RE: Large Lot Subdivision # 404 – Fraser Road
Permit No. 18-04321

Dear Adam:

This is to inform you that the above-referenced large lot subdivision has been granted final approval. Prior to recording the large lot subdivision, all property taxes must be paid in full through the current year.

The recording fees are as follows:

Large Lot Subdivision: \$184.00

Checks for recording fees should be made payable to Kitsap County Auditor.

The final large lot subdivision and any documents to be recorded concurrently with the large lot subdivision must be brought to the Department of Community Development located on the 2nd floor of the Kitsap County Administration Building, Port Orchard. You may submit the large lot subdivision, signed by the County Treasurer certifying payment of property taxes, along with any additional documents to be recorded and the check for recording fees. Your large lot subdivision will be recorded for you within one (1) business day and a copy of the recorded documents promptly mailed to you.

Alternatively, if you wish to be present at the time of recording, an appointment must be made in advance. At the time of the appointment, bring the final large lot subdivision to the Department of Community Development and we will assist with the recording process. If you wish to make an appointment for recording, please contact **Peggy Bakalarski** at (360) 337-5777.

Please note that this final large lot subdivision approval shall automatically expire if the Final large lot subdivision is not recorded within **one** year of the written approval date.

Sincerely,

01/04/18
