary labor to remove, repair, install, or to ship or transport any item to a point of repair and return.
- 12.2. Default in One Installment. The Contractor shall deliver conforming goods in each installment or lot of this Contract and may not substitute nonconforming goods. Delivery of nonconforming goods or a default of any nature, at the option of the County, shall constitute a breach of the Contract as a whole.
- 12.3. Failure to Perform. If the County determines the Contractor has failed to perform any material obligation of the Contract, and such failure has not been cured within ten (10) days, following notice from the County, the County may without penalty, in its discretion, withhold all monies due the Contractor until such failure is cured to the satisfaction of the County.
- 12.4. Right of Assurance. If the County in good faith has reason to believe the Contractor does not intend or is unable to perform, or continue performing under the Contract, the County may demand in writing that the Contractor give a written assurance of intent to perform. Should the Contractor fail to provide adequate assurance to the reasonable satisfaction of the County, by the date specified the demand, the County may terminate all or part of the Contract and pursue all other rights and remedies available at law and in equity.
- 12.5. Responsibility for Errors. All Goods and Services shall be provided to the satisfaction of the County and as required herein. Upon request, the Contractor shall provide any clarifications and/or

explanations regarding any Goods and Services provided as required by the County, at no cost to the County. In the event of noncompliance, error or omission under the Contract, the Contractor shall, at no cost to the County, provide all necessary design drawings, estimates, and all other services the County deems necessary to rectify and correct the matter to the satisfaction of the County. The Contractor shall continue to be responsible for the accuracy of Goods and Services, even after accepted by the County and the termination or expiration of the Contract.

- 12.6. Remedies. All County rights and remedies under the Contract are in addition to, and shall in no way limit, any other rights and remedies that may be available to the County at law and in equity.
- 12.7. Right of Off-Set; Reimbursement. The County shall be entitled to offset against any sums due the Contractor and reimbursement from the Contractor for any defects, damages, expenses, and any costs whatsoever incurred by the County due to the Contractor's nonconforming performance or failure to perform under the Contract.
- 12.8. Waiver. Either party's failure to insist upon the strict performance of any provision of the Contract, or to exercise any right based upon a breach thereof or the acceptance of any performance during such breach, will not constitute a waiver of any right or remedy under the Contract unless expressly so agreed in writing by an authorized representative.
- 12.9. The County may, upon termination of the Contract, procure on terms and in the manner that it deems appropriate, Goods and Services to replace those under the Contract. The Contractor shall be liable to the County for any and all costs, expenses, penalties, and fees incurred by the County in procuring Goods and Services in substitution for those due from the Contractor.

SECTION 13. GOVERNING LAW, DISPUTES

- 13.1. Governing Law; Venue. The Contract will be governed in all respects by the laws of the Washington State, both as to interpretation and performance, without regard to conflicts of law or choice of law provisions. - 13.2. Disputes. Conflicts and disagreements between the parties related to the Contract will be promptly brought to the attention of the County. Any dispute relating to the quality or acceptability of performance or compensation due the Contractor will be decided by the County's Contract Representative. All decisions of the County's Contract Representative are considered final; however, nothing herein prohibits either party from seeking judicial relief.

SECTION 14. PREVAILING WAGE

- 14.1 Contractor shall comply with the prevailing wage requirements identified in Attachment C, which is incorporated in full by this reference, as required by law.

SECTION 15. GENERAL PROVISIONS

- 15.1. Force Majeure. Neither party shall be liable to the other or be deemed to be in breach of contract by reason of any delay in performing, or any failure to perform any of their respective obligations in relation to the Contract, if the delay or failure was due to any cause beyond said party's reasonable control including, but not limited to, any act of God, government or state action, war, fire, civil commotion, insurrection, or industrial action of third parties out of the Contractor's control.
- 15.2. Time of the Essence. The time of delivery of the Goods and of performance of the Services is of the essence of the Contract.

- 15.7. Severability. If a court of competent jurisdiction holds any provision of the Contract to be illegal, invalid, or unenforceable, in whole or in part, the validity of the remaining provisions will not be affected, and the parties' rights and obligations will be construed and enforced as if the Contract did not contain the particular provision held to be invalid.
- 15.8. Counterparts. The Contract may be executed in several counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement.
- 15.9. Non-Exclusive Contract. The County may obtain the same or similar goods or services that are the subject of this Contract from another source or have its own employees perform the same or similar services contemplated by the Contract.
- 15.10. Survival. Those provisions of this Contract that by their sense and purpose should survive expiration or termination of the Contract shall so survive.
