This purpose of this Agreement is to provide to Poulsbo Fire with funding in the amount of \$488,000 dollars for the purpose of implementing a street medicine team (SM Team) pilot program (SM Program) in support of unhoused populations in accordance with the legislative mandate in ESSB 5950.

5. Section III. Billing and Payment: Shall be amended as follows:

Kitsap County, as the Contractor for the HCA under the HCA Contract, will be the contact for all communications regarding performance and deliverables under

this Agreement. Poulsbo Fire will send an invoice to the Kitsap County Department of Human Services for reimbursement for expenses incurred monthly. Invoices are due by the 15th of each month. Kitsap County has 30 days to process the invoice from receipt of invoice submission. Invoices must describe and document to the Kitsap County Contract Manager's satisfaction a description of the work performed, the progress of the project, and fees. All invoices and deliverables will be approved by the Kitsap County Contract Manager prior to payment. Approval will not be unreasonably withheld or delayed.

If expenses are invoiced, invoices must provide a detailed breakdown of each type. Expenses of \$50 or more must be accompanied by a receipt per HCA rules (see attached HCA Contract and Statement of Work).

Reimbursement shall not exceed \$488,000.

6. Attachment 1: Statement of Work (SOW) has been deleted and replaced with a new Statement of Work (SOW).
7. Attachment 3: KC-318-24-A HCA Street Medicine Contract Amendment K7755-1 has been added.

Insurance. If this Amendment extends the expiration date of the Contract, then the Contractor shall provide an updated certificate of insurance evidencing that any required insurance coverages are in effect through the new contract expiration date. The Contractor shall submit the certificate of insurance to: Kitsap County Risk Management Division, 614 Division Street, MS-7, Port Orchard, WA 98366

Terms Unchanged. Except as expressly provided in this Amendment, all other terms and conditions of the original Agreement, and any subsequent amendments, addenda or modifications thereto, remain in full force and effect.

Authorizations. The signatories to this Amendment represent that they have been appropriately authorized to enter into this Amendment on behalf of the Party for whom they sign, and that no further action or approvals are necessary before execution of this Amendment.

Counterparts/Electronic Signature. The Contract may be executed in several counterparts, each of which will be deemed an original, but all of which together will constitute one and the same agreement. A facsimile, email, or other electronically delivered signatures of the parties shall be deemed to constitute original signatures and deemed to constitute duplicate originals.

## **ATTACHMENT 1: STATEMENT OF WORK**

The contractor will provide street medicine services and will staff street medicine (SM) teams as such, and otherwise do all things necessary for, or incidental to, the performance of work as described in this statement of work (SOW).

Period of performance July 1<sup>st</sup>, 2024, and be completed on or before June 30<sup>th</sup>, 2027 unless terminated sooner or extended.

### **1. Purpose**

The purpose of this agreement is to contract with five municipalities – King County, City of Spokane, City of Tacoma, City of Everett and Kitsap County to implement SM teams in support of the unhoused populations. This document outlines performance expectations, reporting requirements and deliverables for this initiative. HCA will incorporate elements of these to submit a legislative report due June 2025 outlining the implementation of the SM program with recommendations for maximizing leveraging of federal Medicaid match and further expansion of the SM model.

Funding for SM program is only to be used for expenses incurred related to direct service delivery of SM clients. Allowable uses of funding:

- i. Staffing for SM teams
- ii. Capital equipment for SM teams
- iii. Operating expenses for SM teams for medical and other supplies, lab services, vehicle maintenance, and incidental costs.

### **2. Performance Expectations**

The contractor will be responsible for all internal staffing, training, and any technology requirements necessary to implement the expectations outlined in this contract. In addition, the contractor shall ensure funds are responsibly used towards the care core components of SM.

- 2.1 The main objectives of the Street Medicine program are to reduce health disparities and to improve health outcomes among the unhoused population.
- 2.2 The contractor will implement a street medicine team that will provide direct care to the unhoused population which includes but is not limited to unhoused people living in encampments, tent cities, living in cars, under bridges and in the woods.
- 2.3 The contractor will engage and collaborate with community stakeholders to develop the components needed for a successful SM program. The contractor will report the functions of the SM team and report a policy that includes organizational structure of SM teams, standard referral procedures and protocols to ensure continuity of care, liability coverage, data reporting systems, medication dispensing as well as proper safety guidelines for the SM team.
- 2.4 The contractor will meet with HCA SM program manager on a frequency as determined by the SM program manager.

- 2.5 The contractor will participate in a Street Medicine Learning Collaborative with other Street Medicine participants on a frequency as determined by SM program manager.
- 2.6 The contractor will assemble a SM team comprising the following makeup:
  - 2.6.1 a MD/DO or Physician Assistant (PA) or Nurse Practitioner (NP) , AND
  - 2.6.2 a behavioral health specialist (masters level).
  - 2.6.3 The SM team may include a community health worker (with preferred lived experience) or certified peer counselor (CPC).
  - 2.6.4 SM teams should be comprised, at a minimum, a pair of individuals or a makeup of 3 to 4 people depending on staffing needs. Staffing will be flexible and scalable depending on location.
- 2.7 The contractor will provide and support regular quarterly (4 sessions per year) trainings for the SM team to cover key SM protocols such as clinical guidelines, infection and infestation prevention, skills to prevent and de-escalate crises, situational awareness and safety precautions in a range of settings, understanding boundaries between street medicine and law enforcement, street medicine 911 protocols, safety precautions for transporting individuals and staff well-being that includes self-care and burnout prevention.
- 2.8 The contractor will coordinate, collaborate and communicate with community stakeholders as well as law enforcement agencies.
- 2.9 The contractor will ensure there is close collaboration as well as wraparound health services and referrals between SM teams and:
  - 2.9.1 Primary care providers (including but not limited to Federally Qualified Health Centers, community clinics or other primary care providers) to assist the unhoused population with establishing longitudinal primary care appointments.
  - 2.9.2 Behavioral health providers including but not limited to mental health services, substance use disorder services (such as harm reduction and care services, Health Engagement Hubs, Syringe Services Providers)
- 2.10 The contractor will ensure SM teams will provide the following scope of services:
  - 2.10.1 Basic medical care, including but not limited to urgent care (addressing acute medical concerns), infectious disease control (HIV screening, HCV screening and treatment, wound and foot care), medication counseling, prescribing, and distribution of medications.
  - 2.10.2 Behavioral health services
  - 2.10.3 Substance use disorder services, including provision of harm reduction supplies as appropriate
  - 2.10.4 Care coordination and case management services, such as:

- 2.10.4.1 Wraparound health services and referrals, including referrals to appropriate clinical and non-clinical services
- 2.10.4.2 Medical and psychosocial case management,
- 2.10.4.3 Provision of life necessities as able (providing free materials such as hygiene supplies, food/water and some clothing),
- 2.11 The contractor will ensure that SM teams will be held to the same standards as any healthcare facility delivering medical care and includes clinical record keeping and licensing requirements. In addition, the contractor will establish a quality assurance (QA) and quality improvement (QI) plan for SM teams.
- 2.12 Contractor to meet with HCA on a quarterly schedule to discuss progress on contract work, including successes and challenges. Additional meetings as needed by the contractor.
- 2.13 The contractor will set up billing systems and bill for services eligible for Medicaid reimbursement and include details in final report.

### **3. Reporting:**

The contractor will submit quarterly reports due the last business day of the month after end of quarter to include the following:

- 3.1 Individuals on SM teams who attended quarterly training during the reporting period and report the training on an attendance sheet to include date/time and duration of time, type of training involved, name of personnel attending the training, and instructor/title providing the training.
- 3.2 Data collection. The contractor will collect and report on the following data elements on a quarterly basis.
  - 3.2.1 Program information
    - 3.2.1.1 Quarterly staffing report including number and type of providers.
    - 3.2.1.2 Total number of sites visited to include date/time/location and participating staff.
