RE: Large Lot Subdivision #425
Permit No. 20-04732
Tax Account No. 052201-3-029-2005

Dear Applicant:

This is to inform you that the above-referenced large lot subdivision has been granted **preliminary** approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 large lot subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 01/28/2021 by the Department of Community Development, conforms or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning;
2. Kitsap County Code Title 12 Storm Water Drainage;
3. Kitsap County Comprehensive Plan and subarea plans;
4. Kitsap County Critical Areas Ordinance;
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

LAND USE

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.
3. The names of the roads in this land segregation shall be approved by Community Development prior to final subdivision approval.
4. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.

5. The decision set forth herein is based upon representations made and exhibits contained in the project application (20-04732). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.
6. The decision set forth herein is based upon representations made and exhibits contained in the project application (20-04732). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.
7. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting this/these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.

SURVEY

1. At the time of submittal of the final large lot subdivision a title certificate, current to within 30 days, is required. Please note or delineate on the face of the final large lot subdivision all pertinent special exception items in Schedule "B" of the title certificate.
2. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.
3. A Road Maintenance Agreement will be required for the access easements shown on the face of the plat. This may be in the form of a note on the face of the Final Plat that addresses ownership and maintenance responsibilities of the access easement, or in the form of a Road Maintenance Agreement document to be recorded separately and referenced on the face of the Final Plat.

STORMWATER

1. Construction plans and profiles for all roads, storm drainage facilities and appurtenances prepared by the developer's engineer shall be submitted to Kitsap County for review and acceptance. No construction shall be started prior to said plan acceptance.
2. Approval of the preliminary plat shall not be construed to mean approval of the total number of lots or configuration of the lots and tracts. These parameters may be required to be revised for the final design to meet all requirements of Kitsap County Code Titles 11 and 12.

3. The information provided demonstrates this proposal is a Small Project as defined in Kitsap County Code Title 12 and is located within a mapped critical area. As such, a Full Drainage Site Development Activity Permit (SDAP) is required from Development Services and Engineering.
4. Stormwater quantity control, quality treatment, and erosion and sedimentation control shall be designed in accordance with Kitsap County Code Title 12 effective at the time this permit application was deemed fully complete. The submittal documents shall be prepared by a civil engineer licensed in the State of Washington. The fees and submittal requirements shall be in accordance with Kitsap County Code in effect at the time of SDAP application or Building Permit if an SDAP is not required.
5. The site plan indicates that greater than 1 acre will be disturbed during construction. This threshold requires a National Pollutant Discharge Elimination System (NPDES) Stormwater Construction permit from the State Department of Ecology. More information about this permit can be found at: <http://www.ecy.wa.gov/programs/wq/stormwater/construction/html> or by calling Josh Klimek at (360) 407-7451, email joshklimek@ecy.wa.gov. This permit is required prior to issuance of the SDAP. Processing time for NPDES permit is a minimum of 37 days.
6. The impervious area per lot accounted for in the overall drainage facilities installed shall be indicated on the face of the final plat. Additional impervious surfaces created on an individual lot beyond the amount accounted for in the overall drainage facilities shall be mitigated in accordance with Kitsap County Code Title 12 and may require a Site Development Activity.
7. The following shall be added to the face of the Final Plat, under the heading Notes and Restrictions: **a.** Maintenance of roof and yard drains and appurtenances shall be the responsibility of the individual homeowners. **b.** All runoff from roof and yard drains must be directed so as not to adversely affect adjacent properties.
8. The following condition shall be added to the face of the Final Plat: At the time of submittal of a building permit for any lot within this plat, soil amendment is required for all disturbed areas not covered by hard surface.
9. If the project proposal is modified from that shown on the site plan approved for this permit application, Development Services and Engineering will require additional review and potentially new conditions.

TRAFFIC & ROADS

1. At building permit application, submit Kitsap County Public Works Form 1601 for issuance of a concurrency certificate, as required by Kitsap County Code 20.04.030, Transportation Concurrency.
2. Prior to recording the Final Plat, vehicular access shall be constructed to provide access to all proposed lots.

ENVIRONMENTAL

1. Permit approval subject to chapter 19.150.170 of Kitsap County Code, which states that critical area ordinance (CAO) buffers shall remain undisturbed natural vegetation areas except where the buffer can be enhanced to improve its functional attributes. Refuse shall not be placed in buffers.
2. Prior to occupancy, the common boundary between the WETLAND buffer and the adjacent land shall be permanently identified with critical area buffer signs. A total of 5 Critical Area Ordinance (CAO) signs shall be placed along the designated boundary spaced approximately 50-feet apart, visual from sign to sign. Signs must be attached to existing trees with diameter breast height greater than 4 inches. Alternative methods include 4x4 posts, metal posts or split rail fencing. Signs are provided at issuance and installation of the signs is required prior to final inspection and Certificate of Occupancy (CO).
3. Permit approval subject to no removal of trees or vegetation on the parcel. Please contact Kitsap County Department of Community Development before any clearing (360) 337-5777.

FIRE MARSHAL

1. Include on final plat: Automatic fire sprinklers as approved by the Kitsap County Fire Marshal shall be installed throughout homes here and after constructed on lots created by this land division.

HEALTH DISTRICT

1. Each lot will require Building Site Applications prior to building permit issuance. There is currently a Building Site Application on file for the entire parcel.

SOLID WASTE

1. Prior to SDAP approval, applicant shall provide documentation from the solid waste/recycling service provider that their requirements for this project have been met. Waste Management Northwest can be reached at pnwcmsservices@wm.com or 1-800-592-9995; their website is <http://wmnorthwest.com/kitsap/index.html>

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.
