This Franchise shall constitute both a right and an obligation to fulfill the obligations set forth in, the provisions of this Franchise.

(B) The Grantee, through this Franchise, is granted the right to operate its Cable System using the public Rights-of-Way within the Franchise Area in compliance with the Kitsap County Road Standards, as amended and all lawfully enacted applicable construction codes and regulations. The Grantee specifically agrees to comply with the provisions of County ordinances provided that in the event of a conflict between the provisions of ordinances and the Franchise, the express provisions of the Franchise shall govern. Subject to federal and State preemption, the material terms and conditions contained in this Franchise may not be unilaterally altered by the County through subsequent amendment to any ordinance, rule, regulation, resolution, or other enactment of County, except in the lawful exercise of County's police power.

(C) This Franchise shall not be interpreted to prevent the County from imposing other conditions, to the extent permitted by law.

(D) Grantee agrees, as a condition of exercising the privileges granted by this Franchise, that any Affiliate of the Grantee that is a Cable Operator of the Cable System in the Franchise Area, as defined herein, or directly involved in the management or operation of the Cable System in the Franchise Area, will comply with the terms and conditions of this Franchise.

(E) No rights shall pass to Grantee by implication. Without limiting the foregoing, by way of example and not limitation, this Franchise shall not include or be a substitute for:

(1) Any other permit or authorization required for the privilege of transacting and carrying on a business within the County that may be required by the ordinances and laws of the County.

(2) Any permit, agreement or authorization required by the County for

Rights-of-Way users in connection with operations on or in Rights-of-Way or public property; or

(3) Any permits or agreements for occupying any other property of the County or private entities to which access is not specifically granted by this Franchise.

(F) This Franchise is intended to convey limited rights and interests only as to those Rights-of-Ways in which the County has an actual interest. It is not a warranty of title or interest in any Rights-of-Way; it does not provide the Grantee with any interest in any particular location within the Rights-of-Way; and it does not confer rights other than as expressly provided in the grant hereof.

(G) This Franchise is an express authorization to provide Cable Services only. This Franchise is not a bar to the imposition of any lawful conditions on Grantee with respect to non-Cable Services, telecommunications services or information services, whether similar, different or the same as the condition specified herein. This Franchise does not relieve Grantee of any obligation it may have to obtain from the County an authorization to provide non-Cable Services, telecommunications services or information services or relieve Grantee of its obligation to comply with any such authorization(s) that may be lawfully required.

2.2 Use of Rights-of-Way

(A) Grantee may erect, install, construct, repair, replace, reconstruct, and retain in, on, over, under, upon, across, through, below and along the Rights-of-Way within the Franchise Area, such wires, cables (both coaxial and Fiber Optic), conductors, ducts, conduit, vaults, manholes, amplifiers, appliances, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System for the provision of Cable Service within the Franchise Area. Grantee shall comply with all lawfully enacted and applicable construction codes, laws, ordinances, regulations and procedures regarding placement and installation of Cable System facilities in the Rights-of Way.

(B) Grantee must follow County-established requirements, including the Kitsap County Road Standards, as amended, as well as all other County codes, ordinances and other regulations regarding placement of Cable System facilities in Rights-of-Way, including the specific location of facilities in the Rights-of-Way. The Grantee must in any event install Cable System facilities in a manner that minimizes interference with the use of the Rights-of-Way by others, including others that may be installing communications facilities. To protect public health, safety and welfare, the County may require that Cable System facilities be installed at a particular time, at a specific place or in a particular manner as a condition of access to a particular Rights-of-Way; may deny access if Grantee is not willing to comply with County's requirements; and may remove, or require removal of, any facility that is not installed in compliance with the requirements established by County, or that is installed without prior County approval of the time, place or manner of installation and charge Grantee for all the costs associated with removal; and County may require Grantee to cooperate with others to minimize adverse impacts on the Rights-of-Way through joint trenching and other

arrangements. Grantee shall assume its costs (in accordance with applicable law) associated with any requirement of County in the exercise of its police powers, to relocate its Cable System facilities located in the Rights-of-Way.

2.3 Term

This Franchise shall have a term of five (5) years, effective on May 14th, 2011 and terminating on May 13th, 2016; then at any time during the three (3) year franchise renewal period, Grantee may request an extension of the franchise term to May 13th, 2021.

2.4 Effective Date

(A) This Franchise and the rights, privileges, and authority granted hereunder and the contractual relationship established hereby shall take effect and be in force from and after the effective date of this Franchise as specified in this Section and for the duration of the term as specified in Section 2.3.

(B) The effective date of this Franchise shall be five business days after its adoption.

(C) The grant of this Franchise shall have no effect on any ordinance in effect prior to the effective date of this Franchise to indemnify or insure the County against acts and omissions occurring during the period that the prior Franchise was in effect, nor shall it have any effect upon liability to pay all Franchise Fees (for any prior years) that were due and owed under a prior franchise and the franchise ordinance.

2.5 Franchise Nonexclusive

This Franchise shall be nonexclusive, and subject to all prior rights, interests, easements, or franchises granted by County or its predecessors to any Person to use any property, Right-of-Way, easement, including the right of County to use same for any purpose it lawfully deems fit, including the same or similar purposes allowed Grantee hereunder. County may at any time grant authorization to use the Rights-of-Way for any purpose not incompatible with Grantee's authority under this Franchise and for such additional franchises for Cable Systems, as County deems appropriate.

2.6 Grant of Other Franchises

(A) The Grantee acknowledges and agrees that the Grantor reserves the right to grant one or more additional franchises to provide Cable Service within the Franchise Area; provided, the Grantor agrees that it shall amend this Franchise to include any material terms or conditions that it makes available to the new entrant within ninety (90) days of the Grantee's request, so as to ensure that the regulatory and financial burdens on each entity are materially equivalent. "Material terms and conditions" include but are not limited to: franchise fees; insurance; system build-out requirements; security instruments; public, education and government Access Channels and support; customer service

standards; required reports and related record keeping; and notice and opportunity to cure breaches. If any such additional or competitive franchise is granted by the Grantor which, in the reasonable opinion of the Grantee, contains more favorable or less burdensome terms or conditions than this Franchise, the Grantor agrees that it shall amend this Franchise to include any more favorable or less burdensome terms or conditions in a manner mutually agreed upon by Grantor and Grantee.

(B) In the event an application for a new cable television franchise is filed with the Grantor proposing to serve the Franchise Area, in whole or in part, the Grantor shall provide notice of such application.

(C) In the event that a wireline multichannel video programming distributor provides video service to the residents of the Grantor under the authority granted by federal or State legislation or other regulatory entity, the Grantee shall have a right to request Franchise amendments that relieve the Grantee of regulatory burdens that create a competitive disadvantage to the Grantee. In requesting amendments, the Grantee shall file a petition seeking to amend the Franchise. Such petition shall: (1) indicate the presence of such wireline competitor; (2) identify the basis for Grantee's belief that certain provisions of the Franchise place Grantee at a competitive disadvantage; and (3) identify the regulatory burdens to be amended or repealed in order to eliminate the competitive disadvantage. The Grantor shall not unreasonably withhold consent to the Grantee's petition.

2.7 Familiarity with Franchise

The Grantee acknowledges and warrants by acceptance of the rights, privileges and agreement granted herein, that it has carefully read and fully comprehends the terms and conditions of this Franchise and is willing to and does accept all reasonable risks of the meaning of the provisions, terms and conditions herein. The Grantee further acknowledges and states that it has fully studied and considered the requirements and provisions of this Franchise, and finds that the same are commercially practicable at this time and consistent with all local, State and federal laws and regulations currently in effect, including the Cable Act.

2.8 Effect of Acceptance

By accepting the Franchise, the Grantee: (1) acknowledges and accepts the County's legal right to issue and enforce the Franchise; (2) agrees that it will not oppose the County's intervening to the extent it is legally entitled to do so in any legal or regulatory proceeding affecting the Cable System; (3) accepts and agrees to comply with each and every provision of this Franchise subject to applicable law; and (4) agrees that the Franchise was granted pursuant to processes and procedures consistent with applicable law, and that it will not raise any claim to the contrary.

2.9 Police Powers

Grantee's rights hereunder are subject to the police powers of County to adopt and enforce ordinances necessary to the safety, health and welfare of the public, and Grantee agrees to comply with all applicable laws, ordinances and regulations lawfully enacted pursuant to the police powers of County, or hereafter enacted in accordance therewith, by

County or any other legally constituted governmental unit having lawful jurisdiction over the subject matter hereof. The County reserves the right to exercise its police powers, notwithstanding anything in this Franchise to the contrary.

2.10 Franchise Area

Grantee shall provide Cable Services, as authorized under this Franchise, within the Franchise Area in accordance with line extension and density provisions as provided herein.

SECTION 3. FRANCHISE FEE AND FINANCIAL CONTROLS

3.1 Franchise Fee

As compensation for the use of County's Rights-of-Way, Grantee shall pay as a Franchise Fee to County, throughout the duration of this Franchise, an amount equal to five percent (5%) of Grantee's Gross Revenues. Accrual of such Franchise Fee shall commence as of the effective date of this Franchise.

3.2 Payments

Grantee's Franchise Fee payments to County shall be computed quarterly for the preceding calendar quarter ending March 31, June 30, September 30, and December 31. Each quarterly payment shall be due and payable no later than forty five (45) days after said dates.

3.3 Acceptance of Payment

No acceptance of any payment shall be construed as an accord by County that the amount paid is, in fact, the correct amount, nor shall any acceptance of payments be construed as a release of any claim County may have for further or additional sums payable or for the performance of any other obligation of Grantee. The period of limitation for recovery of Franchise Fees payable hereunder shall be six (6) years from the date on which payment by the Grantee was due or such shorter period of time if so provided by law.

3.4 Quarterly Franchise Fee Reports

Each payment shall be accompanied by a written report to County on a form commonly used by Grantee, verified by an officer of Grantee, containing an accurate statement in summarized form, of Grantee's Gross Revenues and the computation of the payment amount. Such reports shall include all Gross Revenues of the Cable System.

3.5 Audits

On an annual basis, upon thirty (30) days' prior written notice, County shall have the right to conduct an independent audit of Grantee's financial records necessary to enforce compliance with this Franchise and to calculate any amounts determined to be payable under this Franchise. Provided Grantee cooperates in making all relevant records available upon request, County will in good faith attempt to complete each audit within six (6) months, and the audit period shall not be any greater than the previous six (6) years or such shorter period of time if so provided by law. Any additional amounts due to the County as a result of the audit shall be paid within sixty (60) days following written notice to the Grantee, and Grantee's agreement that the audit findings are correct,

which notice shall include a copy of the audit findings.. If a Franchise Fee underpayment is discovered as the result of an audit, Grantee shall pay, in addition to the amount due, interest at the maximum allowed rate as provided under State law calculated from the date the underpayment was originally due until the date the County receives the payment. If the audit shows that Franchise Fees have been underpaid, by five percent (5%) or more in a calendar year, Grantee shall pay the cost of the audit in an amount up to \$7,500 per audited year.

3.6 Financial Records

Grantee agrees to meet with a representative of the County upon request to review Grantee's methodology of record-keeping, financial reporting, the computing of Franchise Fee obligations and other procedures, the understanding of which the County deems necessary for reviewing reports and records that are relevant to the enforcement of this Franchise.

3.7 Interest on Late Payments

In the event any payment is not received within forty-five (45) days from the end of the scheduled payment period, Grantee shall pay, in addition to the payment or sum due, interest from the due date at the prime rate as listed in the Wall Street Journal on the date the payment was due, until the date the County receives the payment.

3.8 Maximum Franchise Fee

The parties acknowledge that, at present, applicable federal law limits County to collection of a Franchise Fee of five percent (5%) of Gross Revenues in any twelve (12) month period. In the event that at any time throughout the term of this Franchise, County is authorized to collect an amount in excess of five percent (5%) of Gross Revenues in any twelve (12) month period, the parties hereby agree to amend the Franchise after written notice to Grantee, and a public meeting to discuss same provided that all wireline cable systems in the Franchise Area over which the County has jurisdiction are treated in an equivalent manner. In the event that at any time throughout the term of this Franchise, County is limited by federal law to collecting an amount which is less than five percent (5%) of Gross Revenues in any twelve (12) month period, Grantee may reduce the Franchise Fee payments to the County in accordance with federal law and the parties hereby agree to amend the Franchise unless the County would be covered under grandfathered provisions under federal law to keep the Franchise Fee at 5% of Gross Revenues.

3.9 Additional Commitments Not Franchise Fees

No term or condition in this Franchise shall in any way modify or affect Grantee's obligation to pay Franchise Fees. Although the total sum of Franchise Fee payments and additional commitments set forth elsewhere in this Franchise may total more than five percent (5%) of Grantee's Gross Revenues in any 12-month period, Grantee agrees that the additional commitments regarding PEG funding, and Access Channels are excluded from the definition of Franchise Fees herein and are not Franchise Fees, nor are they to be offset or credited against any Franchise Fee payments due to County, pursuant to any federal law.

Furthermore, County and Grantee agree that any utility tax, business and occupation tax or similar tax shall be in addition to any Franchise Fees required herein and there shall be no offset against Franchise Fees subject to applicable law.

3.10 Payment on Termination

If this Franchise terminates for any reason, the Grantee shall file with the County within one hundred twenty (120) calendar days of the date of the termination, a financial statement, certified by an independent certified public accountant, showing the Gross Revenues received by the Grantee since the end of the previous fiscal year. Within forty five (45) days of the filing of the certified statement with the County, Grantee shall pay any unpaid amounts as indicated. If the Grantee fails to satisfy its remaining financial obligations as required in this Franchise, the County may do so by utilizing the funds available in a Letter of Credit or other security provided by the Grantee.

3.11 Service Packages

If Grantee offers bundled Cable Services and non-Cable Services to Subscribers, Grantee shall fairly and reasonably allocate revenue with regard to Cable Services. If a dispute arises between the parties regarding this matter, the County and Grantee will meet and discuss such matters in good faith in an attempt to resolve the dispute.

3.12 Additional Compensation

In the event that Franchise Fees are prohibited by any law or regulation, Franchisee shall pay to the County that amount, if any, which is determined by applicable law.

3.13 Tax Liability

The Franchise Fees shall be in addition to any and all taxes or other levies or assessments which are now or hereafter required to be paid by businesses in general by any law of the County, the State or the United States including, without limitation, sales, use, utility and other taxes, or business license fees.

SECTION 4. ADMINISTRATION AND REGULATION

County shall be vested with the power and right to administer this Franchise and the regulations and requirements of applicable law, including the Cable Act, or to delegate that power and right of administration, or any part thereof, to the extent permitted under federal, State and local law, to any agent in the sole discretion of the County.

4.1 Rates and Charges

Grantee rates and charges related to or regarding Cable Services shall be subject to regulation by County to the full extent authorized by applicable federal, State and local laws. Customer billing shall be itemized by service(s) per FCC Regulation 76.309 (B) (ii)(A) and 76.1619 or as amended. Grantee shall comply with all applicable laws regarding rates for Cable Services and all applicable laws covering issues of cross subsidization.

4.2 No Rate Discrimination

All Grantee rates and charges shall be published (in the form of a publicly-available rate card), made available to the public, and shall be non-discriminatory as to all Persons of similar classes, under similar circumstances and conditions. Grantee shall apply its rates in accordance with governing law. Nothing herein shall be construed to prohibit:

(A) The temporary reduction or waiving of rates or charges in conjunction with promotional campaigns;

(B) The offering of reasonable discounts to similarly situated Persons;

(C) The offering of rate discounts for either Cable Service generally; or

(D) The offering of bulk discounts for Multiple Dwelling Units.

(E) The Grantee offers to continue through a voluntary initiative a discount of 30% from its published rate card rate to Subscribers for Basic Cable Services or the Basic portion of Expanded Basic as part of their service (provided they are not already receiving a package discount) who are deemed low income by County standards and aged 65 years or older or disabled, provided that such individual(s) are the legal owner or lessee/tenant of their Dwelling Unit.

4.3 Filing of Rates and Charges

(A) Throughout the term of this Franchise, Grantee shall maintain on file with County a complete schedule of applicable rates and charges for Cable Services provided under this Franchise. Nothing in this subsection shall be construed to require Grantee to file rates and charges under temporary reductions or waivers of rates and charges in conjunction with promotional campaigns.

(B) On an annual basis, Grantee shall upon request provide a complete schedule of current rates and charges for any and all Leased Access Channels, or portions of such Channels, provided by Grantee. The schedule shall include a description of the price, terms and conditions established by Grantee for Leased Access Channels.

4.4 Time Limits Strictly Construed

Whenever this Franchise sets forth a time for any act to be performed by Grantee, such time shall be deemed to be of the essence, and any failure of Grantee to perform within the allotted time may be considered a breach of this Franchise.

4.5 Performance Evaluation

(A) Special evaluation sessions may be held at any time upon request by County during the term of this Franchise following Grantee's repeated failure to comply with the terms of this Franchise.

(B) All evaluation sessions shall be open to the public and announced at least one week in advance in a newspaper of general circulation in the Franchise Area.

(C) Topics that may be discussed at any evaluation session may include those issues surrounding Grantee's failure to comply with the terms of the Franchise provided

that nothing in this subsection shall be construed as requiring the renegotiation of this Franchise or any term or provision therein and further provided that this subsection need not be followed before other legal or equitable remedies within this Franchise.

4.6 Leased Access Channel Rates

Upon request, Grantee shall provide a complete schedule of current rates and charges for any and all Leased Access Channels, or portions of such Channels, provided by Grantee.

4.7 Late Fees

(A) For purposes of this subsection, any assessment, charge, cost, fee or sum, however, characterized, that the Grantee imposes upon a Subscriber solely for late payment of a bill is a late fee and shall be applied in accordance with applicable local, State and federal laws.

(B) The Grantee's late fee and disconnection policies and practices shall be nondiscriminatory, and such policies and practices, and any fees imposed pursuant to this subsection, shall apply equally in all parts of the County without regard to the neighborhood or income level of the subscribers.

SECTION 5. FINANCIAL AND INSURANCE REQUIREMENTS

5.1 Indemnification

(A) General Indemnification. Grantee, at its sole cost and expense, shall indemnify, defend and hold County, its officers, officials, boards, commissions, authorized agents, representatives, and employees, harmless from any action or claim for injury, damage, loss, liability, settlement, proceeding, judgment, or cost or expense, including court and appeal costs and attorneys' fees and expenses, arising from any casualty or accident to Person or property, including, without limitation, copyright infringement, defamation, and all other damages in any way arising out of, or by reason of, any construction, excavation, erection, operation, maintenance, repair or reconstruction, or any other act done under this Franchise, by or for Grantee, its authorized agents, or by reason of any neglect or omission of Grantee its authorized agents or its employees. Grantee shall consult and cooperate with the County while conducting its defense of the County.

(B) Indemnification for Relocation. Subject to applicable law, Grantee shall indemnify County for any damages, payable by County related to, arising solely out of or resulting solely from Grantee's failure to properly install, remove, adjust or relocate any of its facilities in the streets in accordance with any lawful relocation required by County.

(C) Additional Circumstances. Grantee shall also indemnify, defend and hold County harmless for any claim for injury, damage, loss, liability, cost and expense, including court and appeal costs and attorneys' fees and expenses in any way arising out of any failure by Grantee to secure consents from the owners, authorized distributors or Franchisees/licensors of programs to be delivered by the Cable System, provided however, that Grantee will not be required to indemnify the County for any claims arising out of the use of Access Channels by the County and/or its Designated Access Providers

or use by the County of the Emergency Alert Cable System.

(D) Procedures and Defense. If a claim or action arises, County or any other indemnified party shall tender the defense of the claim or action to Grantee, which defense shall be at Grantee's expense. County may participate in the defense of a claim and, in any event, Grantee may not agree to any settlement of claims financially affecting County without County's written approval that shall not be unreasonably withheld.

(E) Duty of Defense. The fact that Grantee carries out any activities under this Franchise through independent contractors shall not constitute an avoidance of or defense to Grantee's duty of defense and indemnification under this Section.

(F) Duty to Give Notice. The County shall give the Grantee timely written notice of any claim or of the commencement of any action, suit or other proceeding covered by the indemnity in this Section. In the event any such claim arises, the County or any other indemnified party shall tender the defense thereof to the Grantee and the Grantee shall have the obligation and duty to defend any claims arising thereunder, and the County shall cooperate fully therein.

(G) Separate Representation. If separate representation to fully protect the interests of both parties is necessary, such as a conflict of interest between the County and the counsel selected by Grantee to represent the County, Grantee shall select other counsel without conflict of interest with the County.

(H) The grant of this Franchise shall have no effect on the Grantee's duty under the prior franchises to indemnify or insure the County against acts and omissions occurring during the period that the prior franchises were in effect, nor shall it have any effect upon Grantee's liability to pay all Franchise Fees which were due and owed under prior franchises.

5.2 Insurance Requirements

(A) General Requirement. Grantee shall maintain in full force and effect at its own cost and expense each of the following policies of insurance:

(1) Commercial General Liability coverage for bodily injury, personal injury, and property damage with limits of no less than two million dollars (\$2,000,000) per occurrence. The general aggregate limit shall be no less than five million dollars (\$5,000,000). Such insurance shall name the County, the County's officers, officials, boards, commissions, agents, representatives, volunteers and employees as additional insureds.

(2) Commercial Automobile Liability Insurance with minimum combined single limits of at least two million dollars (\$2,000,000) each occurrence and five million dollars (\$5,000,000) aggregate with respect to each of Grantee's owned, hired and non-owned, or any other vehicles

assigned to or used in any activities authorized under or used in conjunction with this Franchise.

(3) Employer's Liability with limits of at least one million dollars (\$1,000,000).

(4) Workers' Compensation insurance shall be maintained during the life of this Franchise to comply with State law for all employees.

(B) Each policy shall provide that the insurance shall not be canceled or terminated so as to be out of compliance with these requirements without forty-five (45) days' written notice first provided to the County via mail, and ten (10) days notice for nonpayment of any premium. If the insurance is canceled or terminated so as to be out of compliance with the requirements of this Franchise, Grantee shall provide a replacement policy. Grantee agrees to maintain continuous uninterrupted insurance coverage, in at least the amounts required, until all work required to be performed under the terms of this Franchise is satisfactorily completed and, in the case of Commercial General Liability Insurance, for at least one (1) year after expiration of this Franchise. Any failure of Grantee to comply with the claim reporting provisions of the policy(ies) or any breach of an insurance policy warranty shall not affect coverage afforded under the policy to protect the County. However, if coverage is not afforded under these circumstances, Grantee will indemnify County for losses County otherwise would have been covered for as an additional insured.

All insurance policies, except Workers Compensation, shall contain a waiver of transfer rights of recovery (subrogation) against County, its officers, officials, agents, and employees for any claims arising out of Grantee's work or service. Grantee solely shall be responsible for deductibles and/or self-insured retention, and County, at its option, may require Grantee to secure the payment of such deductible or self-insured retention by a surety bond or an irrevocable Letter of Credit.

Endorsements.

(1) All policies shall contain, or shall be endorsed so that:

(a) The County, and the County's officers, officials, boards, commissions, agents, representatives, and employees are to be covered as, and have the rights of, additional insured's with respect to liability arising out of activities performed by, or on behalf of, Grantee under this Franchise or applicable law, or in the construction, operation, upgrade, maintenance, repair, replacement or ownership of the Cable System;

(b) Grantee's insurance coverage shall be primary insurance with respect to the County, County Board and the County's officers, officials, boards, commissions,

agents, and employees. Any insurance or self insurance maintained by the County, County Board and the County's officers, officials, boards, commissions, agents, representatives, volunteers or employees shall be in excess of the Grantee's insurance and shall not contribute to it, provided the occurrence arises out of Grantee's negligence; and

(c) Grantee's insurance shall apply separately to each insured against whom a claim is made or lawsuit is brought, except with respect to the limits of the insurer's liability.

(C) Verification of Coverage. The Grantee shall furnish the County with certificates of insurance and an endorsement reflecting additional insured status. The certificates for each insurance policy are to be on standard forms or such forms as are consistent with standard industry practices, and are to be received and approved by the County at the time of acceptance of this Franchise by Grantee with existing insurance coverage to be maintained by Grantee until that date. The Grantee hereby warrants that its insurance policies satisfy the requirements of this Franchise.

5.3 Security

(A) Grantee shall provide a performance bond in the amount of twenty-five thousand dollars (\$25,000) to ensure the faithful performance of its responsibilities under this Franchise and applicable law, including, by way of example and not limitation, its obligations to relocate and remove its facilities and to restore County Rights-of-Way and other property. Grantee may be required to obtain additional bonds, such as generally applicable construction bonds, in accordance with the County's ordinary practices. The construction bond and performance bond shall be in a standard industry form. Grantee shall pay all premiums or costs associated with maintaining the bond(s), and shall keep the same in full force and effect at all times. Except as expressly provided herein, the Grantee shall not be required to obtain or maintain other bonds as a condition of being awarded the Franchise or continuing its existence.

(B) If there is uncured breach by Grantee of a material provision of this Franchise or pattern of repeated violations of any provision(s) of this Franchise, then the County may request and Grantee shall establish and provide within thirty (30) days from receiving notice from the County, to the County as security for the faithful performance by Grantee of all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to the County in the amount of fifty thousand dollars (\$50,000).

(C) After the giving of notice by the County to Grantee, and expiration of any applicable cure period, the letter of credit may be drawn upon by the County for purposes that include, but are not limited to the following:

(1) Failure of Grantee to pay the County sums due under the terms of this Franchise;

(2) Reimbursement of costs borne by the County to correct Franchise violations not corrected by Grantee; and

(3) Liquidated damages assessed against Grantee as provided in this Franchise.

(D) The County shall give Grantee written notice of any withdrawal under this subsection upon such withdrawal. Within ten (10) days following receipt of such notice, Grantee shall restore the letter of credit to the amount required under this Franchise. Grantee's maintenance of the letter of credit shall not be construed to excuse unfaithful performance by Grantee or limit the liability of Grantee to the amount of the letter of credit or otherwise limit the County's recourse to any other remedy available at law or in equity.

(E) Grantee agrees to maintain continuous uninterrupted letter of credit and bonds in the amounts required for the duration of this Franchise or as otherwise specified in this Franchise.

(F) Grantee shall have the right to appeal to the County Board for reimbursement in the event Grantee believes that the letter of credit was drawn upon improperly. After a determination by the County Board, Grantee shall also have the right of judicial appeal if Grantee believes the letter of credit has not been properly drawn upon in accordance with this Franchise. Any funds the County erroneously or wrongfully withdraws from the letter of credit shall be returned to Grantee with interest, from the date of withdrawal at a rate equal to the prime rate of interest as quoted in the Wall Street Journal.

SECTION 6. CUSTOMER SERVICE

6.1 Customer Service Standards

Grantee shall not deny County access to any of Grantee's records on the basis that Grantee's records are under the control of any parent corporation, Affiliated Entity or a third party. County may, in writing, request copies of any such records or books, and Grantee shall provide such copies within thirty (30) days of the receipt of such request. If the requested books and records are too voluminous, or for security reasons cannot be

copied or removed, then Grantee may request, in writing within ten (10) days of receipt of such request, that County inspect them at Grantee's local offices. If any books or records of Grantee are not kept in a local office and not made available in copies to County upon written request as set forth above, and if County and Grantee agree that an examination of such records is necessary for the enforcement of this Franchise, then all reasonable travel expenses incurred in making such examination shall be paid by Grantee.

7.2 Confidentiality

County agrees to keep confidential any proprietary or confidential books or records to the extent permitted by law. Grantee shall be responsible for clearly and conspicuously identifying the work confidential or proprietary, and shall provide a brief written explanation as to why such information is confidential and how it may be treated as such under State or federal law. If County receives a demand from any Person for disclosure of any information designated by Grantee as confidential, County shall, so far as consistent with applicable law, advise Grantee and provide Grantee with a copy of any written request by the party demanding access to such information within a reasonable time.

7.3 Records Required

Grantee shall submit such documents to County no later than thirty (30) days after receipt of County's request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, State, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or State agency. With respect to all other reports, documents and notifications provided to any federal, State or local regulatory agency as a

County may inspect any of Grantee's facilities and equipment located in the Rights-of-Way or on other public property at any reasonable time during business hours upon at least twenty-four (24) hours notice, or, in case of emergency, upon demand without prior notice.

Throughout the term of the Franchise, Grantee shall meet with the County on an annual basis upon fifteen (15) days prior written notice from County. Matters to be discussed include, but are not limited to Customer service, Cable System performance, technical issues and other matters related to Grantee's operation of the Cable System.

The Cable Service described herein is a voluntary initiative that Grantee offers to continue throughout the term of this Franchise. The Cable Service provided shall not be distributed beyond the originally installed outlet without authorization from Grantee. In the case of leased facilities, the recipient of service is responsible for securing approval for appropriate right of entry suitable to the Grantee in its reasonable discretion. The Cable Service provided shall not be used for commercial purposes and the County shall take reasonable steps to limit display in public areas to the County Access Channels. The County shall take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in the inappropriate use thereof or any loss or damage to the Cable System. To the extent

not inconsistent with other provisions in this Franchise, the County shall hold the Grantee harmless from any and all liability or claims arising out of the use of Cable Service at County facilities and other facilities identified in this Section. For new hookups, the Grantee shall not provide an outlet to such buildings where a non-Standard Installation is required, unless the County or building owner/occupant agrees to pay the cost of any necessary Cable System extension and non-Standard Installation. (B) If there is a new technology that in County's opinion would enhance substantially the quality or quantity of programming available to Subscribers on the Cable System, Grantee shall, at the request of the County, investigate the feasibility of implementing said technology and report to County the results of such investigation within ninety (90) days from the date of such request.

SECTION 9. PUBLIC, EDUCATIONAL AND GOVERNMENTAL ACCESS

9.1 Access Channels

At all times during the term of this Franchise, Grantee shall provide, as part of the Basic Service package in accordance with applicable law, at no charge, the following Access Channels:

9.3 Management and Control of Access Channels

(A) County may authorize Designated Access Providers to control, operate, and manage the use of any and all Access facilities provided by Grantee under this Franchise, including, without limitation, the operation of Access Channels. The County or its designee may formulate rules for the operation of the Access Channels, consistent with this Franchise, the FCC, federal and State law. Nothing herein shall prohibit the County from authorizing itself to be a Designated Access Provider.

(B) Grantee shall cooperate with County and Designated Access Providers in the use of the Cable System and Access facilities for the provision of Access Channels.

9.4 Underutilized Access Channels

Grantee and the County agree that it is their mutual goal to fully and efficiently use the Channel capacity of the Cable System, which may include allowing the Grantee to use underutilized Access Channels. If Grantee believes that any Access Channel is underutilized, Grantee may file a request with the County to use that Access Channel. The County shall in its sole and absolute discretion render a decision regarding the matter within sixty (60) days of receiving the request. Should the County find that the Access Channel may be used by the Grantee, then Grantee may begin using such Channel ninety (90) days after receipt of the decision.

9.5 Access Channel Identification/Location/Relocation/Bill Insertions

Grantee will use reasonable efforts to minimize the movement of Access Channel assignments. Grantee shall provide to the County a minimum of sixty (60) days notice, and use its best efforts to provide ninety (90) days notice, prior to any relocation of its Access Channels, unless the change is required by federal law, in which case Grantee

shall give the County the maximum notice possible.

Grantee, upon request, and when space is available, shall provide the County the opportunity to include two bill insertions per year. The County or Designated Access Providers shall be responsible for the costs of printing its bill insertions, the cost of inserting the information into Grantee's bills and for any incremental postage costs. Bill insertions must conform to Grantee's reasonable mailing requirements. Grantee shall be provided an opportunity to review and approve all Access bill insertions.

9.6 Access Interconnections

(A) The Access Channels required by this Franchise may, with the approval of the involved municipalities and the availability of Channel capacity, knowing that the involved municipalities may be required to accept deletion of another Channel to further the Interconnection, be Interconnected with the cable systems of Grantee that serve the City of Bainbridge Island and the City of Poulsbo. Grantee, at its expense shall take all necessary technical steps to ensure that downstream transmissions provide an adequate signal quality in accordance with FCC regulations.

(B) Grantee shall, in accordance with this Franchise, continue throughout the term of this Franchise to maintain the existing Interconnect with the adjacent cable system not owned or operated by Grantee or an Affiliate of Grantee.

(C) Nothing in this section alters Grantee's Channel obligations for Access programming delivered to Subscribers within the Franchise Area.

(D) It is not the Grantee's responsibility to ensure that the signals provided to the existing Interconnection by another Interconnecting cable system meet industry standards.

(F) Any equipment and construction costs borne by Grantee in connection with the obligation to provide for Access Channel Interconnection shall be considered a capital cost. County agrees that such cost is an "external cost" as such term is used in 47 C.F.R. In addition, as permitted in 47 C.F.R. §76.985, all amounts paid as the Capital Contribution may be separately stated on Subscriber's bills as a government access capital equipment fee.

9.8 Access Reporting

Upon Grantee's written request the Grantor shall submit a report annually on the use of Access Channels and Capital Contribution. The Grantor shall submit a report to Grantee within one hundred twenty (120) days of a written request. Grantee may review the records of the Grantor regarding the use of the Capital Contribution.

Such appeal to the appropriate Court shall be taken within thirty (30) days of the issuance of the determination of the County. County shall receive notice from Grantee of any appeal concurrent with any filing to a court of competent jurisdiction.

16.2 Alternative Remedies

No provision of this Franchise shall be deemed to bar the right of either party to seek or obtain judicial relief from a violation of any provision of the Franchise or any rule, regulation, requirement or directive promulgated thereunder. Neither the existence of other remedies identified in this Franchise nor the exercise thereof shall be deemed to bar

or otherwise limit the right of either party to recover monetary damages, as allowed under applicable law, or to seek and obtain judicial enforcement of obligations by means of specific performance, injunctive relief or mandate, or any other remedy at law or in equity.

The County specifically does not, by any provision of this Franchise, waive any right, immunity, limitation or protection (including complete damage immunity) otherwise available to the County, its officers, officials, Boards, boards, commissions, agents, or employees under federal, State, or local law including by example Section 635A of the Cable Act. The Grantee shall not have any monetary recourse against the County, or its officers, officials, Board, Boards, commissions, authorized agents or employees for any loss, costs, expenses or damages arising out of any provision, requirement of this Franchise or the enforcement thereof, subject to applicable law.

16.3 Assessment of Liquidated Damages and Letter of Credit

Subject to Section 5.3:

(A) Grantee shall deliver to the County an irrevocable and unconditional Letter of Credit, in a form and substance acceptable to the County, from a National or State bank subject to reasonable approval by the County, in the amount of fifty thousand dollars (\$50,000.00).

(B) The Letter of Credit shall provide that funds will be paid to the County and in an amount for liquidated damages charged pursuant to this Section, in payment for any monies owed by the Grantee to the County or any Person as a result of any material acts or material omissions by the Grantee pursuant to this Franchise or a pattern of repeated violations of any provisions of this Franchise.

(C) In addition to the recovery of any monies owed by the Grantee to the County or any Person or damages to the County or any Person as a result of any material acts or material omissions by the Grantee pursuant to the Franchise; the County in its sole discretion may, after notice and opportunity to cure as provided in Section 16.1, charge to and collect from the Letter of Credit the following liquidated damages.

(1) For failure to provide data, documents, reports or information or to cooperate with the County during an application process or Cable System review or as otherwise provided herein, the Liquidated Damages shall be \$150.00 per day for each day, or part thereof, such failure occurs or continues.

(2) For failure of Grantee to comply with construction, operation or maintenance standards or the provision of the scrambled Channel as provided in Section 12.1, the Liquidated Damages shall be \$150.00 per day for each day, or part thereof, such failure occurs or continues.

(3) For failure to provide the services and the payments required by this Franchise, including, but not limited to, the implementation and the utilization of the PEG Access Channels, the Liquidated Damages shall be \$150.00 per day for

each day, or part thereof, such failure occurs or continues.

(4) For Grantee's breach of any written contract or agreement with or to the County, the Liquidated Damages shall be \$150.00 per day for each day, or part thereof, such breach occurs or continues.

(5) For failure to comply with any of the provisions of this Franchise or Customer service standards, or other County ordinance for which a liquidated damages is not otherwise specifically provided pursuant to this paragraph (C), the liquidated damages shall be \$150.00 per day for each day, or part thereof, such failure occurs or continues.

(D) Each violation of any material provision of this Franchise shall be considered a separate violation for which separate liquidated damages can be imposed. Any liquidated damages for any given violation shall be imposed upon Grantee for a maximum of 90 days.

(E) If any subsequent Letter of Credit delivered pursuant thereto expires prior to twelve (12) months after the expiration of the term of this Franchise, it shall be renewed or replaced during the term of this Franchise to provide that it will not expire earlier than twelve (12) months after the expiration of this Franchise. The renewed or replaced Letter of Credit shall be of the same form and with a bank authorized herein and for the full amount stated in paragraph (A) of this Section.

(F) The County and the Grantee recognize the delays, expense and unique difficulties involved in proving in a legal proceeding the actual loss suffered by the County as a result of the Grantee's breach of this Franchise. Accordingly, instead of requiring such proof, the County and the Grantee agree that the Grantee shall pay to the County the sums set forth above for each day that the Grantee shall be in breach of the specific provisions of this Franchise. Such amounts are agreed by both parties to be a reasonable estimate of the actual damages the County would suffer in the event of the Grantee's breach of such provisions of this Franchise.

(G) The bond(s) and Letter of Credit referred to in Section 5.3 (A) may be drawn upon by the County for breach of a material provision after notice and opportunity to cure.

The County shall give Grantee written notice of any intent to withdraw under this subsection. Within seven (7) days following receipt of such notice, Grantee shall restore the bond(s) and Letter of Credit to the amount required under this Franchise. Grantee's maintenance of the bond(s) and Letter of Credit shall not be construed to excuse unfaithful performance by Grantee or to limit the liability of Grantee to the amount of the bond(s) and Letter of Credit or otherwise to limit the County's recourse to any other remedy available at law or in equity.

Grantee shall have the right to appear to the County Board for reimbursement in the event Grantee believes that a bond or Letter of Credit was drawn upon improperly.

Grantee shall also have the right of judicial appeal if grantee believes a bond or Letter of Credit has not been properly drawn upon in accordance with this Franchise. Any funds the County erroneously or wrongfully withdraws from the bond(s) or Letter of Credit shall be returned to Grantee with interest from the date of withdrawal.

The assessment of liquidated damages does not constitute a waiver by the County of any other right or remedy it may have under the Franchise or applicable law, including its right to recover from Grantee any additional damages, losses, costs and expenses that are incurred by County by reason of the breach of this Franchise.

Grantee's maintenance of the security required herein or by applicable code shall not be construed to excuse unfaithful performance by the Grantee of this Franchise; to limit liability of the Grantee to the amount of the security; or to otherwise limit the County's recourse to any other remedy available at law.

16.4 Revocation

(A) This Franchise may be revoked and all rights and privileges rescinded if a material breach of the Franchise is not cured pursuant to Section 16.1, or in the event that:

- (1) Grantee attempts to evade any material provision of this Franchise or to practice any fraud or deceit upon the County or Subscribers;
- (2) Grantee makes a material misrepresentation of fact in the negotiation of this Franchise;
- (3) Grantee fails to maintain the required Customer service location within the County limits as provided in this Franchise in accordance with Section 6.3;
- (4) Grantee abandons the Cable System, or terminates the Cable System's operations;
- (5) Grantee fails to restore service to the Cable System after three consecutive days of an outage or interruption in service; except in the case of an emergency or during a force majeure occurrence, or when approval of such outage or interruption is obtained from the County, it being the intent that there shall be continuous operation of the Cable System); or
- (6) Grantee becomes insolvent, unable or unwilling to pay its debts, or is adjudged bankrupt, there is an assignment for the benefit of Grantee's creditors, or all or part of the Grantee's Cable System is sold under an instrument to secure a debt and is not redeemed by Grantee within thirty (30) days from said sale.

(B) Additionally, this Franchise may be revoked one hundred twenty (120) days after the appointment of a receiver or trustee to take over and conduct the business of the Grantee (at the option of the County and subject to applicable law) whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless directed

otherwise by a court of competent jurisdiction.

(C) If there is a foreclosure or other involuntary sale of the whole or any part of the plant, property and equipment of Grantee, County may serve notice of revocation on Grantee and to the purchaser at the sale, and the rights and privileges of Grantee under this Franchise shall be revoked thirty (30) days after service of such notice, unless:

(1) County has approved the transfer of the Franchise, in accordance with the procedures set forth in this Franchise and as provided by law; and

(2) The purchaser has covenanted and agreed with County to assume and be bound by all of the terms and provisions of this Franchise.

16.5 Purchase of the Cable System

If at any time this Franchise lawfully terminates, the County shall have the option to purchase the Cable System.

SECTION 17. FRANCHISE TRANSFER

Transfer of Ownership or Control

(A) The Cable System and this Franchise shall not be sold, assigned, transferred, leased or disposed of, either in whole or in part, either by involuntary sale or by voluntary sale, merger or consolidation; nor shall title thereto, either legal or equitable, or any right, interest or property therein pass to or vest in any Person or entity without the prior written consent of the County, which consent shall be by the County Board, acting by ordinance or resolution.

(B) The Grantee shall promptly notify the County of any actual or proposed change in, or transfer of, or acquisition by any other party of control of the Grantee. The word "control" as used herein is not limited to majority stockholders but includes actual working control in whatever manner exercised. Every change, transfer or acquisition of control of the Grantee shall make this Franchise subject to cancellation unless and until the County shall have consented in writing thereto.

(C) The parties to the sale or transfer shall make a written request to the County for its approval of a sale or transfer or change in control and shall furnish all information required by law.

(D) In seeking the County's consent to any change in ownership or control, the proposed transferee or controlling entity shall indicate whether it:

(1) Has ever been convicted or held liable for acts involving deceit including any violation of federal, State or local law or regulations, or is currently under an indictment, investigation or complaint charging such acts;

(2) Has ever had a judgment in an action for fraud, deceit, or misrepresentation

entered against the proposed transferee by any court of competent jurisdiction;

(3) Has pending any material legal claim, lawsuit, or administrative proceeding arising out of or involving a cable system;

(4) Is financially solvent, by submitting financial data including financial statements that are audited by a certified public accountant who may also be an officer of the transferee or controlling entity, along with any other data that is lawfully required; and

(5) Has the financial, legal and technical capability to enable it to maintain and operate the Cable System for the remaining term of the Franchise.

(E) The County shall act by ordinance or resolution on the request within one hundred twenty (120) days of receipt of the FCC Form 394 application, provided it has received a complete application. Subject to the foregoing, if the County fails to render a final decision on the request within one hundred twenty (120) days, such request shall be deemed granted unless the requesting party and the County agree to an extension of time.

(F) Within thirty (30) days of any transfer or sale or change in control, if approved or deemed granted by the County, Grantee shall file with the County a copy of the deed, agreement, lease or other written instrument evidencing such sale or transfer of ownership or control, certified and sworn to as correct by Grantee and the transferee or controlling entity, and the transferee or controlling entity shall file its written acceptance agreeing to be bound by all of the provisions of this Franchise, subject to applicable law. In the event of a change in control, in which the Grantee is not replaced by another entity, the Grantee will continue to be bound by all of the provisions of the Franchise, subject to applicable law, and will not be required to file an additional written acceptance. The approval of any change in control shall not be deemed to waive any rights of County to subsequently enforce noncompliance issues relating to this Franchise. For purposes herein to the extent that a change of control involves an entity that was not an Affiliate prior to the contemplated transaction, the County's consent shall be required for such change in control.

(G) In reviewing a request for sale or transfer or change in control, the County may inquire into the legal, technical and financial qualifications of the prospective controlling party or transferee, and Grantee shall assist the County in so inquiring. The County may condition said sale or transfer or change in control upon such terms and conditions as it deems reasonably appropriate, provided, however, any such terms and conditions so attached shall be related to the legal, technical and financial qualifications of the prospective controlling party or transferee and to the resolution of outstanding and unresolved issues of noncompliance with the terms and conditions of this Franchise by Grantee.

(H) Notwithstanding anything to the contrary in this subsection, the prior approval of the County shall not be required for any sale, assignment or transfer of the Franchise or Cable System to an intracompany entity controlling, controlled by or under

the same common control as Grantee, provided that the proposed assignee or transferee must show financial responsibility as may be determined necessary by the County and must agree in writing to comply with all of the provisions of the Franchise. Further, Grantee may pledge the assets of the Cable System for the purpose of financing without the consent of the County; provided that such pledge of assets shall not impair or mitigate Grantee's responsibilities and capabilities to meet all of its obligations under the provisions of this Franchise.

SECTION 18. PROHIBITED PRACTICES, LOCAL EMPLOYMENT EFFORTS AND NOTICES

18.1 Preferential or Discriminatory Practices Prohibited

Grantee shall not discriminate in hiring, employment or promotion on the basis of race, color, ethnic or national origin, religion, age, sex, sexual orientation, or physical or mental disability. 19.9 Waiver

The failure of either party at any time to require performance by the other of any provision hereof shall in no way affect the right of the other party hereafter to enforce the same. Nor shall the waiver by either party of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision, or as a waiver of the provision itself or any other provision.

19.10 Severability

If any Section, subsection, paragraph, term or provision of this Franchise is determined to be illegal, invalid or unconstitutional by any court or agency of competent jurisdiction, such determination shall have no effect on the validity of any other Section, subsection, paragraph, term or provision of this Franchise, all of which will remain in full force and effect for the term of the Franchise.

Grantee is free to exceed these Standards to the benefit of its Customers and such shall be considered performance for the purposes of these Standards.

Grantee is responsible to the County to insure that its agents, contractors and subcontractors comply with all applicable provisions of these Standards.

(C) Grantee will not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards set forth above, unless a historical record of complaints indicates a clear failure to comply.

(D) Under normal operating conditions, the Customer will receive a busy signal less than three (3) percent of the time.

(E) A Customer service center which is encouraged or required by the terms of an agreement with the County, will be open during normal business hours.

2.3. Responsiveness; installations, outages and service calls

(A) Under normal operating conditions, each of the following five standards will be met no less than ninety (90) percent of the time measured on a quarterly basis:

(1) Standard installation will be performed within seven (7) business days after an order has been placed. "Standard" installations are those that are located up to 125 feet for an aerial installation and 60 underground feet for an underground installation from the existing distribution Cable System.

(2) Excluding conditions beyond the control of a Grantee, a Grantee will begin working on "service interruptions" promptly and in no event later than 24 hours after the interruption becomes known. Grantee must begin actions to correct other service problems the next business day after notification of the service problem.

(3) The "appointment window" alternatives for installations, service calls, and other installation activities will be either a specific time or, at maximum, a four-hour time block during normal business hours. For purposes herein, "normal business hours" shall be between 8:00 A.M. to 5:00 P.M., Monday through Friday. Grantee may schedule service calls and other installation activities outside of normal business hours for the express convenience of the Customer.

(4) Grantee may not cancel an appointment with a Customer after the close of business on the business day prior to the scheduled appointment unless due to extended work at another location.

(5) If Grantee's representative is running late for an appointment with a Customer and will not be able to keep the appointment as scheduled, the Customer will be contacted. The appointment will be rescheduled, as necessary, at a time which is convenient for the Customer.

(B) Grantee shall meet or exceed technical standards established by the United States Federal Communications Commission (the "FCC"). Grantee shall render efficient service, make repairs promptly, and interrupt service only for good cause and for the shortest time possible. Scheduled interruptions shall occur during periods of minimum use of the Cable System, preferably between midnight and six a.m. (6:00 a.m.).

(C) Grantee's Customer Service Representative shall have the authority to provide credit for interrupted service, to waive fees, to schedule service appointments and to change billing cycles, where appropriate.

(D) Billings, refunds and credits.

(1) Bills will be clear, concise and understandable. Bills must be fully itemized, with itemizations including, but not limited to, basic and premium service charges and equipment charges. Bills will also clearly delineate all activity during the billing period, including optional charges, rebates and credits. In case of a billing dispute, Grantee must respond to a written complaint from a Customer within thirty (30) days.

(2) Refund checks will be issued promptly, but no later than either the Customer's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier, or the return of the equipment supplied by Grantee if service is terminated.

(3) Credits for service will be issued no later than the Customer's next billing cycle following the determination that a credit is warranted.

(E) Treatment of Private Property.

(1) Grantee shall keep tree trimming to a minimum; trees and shrubs or other landscaping that are damaged by a Cable Operator, any employee or agent of Grantee during installation or construction shall be restored to their prior condition or replaced. Trees and shrubs shall not be removed without the prior permission of the owner or legal tenant of the property on which they are located.

(2) Grantee shall, at its own cost and expense, and in a manner approved by the property owner, restore any property to as good condition as before the work causing such disturbance was initiated. Grantee shall repair, replace or compensate a property owner for any damage resulting from Grantee's installation, construction, service or repair activities.

(3) Except in the case of an emergency involving public safety or service interruption to a large number of Customers, Grantee shall give reasonable notice to property owners or legal tenants prior to entering upon private premises, provided that in the case of construction operations such notice shall be delivered or provided at least twenty-four (24) hours prior to entry. Nothing herein shall be construed as authorizing access or entry to private property, or any other property, where such right to access or entry is not otherwise provided by law, easement, and/or an agreement with the County. For the installation of pedestals or other major construction or installation projects on private property, the property owner and/or resident shall also be notified in writing at least forty-eight hours in advance. In the case of an emergency, Grantee shall attempt to contact the property owner or legal tenant in person, and shall leave a door hanger notice in the event personal contact is not made. Notwithstanding the foregoing, if another Person's property

will be affected by work requested by a Customer or potential Customer, Grantee shall endeavor to provide notice to that Person as well.

(4) Grantee personnel shall clean all areas surrounding any work site and ensure that all cable materials have been disposed of properly.

2.4 Services for Customers with Disabilities

Grantee will use reasonable good faith efforts to meet the special needs of Customers with disabilities.

2.5 Notification to Customers

(A) Grantee shall provide written information on each of the following areas at the time of installation of service, at least annually to all Customers, and at any time upon request.

- (1) Products and services offered;

- (5) Channel positions programming carried on the Cable System; and,
- (6) Billing and complaint procedures.

(B) Customers will be notified of any changes in rates, programming services or channel positions as soon as possible in writing. Notwithstanding any other provision herein, Grantee shall not be required to provide prior notice of any rate change that is the result of a regulatory fee, agreement fee, or any other fee, tax, assessment, or charge of any kind imposed by any Federal or State agency, on the transaction between Grantee and the Customer.

(C) All officers, agents, and employees of Grantee or its contractors or subcontractors who are in personal contact with Customers shall have identification cards bearing their name and photograph. Grantee shall account for all identification cards at all times. Every vehicle of Grantee shall be clearly visually identified to the public as working for Grantee. All CSRs shall identify themselves orally to callers immediately following the greeting during each telephone contact with the public.

2.6 Customer Privacy

(A) Grantee shall not monitor cable television signals to determine the individual viewing patterns or practices of any Customer without prior written consent from that Customer, except as otherwise permitted by Federal Law.

(B) Grantee shall not sell or otherwise make available Customer lists or other personally identifiable Customer information without prior written Customer consent, except as otherwise permitted by Federal Law. Grantee is permitted to disclose such information if such disclosure is necessary to render, or conduct, a legitimate business activity related to a cable service or other service provided by Grantee to its Customers.

2.7 Safety

Grantee shall install and locate its facilities, Cable System, and equipment in compliance with all federal, state, local, and company safety standards, and in such manner as shall not endanger persons or property. Whenever a Grantee receives notice that an unsafe condition exists with respect to its equipment, Grantee shall investigate such condition immediately, and shall take such measures as are necessary to remove or eliminate any unsafe condition.

SECTION 3. COMPLAINT PROCEDURE

3.1 Complaints to Grantee

(A) Grantee shall establish written procedures for receiving, acting upon, and resolving Customer complaints, and crediting Customer accounts and shall publicize such procedures through printed documents at Grantee's sole expense.

(B) Said written procedures shall prescribe a simple manner in which any Customer may submit a complaint by telephone or in writing to Grantee that it has violated any provision of these Customer Service Standards, or any terms or conditions of the Customer's contract with Grantee.

(C) At the conclusion of Grantee's investigation of a Customer complaint, but in no more than thirty (30) calendar days after receiving the complaint, Grantee shall notify the Customer of the results of its investigation and its proposed action or credit.

3.2 Complaints to the County

(A) Any Customer who is dissatisfied with any proposed decision of Grantee or who has not received a decision within the thirty (30) day period as required shall be entitled to have the complaint reviewed by the County or its designee.

(B) The Customer may initiate the review by filing a written complaint together with Grantee's written decision, if any, with the County.

(C) The Customer shall make such filing and notification within thirty (30) days of receipt of Grantee's decision or, if no decision has been provided, within forty (40) days after filing the original complaint with Grantee.

(D) Grantee shall file a written response to the complaint with the County within fifteen (15) days of receipt of a copy of the complaint from the Customer.

(E) The County or its designee may extend these time limits for reasonable cause and may intercede and attempt to negotiate an informal resolution.

(F) If the County or its designee determines that the Customer's complaint is valid and that Grantee did not provide the complaining Customer with the proper solution and/or credit, the County or its designee may further pursue the issue with the Grantee and Grantee shall respond to County within 5 business days.
