IN RE THE KITSAP COUNTY COURTHOUSE AND THE  
PANDEMIC OUTBREAK OF THE CORONAVIRUS  
DISEASE 2019 (COVID-19)

**No. 2020-1  
EMERGENCY ADMINISTRATIVE ORDER**

---

THIS ADMINISTRATIVE ORDER is being issued in response to the current pandemic outbreak of the Coronavirus Disease 2019 (COVID-19).<sup>1</sup> Washington has been “ground zero” for this disease. As of today, there are over 568 confirmed cases of the disease in Washington, including 3 confirmed cases in Kitsap County.

Although for many this disease appears to cause only flu-like symptoms, for others it can pose a serious and potentially lethal risk as exhibited by the 37 Washington deaths currently attributed to the disease. Governor Inslee also declared a state of emergency and has banned most events with more than 250 people. It has been declared that all Washington elementary and secondary schools will be closed through April 24, 2020.

Kitsap County Superior Court and Kitsap County District Court<sup>2</sup> have consulted with the Kitsap County Health Department<sup>3</sup> concerning the current status of the disease as well as recommendations the Health Department has made to attempt to contain and mitigate the spread of the disease.

On March 4, 2020, the Washington Supreme Court adopted Order No. 25700-B-602 granting emergency authority to the presiding judges of all Washington courts to “adopt, modify, and suspend court rules and orders, and to take further actions concerning court operations, as warranted to address the current public health emergency.”

Given the significant number of identified and projected cases of the disease in Washington, the severity of the risk posed to the public, the recommendations of the Health Department, and the authority granted by Order No. 25700-B-602, the current situation demands immediate action by the Courts.
