

REQUEST FOR PROPOSALS

2025-034 KITSAP COUNTY POLYMER

Response Deadline: Friday October 31, 2025 @ 2:00 PM

The County is soliciting for the supply and delivery of liquid polymer to the Central Kitsap Treatment Plant for dewatering anaerobic digested sludge and thickening of waste activated sludge. Projected usage is approximately 195,000 pounds or more of active liquid polymer for dewatering and approximately 90,000 pounds of active liquid polymer for sludge thickening in returnable containers for delivery throughout 2026, F.O.B., destination. The contract period may be for a three-year period negotiated in one-year increments. There are no guaranteed minimum or maximum amounts. Bidders shall guarantee delivery within seven (7) calendar days from notification of a shipment request, by phone, from Central Kitsap Treatment Plant employees.
