COLLECTIVE BARGAINING AGREEMENT

KC-170-22

This agreement is made and entered into by and between the **County of Kitsap**, hereinafter known as the “**County**” and **Kitsap County Deputy Sheriff’s Guild**, hereinafter known as the “**Guild**,” in order to set forth the wages, hours and working conditions for said Guild’s bargaining unit for the term herein below provided.

ARTICLE I - RIGHTS OF THE PARTIES

SECTION A – RECOGNITION

Employer recognizes Guild as the exclusive bargaining representative for the following bargaining unit within the Kitsap County Sheriff’s Office as certified by the Public Employment Relations Commission:

The parties mutually recognize the value of consolidating the two separate Collective Bargaining Agreements into a single master agreement with separate addendums while at the same time desiring to continue their recognition of two separate bargaining units, one consisting solely of all regular full-time and regular part-time fully commissioned uniformed deputy sheriffs and the other consisting solely of all regular full-time and regular part-time fully commissioned uniformed Corporals and Sergeants. These bargaining units exclude the Sheriff, Undersheriff, supervisors, confidential employees, and all other employees of the employer.

The parties further recognize that this agreement is subject to independent ratification by both bargaining units, provided that in the event one bargaining unit ratifies the agreement but the other declines to do so, the agreement will be executed as to the ratifying bargaining unit.

SECTION B - GUILD ACTIVITIES

1. The Employer shall allow reasonable time off with pay for Guild members conducting official business that is vitally connected with the Employer’s business; provided such time off shall be taken at the consent of the Sheriff or his designee or by the authority of the Board of County Commissioners and provided further that such consent shall not be unreasonably withheld.
 - a. Examples of appropriate uses of release time include participation in labor-management meetings, representing employees in grievance meetings and other contract administration matters. One Guild representative shall be allowed to attend any ULP hearing, grievance arbitration hearing or interest arbitration hearing on release time. (This does not prohibit the parties’ agreement that more than one Guild representative may attend on release time.)

- b. Guild officers and members will be charged annual leave or leave without pay, if no accrued annual leave is available, when they are absent from work to perform internal Guild business. In all instances, before leaving the work area or otherwise devoting on-duty time to the performance of Guild business, the Guild officers shall notify their supervisor, obtain approval and notify their supervisor when they return. Subject to any reporting requirements established by the Department of Retirement Systems, a Guild leave bank is available for the Guild to utilize for Guild activities, not otherwise subject to paid release time, as follows:
 - 1) Two (2) hours per year of each employee's annual leave accrual shall be contributed to the Guild leave bank in January of each subsequent year. In the event that the Guild banked contributions exceed what the Guild deems immediately necessary, it may elect to waive the 2-hour contribution for the succeeding year by advising the employer of that intention by December 1.
 - 2) New hires will begin contributing the January following successful completion of their probationary period.
- 2. The Employer will attempt to arrange shift schedules or grant time during the course of the normal work day in a manner that the employee members who are part of the Guild's negotiating team will be provided time with pay for purposes of negotiating a new labor agreement; **provided** that no more than four (4) members of the Guild's negotiating team shall be on paid status during negotiation sessions; **provided further** that in no instance shall the County pay overtime to a member of the Guild's negotiating team as a result of this section. The parties understand and agree that the attendance of the Guild's negotiating team members may result in the necessity for the Employer to pay overtime to back-fill or cover the absence of the negotiating team member.
- 3. A copy of this Agreement shall be posted in a conspicuous place in the Sheriff's Department. The Employer agrees to provide suitable space for the bulletin board in each place of work. Postings by the Guild on such boards are to be confined to official business of the Guild.
- 4. Bargaining unit employees may make occasional but limited use of County-owned communications' resources (telephone, voice mail, electronic mail) for personal communications; specifically, incidental personal use is permitted. Incidental personal use is use that is both brief in duration and accumulation, and does not interfere with or impair the conduct of official county business due to volume, frequency, or impede employees' performance of their official duties. In no event will the Guild use the County's communications' resources for internal Guild business beyond that permitted for incidental personal use.

5. Use of County-owned equipment and facilities shall be in accordance with the Sheriff's policies and procedures. In no event will employees who are off-duty and not on call status use their County-assigned vehicle for the purpose of attending Guild meetings, unless such attendance is just prior to or directly following their work shift.

SECTION C - GUILD SECURITY AND PAYROLL DEDUCTION

1. For any new employee covered by the terms of this Agreement, the Employer will notify the Guild within thirty (30) days after the employee's date of hire. The Employer will provide the Guild with access to new employees of the bargaining unit consistent with RCW 41.56.037. The Employer and the Guild agree that employees covered under this Agreement should, on or before the thirty-first (31st) day following the beginning of such employment, make an election whether to become a member of the Guild in good standing.
2. The Guild will notify the County of its initiation fees and dues. Upon authorization of an employee in accordance with RCW 41.56.110, the Employer will deduct monthly dues and assessments or fees from the salary of such employee, and transmit such amount to the Guild.
3. An employee may revoke her or his authorization for payroll deduction of payments to the Guild in accordance with RCW 41.56.110.
4. The Employer will provide a monthly written report to the Guild transmitted with transfer of deducted dues owed to the Guild ("the transferred amount"). Such report will indicate all individuals who had dues withheld as part of the transferred amount, and the amount withheld and transmitted on behalf of that individual.
5. Effective within thirty (30) days following ratification and signing by all parties to this agreement, all employees shall subscribe to direct deposit of their biweekly paycheck to a financial institution of their choice.

SECTION D - NONDISCRIMINATION

1. Neither the Employer, Guild, nor any employee shall in any manner whatsoever discriminate against any employee on the basis of race, color, religion, creed, sex, marital status, national origin, age, or sensory, mental or physical handicaps or disability.
2. Where the masculine or feminine gender is used in this Agreement, it is used solely for the purpose of illustration and shall not be construed to indicate the sex of any employee or job applicant.
3. No employee shall be discharged or discriminated against for upholding lawful Guild activities, fulfilling duties as an officer in the Guild or serving on a Guild committee or member thereof.

SECTION E - EMPLOYEE EVALUATIONS

1. Every new employee shall be evaluated on a regular basis during his/her field training period.
2. Every newly promoted employee shall be evaluated following the one hundred and eightieth (180th) and two hundred and seventieth (270th) days of appointment.
3. Every employee shall be evaluated once each year after attainment of permanent status.
4. Evaluations may be used as a factor in granting permanent status, transfers, demotions, and terminations. Evaluations may be subject to review by the Sheriff or his designee within ten (10) calendar days.

SECTION F - GRIEVANCE AND ARBITRATION PROCEDURE

1. Definition: A grievance shall be defined as a dispute or disagreement arising between the employee and the Employer with regard to the interpretation or application of the specific provisions of this Agreement. Specifically excluded from further recourse to the grievance procedure are grievances that have been processed and decided; and grievances not presented within the time limits established in this Section. The Guild or any employee within the bargaining unit who may feel aggrieved by the Employer's interpretation or application of the terms of this Agreement may seek his/her remedy by the procedure provided in this Agreement. No complaint or grievance involving the same incident, problem or other matter may be filed under this grievance procedure and the Civil Service Commission, subject to Section J of this CBA (Relationship to Civil Service).
2. Guild Representation: Throughout the grievance procedure, an aggrieved employee shall have the right guaranteed by RCW 41.56.080 to represent himself/herself, when the Guild has been given reasonable opportunity to be present at any initial meeting called for the resolution of such grievance, or to be represented by a Guild official. Nothing in this section shall be construed so as to grant employees the right to proceed to arbitration which right shall be reserved to the Guild in its discretion in accordance with its duty of fair representation.
3. Grievance Procedure:

Step 1 - A bargaining unit member or the Guild must initiate a first step grievance within fifteen (15) calendar days of the date of the occurrence that gave rise to the grievance, or within fifteen (15) calendar days of the date the grievant or the

Guild could reasonably have been expected to know of the alleged violation. The first step grievance should be filed with the employee's immediate supervisor, unless the grievance involves a decision made by an officer above the immediate supervisor, in which case the grievance should be initiated with the officer up to the level of the Division Chief who imposed the decision. The grievance shall be reduced to writing on an official grievance form which shall contain the following: (1) the facts upon which the grievance is based; (2) reference to the section or sections of the Agreement alleged to have been violated; and (3) the remedy sought. Within fifteen (15) calendar days of the submission of the grievance, the supervisor or manager shall respond to the grievance in writing.

Step 2 - If no settlement is reached in Step 1, the employee, or the Guild may advance the grievance to Step 2 with the Sheriff or Sheriff's designee no later than fifteen (15) calendar days from the date of rejection of the first step grievance.

The Sheriff or designee shall conduct an investigation and shall notify the aggrieved employee and the Guild in writing of the Step 2 decision and the reasons therefore within fifteen (15) calendar days after receipt of the written grievance. In the event the Sheriff is not available to receive a written grievance and the Sheriff's designee has not been appointed or is not available to receive a written grievance, then such grievance shall be filed with the Sheriff's secretary within the time period stated above. If the grievance has been filed with the Sheriff's secretary, then the period during which the Sheriff or the Sheriff's designee shall have to investigate and notify the aggrieved employee and the Guild of the decision shall begin on the first working day after such individual returns.

Step 3 - Arbitration - In the event a grievance is not satisfactorily settled in Step 2, the Guild, if it so chooses, may submit the matter to arbitration under the procedures described below. A written request for arbitration must be made by the Guild within thirty (30) calendar days after receipt of the Step 2 decision.

- a. Arbitrator Selection. In regard to each non-disciplinary grievance reaching Step 3, the parties will attempt to agree on an arbitrator to hear and decide the particular case. If the parties are unable to agree on an arbitrator within ten (10) working days of the submission of the written request for arbitration, either party may request a list of nine (9) names from the Federal Mediation and Conciliation Service (FMCS). The party requesting a list of arbitrator names will specify that the list include only arbitrators located in the Pacific Northwest region of the United States. An arbitrator shall be selected by alternating strikes, the first strike to be determined by a flip of a coin. The parties may also agree to request a list from PERC. Arbitrators for disciplinary grievances shall be selected in accordance with State law. Absent extenuating circumstances, the parties shall promptly

select and schedule an arbitrator for a disciplinary grievance, and the hearing shall be commenced within ninety (90) days of the designation of the arbitrator, unless otherwise mutually agreed.

- b. Hearing. The arbitrator shall hold a hearing and accept pertinent evidence submitted by both parties and shall be empowered to request such data as he/she deems pertinent to the grievance. Each party to the proceedings may call such witnesses as may be necessary. Such testimony shall be limited to the matters set forth in the written statement of grievance. The arguments of the parties may be supported by oral comment and rebuttal. The hearing shall be kept private and shall include only the parties in interest and/or their designated representatives and witnesses.
 - c. Authority of the Arbitrator. The arbitrator shall be authorized to rule and issue a decision in writing on the issue presented for arbitration, such decision shall be final and binding on both parties. The arbitrator shall rule only on the basis of information presented in the hearing before him/her and shall refuse to receive any information after the hearing except when there is mutual agreement, and in the presence of both parties. The arbitrator shall have no power to render a decision that will add to, subtract from, or alter, change or modify the terms of this Agreement, and the arbitrator's power shall be limited to interpretation and application of the express terms of this Agreement. The arbitrator's decision shall be made in writing and, if neither party wishes to submit a post-hearing brief, shall be issued to the parties within thirty (30) days after the arbitration hearing. If either or both parties wish to submit post-hearing briefs, said brief(s) may be submitted to the arbitrator on a date agreed upon by the parties or, if they are unable to agree on a date, designated by the arbitrator. If the case briefing is submitted, the arbitrator's written decision shall be issued to the parties within thirty (30) calendar days of submission of the briefs.
 - d. Costs of Arbitration. Each party shall pay any compensation and expenses relating to its own witnesses or representatives. If either party requests a stenographic record of the hearing, the cost of said record will be paid by the party requesting it. If the other party also requests a copy, that party will pay one-half of the stenographic costs. The expenses of the arbitrator shall be divided equally between the parties.
4. Time Limits: Any time limits stipulated in this article may be extended for stated periods of time by the parties by mutual written agreement, and any step or steps of the procedure may be waived by mutual written agreement in an effort to expedite the matter. If an aggrieved employee fails to advance his grievance to the next step in the grievance procedure within the specified time limit and in the

specified manner, the grievance shall be considered settled. The employer's failure to respond within the time limit at any step in the procedure shall permit the aggrieved employee to advance his grievance to the next step of the procedure.

SECTION G - ENTIRE AGREEMENT

The parties acknowledge that during the negotiations resulting in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any and all subjects or matters not removed by law from the area of collective bargaining, and the understanding and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the entire agreement between the parties and concludes collective bargaining for its term, except as required by RCW 41.56.

SECTION H - STRIKES AND RELATED MATTERS PROHIBITED

1. Guild and Employer agree that RCW 41.56 prohibits strikes by employees, whether acting individually or collectively and employees shall not strike.
2. Employer and Guild agree that public interest requires efficient and uninterrupted Performance of Employer's operations and services and to this end pledge their best effort to avoid or eliminate any conduct contrary to this objective. Disciplinary action, including discharge, may be taken by Employer against any employee or employees engaged in a strike or other illegal activity related to a work stoppage.

SECTION I - RIGHTS OF MANAGEMENT

1. All management rights, powers, authority and functions, whether heretofore or hereafter exercised, and regardless of the frequency or infrequency of their exercise, shall remain vested exclusively in Employer. It is expressly recognized that such rights, powers, authority and functions include, but are by no means whatever limited to, the full and exclusive control, management and operation of its business and affairs; the determination of the scope of its activities, business to be transacted, functions to be performed, the methods pertaining thereto; the determination of the number, size and location of its offices and places of business and equipment to be utilized, and the layout thereof, the right to establish or change shifts, schedules of work and standards of performance, the right to establish, change, combine or eliminate jobs, positions, job classifications and descriptions; the right to establish compensation for new or changed jobs or positions; the right to establish new or change existing procedures, methods, processes, facilities, machinery and equipment or make technological changes; the right to maintain order and efficiency, the right to contract or subcontract any work; the right to designate the work and functions to be performed, the right to establish, administer, or change bonus, incentive or merit compensation plans, the right to make and enforce safety and security rules and rules of conduct; the

determination of the number of employees and the direction of the employees; and the right to discipline or discharge employees for just cause.

2. Employer and Guild agree that the above statement of management rights is for illustrative purposes only, and is not to be construed or interpreted so as to exclude those prerogatives not mentioned which are inherent to management, including those prerogatives granted by law. It is the intention of the parties that the rights, powers, authority and functions of management shall remain exclusively vested in Employer, except insofar as expressly and specifically surrendered or limited by the express provision of this Agreement.
3. The County does not intend that continuation of its management rights clause would require the Guild to waive any bargaining rights it presently has under RCW 41.56.

SECTION J - RELATIONSHIP TO CIVIL SERVICE

It shall be the obligation of the employee, with the concurrence of the Guild, to elect a remedy (Civil Service or grievance arbitration) at Step 2 of the grievance procedure, i.e., prior to submission of the grievance to the Sheriff. Submission of a matter to civil service hearing constitutes an election of remedies and waives the right to pursue the claim under this Agreement.

All newly hired and promoted employees must serve a probationary period. The probationary period for newly hired employees, other than lateral hires, shall end twelve (12) months following their graduation from the Criminal Justice Academy. Lateral hires shall be subject to a twelve (12) month probation period from the date of hire. Probationary employees may be disciplined or discharged at any time during the probationary period, and such actions shall not be subject to the grievance procedure or the Civil Service appeal process. Employees promoted to a job classification covered under this Collective Bargaining Agreement shall serve a twelve (12) month promotional probationary period. During this time period, an employee may be reverted to his/her former job classification; such reversion shall not be subject to the grievance procedure. Any loss of time during the probationary period as set forth in the Civil Service Rules shall serve to extend the probationary period for a like amount of time.

SECTION K - SHERIFF'S RULES AND REGULATIONS

Guild and Employer acknowledge the existence of the Sheriff's Rules and Regulations. Except in emergent situations, the Employer shall provide the Guild at least twenty-one (21) days' notice preceding any proposed change in current policies and shall discharge any duties to negotiate such proposed changes that relate to wage, hours, or working conditions. In emergent situations consistent with case law, including but not limited to legal and business necessity, the Employer may be required to implement a policy/procedure immediately. In those instances, the Employer will proceed with implementing the necessary policy and/or procedure as soon as possible and will notify the Guild immediately to begin required bargaining.

SECTION L – SUPERIORITY

Any provision of this Agreement which contravenes any Federal or State law is invalid.

SECTION M – SEVERABILITY

In the event that any portion of this Agreement is held invalid to any party, person or circumstances, the remainder of the Agreement or its application to any other party, person or circumstances shall not be affected. If any portion is held invalid, Guild and Employer shall meet forthwith and proceed to negotiate a replacement provision.

SECTION N - DISCIPLINE AND DISCHARGE

5. **Canine Care**. Canine deputy(s) shall be granted one (1) hour per work shift of release time as compensation for the time it is necessary for the deputy to spend to care, groom, feed, maintain and transport the dog during off-duty hours. For example, if a deputy is assigned to five (5) - eight (8) hour shifts weekly, the deputy shall receive five (5) hours release time. If a deputy is assigned to a four (4) - ten (10) hour shift weekly, he/she shall receive four (4) hours weekly.

- b. Records shall be kept up to date each pay period as to actual time spent on such activities. Any such non-regular duty work in excess of five (5) hours per month shall require advance approval from the Sheriff, or his designee.
- c. The release time shall include time it is necessary for the deputy to spend to care, groom, feed, and maintain the dog on days off, vacation and holidays when deputies have the dogs in their possession. The deputy will thus be entitled to the same paid release time for canine care purposes during a scheduled vacation or holiday when the deputy has the dog in his/her possession.
- d. The County has done a study of the time normally taken in the care of the dog outside normal duty hours. It is the opinion of the parties that the above time spent approximates the release time granted. However, it is understood that compensation for canine maintenance work performed by K-9 handlers outside the regular duty assignment (e.g., at-home care of the dog, visits to the veterinarian) may calculate to be a lesser hourly rate than the deputy's regular rate of pay.
- e. The above compensation is in addition to the premium pay received by the deputy for assignment to canine duty.

SECTION K – OVERTIME

- 1. Overtime shall mean that time an employee works on his/her day off, in excess of his/her regularly scheduled shift, or in excess of 171 compensated hours in a twenty-eight (28) day work cycle. Both parties acknowledge that the County has elected the 7(k) exemption under the Fair Labor Standards Act for the purposes of determining overtime compensation under the FLSA.
- 2. All overtime must be authorized in advance by the Sheriff or his designee, except in cases of emergency.
- 3. Employees required to work overtime shall be compensated therefore, by, at the option of the individual, receiving one and one-half (1-1/2) times the employee's regular hourly rate of one and one-half (1-1/2) hours of compensatory time off, for each hour of overtime worked; **provided**, that any earned compensatory time off shall be scheduled by mutual agreement of the employee and Employer or such time shall be paid by the Employer; **provided further**, the maximum accrual of compensatory time shall not exceed eighty (80) hours. Overtime shall be rounded to the nearest fifteen (15) minutes.

4. Employees shall notify the Sheriff or his designee of his/her decision to take compensatory time off or paid compensation at the overtime rate, when advised of his/her overtime duties.
5. Employees, who have completed their scheduled work shift or are on vacation or days off, who are subpoenaed to give testimony in court about events arising out of their employment, or are required by the Sheriff, or his designee, to report back to work, shall receive a minimum of three (3) hours pay at the applicable overtime rate. This provision applies to any scheduled court appearance unless the employee is advised by 5:30 P.M. the previous day that they are released from the subpoena.
6. **Telephone Contact.** Employees who are authorized to perform work via telephone call during their off-duty time shall be guaranteed a minimum of one-half (0.5) hour at the overtime rate for any such telephone calls or actual time worked if the telephone call lasts over one-half (0.5) hour. If the employee is required to receive or to make multiple telephone calls which occur beyond a period of one hour, then the employee shall be eligible for a call back to work minimum three hour period of overtime pay. All over time will be paid in 15 minute increments.
 - a. **De minimis.** For purposes of this section, the term, "perform work" shall mean any work-related telephone call, that exceeds seven and one-half (7.5) minutes in duration.
 - b. **Quiet Time.** The parties recognize that quiet time is important and accordingly agree that all calls received during such hours outside of regular work hours, regardless of duration, are subject to section K.6 (Telephone Contact). All work related phone calls during this time will be guaranteed a minimum of one-half (0.5) hour at the overtime rate for any such telephone calls or actual time worked if the telephone call lasts over one-half (0.5) hour. If the employee is required to receive or to make multiple telephone calls which occur beyond a period of one hour, then the employee shall be eligible for a call back to work minimum three hour period of overtime pay.

Each schedule shall have an associated quiet time which applies on normal scheduled work days only, during which any work-related telephone call, including calls equal to or less than seven and one-half (7.5) minutes , shall be considered "performing work". The below chart lists the assigned shift times and their respective Quiet Time hours. The parties agree work hours other than described will follow the same principle.

Assigned Shift	Work Hours during Shift	Quiet Time
First Watch	0540-1740	2100-0600

Detectives and Admin		
Second Watch	1000-2200	2300-0800
Early Third Watch	1300-2340	0100-1000
Late Third	1700-0340	0400-1300
Fourth Watch	1900-0720	0600-1500

7. The Employer may schedule meetings immediately before the beginning of a regular shift without paying three (3) hours pay at the applicable overtime rate only if 1) the meeting is for 90 minutes or less and 2) the employee is notified of the scheduled meeting at least seven (7) calendar days in advance. If those conditions are met, the employee attending the meeting shall be paid the applicable overtime rate for that meeting time only and shall be paid as usual for his or her regularly scheduled shift (including overtime, if any, figured from the regular beginning of that shift).
8. Non-mandatory training requested by and approved for an employee shall not be considered in calculating overtime.

SECTION L - LAW ENFORCEMENT OFFICERS' LIABILITY

If an action or proceeding for damages is brought against an employee arising from acts or omissions made while acting or, in good faith purporting to act, within the scope of the employee's official duties, then the County will provide a defense of the action or proceeding for the employee and indemnify the employee from any damages arising from such an action or proceeding.

SECTION M – SHIFT DIFFERENTIAL

Deputies regularly assigned to Third Watch shall receive shift differential pay equal to one percent (1.0%) of the employee's base hourly pay for the pay period. Deputies regularly assigned to Fourth Watch shall receive shift differential pay equal to two percent (2.0%) of the employee's base hourly pay for the pay period. These shift differentials shall not apply to Deputies in the Field Training Program.

Within two payroll cycles following execution of this Agreement, in lieu of retroactive implementation of the the shift differentials set forth in this section, employees shall receive a one-time only lump sum equal to the retroactive implementation of this Section to the first full pay period in January 2019. The exact amounts shall be set forth in a separate Letter of Understanding between the parties.

1. Employees who have completed less than twenty (20) years of service with the Employer: Upon written request by an employee covered by this Agreement, the

Employer shall match the employee's payroll deduction into a State DCP deferred compensation account, in an amount not to exceed one percent (1.0%) of the employee's base monthly pay rate.

2. Employees who have completed twenty (20) or more years of service with the Employer: In lieu of the matching deferred compensation provided in sub-section 3.a above, the Employer shall contribute into a State DCP deferred compensation account an amount equal to one percent (1.0%) of the employee's base monthly pay rate.

SECTION O – BILINGUAL PAY

An employee assigned as a Bilingual Interpreter shall receive an additional two percent (2%), based on the employee's hourly regular rate of pay. To be assigned as a Bilingual Interpreter, an employee must be certified in accordance with certification requirements determined by the Sheriff or designee, and must be re-certified every three (3) years. The parties will determine the languages for which a Bilingual Interpreter is necessary and memorialize such agreement in a separate Memorandum of Understanding.

SECTION P – LATERAL HIRING INCENTIVES

1. Effective January 3, 2022, the parties agree the Employer may, at its discretion, offer one or more of the following lateral hiring incentives to individuals who have previously been employed as a full-time law enforcement officer with a municipal, county, state-certified tribal, or state law enforcement agency:
 - a. For purposes of calculating longevity and annual leave accrual rate, recognize a lateral hire's prior service time as a full-time commissioned law enforcement officer, including service time with a qualifying law enforcement agency that is not Kitsap County;

- d. The incentive will be paid on the referring employee's regular paycheck within two payroll cycles of when the lateral hire successfully completes probation.

For absences longer than three (3) days, the employer may request verification by the employee's doctor that the employee is ready to return to duty if there is some question about that readiness. 2. Definitions:

Each party is encouraged to submit to the other written replacements for this Agreement. Each party will diligently investigate and analyze proposals submitted by the other. In the event that agreement is not reached upon the initial meeting, the parties shall thereafter meet as frequently as necessary to reach agreement. Both Guild and Employer pledge to bargain and negotiate in good faith.

DEPUTY BILL OF RIGHTS - APPENDIX B

A. General Procedures

1. A relationship of trust and confidence between employees of the Kitsap County Deputy Sheriffs Guild and their employer is essential to effective law enforcement. Deputy Sheriffs must be free to exercise their best judgment and to initiate law enforcement action in a reasonable, lawful, and impartial manner without fear of reprisal. Law enforcement officers are obligated to respect the rights of all people, and the employer is obligated to respect the rights of its employees.

2. It is essential that public confidence be maintained in the ability of the employer to investigate and properly adjudicate complaints against its employees. Additionally, the employer has the right and the responsibility to seek out and discipline those whose inappropriate conduct impairs the effective operation of the employer. The rights of the employee, the employer, as well as those of the public, must be protected. In criminal matters, an employee shall be afforded those constitutional rights available to any citizen. In administrative matters in which an employee will be interviewed concerning an act, which, if proven, could reasonably result in disciplinary action involving a loss of pay against him or her, she/he will be afforded the safeguards set forth in this Appendix.

3. Whenever the employer decides to initiate an investigation that may lead to disciplinary action involving a loss of pay, the employer shall promptly provide the employee notice of the investigation. Such notice will include a description of the general nature of the complaint unless such notice would endanger the investigation. _

4. The employee will be informed in writing not less than forty-eight (48) hours prior to conducting an investigatory interview, that the employee is a subject in an inquiry that may lead to disciplinary action that involves a potential loss of pay. Further, the employee will be informed of the nature of the investigation and provided a summary of the factual allegation(s) sufficient to reasonably apprise the employee of the nature of the charge. Upon request, the employee shall be afforded the opportunity to consult with a Guild representative. Up to two Guild representatives may be present at the interview and to participate to the extent allowable by law. The interview may not be unduly delayed awaiting an unavailable Guild representative when other Guild representatives are available.

5. The employee under such investigation shall be informed of the name of the person in charge of the investigation and the name of questioners, and all other persons to be present during the questioning. The employee shall be informed of what investigative section the investigator represents.

6. When possible, the questioning shall be conducted at a reasonable hour, preferably at time when the employee is on duty or during the normal waking hours for the employee, unless the seriousness of the investigation requires otherwise. If such questioning occurs during off-duty time of the employee being questioned, the employee shall be compensated for such off-duty time in accordance with regular employer procedures.

7. Any questioning session shall be for a reasonable period, taking into consideration the gravity and complexity of the issue being investigated. Persons being questioned shall be allowed to attend to their own personal physical necessities whenever reasonably possible.

8. The employee will be required to answer any questions involving non-criminal matters under investigation and will be afforded all rights and privileges to which she/he is entitled under the collective bargaining agreement, and Sheriff's Office rules and regulations. Prior to any questioning where the employee is the focus of an administrative investigation, the employee shall be advised of the following:

You are about to be questioned as part of an administrative investigation being conducted by the Kitsap County Sheriff's Office. You are hereby ordered to answer the questions that are put to you that relate to your conduct and/or job performance, and to cooperate with this investigation. You are required to answer questions relating to the performance of your official duties or fitness for duties. Your failure to cooperate with this investigation can be the subject of disciplinary action in and of itself, including dismissal. The statements you make or evidence gained as a result of this required cooperation may be used for administrative purposes but will not be used or introduced into evidence in a criminal proceeding.

9. Employees shall not be subjected to any offensive language, nor shall investigators make promises or threats as an inducement to answer questions.

10. The employer shall not require employees being questioned to be subjected to visits by the press or news media, nor shall their home address be given to the press or news media without the employee's express consent.

11. The complete questioning of an employee may be recorded by the employer, the employee, and/or the employee's representative. If a tape recording is made of the questioning, upon request, the employee shall be given a copy of any tape recording in which they participated. Tape-recordings will be made if the interviewee consents to such tape-recording, in accordance with state law. As an operation of this agreement, all other participants to the interview will be deemed to have already consented to being recorded.

12. Interviews and Internal Affairs investigations shall be concluded without unreasonable delays. And any unexplained or unreasonable delay shall be rebuttably presumed to have prejudiced the accused's ability to defend himself or herself against the resulting charges. In general, the employer shall provide the employee notice that it contemplates issuing disciplinary action within ninety (90) days after it receives the initial complaint about the employee's actions or inactions unless circumstances exist requiring the investigation to take longer. After ninety (90) days have elapsed from the receipt of the initial complaint, the Employer shall notify the employee and the Guild of the following facts: (a) when the employer anticipates completing the investigation; (b) a general description of the investigation's status. Subsequently, if the employer

realizes that it will not complete the investigation within the time it has specified, the employer shall notify the employee and the Guild of the information required herein.

13. Upon completion of the administrative investigation and the Employer's review of the case, the employee under investigation shall be informed of the results, i.e., whether the complaint was not accepted, exonerated, unfounded, not sustained, sustained or other misconduct found.

B. When the investigation results in departmental charges being filed

After the investigation is completed and the findings are that the complaint has been sustained or other misconduct found, the employee will be furnished with a copy of the report(s) of the investigation that will contain all known material facts of the matter. The employee shall be advised of the investigation's findings and any future action to be taken on the incident.

C. Use of Lethal Force

When an employee, whether on or off duty, uses lethal force the employee shall not be required to make a written or recorded statement for forty-eight (48) hours after the incident. The employee may be asked, however, to answer voluntarily questions soliciting information pertaining to officer and/or public safety. Employees involved in the use of lethal force shall be allowed to consult with a Guild representative or attorney prior to being required to provide a statement regarding that use of lethal force. The affected employee may waive the requirement to wait forty-eight (48) hours. Nothing in this section, however, shall be construed as authority for compelling an officer to prepare a response. Whether the officer is ordered to prepare a response will depend upon the circumstances of the particular situation, including whether the officer is the subject of a criminal investigation.

D. Personnel Records.

1. The personnel file shall be considered the official record of an employee's service. Employees shall be provided a copy of all material in their personnel file, upon request. The personnel file shall not include records of counseling sessions, verbal reprimands, and administrative investigation reports except those in support of discipline at the level of a written reprimand or higher. The employer shall give the employee a copy of discipline-related documents or evaluations that will be placed into his or her personnel file. The employee has a right to attach statements in rebuttal or explanation to those documents.

2. Employee personnel files will be maintained as confidential records to the full extent allowed by law. Access to the employee's personnel file will be limited to the employee, his/her representative with written authorization, officials of the County and Sheriff's Office, and other persons or agencies as may be allowed under state law.

3. The employer shall disclose information in personnel files in accordance with state law. Prior to disclosing personnel file documents (other than employment

verification information) the Employer will give the affected bargaining unit member notification of the request. If the Employer believes that the document(s) is subject to disclosure, it will notify the employee. The affected bargaining unit member shall have ten (10) working days to provide the Employer any reason for not releasing the requested document(s) and/or to give the employee an opportunity to prevent the release at the expense of the Guild or the employee prior to releasing the requested documents. The employee may waive the notice requirement.

4. Only one official personnel file shall be maintained on a bargaining unit member, though a copy of the file may be maintained at the Sheriff's Office. No secret personnel file will be kept on any bargaining unit member. This does not preclude a supervisor from maintaining notes on a bargaining unit member's job performance or a supervisory working file. **CODE OF PROFESSIONAL CONDUCT AND RESPONSIBILITY
FOR
KITSAP COUNTY PEACE OFFICERS**

I. PREAMBLE

WHEREAS, peace officers are vested with a public trust which requires that they consistently demonstrate the highest degree of integrity and good moral character; and

WHEREAS, the need to maintain high standards of moral character, integrity, knowledge, and trust requires the establishment of a Code of Professional Conduct and Responsibility for Peace Officers as a matter of the highest significance to the health, welfare, and safety of the citizens of this state; and

WHEREAS, the establishment of a Code of Professional Conduct and Responsibility for Kitsap County Peace Officers, which includes Canons of Ethics, minimum standards, and rules of professional conduct, requires the granting of authority to enforce these rules of professional conduct through disciplinary action as necessary for the protection of the health, welfare, and safety of the public;

BE IT RESOLVED that the need to maintain high standards of moral character, integrity, knowledge, and trust require that peace officers establish and conform to a Code of Professional Conduct and Responsibility for Kitsap County Peace Officers.

II. GENERAL STATEMENT

Peace officers are granted a public trust which requires that they consistently demonstrate the highest degree of integrity. To be worthy of this public trust, and to ensure that their professional conduct is above reproach, members of the peace officer profession must not only conform to a Code of Ethics but must also abide by these Canons of Ethics, Ethical Standards, and Disciplinary Rules which constitute this Code of Professional Conduct and Responsibility as a means of internal regulation.

The essence of a profession requires that in addition to prescribing a desired level of performance, it must establish minimum standards of ethical conduct with prescribed rules for internal discipline to ensure compliance. Accordingly, this Code of Professional Conduct and Responsibility is established for the peace officer profession.

The rules of professional conduct enumerated in Section IV shall be binding upon all peace officers. The violation of these rules constitutes unprofessional conduct, and shall be grounds for disciplinary action, ranging from verbal reprimand to termination.

III. DEFINITIONS

This Code of Professional Conduct and Responsibility for Kitsap County Peace Officers is comprised of nine Canons of Ethics, with expository statements in the form of Ethical Standards, Disciplinary Rules, and Enforcement Procedures. Following are definitions of these terms, as used in the context of the code.

- A. *"Peace officer"* means a regular employed and full-time sheriff, undersheriff, or deputy sheriff of Kitsap County.
- B. *"Canons"* are statements of axiomatic norms, expressing in general terms the standards of professional conduct expected of peace officers in their relationship with the public, the criminal justice system, and the peace officer profession. They embody the general concepts from which the Ethical Standards and the Disciplinary Rules are derived.
- C. *"Ethical Standards"* are directional statements that represent the objectives toward which every peace officer shall strive. They constitute a body of principles that can be relied upon by the peace officer for guidance in specific situations.
- D. *"Disciplinary Rules"* are mandatory precepts that specify an unacceptable level of conduct for all peace officers, regardless of their rank or the nature of their assignment. Any peace officer that violates any rule shall be guilty of unprofessional conduct, and shall be subject to disciplinary action. Violation of disciplinary rules requires appropriate adjudication through a continuum of disciplinary action, ranging from oral reprimand to termination and/or criminal prosecution of other administrative action sanctioned by law, as dictated by the individual case.
- E. *"Enforcement Procedures"* prescribes the fundamental rights of an accused officer which shall be adhered to in each and every disciplinary investigation or proceeding against the officer. This does not preclude an employing agency from establishing a more comprehensive procedure, but serves to guarantee to each peace officer a minimum procedure that ensures fair and just treatment.
- F. *"Administrative investigation"* is an investigation conducted to determine whether or not an officer has violated any provision of this code, or an agency rule or regulation; or whether an officer is impaired or unfit to perform the duties and responsibilities of a peace officer.
- G. *"Formal discipline"* refers to the final adjudication of administrative or disciplinary charges. Formal discipline shall be deemed final only after an officer has exhausted or waived all legal remedies available and actual discipline has been invoked.

SHIFT BIDDING PROCEDURE
Terms of Patrol Division Shift Bidding Procedure
(Entered into Via Letter of Understanding on 3/17/08)

1. Shift rotations will occur twice each year; on the third Monday of April and October. Each patrol deputy and sergeant will bid once each year, for two consecutive six-month rotations. Bidding will be based on seniority.
2. Three patrol shift rosters for each of the two rotations will be presented at the beginning of February. Each shift roster will contain one space for each available day-off position on that shift. Deputies and sergeants will choose their shift and days-off for both of the two six month periods. The selections will be done in order, by seniority, by placing their name on the appropriate shift roster and days-off slot, until all three shift rosters are filled.
3. In the event transfers must be made due to staffing shortages, training necessities or other emergencies, volunteers will be solicited. If no volunteers are available, least-senior deputies will be selected.
4. Shift Trade requests will be submitted to all effected shift supervisors for review for approval and subject to final approval by the shift lieutenant.
5. Deputies making trades should be aware that scheduled leave would not automatically transfer with them when they trade shifts. They will be solely responsible for making leave requests on their new shifts by submitting them for approval in the normal manner.
6. This policy does not apply to probationary deputies. Shift schedules for probationary status deputies will be assigned as necessary, considering the employees training needs and expectations of the Field Training Officer (FTO) Program.
7. Least-senior deputies may be re-assigned to another shift as necessary to accommodate training, administrative assignments or other shift management needs. All shift adjustments or re-assignments will be based on operational necessity.
8. This shift bidding procedure will be conducted on a trial basis for 12 months. After the initial implementation of this procedure and the completion of a 12 month period, a review of the process will be done. The review will evaluate the effects the procedure has on patrol shift resource management and to determine the benefits in continuing this practice. At the conclusion of the trial period, patrol deputies and sergeants will return to the previous shift assignment practices in place as of January 10, 2008, unless the parties mutually agree to continue the shift bidding procedure.

DRUG TESTING

1. Statement of Principle. The County, Guild and the employees it represents recognize that the use of drugs and alcohol which adversely affects job performance in any way constitutes a serious threat to the health and safety of the public, to the safety of fellow employees and to the efficient operations of the Department. Therefore, the parties agree that the procedures set forth in the Sheriff's Office Policy and Procedures Manual shall apply if there is reasonable suspicion that an employee is currently or has recently been engaging in the use of illegal drugs, in the abuse or illicit use of legal drugs, or has consumed alcohol during work or prior to work such that the consumption has an adverse effect on the employee's ability to perform his/her job.

Employees are hereby informed that drugs or substances that are prohibited by the County include: (1) All illegal drugs; (2) All prescription drugs for which the employee does not have a prescription; (3) Alcohol or other substances that have any adverse effects on an employee's job performance.
3. Preconditions to Drug Testing. Before any employee may be tested for drugs or substances, the County's decision to do so must be based on the following:
 - a. Reasonable suspicion based upon objective facts and inferences drawn therefrom that an employee is currently or has recently been engaging in the use of illegal drugs, in the abuse or illicit use of legal drugs, or has consumed alcohol during work or prior to work such that the consumption has an adverse effect on the employee's ability to perform his/her job; or
 - b. The Agreement of the County, the Guild and the employee to test that employee at unspecified intervals to ensure a previous problem of substance abuse has been arrested.

- 2.1. The following mechanisms shall be used for any drug test performed:

- 2.1.c. The parties agree that other U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration (SAMSHA) methods or techniques may be substituted for the above, provided that the testing mechanisms recognized by authorities as reasonable and are at least as reliable as the current techniques.
- 2.1.d. In the event SAMSHA does approve new techniques the parties agree to reopen these provisions. However, such approval will not serve to invalidate a test taken under the techniques set forth in 2.1a – 2.1c above.
- 2.1.e. Positive tests thresholds shall be defined by current SAMSHA standards, which may be modified from time to time by the U.S. Department of Health and Human Services.
- 2.2. The following testing mechanisms shall be used for alcohol tests performed:
 - 2.2.a. A breath test may be administered by a representative of the Employer. It may be subjected to confirmation by blood testing if requested by the employee.
 - 2.2.b. In extraordinary circumstances, the Employer may require that a blood alcohol sample be taken from the employee.

- 3.1. Prior to testing, the employee will be required to list all drugs currently being used by the employee on a form. This form, and all document and information concerning drug testing, shall remain confidential.
- 3.2. A urine sample will be taken of the employee. The test shall be given in such a manner as to protect the authenticity and reliability of the sample and the privacy of the individual.

- 3.3. Immediately after the sample is given, it will be divided into two (2) equal parts. Each of the two (2) portions of the sample will be separately sealed, labeled, and stored in secure and refrigerated atmosphere. One (1) of the samples will be sent or delivered to a testing laboratory approved for urine specimen testing by SAMHSA.
- 3.4. The sample first will be tested using the screening procedure set forth in Section 2.1.a. of this Article. If the sample tests are positive for any prohibited drug, the confirmatory test specified in Section 2.1.b. of this Article will be used. Other tests may be substituted as provided for in 2.1.c.
- 3.5. If the confirmatory test is positive for the presence of an illegal drug, the Medical Review Officer (MRO) will notify the County and the employee of the positive result. The employee will be provided with copies of all documents pertinent to the test sent to or from the County by the laboratory. The employee will then have the option of having the untested sample submitted to a laboratory of the employee's own choosing and at the employee's expense. This laboratory will be selected from a list of SAMHSA approved laboratories compiled by the Guild and the County. The County will be given a copy of the results.
- 3.6. Each step in the collecting and processing of the urine specimens shall be documented to establish procedural integrity and a chain of evidence.

4.0. Consequences of Positive Test Results or Refusal to Cooperate in Testing Process

- 4.1. An employee whose test results for alcohol concentration are confirmed with a detectable level of less than 0.02 in the bloodstream shall be sent home on sick leave. If the employee has no accrued sick leave available, the employee shall be placed on leave without pay. This procedure does not preclude disciplinary action from being imposed based upon the totality of the circumstances.
- 4.2. An employee whose test results for alcohol concentration are confirmed with a detectable level of 0.02 or above shall be subject to disciplinary action as provided for in the employee's collective bargaining agreement.

4. If a Deputy or Sergeant switches Teams when bidding the next calendar year, it may cause some employees to work more than five consecutive days. The parties agree that these additional days will be taken as 7k/28 days (trade days at a 1:1, day for day ratio and must be taken within the current 28 day cycle) and will be by mutual agreement. The County will not pay overtime or grant compensatory time due to employees rotating from their initially selected Team unless required by FLSA guidelines.
5. All Sergeants will bid by seniority.
6. All Deputies will bid by seniority.
7. This section of the MOU does not apply to Deputies with less than two (2) years of experience. Should the Deputy reach their (2) two year anniversary in the first six month block, they will be allowed to bid for the second six month block.

Recommended Minimum Staffing Levels

The recommended minimum staffing levels vary throughout each 24 hour period. A shift Sergeant, with input from the Patrol Lieutenants and Patrol Chief will have the discretion to operate a shift above or below recommended levels based on call volume and available personnel.

1. Shift Sergeants have the discretion to hold over and / or call in additional Deputies to supplement their scheduled staffing.

4. If necessary during a shortage, the Sergeant can mandate Deputies to remain on duty; however only until a volunteer can be located. Deputies will be chosen in reverse seniority to fill these mandatory slots. No Deputy should be mandated to work overtime more than once per work week; in these cases the next junior Deputy should be selected. In all cases where a Deputy is mandated to fill a shortage a Patrol Lieutenant should be consulted.

4. Specialty positions may be asked to voluntarily move to the affected squad for the duration of the shortage. A specialty Deputy filling a patrol position will maintain their specialty pay and other benefits of their current assignment.
5. If no specialty assignment Deputy volunteers to fill the position, specialty assignment Deputies may be ordered to move to the affected squad(s). The Chief of Patrol has the sole discretion in assigning these types of positions when filling long term vacancies. These positions include, but are not limited to:

 - b. Community Resource Officer
 - c. School Resource Office
 - d. Training Officer
6. All of the above provisions will apply to both Deputy Sheriff's and Sergeant's.

Patrol Training Days

1. The standard 10 hour 40 minute shift will be utilized to cover travel time and training time. Any training day up to 10 hours and 40 minutes but not less than 9 hours will be counted as an entire work day.
2. A training day that is less than 9 hours, including travel time, but excluding meal breaks greater than 30 minutes, requires the employee to report directly to work after the training and work the remaining time necessary to fulfill a full 10 hours and 40 minute shift. Employees may also take the time off utilizing accrued leave or compensatory time with supervisor approval.
3. Mandatory training that exceeds 10 hours and 40 minutes time will be considered overtime and will be handled in accordance with the KCDSG collective bargaining agreement.
4. Voluntary training days on scheduled days off will be taken as 7k/28 days as staffing levels allow. The date(s) the 7k/28 days are taken will be mutually agreed to by the Sheriff's Office and the Employee. The 7k/28 day(s) will be selected and approved prior to the employee attending the training and must be taken within the current 28-day work cycle. If the 7k/28 day cannot be taken within the same 28 day work cycle, hour for hour comp time can be approved. Any voluntary training that exceeds the employee's normally scheduled shift length (i.e.- 8hrs, 10hrs or 10hrs 40min) on scheduled work days or scheduled days will be taken as 7k/28days.
5. Mandatory training on scheduled days off may be taken as overtime or comp time per the collective bargaining agreement.
6. The Sheriff's Office will provide a minimum of (14) days' notice for mandatory training on scheduled work days requiring a squad or individual to flex their hours (shift start and end times). This (14) days' notice can be waived by mutual agreement.

- C. The parties further agree that the foregoing may be changed by mutual agreement, on a case-by-case basis.
2. The Sheriff's Office may restrict leave for employees to attend four (4) structured in-service days.

Miscellaneous Provisions

1. The maximum number of work hours allowed for Deputies and Sergeants to work will normally be 16 consecutive hours in any 24 hour period. Deputies and Sergeants should be provided a minimum of eight (8) hours of rest between shifts. This also applies to any agency sponsored "off-duty" employment. Exceptions may be made due to exigent or emergency situations. The shift supervisor responsible for the overtime period shall be responsible for approving such exceptions. Examples of exigent situations where Deputies may be required to work more than 16 hours in a 24 hour period include, but are not limited to: necessary report completion, major investigations such as those involving BARRK Felonies, and court appearances.
2. When a voluntary transfer or disciplinary transfer occurs that moves an employee from this schedule to another schedule or from another schedule to this schedule, any time after the January shift bid, the County will calculate the hours already worked and the hours scheduled to be worked for the remainder of the year. Should the combined hours exceed 2080 hours; the County will work with the employee to schedule the time off over the remaining pay periods in the year. Should the calculated hours equal less than 2080 hours, the employee will be required to work the number of hours required to equal 2080 hours (pay back mode). The employee may "payback" the time at the beginning or ending of their normally scheduled shift, or on their days off, provided that the dates and times are mutually agreed to by the employee and the Sheriff's Office. When an employee is working an extended shift, or working on their day off in "pay back" mode there will be no overtime compensation for that time. This section would not apply to Deputies who are required to transfer due a long term or short term transfer.
3. Annual leave, sick leave and comp time accrual remain the same. 10 hours and 40 minutes is needed to take a full day off under this schedule.
4. Premium Holiday compensation will be paid per the "Holidays" article of the collective bargaining agreement. (Article III, Section A of the CBA)
5. Holiday accrual in lieu of holidays off will be 100 hours of accrued vacation time (10 holidays at 10 hours per holiday) and one floater holiday at 8 hours for a total of 108 hours of leave.
6. Requests for vacation, compensatory time, sick leave and bereavement leave will be taken in twenty minute (20) minute increments, with the minimum request of twenty (20) minutes.
7. All light duty assignments, administrative assignments and specialty assignments may remain on a five (5) day, eight (8) hours shift schedule with contractual overtime compensation handled as set forth in the current collective bargaining agreement at the discretion of the Patrol Chief. When this change in working hours occurs it will be handled in the same manner as #3 above.
