Kitsap County Vessel Turn-In Recycling Event

Summer 2026

You will be notified of date and location after you are pre-approved

WHAT IS IT?

It's a FREE Vessel Turn-In event. If you have a vessel that is falling apart, and you don't know what to do with it, apply for this summer's Vessel Turn-In event. The program will properly dispose of your vessel with the goal of recycling a majority of the materials.

The Vessel Turn-In Program (VTIP) is managed by DNR to help prevent boats from becoming derelict or abandoned and to keep pollution out of our marine waters.

WHO CAN PARTICIPATE?

Participation is open to anyone who is a WA resident and has proof of ownership or the legal authority to dispose of the vessel.

STEPS TO PARTICIPATE:

1) Fill out and notarize DNR's Vessel Turn-In application and **submit it by May 31, 2026**, to get pre-approved.

2) Email your completed application, proof of ownership, and **photos of your vessel** to: dvrp@dnr.wa.gov, and include "**Kitsap Vessel Turn-In Event**" in the subject line.

3) Prior approval is required for this event. Space will be limited and filled in the order applications are received and approved.

Vessels 34 feet or less in length will be accepted.
Vessels 35 feet or larger will be reviewed on a case-by-case basis.

If you cannot drop off your vessel at the specified location, transportation can be coordinated.
