

**ADDENDUM NO. 1  
INVITATION FOR BID  
2026-014  
KITSAP COUNTY**

**TO:** All Respondents

**FROM:** Glen McNeill. Purchasing Supervisor

**CLOSING DATE:** 04/29/2026 @2:00 pm

**REF NO.:** 2026-014 KITSAP COUNTY – VESSEL TURN IN PROGRAM

**DATE:** 04/18/2026

---

This first addendum to RFP **2026-014 KITSAP COUNTY – VESSEL TURN IN PROGRAM** is to answer questions received.

- **Does the County have a current Boat Yard NPDES Permit, the question regards a per boat fee vs a single boat fee cost for the program.**

The County does not hold a Boat Yard NPDES permit.

Contractors may provide an estimated cost per vessel, based on the specific vessel type.

- **Does the county have a physical place available in Bremerton Facility that can be used to provide the Permit location for the dismantling.**

The Port of Bremerton facility may be used for the temporary staging of vessels while they undergo hazardous-materials testing and await abatement. All vessel dismantling must occur off-site at a contractor-identified location that holds the appropriate permits.
