RE: Final Short Subdivision Alteration # 4841 R-2  
Permit No. 20-00429

Dear Applicant:

This is to inform you that the above-referenced short subdivision alteration has been granted final approval. Prior to recording the short subdivision alteration, all property taxes must be paid in full through the current year.

The recording fees are as follows:

Short Subdivision Alteration: **\$193.50**

Checks for recording fees should be made payable to Kitsap County Auditor.

Due to Covid-19 you will need to email Angie Silva, Assistant Director of the Department of Community Development ([Asilva@co.kitsap.wa.us](mailto:Asilva@co.kitsap.wa.us)) to schedule an appointment for her signature on the final plat drawings. Once you have received the drawings back you will need to reach out to the Treasurer's Office and Auditor's Office for an appointment for their signatures and recording. These both need to happen consecutively.

Please note that this final short subdivision alteration approval shall automatically expire if the final short subdivision alteration is not recorded within **one** year of the written approval date.

Sincerely,
