

Toward a Natural Resources Asset Management Plan for Kitsap County Workshop #4 Agenda

Date: October 24, 2024, 1:30-3:30 pm PT

Goals:

- Provide an update on the pilot watersheds actions and discuss next steps including partner connections.
- Review and provide feedback on the draft KNRAMP County-Wide Decision-Making Process steps and draft evaluation factors that are meant to establish an ongoing process to identify future geographies and actions for KNRAMP to focus on and provide KNRAMP information in a format that other County departments and partners can use.
