RE: Large Lot Subdivision # 455 - Todd  
Permit No. 24-04304  
Tax Account No. 022602-3-007-2009

Dear Applicant:

This is to inform you that the above-referenced large lot subdivision has been granted preliminary approval.

This decision is in compliance with Kitsap County Code 21.04 Land Use and Development Procedures. All applicable criteria have been met for preliminary large lot subdivision in accordance with Kitsap County Code Title 16.52 large lot subdivision.

The Department has further determined that the land segregation as it is presented in the preliminary large lot subdivision, received 10/22/2024 by the Department of Community Development, conforms or will conform subject to conditions set forth in this letter, to the following:

1. Kitsap County Code Title 17 Zoning;
2. Kitsap County Code Title 12 Storm Water Drainage;
3. Kitsap County Comprehensive Plan and subarea plans;
4. Kitsap County Critical Areas Ordinance;
5. And all other elements of the Kitsap County Code that pertain to this land segregation.

Approval is subject to the following conditions:

#### **LAND USE**

1. Adhere to all elements and requirements set forth in Kitsap County Code 16.52.
2. The following condition shall be added to the face of the final large lot subdivision: Building permits issued on a lot in this large lot subdivision may be subject to impact fees pursuant to Kitsap County Code.

3. All required permits shall be obtained prior to commencement of land clearing, construction and/or occupancy.
4. The decision set forth herein is based upon representations made and exhibits contained in the project application (24-04304). Any change(s) or deviation(s) in such plans, proposals, or conditions of approval imposed shall be subject to further review and approval of the County and potentially the Hearing Examiner.
5. The authorization granted herein is subject to all applicable federal, state, and local laws, regulations, and ordinances. Compliance with such laws, regulations, and ordinances is a condition to the approvals granted and is a continuing requirement of such approvals. By accepting these approvals, the applicant represents that the development and activities allowed will comply with such laws, regulations, and ordinances. If, during the term of the approval granted, the development and activities permitted do not comply with such laws, regulations, or ordinances, the applicant agrees to promptly bring such development or activities into compliance.
6. Notice to Title required for landfill mitigation. No building permit will be considered for Lot 2 until the developer has delineated the abandoned landfill located on Lot 2. Future development requires sufficient characterization and a mitigation plan for implementation during and after project construction (for review by Kitsap Public Health and Ecology), including proper management of contamination encountered during construction and focused monitoring after project completion. Development on this parcel must comply with Kitsap County Board of Health Ordinance #2010-1 (as amended) Section 460 Construction and Notification Standards Near Landfills.
7. The applicant must clearly identify the landfill areas prior to submitting building permits. A notice to title shall be filed on each parcel to indicate the presence of a current or past landfill site.
8. On the face of the plat, the following shall be shown, verbatim: Lot 2 of this Large Lot Subdivision contains a closed/abandoned landfill known as the Indianola Landfill or Indianola Dump. Excavation of this site could potentially harm people and the environment. The Washington State Department of Ecology (DOE). DOE has assigned this landfill a Model Toxics Control Act Facility Site ID of 41936412 and a cleanup site ID of 4206. More information about this landfill can be obtained through DOE's website, or by submitting a public records request with the Kitsap Public Health District.

### **SURVEY**

1. At the time of submittal of the final large lot subdivision a title certificate, current to within 30 days, is required. Please note or delineate on the face of the Final large lot subdivision all pertinent special exception items in Schedule "B" of the title certificate.
2. A Final Short/Large Lot/Subdivision Plat shall be prepared by a licensed Land Surveyor in compliance with KCC Title 16.
3. A Road Maintenance Agreement will be required for the access easements shown on the face of the plat. This may be in the form of a note on the face of the Final Plat that addresses ownership and maintenance responsibilities of the access easement, or in the form of a Road Maintenance Agreement document to be recorded separately and referenced on the face of the Final Plat.

### **STORMWATER**

1. Building permits submitted for this development shall include construction plans and profiles for all roads, driveways, storm drainage facilities and appurtenances. No construction shall be started prior to said plan acceptance. Stormwater quantity control, quality treatment, and erosion and sedimentation controls shall be designed in accordance with Kitsap County Code Title 12 effective at the time of building permit application.
2. If the project proposal is modified from that shown on the site plan approved for this permit application, Development Engineering will require additional review and potentially new conditions.

### **TRAFFIC AND ROADS**

1. Any work within the County right-of-way requires a Public Works permit and possibly a maintenance or performance bond. This application to perform work in the right-of-way shall be submitted as part of the SDAP process, or Building Permit process, if a SDAP is not required. The need for and scope of bonding will be determined at that time.

### **FIRE MARSHAL**

1. On the face of the plat the following shall be shown: "Automatic fire sprinklers, as approved by the Kitsap County Fire Marshal, shall be installed throughout homes here and after constructed on lots created by this land division".
2. On final plat access shall be shown as:
  - a. Unobstructed width of 20 feet and height of 13 feet 6 inches.
  - b. It should be designed and maintained to support a 60,000-pound fire apparatus and be provided with an all-weather driving surface.
  - c. Inside turning radiuses shall be a minimum of 25 feet.
  - d. A turn around complying with Title 14.

- e. Any portion of the access shall not exceed 12% grade.

**HEALTH DISTRICT**

1. Final large lot approval will require soils information submitted by a licensed septic designer or professional engineer for each of the proposed lots.

Preliminary approval of this large lot subdivision will automatically expire five (5) years from the date of this letter. However, upon written request to the Department of Community Development by the original applicant and the current owner(s) of the subject property, at least thirty (30) days prior to expiration, a six (6) month extension may be granted.

Preparation of the final large lot subdivision shall be done in accordance with Kitsap County Code 16.52. All applicable conditions of preliminary approval must be addressed with the submittal of final large lot subdivision application. Submittals that do not address all conditions will be considered incomplete and returned without review. All of the above relevant conditions and any/all building setbacks and buffers established as conditions of approval must appear on the final large lot subdivision.
