KITSAP COUNTY GENERAL
SEWER PLAN UPDATE:
KINGSTON SERVICE AREA**

Response Deadline: Friday May 8, 2026

The intention of this RFQ is to solicit qualifications from a Professional Consulting Firm to assist the Owner in preparing an amendment to the Kitsap County General Sewer Plan. The selected firm will review the Kitsap County Comprehensive Plan and General Sewer Plan, evaluate existing wastewater treatment facilities, and develop population and wastewater flow projections for the Kingston service area. This effort is intended to improve the Owner's understanding of current treatment capacity, projected wastewater demand, and any required facility improvements. The outcome of this engagement will be an amendment to the General Sewer Plan documenting existing system capacity, projected wastewater flows, and recommended improvements to support future growth and development within the Kingston service area. Section 3 provides a preliminary description of the intended scope of work and deliverables to be incorporated into the contract once awarded.
