

Executive Summary – Planning Commission

Issue Title: Silverdale Center Plan – Design Concepts

Meeting Date: October 21, 2025

Time Required: 45 Minutes

Attendees: Jim Rogers, Taskina Tareen - BERK Consulting

Action Requested At This Meeting: No action necessary – review and comment on outreach efforts. This briefing is informational only.

Background:

The Silverdale Center Plan is being updated, including more detail related to 'regional growth centers' development, public investment, transportation improvements, design standards, and development code. The evolution of the Silverdale Regional Center is a key aspect of the County and Regional Growth Strategy.

Intent:

Kitsap County Department of Community Development is using multiple public engagement events and outreach efforts to gather the most comprehensive and up-to-date visioning and design concepts from the public, and use that information to develop a Silverdale Center Plan that will guide the development of Silverdale into an active and vibrant 24/7 community. This briefing is an overview of those outreach efforts to date, and an overview of design concepts selected by the community to shape the Silverdale of tomorrow.
