#### **AGENDA ITEM (A)**

#### **20-06035: Lake Tahuya - Access Development Shoreline Substantial Development Permit (SSDP)**

**Project Description:** The proposed project is to construct an access area and small boat hand launch on the shore of Lake Tahuya. The proposed structures include an asphalt paved entrance to the access site, a gravel parking lot with approximately seven vehicle spaces, an ADA accessible CXT vault toilet adjacent to one asphalt paved ADA parking space, a geogrid trail from the gravel parking area to the lakeshore, a stormwater detention basin, and a fence along the north property

boundary. The project does not require new or maintenance dredging, or shoreline stabilization and has been designed to the minimize impacts to the shoreline and critical areas to the maximum extent practicable. Due to size constraints of the property, the project cannot be constructed outside of the vegetated wetland buffer. Strict adherence to the standard buffer widths will preclude the construction of a public access site on publicly owned lands.

**Project Location:** Nearest Road Intersection: Gold Creek Rd NW and Percheron Lane NW; Central Kitsap

**Owner of Record:** State Agency Lands, WA State

**Applicant/Authorized Agent:** Alex Laughtin, WA State Dept of Fish & Wildlife

**DCD Staff Planner:** Steve Heacock at (360) 337-5777.

**PLEASE NOTE:** The project SEPA Determination of Non-Significance (DNS) was issued by the Washington State Department of Fish and Wildlife on November 9, 2020 for a 14-day comment period. There were no SEPA comments or appeals.
