CHAPTER 1 - SCOPE AND PURPOSE

SECTION A PURPOSE OF THIS MANUAL

This policy manual is provided as a reference source of general guidelines relating to the hiring, compensation, working conditions, promotions, transfers, discipline, and other matters affecting the status of employees covered by these guidelines. Employees' suggestions for change to the Manual can be submitted at any time to the Human Resources Department. Additionally, this Manual will be reviewed on a periodic basis to ensure that the purpose of the Manual is being met, the contents are current, and that it is consistent with the stated mission of the County. These guidelines will not be interpreted as promises of specific treatment, and these guidelines will not be deemed to create a vested contractual right in any employee. The County may amend, modify, delete, alter, supplement, suspend, or terminate any statements or policies in this manual and any employee benefits at any time, with or without notice. The County also reserves the right to deviate from the statements or policies in this manual in individual situations to avoid disruptions in the public employer function, or to achieve its primary mission.

SECTION B SCOPE OF THIS MANUAL

1. Employees of Departments that Report to the Board of County Commissioners. The policies in this manual apply to all employees of departments that report to the Board of County Commissioners, except as provided in [Appendix C](#) applicable to at-will employees, [Appendix M](#) applicable to Extra Help Employees, County ordinances, and policies adopted by individual departments.
2. Employees of the Assessor, Auditor, Clerk, Prosecuting Attorney, Sheriff, Treasurer, and judges of the Superior and District Courts. For the purposes of this manual, employees employed by Elected Officials other than the Board of County Commissioners have a dual status. They are employees of the Board of County Commissioners for wage-related matters, and they are employees of the Elected Official for non-wage related matters. The wage-related provisions of this manual apply to employees employed by the Assessor, Auditor, Clerk, Prosecuting Attorney, Sheriff, Treasurer, and judges of the Superior and District Courts. The non-wage related provisions of this manual do not apply to employees of the Assessor, Auditor, Clerk, Prosecuting Attorney, Sheriff, Treasurer, and judges of the Superior and District Courts unless expressly adopted by those Elected Officials.
3. Employees Represented by a Labor Organization. Whether the policies in this manual apply to represented employees will depend in part on the collective bargaining agreement between the County and the labor organization. Employees should consult the applicable collective bargaining agreement for additional information. In the event of a conflict between a collective bargaining agreement and this manual, the collective bargaining agreement will take precedence, regardless of which is more or less restrictive. The most recent versions of collective bargaining agreements can be viewed at www.kitsapgov.com.

SECTION C ABOUT KITSAP COUNTY

Kitsap County was founded in 1857 and is a subdivision of the State of Washington. Although it is not an administrative agency of the state, Kitsap County often functions as an administrative arm of the state by maintaining records, providing courts and law enforcement, building roads, assessing property, collecting taxes, and conducting elections. In Kitsap County these functions, as well as others, are governed by full-time Elected Officials including a board of three County Commissioners, a Sheriff, Superior Court and District Court Judges, an Assessor, Treasurer, Prosecutor, Auditor, and Clerk. The number of independent, elected County officers established in the constitution and state law is a distinguishing feature of County government.

SECTION D ORGANIZATIONAL STRUCTURE

The independent nature of County elected officers makes County government quite different from traditional municipal government forms with distinct legislative and executive branches. The Board of County Commissioners establishes the budget and functions as both the legislative and executive body. The Commissioners share administrative and, to some extent, legislative functions with the independently Elected County Officials: Assessor, Auditor, Clerk, Prosecuting Attorney, Sheriff, Treasurer, and the judges of the Superior and District Courts. In addition to the various offices directed by independently Elected Officials, Kitsap County Government functions through various departments headed by appointed officials. The Department of Community Development, Department of Human Services, Department of Public Works, Medical Examiner, Parks Department, Human Resources Department, Department of Administrative Services, and Information Services Department report directly to the Board of County Commissioners through an appointed County Administrator. (See [Appendix A](#))

SECTION E KITSAP COUNTY MISSION STATEMENT

Kitsap County government exists to protect and promote the health, safety and well-being of all County residents in an accessible, efficient, effective, and responsive manner.

SECTION F KITSAP COUNTY VISION STATEMENT

Kitsap County's vision is to provide:

An Engaged and Connected Community

Establish strong connections with and among residents, community groups, neighborhoods and organizations through timely, useful, inclusive, and responsive communication, outreach and events. Inform and engage residents where they are, respecting local input in transparent decision making.

A Safe Community

Engender a feeling of safety for all residents by promoting public and traffic safety through careful planning and intentional public facilities and infrastructure. People are protected and secure, have a sense of community, and care about their neighborhoods.

A Healthy and Livable Community

Enhance our quality of life through protection of our air quality, water quality, and natural systems and promote open spaces, walkable communities, accessible health care, and educational and recreational opportunities that are welcoming to all people.

A Resilient Community

Improve our ability to prepare for and adapt to population growth, economic shifts, and climate changes through environmental safeguards, robust community-focused emergency preparedness and response, sustainable local food systems, diverse housing choices, expanded health care options, and a strong social safety net.

A Vibrant Community

Support a thriving local economy with a skilled workforce and successful entrepreneurs and small businesses, and provide expanded access to technology, innovative programs, and a welcoming, understandable regulatory environment.

A Well-Governed Community

Provide inclusive, accessible, and efficient government services and collaborate with local, state, and federal partners, acting always with professionalism and integrity.

SECTION G FUNCTION OF COUNTY GOVERNMENT

Through elected representatives, the public determines the desired level of services and establishes the standards that it demands of public employees in providing these services. In its representative capacity, Kitsap County strives for an effective balance between accountability for the expenditure of public funds and responsiveness to the needs of the public. In its capacity as an employer, Kitsap County must balance the interests of the public employee with the interests of the public. Achieving this balance requires the County to maintain an effective and efficient governmental operation, including the efficient management of personnel, maintaining close internal working relations, enforcing adherence to standards of employment competence, and avoiding disruptions in the workplace and interference with work. Employees, in fulfilling their dual roles as citizens and public employees, have a unique personal stake in ensuring effectiveness, efficiency, and integrity in public service. Particularly in the performance of duties that are a matter of public concern, public employees must balance their interests as private citizens with their responsibilities and obligations as public representatives.

SECTION H STANDARDS

1. As an employer, Kitsap County strives for an environment in which all individuals can reach their full potential as efficient and effective employees so that the County can reach its full potential for public service. To achieve full potential, the County and its employees must strive to create a work environment that encourages attributes such as creative and independent thinking, inventiveness, and innovation. Work/life policies are important to that environment because the County recognizes the needs of its employees to balance both work and home in order for employees to reach their full potential and the County to provide superior services to its residents. The County and its employees must continuously examine, evaluate, challenge, streamline their methods and processes, and identify new ways of providing the best possible public services. The County and its employees must also maintain certain standards of conduct, including the following:

- a. Conducting County business ethically, professionally, with pride, and with enthusiasm.
- b. Providing quality services within available resources.
- c. Treating the public and co-workers with dignity, respect, courtesy, fairness, and sensitivity.
- d. Providing timely and accurate information.
- e. Responding promptly to requests.

SECTION I SEVERABILITY

If any provision of this Manual or its application to any person or circumstance is held invalid, the remainder of this Manual or the application of the provisions to other persons or circumstances shall not be affected.

SECTION J REVISIONS, ADDITIONS, AND DISTRIBUTIONS

As changes occur, departments will receive electronic notification of the revisions and additions to this Manual. The Personnel Manual will be available online.

CHAPTER 2 - GENERAL POLICIES AND EMPLOYMENT GUIDELINES

SECTION A EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

1. Kitsap County is an equal opportunity employer. The County believes the participation of employees of diverse ages, races, religions, cultures, abilities, genders, gender identity, and backgrounds will add to personal development and organizational success. By express policy, the County is committed to promoting and protecting the rights and opportunities for equal employment for all and to ensure that no discrimination is committed against any person on the basis of any protected class as defined by applicable law. This policy extends to all areas of employment and to all relations with employees including recruitment, selection and placement, compensation, promotion and transfer, disciplinary matters, demotions, layoffs and terminations, testing and training, working conditions, awards and benefits, and all other terms and conditions of employment.
2. If County employees believe they are being discriminated against on the basis of a protected class status they should follow the complaint procedure set forth in [Appendix H](#) to this Manual.

SECTION B POLICY PROHIBITING DISCRIMINATION, HARASSMENT AND INAPPROPRIATE CONDUCT

Kitsap County is committed to preventing and promptly responding to discrimination and harassment of County employees in the workplace. The Kitsap County Board of Commissioners has established a policy prohibiting discrimination, harassment and other inappropriate conduct based upon a person's protected status. (See [Appendix H](#))

SECTION C REASONABLE ACCOMMODATION OF INDIVIDUALS WITH DISABILITIES (ADA)

Kitsap County is committed to complying fully with the Americans with Disabilities Act (ADA) and other applicable federal, state, and local disability laws. The County is also committed to ensuring equal opportunity in employment for qualified persons with disabilities. The County makes employment decisions based on the merits of the situation in accordance with defined criteria, not the disability of the individual. Further, the County is committed to not discriminating against any qualified employee because the person is related to or associated with a person with a disability. (See [Appendix N](#))

SECTION D REASONABLE ACCOMMODATION OF INDIVIDUALS' RELIGIOUS BELIEFS OR PRACTICES

Kitsap County is committed to fostering and maintaining a respectful, productive, inclusive, and equitable workplace. It is County policy to accommodate sincerely held religious beliefs or practices if such accommodation does not result in undue hardship to the County. (See [Appendix V](#))

SECTION E WASHINGTON STATE HEALTHY STARTS ACT

Pregnant workers have the right to the following accommodations when requested, without written certification from a health care professional:

1. Frequent, longer, or flexible restroom breaks;
2. Modifying a no food or drink policy;
3. Providing seating or allowing the employee to sit more frequently; and
4. Limit lifting to 17 pounds or less.

In addition, pregnant employees may request other accommodations, such as:

1. Job restructuring, including modifying a work schedule, job reassignment, changing a workstation, or providing equipment;
2. Providing a temporary transfer to a less strenuous or hazardous position;
3. Scheduling flexibility for prenatal visits; and
4. Providing other accommodation the employee may need.

The County may request medical certification regarding the need for additional accommodations.

SECTION F EMPLOYMENT GUIDELINES

1. EMPLOYER RIGHTS

The County reserves all legal rights with respect to matters of general legislative or managerial policy, which include, but are not limited to:

- a. Determine the mission of its constituent departments and commissions.
- b. Select standards for employment and promotion.
- c. Direct its employees.
- d. Take disciplinary action.
- e. Relieve its employees from duty because of lack of work or other legitimate reason.

- f. Contract out work.
- g. Maintain the efficiency of governmental operation.
- h. Determine the methods, means and personnel by which government operations are to be conducted.
- i. Take all necessary actions to carry out its mission in an emergency.
- j. Exercise complete control and discretion over its organization and the technology of performing its work.

The County also reserves the right to deviate from the statements or policies in this manual in individual situations to avoid disruptions in the public employer function, or to achieve its primary mission.

2. EMPLOYEE RIGHTS AND RESPONSIBILITIES

- a. Employees have the right and shall be protected in the exercise of such right, freely and without fear of penalty or reprisal, to form, join, assist, and not join any employee organization.

SECTION G JOB PERFORMANCE AND ATTENDANCE

In order to allow for a variety of employee needs, Kitsap County has established a number of leave policies, which are detailed in the chapter on “Employee Benefits.” These policies are balanced by employee responsibility. Kitsap County expects all employees to assume diligent responsibility for the reliable, predictable performance of their job functions. The ability to perform job functions requires predictable and reliable attendance and the prompt notification of the supervisor, or other appropriate person, in the event of an illness or personal emergency that interferes with the ability to attend work. Performance and productivity problems stemming from a lack of attendance or tardiness, including failure to follow proper call out procedures, may result in disciplinary action up to and including termination.

- 1. An authorized absence requires the employee to comply with all the reporting requirements specified in this Manual and in accordance with individual department procedure.
- 2. An unauthorized absence occurs if an employee fails to notify the supervisor or designee of the reason for not reporting to work prior to or at the beginning of the work shift in the method as established by the Employing Official, or if the employee leaves work during their shift without permission from a supervisor. The employee will not be compensated for unauthorized absences. Such absences may be grounds for disciplinary action, up to and including termination. An Employing Official may establish specific notification standards for various work units.
- 3. Three consecutive workdays of unauthorized, unjustified absence constitutes job abandonment and the employee may be terminated. Termination for job abandonment is not grievable.

SECTION H DRUG AND ALCOHOL POLICY

Kitsap County performs a vital public service to our community. To ensure that this service is delivered safely, we are dedicated to providing and maintaining a drug and alcohol-free working environment. It is Kitsap County's policy to:

- Assure that employees have the ability to perform assigned duties in a safe, healthy and productive manner;
- Create a workplace free from the adverse effects of drug and alcohol abuse or misuse; and
- Prohibit the unlawful distribution, possession or use of controlled substances.

Kitsap County cares about the health and well-being of its employees. We urge employees who believe they are having an alcohol or chemical dependency problem to seek treatment before job performance and employment is endangered. All Kitsap County employees are responsible for reading and following the requirements of the complete *Drug and Alcohol Policy* (See [Appendix E](#))

For detailed information regarding Commercial Driver's License testing procedures see [KITSAP COUNTY DRUG AND ALCOHOL POLICY AND PROCEDURES](#) on the Human Resources Website.

SECTION I TOBACCO AND VAPING POLICY

In the interest of the health and well-being of all employees, and in compliance with the Clean Indoor Air Act and Kitsap Public Health District regulations, smoking is not allowed inside, or within twenty-five (25) feet of, any Kitsap County facility or vehicle. This includes the use of "e-cigarettes" and/or "vaping", as well as chewing tobacco and other tobacco products. Employees who wish to smoke or vape must use designated smoking areas and dispose of their materials properly in designated receptacles/outdoor ashtrays.

SECTION J WHISTLEBLOWER POLICY

The Washington State Legislature has enacted legislation, referred to as the Whistleblower Protection Act, to protect local government employees who, in accordance with the provisions of the Act, report improper governmental actions. Kitsap County has adopted a policy based on the provisions of the Whistleblower Protection Act. For full details regarding the protections afforded by the County's Whistleblower policy as well as the procedures to be followed when reporting improper governmental actions, employees should refer to [Appendix P](#).

SECTION K NEPOTISM POLICY

Employment of Relatives: Employees' relatives ("relatives" include an employee's parent, child, spouse or registered domestic partner, brother, sister, aunt, uncle, niece, nephew, in-laws and step relationships) will not be employed by the County under any of the following circumstances:

- a. Where one of the parties would have authority (or practical power) to supervise, appoint, remove, or discipline the other;
- b. Where one party would be responsible for auditing the work of the other;
- c. Where both parties would report to the same immediate supervisor;
- d. Where other circumstances might lead to potential conflict among the parties or conflict between the interest of one or both parties and the best interests of the County; or
- e. Where one of the parties is a policy level official of the County.

Employees must self-report the relationships described in this section. If two (2) employees marry, become related or are in a romantic relationship and/or if two (2) employees begin sharing living quarters with one another, and in the County's judgment, the potential problems noted above exist or reasonably could exist, only one of the employees will be permitted to stay with the County, unless reasonable accommodations, as determined by the Employing Official, can be made to eliminate the potential problem. The decision as to which employee will remain with the County must be made by the two (2) employees within thirty (30) calendar days of the date they marry, become related, or begin sharing living quarters with each other. If no decision has been made during this time, the County reserves the right to terminate either employee.

SECTION L MEDIA CONTACT

Only designated personnel are authorized to represent the County to the media. Employees contacted by the media should refer media personnel to an appropriate spokesperson, such as the County Communications Manager.

SECTION M PREVENTION OF WORKPLACE VIOLENCE AND DOMESTIC VIOLENCE IN THE WORKPLACE POLICY

It is Kitsap County's policy to promote a safe environment for its employees. The County is committed to working with its employees to maintain a work environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior.

Violence, threats, harassment, intimidation, and other disruptive behavior in our workplace will not be tolerated, and all reports of incidents will be taken seriously and will be dealt with appropriately. Such behavior can include oral or written statements, gestures, or expressions that communicate a direct or

indirect threat of physical harm. Individuals who commit such acts may be removed from the premises and may be subject to disciplinary action, criminal penalties, or both.

Every employee is responsible for implementing this policy effectively and for maintaining a safe working environment. Do not ignore violent, threatening, harassing, intimidating, or other disruptive behavior. Any person who observes or experiences any such behavior on County premises, whether they are a County employee or not, should report it immediately to a supervisor or director. Supervisors and directors who receive such reports should seek advice from the Human Resources Department regarding investigation of the incident and appropriate action. (See [Appendix L](#))

PLEASE NOTE: *Threats or assaults that require immediate attention by police should be reported first to law enforcement by calling 911.*

SECTION N TELECOMMUTING

Telecommuting is the use of wireless communications, computers, or similar technology to permit an employee to work from home or an alternative location. Telecommuting means working arrangements in which the workplace is located at least part time at an alternate location, such as the employee's home or a satellite office.

As an employer, Kitsap County is required to implement commute trip reduction programs, consistent with state law and local ordinances, to reduce the number of trips and miles employees commute alone to work. State Law includes telecommuting as one of the alternatives that employers have available to achieve the applicable commute trip reduction goals. The evolution of technology has created the opportunity for several work activities to be accomplished from remote and/or alternate locations.

Certain requirements for all telecommuting arrangements are set forth in the Telecommuting Policy ([Appendix I](#)) and are intended to ensure that such arrangements comply with all applicable laws as well as data and network security. The intent is to allow Employing Officials and managers discretion in designing telecommuting programs that align with business needs.

Employees who are approved to work at least part time at an alternate workplace on a regular basis over a period of time must complete and sign a telecommuting agreement regarding the employee's work arrangement away from the regular office. If telecommuting is approved, the Employing Official must also sign the agreement.

To reduce traffic congestion, conserve petroleum resources, protect air quality, increase the availability of public parking around the Courthouse Campus, and reasonably meet the needs of Kitsap County employees, Kitsap County will give consideration to telecommuting work arrangements. These arrangements will be considered providing they do not have a negative impact upon public service nor impede the organizational unit from accomplishing its mission in an efficient and cost-effective manner.

For policy and guidelines, please refer to [Appendix I](#).

SECTION O PUBLIC COMPLAINT PROCESS

1. An employee who receives a formal complaint from a member of the public regarding another Kitsap County employee who has allegedly committed a violation of a provision of the Personnel Manual shall direct the member of the public to the appropriate supervisor or may forward the complaint to their supervisor, who shall notify the appropriate Employing Official.
2. The Employing Official should promptly acknowledge receipt of the complaint to the complainant and shall take steps to resolve the complaint.
3. Employing Officials under the jurisdiction of the Board of County Commissioners who are unable to resolve the complaint should meet to discuss the complaint with the County Administrator and Human Resources Director and take the following action:
 - a. If the complaint alleges employee misconduct pertaining to performance or violation of a department specific policy, the Department Director may take appropriate action, which may include investigating the allegations. The Department Director will respond to the complainant, after review by the County Administrator and Human Resources Director.
 - b. If the complaint alleges violation of a County-wide policy (e.g. Ethics Policy, Non-Discrimination policy) and it is determined further action is required, the Department Director will forward the complaint to the Human Resources Director.
 - i. The Human Resources Director will review the complaint and determine whether additional action is needed.
 - ii. If the Human Resources Director determines the complaint states a violation of County policy and investigation of facts is required, they will investigate or cause an investigation by designating an appropriate person to conduct the investigation or by referring the investigation to an appropriate agency/individual, which may include the employing department/official.
 - iii. The Human Resources Director will notify the complainant and County Administrator of the referral, if appropriate, or the outcome and that appropriate action, if any, has been taken.

CHAPTER 3 – RECRUITMENT, EXAMINATION AND APPOINTMENT

SECTION A AGE REQUIREMENTS

The minimum employment age at Kitsap County is 18 years of age for regular employment. Minors between 16 and 18 years may be considered for employment, primarily internships or extra help, subject to job requirements and state regulations. See Extra Help Policy for more information. (See [Appendix M](#))

SECTION B RECRUITMENT

1. The Human Resources Department will develop and conduct a recruitment program designed to meet current and projected employment needs. It is the policy of Kitsap County to select qualified applicants to fill job openings based solely on job qualifications. Discrimination in selection against any person of a protected class, as defined by law, is prohibited.
2. Types of Job Postings
 - a. Outside Posting: An Employing Official may authorize Human Resources to post a notice of job vacancy to the general public. Applications are accepted from qualified persons who wish to apply. The notice is usually posted at least ten (10) working days before filling a job vacancy. The posting period may be reduced to five (5) working days at the discretion of the Employing Official.
 - b. Departmental Only Posting: An Employing Official may authorize Human Resources to post a vacancy to employees of their department. Applications are restricted to employees who have been hired through an open competitive process in the County within the employing department. The notice is to be posted a minimum of five (5) working days prior to filling a job vacancy.
 - c. County Wide Posting: An Employing Official may authorize Human Resources to post a vacancy internally to employees of Kitsap County. Applications are restricted to employees who have been hired through an open competitive process in the County. The notice is to be posted for a minimum of five (5) working days prior to filling a job vacancy.
 - d. Transfer Posting: An Employing Official may authorize Human Resources to fill a vacancy from the transfer list. The transfer posting is only available to employees in regular, budgeted positions. The transfer posting can only be used for positions on an equal or lower pay rate than the candidate's current pay rate. Transfer posting may not be used for promotional positions. An employee transferring to a different position must possess the minimum qualifications for that position. The right to return, if provided, must be in writing by the affected Employing Official at the time of transfer.
 - e. Continuous Posting: An Employing Official may authorize Human Resources to post a notice of job vacancy to the general public for an unspecified period of time. Applications are accepted on a continuous basis without a designated closing date.

Periodically, applications are screened and applicants proceed to the next step in the recruitment process. Those who successfully pass the exams will be placed on the employment list. Positions may be filled at any time during the recruitment from the employment list. This posting may be closed at any time by the Human Resources Department or the Employing Official.

- f. Use of Other Recruitments: In lieu of one of the postings noted above, the Employing Official may elect to fill a position using a recruitment for the same job classification conducted in the prior six (6) months or otherwise extended by Human Resources.
- 3. Recruitment Procedures will be established by the Director of Human Resources.
- 4. Applications
 - a. Filing of Applications: Openings are posted on the Kitsap County website, and only electronic applications are accepted. Applicants may request assistance or reasonable accommodation from the Human Resources Department. Applications for employment will be filed on such forms as may be prescribed by the Human Resources Department.
- 5. Rejection of Applicants: The Director or designee may reject any applicant from further consideration for specific reasons, which may include but are not limited to:
 - a. The applicant does not meet the minimum qualification/eligibility requirements established for the position.
 - b. The applicant, through examination, does not successfully meet the minimum established passing score to be considered further for the position.
 - c. The applicant has made any materially false statement or has attempted any deception or fraud in connection with the application process.
 - d. The applicant has used or attempted to use illegal means to secure an advantage in the application process.
 - e. The applicant has improperly obtained and used information regarding the examination to which they were not entitled.
 - f. The applicant has failed to reply to a letter of inquiry sent to their last address, e-mail address, and/or phone messages left at numbers designated on the application form.
 - g. Within the past ten (10) years the applicant has been convicted of a crime, and the conviction is directly related to the requirements of the job.
 - h. The applicant does not meet the minimum age requirement specified in the current class specification.
 - i. The applicant has declined an interview, arrived late or failed to appear for a scheduled test or interview or expressed lack of interest in the position.
 - j. The applicant failed to provide a completed application packet as required by the designated closing date.

- k. Improper conduct on the part of the applicant during the examination or interview process.
- l. Kitsap County employees who apply for promotional opportunities may be excluded from eligibility if they have a current performance improvement plan, are on extended probation, or have received discipline at Written Reprimand or above within the past six (6) months.

SECTION C EXAMINATIONS

Once the recruitment period is closed, all completed applications are screened using a selection process specifically designed for that recruitment. Each step in the selection process is designed to test the knowledge, skills, and experience required to successfully perform the essential functions for the specific position. Examinations may include written, oral, physical or performance exercises, evaluations of training and experience, reference checks, review of the application and supplemental questionnaire, or other valid examination processes. Such factors as experience, education, aptitude, knowledge, skill, ability, character or any other job-related qualifications may be taken into consideration. The Human Resources Department specifies the nature and content of examinations based upon the advice and information of Employing Officials and subject matter experts.

1. Veterans Preference: Veterans qualifying under the provisions of RCW 41.04 will have added to their passing score an appropriate preference in accordance with State law. In order to claim Veteran's Preference, applicants must complete a Veteran's Preference Declaration form to submit with their application packet and a copy of their DD214 or other official documentation to verify military service. According to established criteria, either five (5) or ten (10) percent will be added one time to the applicant's passing score in the selection process.
2. Pre-Employment Examination: Applicants selected for employment for certain positions may be required to successfully pass a pre-employment physical examination, which may include, but is not limited to physical, psychological, hearing, polygraph, drug testing, voice stress analysis exams, or other exams as deemed appropriate.
3. Current regular employees are not required to use vacation to participate in Kitsap County recruitment testing or interviewing. Employees will provide supervisors with reasonable notice of time needed for County recruitment testing or interviewing. If employees wish to maintain confidentiality, they may request vacation to participate in the recruitment process.
4. If an applicant is a PERS retiree, from Kitsap County or from any other employer covered by one of the Washington State retirement systems, there may be impacts to the applicant's retirement benefits. Before considering returning to work with Kitsap County, applicants should contact the Department of Retirement Systems to discuss any possible impacts to their retirement income. The amount of hours offered to the applicant seeking the job will not be altered due to any potential impact to their PERS retirement. If offered employment, the applicant must inform Kitsap County that they are a retiree for proper reporting of hours. They must also acknowledge that Kitsap County will not adjust the amount of working hours of the job they are seeking.

SECTION D EMPLOYMENT LISTS

1. Each appointment to fill a budgeted position in the County service is made from an employment list, unless the position is an at-will, appointed position. An employment list contains the names of candidates who are qualified for appointment to the classification. The Director or designee will refer candidates from one or more of the following lists.
2. Types of Employment Lists:
 - a. Department Recall List: Names of employees who have been laid off in the affected department will be placed on the current department recall list. When vacancies occur in the employee's same classification within the employing department, the department will first attempt to rehire those employees who are eligible and qualify for the vacant position.
 - b. Re-Employment List: Names of employees who have been laid off by the County and want to be considered for other County positions. Qualified employees will receive consideration by other departments for positions that are within the classification from which they were laid off, classifications within the same pay grade, or classifications within pay grades with lower maximum salary ranges.
 - c. Employment List: Names of top candidates who have successfully completed the examination process.
 - d. Transfer List: Names of employees in regular County positions who have submitted their applications for consideration for transfer postings.

SECTION E TYPES OF APPOINTMENTS

1. Regular Appointment (Full-Time and Part-Time): Regular appointment is any appointment to a budgeted position in the Kitsap County service. Appointments are made from an employment list in accordance with this Manual. Such appointments include initial appointments to County service, promotions, transfers, reemployment and recalls. A regular appointment is tentative pending successful completion of a probationary period.
2. Appointment Following Reorganization or Transfer of Function: Whenever there is a transfer or reorganization of functions within the County, and if the employee's position, duties and responsibilities are not changed substantially, the employee continues in the status previously held prior to such transfer or reorganization. Where there is a transfer of function within the County, any incumbent employee is appointed without examination if the duties, responsibilities, and qualifications of the affected position are not changed substantially.
3. Extra-Help (Temporary/On-call) Employees: Extra help employees are not regular County employees and are considered "At-Will". (See [Appendix M](#)).

SECTION F REIMBURSEMENT OF TRAVEL EXPENSE FOR APPLICANTS FOR COUNTY EMPLOYMENT

In order to fill positions requiring special experience, training and education it may be necessary for applicants for such positions to travel to Kitsap County to participate in an examination/selection process. Reimbursement for reasonable and necessary expenses incurred by selected applicants for traveling to and from Kitsap County for the purpose of participating in an examination/selection process is a proper County expense.

Applicants may be reimbursed if:

1. The County Administrator or Chair of the Board for County Commissioners has approved reimbursement for travel expenses for selected applicant(s) in advance; and
2. Application for reimbursement is made within policy guidelines established for County officers and employees. (See [Appendix K.](#))

When an applicant would otherwise qualify for expense reimbursement under this policy, County offices and departments may arrange and pay for travel and lodging directly when such action achieves financial and/or scheduling efficiencies, in accordance with the policy limitations and requirements. A portion, or the entire amount, of the reimbursement requested may be denied if subsequent to the interview, the County makes an employment offer and that offer is declined by the applicant.

SECTION G REIMBURSEMENT FOR MOVING EXPENSES

1. In order to fill positions requiring special experience, training, and education, the County Administrator may approve reimbursement for a candidate's moving expenses. Reimbursement will be limited to the actual, reasonable, and necessary moving expenses, which may include the cost of travel directly to the place of new residence following appointment. Allowable expenses include moving of household goods and personal effects (including in-transit expenses) and traveling (including lodging but not meals) to Kitsap County.
2. The reimbursement to a particular employee may not exceed a total of seven thousand, five hundred dollars (\$7,500.00). Employees will be paid upon submittal of actual receipts and will be reimbursed for actual expenses. Employees will be reimbursed by a one-time compensation payment through payroll. Reimbursement is taxable income per IRS Publication 521.
3. The requesting department/office must have budgeted funds to pay for the reimbursement and the reimbursement must not create a need for a supplemental appropriation to the department or office in which the individual is employed.
4. Before the appointment, the appointing authority and the appointee will agree to the reimbursement in writing.
5. The written agreement must provide that if the appointee leaves county employment, either voluntarily or involuntarily, less than two (2) years after the appointment, the appointee must repay the reimbursement to the County. The reimbursement amount will be deducted from the appointee's final compensation, and any reimbursement balance remaining will be paid by the appointee within thirty (30) days after leaving county employment.

6. Reimbursement is limited to those candidates whose relocation meets the distance test as established by the Internal Revenue Service.

CHAPTER 4 - PROBATIONARY PERIOD

SECTION A PURPOSE

The probationary period is an essential part of the selection process and is a continuing evaluation of the candidate prior to granting regular employee status. During the probationary period, an employee is required to demonstrate suitability for the position by actual performance of the work.

SECTION B PROBATIONARY PERIOD

1. Duration: The probationary period for a new employee, a newly promoted employee, an employee who voluntarily demotes, or a transferred employee is a period of six (6) months unless otherwise determined by the Employing Official. The probationary period may be extended by the Employing Official for reasons including but not limited to:
 - a. A disciplinary problem has developed which is correctable with more time, and it is in the best interests of the County to do so.
 - b. Additional training is required to achieve satisfactory performance.
 - c. The Employing Official determines that there has been an insufficient or inadequate opportunity to evaluate the probationer's performance.
 - d. Other reasons determined to be appropriate by the Employing Official.
2. Notification: Written notice stating the reason for the extension and the employee's obligation during the extension period must be provided to the probationer, with a copy to the Human Resources Department.
3. Conditions of Probation: During the probationary period an evaluation will be performed prior to the end of the six (6) month probationary period. During the probationary period, the Employing Official may, with or without cause, dismiss or demote an employee. The probationary employee is at-will and does not have the right to appeal or the right of access to the grievance process upon demotion, dismissal or disciplinary action.
4. Paid Time off During Probation: Probationary employees may use accrued leave during the probationary period.
5. Conditions of Probation for Promoted Employee: During the probationary period for a new promotion, the Employing Official may, with or without cause, demote the employee to their prior position or an equivalent position to the same wage grade and at the step previously held.

CHAPTER 5 - CLASSIFICATION

SECTION A APPLICABILITY

The Board of County Commissioners has the sole authority to approve or modify classifications for all positions within elected and appointed departments. This section applies to positions established within the budgets of elected offices and appointed departments.

SECTION B CLASSIFICATION PLAN

Development and Maintenance:

The Human Resources Department maintains a classification plan for all positions of employment within the County subject to preliminary approval by the County Administrator, and final approval by the Board of County Commissioners. The determination of the placement of a position and where it is classified is based on the minimum qualifications, knowledge, skills and abilities necessary to perform the essential functions outlined in the job description, the level of difficulty, and the degree of responsibility. County Employing Officials must ensure employees are assigned work within their appropriate classification.

SECTION C CLASS SPECIFICATIONS

The Human Resources Department maintains a class specification for each class of positions and may add, combine, abolish or revise the class specifications, subject to approval of the Board of County Commissioners. Each class specification includes the class title, a description of representative duties and responsibilities of positions included in the class, and a statement of the required, desirable and/or preferred qualifications for positions in the class.

No Vested Rights: Kitsap County may review and revise the classification of any position. While a classification may attach to a position, an employee filling the position has no vested right in any existing job classification. Modification or abolishment of a classification description is not a personnel action subject to the grievance procedure described in this Personnel Manual.

SECTION D NEW POSITIONS AND RECLASSIFICATION OF EXISTING POSITIONS

1. New positions or reclassification requests can be submitted under the following circumstances:
 - a. In preparation for submission of the annual budget;
 - b. The position change is in response to unexpected new revenue directly related to the program area that the position supports, such as the receipt of a grant or dedicated revenue source from an external contract, levy, or other mechanism that is expected to continue and be added to future budgets, or is sufficient to fund a limited term position for the duration of the program or project;

- c. A larger reorganization (involving more than one position) within a department and fund which results in a neutral fiscal impact to that department and fund;
- d. A gradual accretion of higher or lower-level duties to an existing position;
- e. Service requirements in a program have increased, requiring new staff, and the program is entirely funded by fees or allocations that increased sufficient to fund the new need due to that specific activity; or
- f. Pursuant to collective bargaining agreements.

Employees who feel they are working out of class should notify their Employing Official.

2. Whenever an Employing Official has a need to either add a new position or reclassify an existing position within the County's classification system, the Employing Official must submit to the County Administrator, through Human Resources, a request to reorganize, or to request a classification study, in the format as established and maintained by the Human Resources Department. The information submitted must include documentation explaining the need for the requested change and an analysis of the immediate and long-term budget impact. The County Administrator will submit the request to the Board of County Commissioners for preliminary approval. Upon preliminary approval by the Board, the Human Resources Department will complete a formal review and submit recommendations regarding the proper classifications.
 - a. If the proposed new position or reclassification is due to a prospective reorganization, the Employing Office/Department will absorb both the current year's increased costs and subsequent years' costs through other personnel reductions or increased revenues. In the event the office/department is unable to absorb the increased costs, the reorganization will be submitted as part of the next year's budget request and will not be considered in the current year.
3. If Human Resources determines that a position warrants a higher level classification, and if the Department/Office cannot absorb the impact of the reclassification, the Employing Official shall work with Human Resources to allocate the duties to the appropriate classification until such time as the reclassification can be absorbed by the budget.
4. Effective Date of Compensation Change: Any change in classification or compensation cannot become effective before the first day of the first full pay period following the date that the study is given preliminary approval from the Board of County Commissioners. No retroactive pay will be given unless action has been taken by the Board of County Commissioners prior to the date the increases become effective.
5. Final Approval: A County Resolution relative to creation and reclassification of positions must be prepared and submitted by the Human Resources Department for final approval.

SECTION E CLASSIFICATION STUDIES

1. Classification Upgrade: A classification upgrade is the result of an increase in the scope of responsibilities and duties of a position which changes the level of influence and consequences of actions required in the current position. The reclassification of a job involves an analysis of the

essential functions of the position and the appropriate placement in the County's classification/pay scale.

- a. A classification upgrade may not be used as a merit raise, or as a reward for employment longevity, or as a means to recognize excellent employees. An increased volume of work at the same level of responsibility that the incumbent is currently performing is also not a classification issue.

As a result of reclassification, and due to an overall increase in the responsibilities of a position, compensation for the position may increase.

2. Classification Downgrade: A classification downgrade is the result of a decrease in the scope of responsibilities, tasks, and duties of a position which changes the level of influence and the consequences of actions required in the current position.
 - a. A position may be reclassified to a lower level if the responsibilities of the job are determined to be less than originally indicated, or if essential responsibilities are removed from the job. The Employing Official may request a formal review and recommendation by the Human Resources Department.
 - b. All classification downgrade reviews affecting an incumbent employee will be discussed with the employee before implementation. The employee will be offered the opportunity to meet with the Director of Human Resources or the Employing Official to discuss the results of the review, prior to approval and adoption by the Board of County Commissioners.
 - c. A classification downgrade is not considered a demotion.
3. Effect of Classification Changes on Employees: Whenever a position is reclassified to another class, the employee will maintain the credit for service as they had prior to reclassification, except as noted below:
 - a. Whenever a position is reclassified to a higher class, the incumbent will be promoted. Promotions that result from a classification review that concludes the position's duties have evolved to a higher level over time are not subject to a promotional probation.
 - b. If a position is reclassified, see Chapter 6, Section C for compensation guidelines.
 - c. The date of reclassification becomes the new anniversary date for future step increases.

CHAPTER 6 - COMPENSATION ADMINISTRATION

SECTION A GENERAL INFORMATION

Employees are paid on a bi-weekly schedule. All employees must subscribe to direct payroll deposit to a financial institution of their choice or will receive a payroll card of their bi-weekly pay. **NOTE:** Any out of state hardship(s) requiring a paper check will be addressed on an individual case basis.

The Human Resources Director is responsible for developing, implementing, and maintaining a classification and compensation plan for each position in Kitsap County, based, in part on the principles of public accountability. Only the Board of County Commissioners may approve the compensation assigned to classifications for all positions within elected and appointed departments. This section applies to positions established within the budgets of elected offices and appointed departments.

SECTION B PAY PLAN

1. Kitsap County has a responsibility to be accountable for public funds. By maintaining an equitable pay structure and accurate time records, the County can provide accurate cost information and ensure compliance with state and federal laws and regulations. The Human Resources Department maintains a pay plan for all positions of employment within the County subject to the preliminary approval of the County Administrator and final approval of the Board of County Commissioners. The County recognizes providing adequate compensation through a consistent pay plan attracts and retains qualified employees. Comparisons of salaries with comparable agencies will take into consideration total compensation.
2. The pay plan is comprised of the following two (2) salary structures:
 - a. Exempt from State and Federal overtime laws: Includes Executive, Professional, Administrative and Computer Professional Employees as defined by the Fair Labor Standards Act and the Washington State Minimum Wage Act. The County may convert salaried exempt employees to hourly non-exempt employees due to annual increases to the State minimum wage in relation to salary threshold requirements.

Exempt employees do not accrue overtime or compensatory leave. Partial deductions from an exempt employee's salary for absences of less than one (1) day will generally not be made, if the employee has worked at least one half of their workday and leaves work with supervisory permission. It is expected that full time, overtime exempt work schedules will normally consist of approximately forty (40) hours per week; however, emphasis is placed on meeting the responsibilities assigned to the position rather than on working a specific number of hours. The nature of responsibilities associated with overtime exempt positions often requires greater than a 40-hour work week including evening and weekend work and considerable flexibility in work scheduling to accommodate meetings and functions on weekends and evenings.

Due to principles of public accountability, an exempt employee's salary may be reduced for partial day absence of four (4) hours or more (or half the employee's regular work day for an employee working less than a full FTE), or such employee may be placed on leave without pay

for absences for personal reasons or because of illness or injury of less than one work-day when accrued leave is not used by an employee because:

- (i) Permission for its use has not been sought or has been sought and denied;
- (ii) Accrued leave has been exhausted; or
- (iii) Authorized use of leave without pay.
- (iv) Any absence, taken in increments of 15 minutes, for the following reasons:
 - i. FMLA leave;
 - ii. Participation in political activity;
 - iii. Outside employment, subject to approval; **or**
 - iv. Other activities that would be in violation of the Conflict of Interest Policy if conducted during regular business hours.

See Resolution 170-2005 for exempt employee pay when classified as an Emergency Worker in a declared disaster. See [Appendix G](#), Family and Medical Leave Policy for partial day deductions for FMLA absences when exempt employees are on intermittent FMLA.

- b. **Nonexempt**: Includes all other classifications. Nonexempt employees will have any absence deducted from accrued leave balance for reasons such as sick leave, vacation leave, bereavement leave, civil leave, military leave, etc. If leave is not available, employees must request approval for leave without pay. Employees who move from a non-exempt into an exempt position will have their accrued compensatory time cashed out at the employees' non-exempt base rate of pay.

SECTION C RATES OF PAY

1. **Pay Grade**: A pay grade identifies a pay range which comprises a series of steps through which employees in classifications assigned to the particular pay grade may progress. (See Chapter 5 on Classification for information regarding the assignment to classifications).
2. **Minimum and Maximum Pay Rates**: Employees may not be paid at a rate of pay less than the minimum nor more than the maximum amount on the pay grade established for their classification as set forth in the pay plan unless otherwise provided for in this Manual. Annual pay rates in the pay plan are based upon full-time employment at the normal working hours for the position. Placement at compensation levels, which are not in accordance with this Manual, must obtain written approval from the Board of County Commissioners.
3. **Pay Rate Upon Appointment (including initial appointment, promotion, transfer and demotion)**: Upon appointment, Employing Officials have the authority to offer up to step 5 of the applicable pay grade. Appointment at step 6 or above must be requested in writing to the County Administrator. Placement on the applicable pay grade should align with the candidate's relevant education and experience level. To prevent importing an unfair wage gap, Employing Officials should coordinate with their Human Resources consultant to compare the salary and experience level of current staff performing similar work to the candidate's current experience level when

determining the appropriate starting salary. A candidate's salary history may not be used as the sole basis for the starting salary.

4. Pay Rate When Underfilling a Higher-Level Classification: When an employee is determined to meet the requirements of a higher-level classification, the employee will move to step 1 of the new pay scale or will be placed on the step on the pay scale of the higher classification that is closest to providing at least a five percent (5%) increase, whichever is greater. Placement shall consider the salary the employee would have been entitled to, had the employee retained the formerly held classification for ninety (90) additional days.
5. Pay Rate Upon Reassignment: When an employee moves from one position within a job classification to a different position within the same job classification in the same department, the employee's pay rate will not change. Employing officials need to refer to the applicable collective bargaining agreement provisions when reassigning employees.
6. Pay Rate Upon Reclassification to a Higher Pay Grade: When an employee is reclassified from one classification to a higher classification within their department of current employment, the employee's actual salary for the position into which the employee is reclassified must be greater than the employee's salary at the formerly held position and/or greater than the salary the employee would have been entitled to had the employee retained the formerly held position for ninety (90) additional days. The incumbent will move to step 1 of the new pay scale or will be placed on the step on the pay scale of the higher classification that is closest to providing at least a five percent (5%) increase, whichever is greater.
7. Pay Rate Upon Recall: An employee who is recalled following layoff to the same department and into the same classification within twelve (12) months following separation will be reinstated to the same step in the pay grade as held prior to the break in service.
8. Pay Rate Following Reclassification to a lower classification: If a position is reclassified to a class with a lower pay grade, the employee's rate of pay will be placed at the step closest to, but not below, the salary before reclassification. If the employee's pay is above the pay grade, the employee's pay rate will be frozen until the pay grade catches up to the employee's pay rate, at which time, the employee will be placed at the step closest to, but not below, their pay rate.
9. Pay Rate Following a Change in Classification Pay Rate (outside of a County-Wide Classification Study): If a classification is assigned to a different pay range, with no change in duties or responsibilities, the employee will be placed on the step closest to, but not below, their pay rate on the previous pay range.
10. Frozen Pay Rate: Employees whose pay rates are frozen due to exceeding the maximum step of the pay range of their assigned classification do not receive a pay increase until their pay rate is within the pay rate for their classification. They are then placed on the step closest to, but not below, their pay rate.
11. Call-Back Pay:
 - a) Non-exempt employees earn call-back pay as follows: An employee who has left work and is called back to work by an authorized person and reports to the work site unless authorized to perform the work via telecommute, after completion of their regular day's shift shall be paid a minimum of two (2) hours at one and one-half (1-1/2) times their regular rate of pay; and

shall be paid for all actual time worked in excess of two (2) hours at one and one-half (1-1/2) times their regular rate of pay.

- b) Call-back on Sundays and holidays shall be paid a minimum of two (2) hours at double time and shall be paid for all actual time worked in excess of two (2) hours at double time.
 - c) If an employee is called by telephone after their scheduled shift for technical assistance by their supervisor, the Employing Official, or other authorized person, they shall receive no less than fifteen (15) minutes overtime pay, and then will be paid for all actual time spent after fifteen (15) minutes. If the issue is resolved electronically between 11pm and 5am, the overtime pay will increase to a minimum of thirty (30) minutes.
12. Standby Pay Rate: Employees who are placed on “Standby Status” by the Employing Official or designee for periods up to one (1) week, which requires that the employee be available on a twenty-four (24) hour basis during that period for emergency work and are required to respond by telephone within fifteen (15) minutes to any summons at any time during the twenty-four (24) hour period, will receive one (1) hour of pay at the employee’s base rate of pay for each day assigned, and two (2) hours of pay at the employee’s base rate of pay for holidays and on Sundays.
13. Shift Differential Pay Rate: The Employing Official, or designee, will designate hours of work, including shifts, required to meet operational needs. Employees regularly scheduled to work a shift beginning on or after 3 p.m. but before 11 p.m., will receive an additional sixty (60) cents per hour for each hour worked on swing shift. Employees regularly scheduled to work a shift beginning on or after 11:01 p.m. but before 4 a.m. will receive an additional sixty-five (65) cents per hour for each hour worked on graveyard shift. Shift differential pay will be paid for each hour of regularly assigned swing or graveyard shifts actually worked or sick leave taken. Shift differential pay does not apply to standby or call back hours worked.
14. Pay Rate for Temporary Working Out-of-Class: Temporary Working Out-of-Class Upgrades may be granted when an employee is assigned significant additional responsibilities of a higher classification for a minimum of five (5) consecutive working days. The employee must meet the Minimum Qualifications for the position to which they are being assigned. An out of class assignment should not be used in lieu of reclassification. Prior to assigning out-of-class duties, departments must obtain the approval of the Employing Official and the County Administrator. The Employing Official must submit to Human Resources the information regarding the out-of-class request on the form as maintained by Human Resources. The Human Resources Department will complete a review and submit its recommendation regarding the request by the Employing Official to the County Administrator. The County Administrator will review and may approve such requests pursuant to the compensation guidelines established in this chapter.

An employee who performs work in a higher classification for a period in excess of five (5) working days, may be paid wages of the higher classification pursuant to one of the two (2) following conditions:

- a. At the request of the Employing Official, and as approved by the County Administrator, the employee is temporarily assigned to perform significant additional responsibilities of a higher classification for a designated period of time. Special work projects or unanticipated work demands resulting from legal, programmatic or operational changes are examples wherein a temporary working out-of-class upgrade may be granted.

- b. The employee is temporarily assigned by the Employing Official to perform the full scope of duties principally ascribed to a higher classified budgeted position, which is currently vacant, or the higher classified employee is on extended leave.

Compensation for the temporary out-of-class assignment will be a five percent (5%) premium pay, OR a percentage increase that puts the employee the closest to, but not below, Step 1 of the salary range for the approved classification, whichever is greater. Once the temporary assignment is completed, the out of class pay will cease. Non-exempt employees receiving out-of-class wages for an overtime exempt level position will continue to be treated as non-exempt for all hours worked in the exempt level position and will receive overtime for any hours worked in excess of the regular work week. All of the employee's wages will be paid at the out-of-class wage for the duration of the assignment.

Employees in a represented position assigned to work out-of-class in a non-represented position will still be considered part of the bargaining unit and eligible to continue to pay union dues for their regular represented position.

SECTION D ADVANCEMENT WITHIN A PAY GRADE

Employees will advance to the next higher step annually until the top step is reached. To receive step increases, the employee must achieve an overall rating of "Meets Standards" on the employee probationary evaluation and each annual evaluation thereafter.

1. Step increases for all employees in a regularly budgeted position will be received annually until the top step is reached. To receive step increases, the employee must achieve a "Meets Standards" rating for the performance period. Step increases are effective on the date of eligibility.
2. An employee receiving "Does Not Meet Standards" for an overall rating, is not eligible for a step increase. At the discretion of the Employing Official the employee may be re-evaluated in 60-90 days. If the employee receives an evaluation that meets the requirements at a later date, the employee will be granted the step increase effective on the date that they become eligible. The delayed step increase does not impact the employee's regular step anniversary date.

All part-time employees will be eligible for annual step increases effective on the employee's anniversary date in the position.

Step advancement for at-will employees (see [Appendix C](#)) may be based on a merit-based review process established by the Human Resources Department.

ADJUSTMENT TO STEP INCREMENT DATE

1. Upon promotion, reclassification, voluntary demotion, or transfer which results in a pay increase, the step increment date will be changed based on the effective date of such action.
2. The step increment date will be adjusted when an employee returns from leave without pay in excess of one (1) month to reflect the period of unpaid leave.

SECTION E LONGEVITY PAY

1. Effective February 1, 2021, eligible employees hired prior to January 1, 1998, will receive longevity pay at the start of the following years of employment based on the employee's continuous service date. This longevity pay will be paid to each employee in each pay period based on the base hourly rate in effect at the time of payment.

20th+ years' service

3% of base hourly rate

Employees who were receiving a higher longevity rate than that prescribed above will continue at their current rate and will not receive any further increase unless such increases are provided in accordance with the above guidelines.

2. Effective February 1, 2021, eligible employees hired on or after January 1, 1998, and prior to January 1, 2013 will receive longevity pay at the start of the following years of service based on the employee's continuous service date. This longevity pay will be paid to each employee in each pay period based on the base hourly rate in effect at the time of payment.

10th thru 14th years' service

1.5% of base hourly rate

15th thru 19th years' service

2.0% of base hourly rate

20th+ years' service

2.5% of base hourly rate

3. The longevity pay will be based upon continuous employment, exclusive of those periods wherein an employee is placed upon an unprotected leave without pay status. However, when an employee is laid off and rehired, and the separation does not exceed twelve (12) months, the longevity pay will be computed from the initial employment date excluding the lay-off period and when an employee separates from employment and is subsequently rehired within twelve (12) months, the longevity pay will be computed from the date of reemployment.
4. Employees hired on or after January 1, 2013, may not receive longevity pay.

SECTION F COMPENSATION FOR TRAVEL AND TRAINING

1. Travel Time Compensation - Nonexempt Employees: The following explains which hours are compensable and which hours are not when traveling for County business purposes:
 - a. Commute time. An employee who travels from home before the assigned workday begins and returns home when the assigned workday ends is engaged in non-compensable commute time.
 - b. If the employee's assigned worksite is a County-provided vehicle, then travel from and to the employee's home in the County-provided vehicle is compensable time.
 - c. Travel time from one assigned worksite to another is compensable if it is required by the County: (i) during the employee's assigned work hours or (ii) outside the employee's assigned work hours if the time required is greater than the employee's normal home to work commute time.

However, if a telecommuting employee is required by the County to report to County premises during the regular workday, such travel time and expense will be compensated. See [Appendix I](#) – Telecommuting Policy.

Compensable Time for Approved Training: Time spent in training and traveling for out-of-town training by non-exempt employees is usually considered work time, except that training which is mandated by the state or federal government as a condition of practice in the profession will not be considered work time if attended outside of regular work hours. Time spent studying will be considered work time. Advance supervisory approval is required before an employee works overtime to prepare for, travel to or from, or attend training. See Chapter 6, Section G.

Reimbursement of expenses incurred by employees for lodging, meals, and travel will be made in accordance with [Appendix K](#).

SECTION G OVERTIME – NON-EXEMPT EMPLOYEES

1. Overtime and Compensatory Time: Nonexempt employees performing work in excess of eight (8) hours in a day or in excess of forty (40) hours in one work week must be paid overtime at the rate of one and one half times the employee's regular rate of pay; Except, that an employee may request compensatory time off at the rate of one and one half (1.5) hours off for each hour of overtime earned in lieu of overtime pay. Overtime compensation is earned on hours actually worked. Sick leave, vacation, compensatory time off, and any other compensable absence are not included in the calculation of the overtime thresholds of eight (8) hours per day or in excess forty (40) hours per week.

Nonexempt employees working a Sunday or a holiday when the hours worked constitute overtime will be paid overtime compensation at the rate of twice the regular rate of pay; except that an employee may request to receive compensatory time off at the rate of two (2) hours off for each hour of overtime earned in lieu of overtime pay. This section does not apply to non-exempt employees scheduled to work shifts in seven (7) day a week, twenty-four (24) hours per day operations/divisions. See Section G, Subsection #1 for explanation of calculation of overtime.

Approval of a schedule change for this purpose is at the discretion of the employing authority. Employees subpoenaed as witnesses must provide a copy upon request.

2. Bereavement Leave

Additional time off required for grieving may be authorized as sick leave, vacation leave, or accrued compensatory time. An employee must obtain approval of the Employing Official or a designee when taking such leave. While we understand that commemorative events (i.e. memorial services or celebrations of life) may occur at a later date, paid bereavement leave is not available for events more than six (6) months following the death of an individual covered by this section. Exceptions to this time frame may be considered in extraordinary circumstances, and employees should consult with their manager as soon as possible.

CHAPTER 9 – EMPLOYEE RELATIONS

SECTION A EMPLOYEE RESPONSIBILITIES

1. Purpose: The orderly and efficient operation of the County government requires that employees accept certain responsibilities. Work rules covering personal standards of conduct as well as standard operating procedures are necessary to protect the health and safety of all employees, to maintain uninterrupted service, and to protect the County's property.
2. Work Rules: The following work rules are applicable to all County employees. This Manual is not intended to be all-inclusive, and Employing Officials may establish additional rules which are unique to their department or Office. It is the expectation that all employees must abide by these and any other work rules, and any departmental policies and procedures. Failure to do so may result in disciplinary action up to and including termination.
 - a. Employees must be at their designated work area on time and ready to work at the start of their shift. Employees must remain at their work area, working, except during lunch and rest periods, until the end of their shift, unless permission to leave is granted by the supervisor or the duties of the position require absence from the work area.

It is the County's policy to require staff members to dress and groom in a manner that inspires confidence and conveys professionalism to our customers. The manner of dress may vary according to the amount and nature of public contact. It is the responsibility of the Employing Official to establish the appropriate dress standards for the positions under their supervision. It is the employee's responsibility to maintain a neat and businesslike appearance.

SECTION B PERFORMANCE EVALUATIONS

1. Policy: Employee performance evaluation is intended to promote productivity and strengthen employer/employee relations. The performance evaluation system provides employees and supervisors with a tool for establishing communication regarding performance standards and expectations, identification of problems and concerns, identification of training needs, and the provision of positive reinforcements for areas of excellence. Evaluations are used for wage step increases, promotional considerations, employee discipline, reduction-in-force actions, and other employment decisions.
2. Evaluation System:
 - a. The Director may develop and maintain performance evaluation systems for all groups of employees.

SECTION C HEALTH AND SAFETY

It is the policy of Kitsap County to provide safe and healthy work environments. This can be accomplished if every employee observes all rules for health and safety, which is both a protection for themselves as well as for co-workers and the public.

1. Kitsap County Risk Management Guidelines: The Kitsap County Risk Management Guidelines have been prepared to provide supervisors and employees of Kitsap County with written accident prevention program policies. Included in the Guidelines are such topics as: Accident Prevention and Safety; Fundamentals of Accident Prevention; Hazard Communication Program; Blood borne Pathogens Control Program; Fire Safety; Bomb Threats; Security; and Vehicle Use Policies. A copy of the Guidelines will be available in every County department and is also available on the County Intranet.
2. Orientation: In addition to the Guidelines, all new employees receive a required orientation on many of the topics covered in the Guidelines. This training, along with a supervisory orientation, should assist new employees with performance of their new work responsibilities safely and efficiently.
3. Responsibilities: Employees are responsible for their own safety at Kitsap County. Questions regarding safety issues should be directed to the employee's supervisor. Other resources for safety information include: the Risk Manager and members of the Risk Manager's staff; the Central Safety Committee; Employing Officials, department heads, managers, and supervisors; and departmental safety teams. Check the County website or your department's copy of the Kitsap County Risk Management Guidelines for more information on safety and accident prevention responsibilities.

- a. Self-Insurer Accident Report (SIF-2)
 - b. Supervisor's Report of Accident

These forms are available from the employee's supervisor or from Risk Management and are completed by the employee and their supervisor. For more information on completing these reports, refer to the Kitsap County Risk Management Guidelines.

SECTION D CONFLICT OF INTEREST & EMPLOYEE ETHICS

- a. Purpose: Public confidence of the citizens of Kitsap County in the operation of their County government is built on integrity. Accordingly, each employee must maintain high standards of personal conduct in their relationships with the public and with working associates. The County is committed to conducting its business in a fair, open, and accountable manner. Public confidence in government is essential and must be sustained by establishing and enforcing rules to assure the impartiality and honesty of its County officials and employees in public transitions and business.
- b. Confidential Information: Many of the operations of the County are considered public information, but some are not. The confidential business of the County should not be discussed with anyone who does not need to be consulted with or made aware of the confidential information to further the County's interests. Providing confidential information to unauthorized persons may be grounds for disciplinary action. If you are unsure, contact your supervisor. Even if the information is subject to public disclosure, employees may not independently disclose such information. In addition, employees may not access or use confidential information for any private purpose or purpose that is not specifically related to the employee's official County duties. See RCW 42.23.070, Kitsap County Code and [Appendix S](#), Ethics Policy.
- c. Loans, Gifts, Gratuities, etc.: Kitsap County employees must not directly or indirectly give or accept or agree to accept any compensation, gift, reward or gratuity in the course of their work responsibilities from any source other than Kitsap County. - d. Outside Employment and Activity:
 - a. Employees must not directly or indirectly engage in any outside employment, activity, including political activity, or financial interest which may conflict, in the County's opinion, with the best interests of the County or interfere with the employee's ability to perform their assigned County job. Examples include, but are not limited to, outside employment or activity which:

Political Activities: Kitsap County employees are encouraged to participate in civic and community affairs and Kitsap County employees have the same right to campaign in support of, or in opposition to, a candidate or a ballot proposition as any other citizen. However, an employee may not be able to continue employment with the County if holding a public office interferes with the essential functions, performance, or availability required by their position with the County. In addition, since the County receives federal funds, employees whose compensation is derived in part from those funds are subject to the Hatch Act, which places restrictions on their political activities. Regardless of funding source, no public funds and facilities may be used, nor may an employee campaign or engage in political activities, on County time, using County resources, or while representing the County in any way.

Any employee who intends to run for or accept appointment to a public office must notify their manager and Human Resources in writing, on a Request for Outside Employment/Activity form, when declaring candidacy or prior to accepting the appointment. The request should identify the full scope of activities expected, the hours of the activities and number of hours per week, and any potential or perceived conflicts with County responsibilities, recognizing any high potential to discredit public service. Employees should err on the side of caution and take steps to eliminate any perceived conflicts. Upon notification, the County will assess whether the public office responsibilities may conflict with the employee's job duties, work hours, or County obligations. The County reserves the right to deny any such activities while employed with Kitsap County. If it is determined that the public office may materially interfere with an employee's ability to perform their essential job functions or create an actual or perceived conflict of interest, the employee may be required to:

- i. Request a leave of absence

Employees are responsible for immediately notifying their Employing Official of any change in circumstances pertaining to their outside employment or activity that may affect the conditions for which the activity was approved, so that the Employing Official may consider whether continued approval is appropriate.
 - f. Supervisors are responsible for holding, at a minimum, bi-annual check-ins for monitoring and ensuring that employees who have been authorized to perform outside employment activities are doing so in compliance with these policies. Approval is subject to annual renewal, or more frequently as circumstances dictate.

SECTION E TECHNOLOGY AND SOCIAL MEDIA USE POLICIES

Kitsap County provides technology for use by employees in the performance of County functions to facilitate and support County business. This technology includes computers, telephones, voice mail systems, e-mail, faxes, and internet access for internal and external business communication purposes. Kitsap County's technology is the property of the County for official business and is not to be used for employee personal gain or to support or advocate for non-County related business. The County reserves the right to monitor the use and content of technology including all electronic communications. The communication systems, as well as the equipment, data, messages, and files stored, are and remain at all times the property of the County. The County thus has the right to monitor their use.

The County reserves the right to review, audit, intercept, access and disclose all messages created, received or sent over the email system for any purpose. At any time and without prior notice, Kitsap County's management reserves the right to examine any and all types of electronic communication methods provided by Kitsap County, including but not limited to email, personal file directories, and other information stored on its computers. Internet messages are public communication and are not private. All communications, including text and images, may be disclosed to law enforcement or other third parties without prior consent of the sender or the receiver.

No employee should consider their messages or files to be private or confidential. It should be noted that even if a message is deleted, it is still possible to retrieve and read that message. The use of passwords for security does not guarantee confidentiality. It is also possible for messages to be retrieved and viewed by someone other than the intended recipient. Aside from performance of normal job duties, employees are not permitted to modify, copy, remove, or destroy any County equipment, data, or files, unless specifically authorized or directed by the Information Technology Director or Employing Official.

Equipment provided to employees by Kitsap County is County property and is provided for County business purposes. County property includes, but is not limited to, computers, phones, and office equipment (e.g., copiers, faxes, etc.), offices, lockers, desks, cars, and cell phones. Kitsap County employees should have no expectation of privacy in regard to County owned property. The County reserves the right to monitor and/or search the workplace with reasonable suspicion of workplace policy violation.

Email and Internet access through Kitsap County's network are provided for business purposes. Limited personal use is permitted; however, it must not interfere with County operations or with the individual employee's job responsibilities, nor should it cause any harm or embarrassment to Kitsap County or its employees. Furthermore, personal use is subject to the appropriate use guidelines above.

SECTION D ALTERNATIVE WORK ARRANGEMENTS

Kitsap County recognizes that there are circumstances where alternative working arrangements can be of a benefit to both Kitsap County and the employee. Alternative work schedules may result in increased services to the public, may increase employee morale and productivity, reduce commuter trips, and eliminate workspace congestion in County buildings. Alternative work schedules are subject to the discretion of the Employing Official. If an alternative schedule is authorized by the Employing Official, the authorization must be documented in writing, by the requesting employee and the Employing Official, or their designee on the form established by the Human Resources Department. Alternative work schedules may include:

1. Flexible Work Schedule: Flexible work schedules are alternative work schedules with agreed upon work hours with different starting and quitting times for employees other than the standard workday.

The assignment might require serving at a particular location, and/or at times and/or under conditions that significantly differ from employee’s normal work assignments; this may include assignments to perform work outside of the bargaining unit. Other employees of Kitsap County not previously registered as an “Emergency Worker” may be called on to perform services as an “Emergency Worker” as defined in RCW 38.52.010(47), subject to the provisions of chapter 38.52 RCW. An employee’s rate of pay will not be reduced as a result of such assignments.

CHAPTER 11 - DISCIPLINE AND TERMINATION

SECTION A DISCIPLINE

1. Employees must accept personal responsibility for maintaining high standards of conduct and job performance, including adherence to rules, standards, and policies. Rules, standards, and policies are needed to help everyone get the job done efficiently, safely, and effectively. Disciplinary action may be required to enforce established rules, standards, and policies. The purpose of discipline is to provide the employee with information and guidance needed to make the required improvements to continue their employment with the County.
2. Employing Officials will consult with the Human Resources Department or the Civil Division of the Prosecutor's Office for assistance and to maintain consistency in the discipline process throughout the County.

SECTION C PROGRESSIVE DISCIPLINE

The following is a list of disciplinary actions in order of increasing severity. It is not intended to be an all-inclusive list, nor is there any intent that discipline necessarily start at the lowest level and be sequential. The level and sequence of discipline should be commensurate with the problem and the classification or status of the employee.

1. Oral Warning: Inappropriate conduct or performance may initially be brought to the attention of the employee by oral discussion or reprimand. The Employing Official is to take reasonable precaution not to embarrass the employee before other employees or the public. The Employing Official is encouraged to keep a record of the date and subject of oral warnings. An oral warning is not subject to the notice and hearing requirement set forth below or the grievance procedure set forth in Chapter 12.
2. Written Reprimand: When inappropriate conduct or performance continues or, when in the judgment of the Employing Official the severity of such conduct or performance warrants it, a written reprimand may be issued to an employee. A copy of the written

reprimand will be kept in the employee's personnel file in the Human Resources Department. The employee may be issued a document outlining areas of improvement that are required with a designated time frame. The employee's supervisor will closely monitor the employee's work performance and/or work behavior which may require frequent performance evaluations. A written reprimand is not subject to the notice and hearing requirement set forth below or the grievance procedure set forth in Chapter 12.

3. Suspension Without Pay: The Employing Official may remove an employee from work without pay for a specific period of time for continuing inappropriate conduct or performance or any one severe offense.
 - a. Employees who are exempt from the overtime laws are not subject to unpaid disciplinary suspensions except in increments of full work weeks unless the infraction leading to the suspension is for a violation of a safety rule of major significance.
4. Forfeiture of Leave: The Employing Official may charge an employee vacation, in lieu of suspension without pay.
5. Demotion: The Employing Official may demote an employee to a classification which has a lower salary range.
6. Termination: The Employing Official may terminate an employee for cause. At-will employees may be terminated with or without cause. Termination is the involuntary end of the employment relationship. Instances which warrant termination without prior discipline may include, but are not limited to, conduct such as insubordination, assault, theft, dishonesty, being under the influence of alcohol or drugs, and illegal or destructive acts on the job.
 - a. Terminated employees will be paid all accrued vacation and compensatory time.

SECTION D DISCIPLINARY PROCESS

1. Administrative Leave: An Employing Official or their designee may place an employee on leave with or without pay pending the resolution of an investigation including an investigation for alleged misconduct, a pre-disciplinary/pre-termination hearing or for business necessity after consultation with the Human Resources Department. An employee placed on administrative leave must be advised, in writing, of the reason for the leave.
2. Hearing Required: An Employing Official arranges for and provides a pre-disciplinary or pre-termination hearing, for those employees entitled to a hearing, prior to the imposition of a disciplinary action that may result in suspension without pay, demotion, forfeiture of leave, or discharge.
3. Notice: Written notice of a required pre-disciplinary or pre-termination hearing must be provided to the employee prior to the hearing. The notice informs the employee of:
 - a. The reasons for the disciplinary action or possible termination, including any specific policies and procedures which have been violated.

 - c. The date, time, location of the hearing.
 - d. The opportunity to respond to the reason discipline is being considered at the pre-disciplinary hearing.

- 5. Final Disciplinary Action: Following the opportunity for a pre-disciplinary or pre-termination hearing, the Employing Official must issue a determination within a reasonable period of time and include the following:
 - a. The discipline imposed, if applicable.
 - b. The effective date and duration of the discipline imposed, if applicable.
 - c. The required corrective action by the employee, if applicable.
- 6. Placement in Personnel File: Both the pre-hearing disciplinary notice letter and letter imposing the final disciplinary action must be forwarded to the Human Resources Department for placement in the employee's official Personnel File. The Employing Official will notify the employee that these documents will be placed in the file prior to doing so. It is recommended but not required that the employee sign the final notice of disciplinary action to acknowledge receipt.

CHAPTER 12 - GRIEVANCE PROCEDURE

SECTION A PURPOSE

The purpose of this procedure is to provide an orderly method for resolving grievances. The employee must make a determined effort to settle any such differences at the lowest possible level in the grievance procedure.

SECTION B GRIEVANCE DEFINED

A grievance is a dispute or disagreement arising between the employee and the County in regard to the interpretation or application of County rules, policies, and procedures. Specifically excluded from further recourse to the grievance procedure are grievances that have been processed and decided and grievances not presented within the time limits that were previously established. Oral warnings, written reprimands, performance evaluations, transfers, and job abandonment are not grievable.

SECTION C WHO MAY GRIEVE

Any employee who believes they have a grievable dispute as defined above which directly affects the employee has the right to file a grievance. Probationary employees do not have the right to grieve discipline, dismissal, or the imposition of continued probation. At-will employees as defined in [Appendix C](#) do not have the right to grieve discipline or dismissal.

SECTION D TIME LIMITS

In order to maintain good employee relations and employee morale, it is important that grievances be handled promptly and fairly. If an employee fails to submit a grievance within the time schedule in the steps below, the employee waives their right to grieve. If the Employing Official fails to respond within the time limits established in the steps below, the next step in the grievance process will apply. If mutually agreed upon, the time limits established in the steps below and any individual step in the grievance procedure may be waived. Where time limits are expressed in working days, “working days” means Monday through Friday, excluding holidays.

Note: The Employing Official should work with the Human Resources Department at Step 1 and Step 2 of the Grievance Procedure.

SECTION E PROCEDURE

Step 1 - Oral Discussion: Within ten (10) working days of the occurrence which gave rise to the grievance, or within ten (10) working days after the employee becomes aware of the situation giving rise to the grievance, the employee is required to discuss the grievance with their immediate supervisor. The immediate supervisor must notify the employee of their decision within ten (10) working days after the discussion with the employee, or the grievance will be deemed denied. If the employee believes the matter cannot be adjusted to their satisfaction by the immediate supervisor, they may elect to bypass step 1 and proceed directly to step 2 within the ten (10) working days.

Step 2 - Written Grievance: If the employee believes the matter has not been resolved, the employee is required to present their grievance in writing to their Employing Official within ten (10) working days after the receipt of the response or expiration of the time frame for response. If the employee elects to bypass step 1, the step 2 grievance must be filed within ten (10) working days of the occurrence which gave rise to the grievance or within ten (10) working days after the employee becomes aware of the situation giving rise to the grievance. The written grievance is to include the following:

- a. The facts upon which the grievance is based including date(s) and any relevant documents.
- b. Why step one was bypassed, if applicable.
- c. Reference to the rules, policies, or procedures alleged to have been violated.
- d. The remedy sought.

Upon receipt of the grievance, the Employing Official will review the grievance along with all documents and evidence provided, and may, if deemed appropriate, meet with the employee and/or supervisor. The Employing Official will provide a written response within ten (10) working days of receipt of the employee's written grievance.

Step 3 - County Administrator: If the employee believes the matter has not been resolved or adjusted to their satisfaction by the Employing Official, the employee may grieve the matter to the County Administrator. However, in no case may the County Administrator hear non-wage related grievances brought by employees in Elected Official departments. The employee is required to submit a written grievance to the County Administrator within ten (10) working days of the written response of the Employing Official. The County Administrator will set a mutually agreed upon date for the hearing preferably within fifteen (15) working days of receipt of the grievance. The County Administrator will hear the grievance and receive all documentation submitted during the grievance process from both parties. In addition, either party may submit oral or written evidence limited to the subject matter of the grievance as originally filed. The County Administrator will issue a written decision within ten (10) working days of the hearing.

The County Administrator may appoint a hearing examiner to hear the grievance and render a decision on their behalf. The County Administrator has authority to execute settlement agreements.

CHAPTER 13 - EXITING EMPLOYMENT

SECTION A RESIGNATION or RETIREMENT

Employees may voluntarily terminate their employment at any time. To resign in good standing, a regular employee must give the employer at least two weeks' written notice of resignation. Management and professional staff are requested to give at least 30 days' notice.

SECTION B REDUCTION IN FORCE - LAYOFF

1. The employing department may declare a layoff in the event that a reduction in force is necessary due to lack of work, lack of funds, or reorganization.
 - a. Procedure:
 - i. No regular employee may be laid off while another person in the same classification within the impacted work group is employed in a temporary, extra-help, or probationary status.
 - ii. In the event of a layoff, the order of layoff will be determined within the affected department, by classification. Performance, ability to do the work without retraining in order to preserve the most skillful and productive remaining County workforce, and any other relevant factor will be considered in determining which employees will be laid off. When ability and performance are substantially equal, seniority will be the determining factor. Performance will be determined by the use of the employee's performance evaluations within the last two years within the affected classification and any records of disciplinary actions of affected employees. Performance between affected employees will be considered "substantially equal" if both employees receive a "Meets Standards" rating. Ability will be determined by the existence of special skills, credentials, or other qualifications required in a particular job assignment as evidenced by the job description or announcement of hiring. For the purpose of layoff, seniority will be defined as the employee's length of continuous service within their classification, and in case of a tie, their length of continuous service with the County in a regular full-time or regular part-time status. Where there is an applicable collective bargaining agreement, the order of layoff and other related provisions will be determined as provided in the respective collective bargaining agreement.
 - iii. Employees laid off will be given two (2) weeks' notice in writing or, at the option of the Employing Official, two weeks' severance pay.
 - iv. Laid off employees are eligible for recall or re-employment for a period of one (1) year from their effective date of layoff.

2. Recall Within Department of Layoff:

- a. When the County rehires in a department after a layoff has occurred, the County will first attempt to rehire those employees who were laid off from the affected classification within the department in the reverse order of layoff. Laid off employees will also be considered, if available for work, for positions at the same pay range or lower classifications. Laid off employees must meet the minimum qualifications for the position to be considered for recall.
- b. Recalled employees will return with credit for continuous service at time of layoff. See Chapter 7 for continuous service adjustment information.
- c. Notification of recall will be delivered by registered mail and employee response is required within ten days of notification. Employees who refuse recall or who fail to respond will relinquish their recall rights.

3. Re-Employment in Other Departments:

- a. Laid off employees may request to be considered for re-employment in other County Departments in classifications at the same or lower pay range. The laid off employee must meet the minimum qualifications for the position to be considered for re-employment.
- b. Re-employed employees will return with credit for continuous service at time of layoff. See Chapter 7 for continuous service adjustment information.
- c. Re-employment in other departments is at the discretion of the Employing Official.

SECTION C INVOLUNTARY TERMINATION OF EMPLOYMENT

Employees may be involuntarily terminated. A pre-termination hearing opportunity is required unless the employee is at-will (see Chapter 11).

SECTION D RETURN OF COUNTY PROPERTY

All employees terminating employment with the County whether by resignation, retirement, discharge, or layoff are required to turn in all County property to their supervisor on their last day worked or on a day mutually agreed upon with the supervisor. Any and all costs associated with returning County property will be at the former employee's expense and is not eligible for reimbursement.

SECTION E FINAL PAY

Terminated employees will receive in their final pay, if applicable after any final deductions, pay for wages due, accrued and unused annual, unused floating holiday, accrued compensatory time earned, etc. If an employee received an overpayment of wages and/or benefit contributions in a previous payment in error, or the employee owes monies for any reason, the County will provide, in writing to the employee, notification of the overpayment and repayment requirements pursuant to Washington State Law (RCW 49.48.200 and 49.48.210).

SECTION F INQUIRIES REGARDING CURRENT AND/OR SEPARATED EMPLOYEES

Verifications of employment must be referred to the Human Resources Department. Departments are asked not to complete forms prior to contacting the Human Resources Department. The County will only verify an employee's name, job title, salary, and employment dates, unless authorized in writing by the employee or required by federal law, state law, or a court order.

2. Although personnel files are considered confidential, the County may be obligated to release certain personnel information to labor organizations or to other entities or individuals making a valid request under state or federal law, (e.g., Washington State's Public Disclosure Act--Chapter 42.56 RCW). Except for routine verifications of employment, no information from an employee's official personnel file is released to the public, including the press, without a written request for specific information. The decision to release or not release information is made by the Director.
3. Other personnel records and files that are specifically exempt from public disclosure by statute, such as test questions, scoring keys and other materials used in the preparation and administration of employment examinations, residential addresses and telephone numbers, social security numbers, names of dependents, resumes, or applications for employment, will generally be considered confidential and not be subject to public disclosure unless specifically designated as subject to public disclosure by the Director, or by law. Any employee who fails to maintain the confidentiality of personnel records and files will be subject to disciplinary action.
4. Medical and financial information relating to employees must be maintained in a restricted-access file separate from the employee's personnel file.

SECTION C EMPLOYEE ACCESS TO PERSONNEL FILES

1. Each employee may review the contents of their own personnel file. Requests for inspection of personnel files are made to the Human Resources Department. An authorized staff member will schedule a time and place for the employee to review the file during normal and customary office hours.
2. Personnel files are not to be removed from the Human Resources Department without prior specific approval from the Director.

SECTION D CHALLENGES TO THE PROPRIETY OF DOCUMENTS IN PERSONNEL FILES

An employee may challenge the propriety of any document in the personnel file. If, after discussion, the County retains the material in the file, the employee will have the right to insert contrary documentation into the file. If the affected employee believes that a deficiency has been corrected by later action, they may request in writing to have documentation of this action included in the file.
