

2026 Comprehensive Plan Amendment: PROS Element, Capital Facilities Plan, Silverdale Regional Center

Planning Commission Hearing

Jim Rogers, Long Range Planning
Supervisor

Heather Cleveland, AICP, Long Range
Planner

September 15, 2026

KitsapCounty

Department of Community Development

Schedule

Purpose

Update the Comprehensive Plan to include:

- Information from the recently adopted Parks PROS plan.
- Updated visions, policies, and implementation table from the 2026 Silverdale Regional Center Plan.

PROS Element Highlights

- The gap analysis identified the following themes in the PROS Plan that are proposed to be incorporated into the goals, policies, and strategies of the Comprehensive Plan:
 - Divestiture
 - Natural resource management plans
 - Park experience and visitor amenities
 - Volunteer program to assist Parks Department
 - Event facilities – maintain, market, and manage
 - Attract events
 - Standardized management practices

Capital Facilities Plan

- Update inventory and level of service (LOS) tables with data from the Parks, Recreation, and Open Space (PROS) Plan
- Heritage parks is no longer a classification and is accounted for under Natural Resource Areas and Regional Areas
- Update the capital projects list, cost, and revenue tables

Silverdale Center Highlights

- Expanded vision to incorporate key area development concepts, transportation, and public space priorities
- Integration of community and stakeholder feedback
- Updates to goals and policies

Outreach/Input

- Projects to-date went through the public process separately
- Comp Plan Programmatic SEPA Determination issued 8/25/2026 with the comment period ending 9/8/2026
- Planning Commission public comment period and hearing ends today 9/15/2026
- BOCC Hearing is scheduled 11/9/2026. Updated documents will be published prior to the hearing and will include a comment period
