

Trails

- Improve Harper Hill trail (widen, improve alignment)
- Create safe crosswalk going across Southworth Dr. and along Olympiad Drive to the beach
- Construct new pedestrian bridge
- View bench at clay pit

Timber Bridge Example (5 ft. wide, grating tread, glu-lam beams)

Landscaping Enhancements, Gardens

- Native plantings along the road swale
- Plantings at entrance

Harper Park Pollinator Plants Entry Garden

Example Non-Native Plants – Yellows & Pinks

Zebra Grass - *Miscanthus sinensis* 'Zebrinus'

Gloriosa Daisy - *Rudbeckia hirta*

Heartleaf Bergenia - *Bergenia cordifolia*

Yellow Flower Carpet Rose - *Rosa* x 'Noalesa'

Rugosa Rose - *Rosa rugosa*

Example Native Plants

Red Flowering Current - *Ribes sanguineum*

Not Pictured:

- Evergreen Huckleberry - *Vaccinium ovatum*
- Oregon Grape - *Mahonia aquifolium*
- Red Flowering Current - *Ribes sanguineum*
- Red-Twig Dogwood - *Cornus stolonifera*
- Snowberry - *Symphoricarpos albus*
- Sword Fern - *Polystichum munitum*

Field

- Multi-use play field versus single-use baseball field (wet/uneven land, small size below standards)
- Improved safety with multi-use playfield allows for play features like a rock climbing structure

Portable Backstop Example
