SECTION VI. LEGAL REMEDIES

Nothing in this Contract shall be construed to limit either party's legal remedies including, but not limited to, the right to sue for damages or specific performance should either party

SECTION VII. VENUE AND CHOICE OF LAW

If Contractor violates or permits violation of Contract terms or conditions, Contractor shall repay to the Consortium the amount of funds directly related to the violation. If a Contract cost is disallowed after reimbursement, a debt will be established according to an audit Final Findings and Determination (FF&D) process. Per the Debt Collection Act of 1982, interest shall start accruing after the debt has been established for 30 days and will continue until the debt is settled. The rate of interest assessed shall be the current value of funds to the U.S. Treasury. A penalty charge of six percent a year shall be charged on any portion of the debt more than 90 days past due. In addition, an administrative charge of one percent to cover the costs of processing and handling delinquent claims shall be assessed. - a. Liability may include repayment of questioned costs incurred because of an ineligible person's participation in State EcSA programs. The Contractor assures the Consortium that it has, on hand, sufficient funds available in a general or an administrative contingency fund from which repayment of questioned costs could be made.
- b. The Contractor agrees to work with the County in seeking settlements or resolutions of questioned costs and agrees, if necessary, to assist with seeking resolutions of questioned costs from the State of Washington ESD.
- c. In the case of a participant's ineligibility and any associated disallowed costs, which are the result of the participant's misrepresentation, fraudulent intent or acts of omission, wherein information was withheld that was necessary for a correct eligibility determination, the liability will be the participants. Upon determination by the Consortium that the liability for the disallowed costs is the participant's, the Contractor will make reasonable efforts to secure repayment of those costs from the participant. If the Contractor is unable to collect repayment, the Contractor and the Consortium will mutually share the repayment of disallowed costs when repayment is required by the State of Washington ESD.

6. Allowable Costs

Contractor shall comply with the guidelines set forth in State EcSA Provisions and Consortium requirements for all expenditures made under this Contract for which reimbursement is to be sought. Contractor shall ensure that the financial management systems used for such expenditures will provide the necessary internal controls, accounting records and reporting systems to meet the prescribed standards.
