Date of Execution-June 30, 2025

1. Purpose

Provide Housing and Recovery through Peer Services (HARPS) services through regional supportive housing projects in Clallam, Jefferson and Kitsap Counties that:

- 1.1. Assist individuals transitioning from institutional settings into permanent supportive housing;
- 1.2. Provide the basis for supportive housing services; and
- 1.3. Provide integration opportunities between state hospitals, Evaluation and Treatment Center (E&T), inpatient substance abuse treatment services and Behavioral Health Administrative Services Organizations (BH-ASOs).

2. Definitions

- 2.1. Certified Peer Counselor – Certified Peer Counselors work with individuals and parents of children receiving mental health or SUD services. They use their own lived experiences to help their peers find hope and to support their recovery.
- 2.2. Continuums of Care – The term “continuum of care” refers to the practice of providing consistent and coordinated health care for a patient over a period of time and across the spectrum of care.
- 2.3. Coordinated Entry (CE) – A program that aims to promote processes in the Balance of State Continuum of Care that serve and build power for people disproportionately impacted by homelessness and to ensure homelessness for all households is rare, brief and one time. CE promotes system-wide coordination for a more effective and strategic response to homelessness.
- 2.4. Co-Occurring Disorder – When a mental illness and substance use are present in an individual's diagnosis.
- 2.5. Detox Center – A facility that seeks to medically stabilize patients, minimize their withdrawal symptoms, prevent the potentially harmful effects of withdrawal, and help them transition into a substance abuse rehabilitation program or other form of continued care.
- 2.6. Division of Behavioral Health & Recovery (DBHR) - HCA division that integrates state-funded (Medicaid) services for substance use, mental health and problem gambling. Providing funding, training, and technical assistance to community-based providers for prevention, intervention, treatment, and recovery support services to people in need.
- 2.7. Evidence Based Practice (EBP)
 - 2.7.1. Even though HARPS will not require high fidelity to the Permanent Supportive Housing (PSH) model, HCA encourages sites to become familiar with the dimensions of EBP PSH.
 - 2.7.2. A link to the SAMHSA PSH toolkit can be found at <https://www.samhsa.gov/resource/ebp/permanent-supportive-housing-evidence-based-practices-ebp-kit>

- 2.8. Evaluation & Treatment Center – Any facility which can provide directly, or by direct arrangement with other public or private agencies, emergency evaluation and treatment, outpatient care, and timely and appropriate inpatient care to persons with behavioral health needs and who may be under civil commitment.
- 2.9. Fair Market Rental Housing (FMR) – An estimate of the amount of money that would cover gross rents (rent and utility expenses) on 40% of the rental housing units in an area.
- 2.10. Fidelity Review – A cross-site learning collaborative approach to fidelity to the model as well as a continuous quality assurance.
- 2.11. Foundational Community Supports (FCS) – A program offering benefits for supportive housing and supported employment for Apple Health-eligible beneficiaries with complex needs.
- 2.12. Housing and Recovery through Peer Services (HARPS) – A program that provides supportive housing services and short-term housing bridge subsidies to at risk individuals. At risk individuals are defined as people who are exiting, or at risk of entering inpatient behavioral healthcare settings and are homeless or at risk of homeless (including couch surfing).
- 2.13. HARPS Housing Bridge Subsidy(ies) – Short-term, bridge subsidies to assist individuals with costs associated with housing such as application fees, deposits, first/last month's rent etc.
- 2.14. HCA Discharge Analyst – The HCA position responsible for coordinating State Psychiatric Hospital Orientation sessions with providers and state hospitals.
- 2.15. Housing Case Manager/Supervisor – A housing case manager provides services to adults and at-risk youth who are homeless or otherwise in need by assisting them throughout the process of applying for program assistance and finding a safe and affordable apartment or house.
- 2.16. Housing Services – Supportive housing services are a combination of affordable housing and supportive services designed to help vulnerable individuals and families use stable housing as a platform for health, recovery and personal growth.
- 2.17. Participant(s) – Individuals receiving services and/or subsidies related to this contract.
- 2.18. Peer Bridgers – People who deliver peer support services to individuals in state hospitals prior to discharge and after their return to their communities. The Peer Bridger develops a relationship of trust with the participant.
- 2.19. Program Data Acquisition, Management and Storage (PDAMS) – HCA's software solution that allows for multiple data submission options where Contractor shall enter information about the participants they serve. Information reported is included in Attachment 2, HARPS Quarterly Report.
- 2.20. Permanent Supportive Housing (PSH)
 - 2.20.1. PSH is decent, safe, and affordable community-based housing model that provides tenants with the rights of tenancy under state and local landlord-tenant laws and is linked to voluntary and flexible support and services designed to meet tenants' needs and preferences.
 - 2.20.2. PSH makes housing affordable to someone on Supplemental Security Income (SSI), either through rental assistance or housing development, by providing sufficient wraparound support to allow people with significant support needs to remain in the housing they have chosen.

2.20.3. Dimensions of PSH EBP include:

- 2.20.3.1. Choice in housing and living arrangements;
- 2.20.3.2. Functional separation of housing and services;
- 2.20.3.3. Decent, safe, and affordable housing;
- 2.20.3.4. Community integration and rights of tenancy;
- 2.20.3.5. Access to housing and privacy;
- 2.20.3.6. Flexible, voluntary, and recovery-focused services.

- 2.21. Residential Treatment Center – A residential treatment center provides intensive, comprehensive assessment and care for individuals dealing with complex mental health and/or addiction issues.
- 2.22. State Hospitals – State Hospitals are hospitals funded and operated by the government of a state.
- 2.23. State Psychiatric Hospital – The hospitals' responsibility is to evaluate and treat state residents with the most complicated mental illnesses. The goal is to stabilize the patient sufficiently that he or she can return to the community as quickly as possible. While at the state hospitals, patients live on locked wards.
- 2.24. Substance Abuse and Mental Health Services Administration (SAMHSA) – A federal government agency within the Department of Health and Human Services that leads public health efforts to improve the behavioral health of the nation.
- 2.25. Substance Use Disorder (SUD) – is a problematic pattern of substance use that affects your health and quality of life. It's treatable.
- 2.26. Treatment Team(s) – Interdisciplinary teams composed of individuals who work together to meet the physical, medical, psychosocial, emotional, and therapeutic needs of others. They include the person being offered or provided specific services and can include mental health counselors, case managers, doctors, Certified Peer Counselors, and others.

3. Work Expectations

3.1. Staffing Strategy

- 3.1.1. Create a HARPS Team to consist of:
 - 3.1.1.1. 1 FTE, Housing Case Manager/Supervisor; and
 - 3.1.1.2. 2 FTE, Certified Peer Counselors.
- 3.1.2. Work with the HCA Contract Manager to finalize Certified Peer Counselor job descriptions, and shall include, but not limited to the following principal duties and responsibilities:
 - 3.1.2.1. Provide peer counseling and support with an emphasis on enhancing access to and retention in permanent supported housing;
 - 3.1.2.2. Draw on common experiences as a peer, to validate participants' experiences and to provide empowerment, guidance, and encouragement to participants to take responsibility for and actively participate in their own recovery;

- 3.1.2.3. Serve as a mentor to Participants to promote hope and empowerment;
- 3.1.2.4. Provide education and advocacy around understanding culture-wide stigma and discrimination against people with mental illness and develop strategies to eliminate stigma and support Participant participation in consumer self-help programs and consumer advocacy organizations that promote recovery;
- 3.1.2.5. Teach symptom-management techniques and promote personal growth and development by assisting clients to cope with internal and external stresses;
- 3.1.2.6. Coordinate services with other behavioral health and allied providers; and
- 3.1.2.7. Other components, as approved by the HCA Contract Manager.
- 3.1.3. Verify that HARPS team members meet education, experience, and knowledge requirements.
 - 3.1.3.1. Two of the FTEs must be Certified Peer Counselors certified by the state or complete certification within six months of hire;
 - 3.1.3.2. The Certified Peer Counselors must have good oral and written communication skills;
 - 3.1.3.3. Must have a strong commitment to the rights and the ability of each person to live in normal community residences; work in competitive market-wage jobs; and have access to helpful, adequate, competent, and continuous supports and services in the community of their choice; and
 - 3.1.3.4. It is essential the Certified Peer Counselors have skills and competence to establish supportive trusting relationships with persons living with severe and persistent mental illnesses and/or SUD and respect for clients' rights and personal preferences in treatment is essential.
 - 3.1.3.5. Supervisor.
 - A. Should have supportive housing background and able to mentor Peers in their role of peer/supportive housing specialist duties;
 - B. If the HARPS supervisor does not have Mental Health Professional (MHP) credentials, then the project needs to demonstrate access to MHP for clinical supervision; and
 - C. This position should carry a reduced HARPS caseload.

3.2. How Contractor shall find Participants.

- 3.2.1. Contractor will accept referrals from Western State Hospital and Eastern State Hospital, other inpatient behavioral health care settings; and
- 3.2.2. Marketing/Outreach, as approved by the HCA Contract Manager.

3.3. Participation in Trainings, Conference Calls and Program Meetings.

3.3.1. HCA Contract Manager will work with Contractor to identify training dates for the trainings listed below.

3.3.1.1. Fidelity Review Training.

- A. HCA will provide Fidelity Review training on the SAMHSA model Evidence-Based Practice (EBP) of PSH;
- B. Virtual and recorded options may be made available;
- C. Contractor shall send a minimum of two (2) FTEs from the HARPS Team to attend the PSH Fidelity Review training in person or at a virtual training; and
- D. If it is a recorded training, Contractor shall take a screen shot or print completion of the course and send to the HCA Contract Manager.

3.3.1.2. **PSH Fidelity Review.** HCA will also include Contractor in the facilitation of an actual PSH Fidelity Review. Contractor shall send a minimum of one (1) FTE from the HARPS Team to attend and participate in the PSH Fidelity Review of another HARPS Team.

3.3.2. Monthly Administrative Conference Calls. Calls will be scheduled on the last Monday of each month.

3.3.3. Quarterly One-on-One Program Meetings. Meetings are scheduled once each quarter to review:

- 3.3.3.1. Housing services;
- 3.3.3.2. Peer services; and
- 3.3.3.3. Data entered into PDAMS;

3.4. **State Psychiatric Hospital Presentation.** Each HARPS Team will designate two (2) regional HARPS Peers to provide a HARPS presentation at Western State Hospital or Eastern State Hospital at minimum of once per year.

3.4.1. Contractor shall work with HCA State Hospital Discharge Analyst (janie.hanson@hca.wa.gov) to schedule and coordinate presentation;

3.4.2. Locations will be at Western State Hospital or Eastern State Hospital;

3.4.3. Frequency will be once per year;

3.4.4. Components of the presentation will include services offered such as assessment, intake, goal setting, peer services, short term housing subsidies and housing; and

3.4.5. Contractor invoice for presentation will be approved for payment, upon confirmation by the HCA Discharge Analyst.

3.4.6. Presentations will be for either hospital staff or hospital residents.

3.5. Provide Services

3.5.1. Determine Participant Eligibility.

3.5.1.1. Individuals who are experiencing:

- A. Serious mental illness;
- B. SUD;
- C. Co-Occurring Disorder, and/or
- D. who are homeless/at risk of homelessness with a broad definition of homeless (couch surfing included).

3.5.1.2. Individuals who are released from or at risk of entering:

- A. Psychiatric Inpatient settings; and
- B. SUD treatment inpatient settings.

3.5.2. Caseload Size.

3.5.2.1. Caseload must be such that the HARPS Teams can manage and have flexibility to be able to provide the intensity of services required for each individual, according to the medical necessity of each individual;

3.5.2.2. HARPS Housing Specialists must have the capacity to provide multiple contacts per week with individuals exiting or recently discharged from inpatient behavioral healthcare settings, making changes in a living situation or employment, or having significant ongoing problems in maintaining housing;

- A. These multiple contacts may be as frequent as two to three times per day, seven days per week, and depend on individual need and a mutually agreed upon plan between individuals and program staff; and
- B. Many, if not all, staff must share responsibility for addressing the needs of all individuals requiring frequent contact.

3.5.3. Appeals and Denials. HARPS programs are encouraged to have Housing Service policies in place to address appeals and denials.

3.5.4. Response Time.

3.5.4.1. HARPS Teams must have a response contact time of no later than three (3) calendar days upon an individual's discharge from a behavioral healthcare inpatient setting, such as an Evaluation & Treatment Center, Residential Treatment Center, Detox Center, or State Psychiatric Hospital. Responses include:

- A. Meetings with patients before discharge to establish housing goals and resources, basic needs and community integration; and
- B. This may include in person, virtual, and over the phone consultation.

- 3.5.4.2. HARPS Teams must have the capacity to rapidly increase service intensity and frequency to an individual when his or her status requires it or if an individual requests it.
- 3.5.5. Supportive Housing Services. HCA estimates that 50% of individuals accessing HARPS Housing Bridge Subsidy funding will receive supportive housing services from HARPS teams each year. HARPS Teams must have the capability to provide support services related to obtaining and maintaining housing.
 - 3.5.5.1. Values. Service coordination must incorporate and demonstrate basic recovery values. The individual will have choice of their housing options, will be expected to take the primary role in their personal Housing Plan development, and will play an active role in finding housing and decision-making;
 - 3.5.5.2. Peer/Housing Specialist Roles. Each HARPS Participant will be assigned a Peer Specialist or Housing Specialist who assist in locating housing, and resources to secure housing, as well as maintain housing;
 - A. Offer information regarding options and choices in the types of housing and living arrangements;
 - B. Advocate for the individual's tenancy needs, rights (including The American with Disabilities Act (ADA) Accommodations), and preferences to support housing stability; and
 - C. Coordination with community resources, including consumer self-help and advocacy organizations that promote recovery.
 - 3.5.5.3. Assessment and Planning
 - A. Assess housing needs, seek out and explain the housing options in the area, and resources to obtain housing;
 - B. Assist Participants to find and maintain a safe and affordable place to live, apartment hunting, finding a roommate, landlord negotiations, cleaning, furnishing and decorating, and procuring necessities (telephone, furniture, utility hook-up); and
 - C. Identify the type and location of housing with an exploration of access to natural supports and the avoidance of triggers (such as a neighborhood where drug dealing is prolific if the participant has a history of substance use).
 - D. Participant Housing Plan
 - i. Contractor shall collaborate with each Participant to create an individualized, strengths-based housing plan that includes action steps for when housing related issues occur; and
 - ii. As with the treatment planning process, the Participant will take the lead role in setting goals and developing the housing plan.

3.5.5.4. Housing Search and Placement. Services or activities designed to assist households in locating, obtaining, and retaining suitable housing.

- A. Tenant counseling;
- B. Assisting households to understand leases;
- C. Securing utilities;
- D. Making moving arrangements;
- E. Representative payee services concerning rent and utilities; and
- F. Mediation and outreach to property owners related to locating or retaining housing.

3.5.5.5. Landlord/Property Manager Engagement and Education

- A. Direct contact with landlords/property managers on behalf of Participants;
- B. Ongoing support for the Participants and landlords/property managers to resolve any issues that might arise while the Participant is occupying the rental;
- C. Recruit and cultivate relationships with landlords and property management agencies, leading to more housing options for HARPS Participants;
- D. Make use of printed materials and in-person events, such as landlord organization or rental housing association meetings, to educate landlords and property managers about the benefits of working with supportive housing providers, individuals with treated behavioral health conditions, subsidies, housing quality and safety standards, and the Department of Commerce's Landlord Mitigation Program (<https://www.commerce.wa.gov/landlord-fund>);
- E. Educate Participants on factors used by landlords to screen out potential tenants; and
- F. Mitigate negative screening factors by working with the Participants and landlords/property managers to clarify or explain factors that could prevent the individual from obtaining housing.

3.5.5.6. Housing Stability. Includes activities for the arrangement, development, coordination, securing, monitoring, and delivery of services related to meeting the housing needs of individuals exiting or at risk of entering inpatient behavioral healthcare settings and helping them obtain housing stability.

- A. Developing an individualized housing and service plan, including a path to permanent housing stability subsequent to assistance;
- B. Referrals to Foundational Community Supports (FCS) supportive housing and supported employment services;
- C. Seeking out and assistance applying for long-term housing subsidies;

- D. Affordable Care Act (ACA) activities that are specifically linked to the household's stability plan;
- E. Activities related to accessing Work Source employment services;
- F. Referrals to vocational and educational support services such as Division of Vocational Rehabilitation (DVR);
- G. Monitoring and evaluating household progress;
- H. Assuring that households' rights are protected; and
- I. Applying for government benefits and assistance including using the evidence-based practice SSI/SSDI through SSI/SSDI Outreach, Access, and Recovery (SOAR).

3.5.5.7. Facilitate Housing Subsidies.

- A. Background. The budget for the HARPS Housing Bridge Subsidy is short-term funding to help reduce barriers and increase access to housing.
- B. Region. HARPS supportive housing services can be localized, but subsidies are to serve the whole region.
- C. HCA will issue quarterly State General Fund payments of \$125,000.00 to Contractor to utilize as short-term bridge subsidies for HARPS eligible individuals.
- D. HCA will issue one-time State General Fund payment of \$100,000.00 to the Contractor to utilize as short-term bridge subsidy for HARPS SUD only eligible individuals. HARPS SUD short-term bridge subsidy funds are a direct result of [2021 ESB 5476](#).
- E. Any unspent subsidy funds, minus administrative costs, will be returned to HCA at the end of the state fiscal year, June 30, 2025.
 - i. Indirect/Administrative Costs. Contractor may use 10% of quarterly payment for administrative expenses which are not reimbursed through any other source. Expenses may include, but are not limited to:
 - a. Staff;
 - b. Staff expenses relevant to issuing subsidies in a manner consistent with the HARPS Housing Bridge Subsidy Guidelines; and
 - c. Other expenses, as approved by the HCA Contract Manager.

ii. Direct and Indirect Cost Breakdown:

a. General Fund Subsidy

| Subsidy | Direct Costs (Reimbursable to HCA if unused) | 10% Indirect Costs (Kept by Contractor) | Total Subsidy |
|-------------------------|--|--|------------------|
| Quarterly Payment | \$113,636.36 | \$11,363.64 | \$125,000.00 |
| x 4 quarterly payments | | | |
| Total Annual Subsidy | \$454,545.44 | \$45,454.56 | \$500,000.00 |

b. SUD Subsidy

| Subsidy | Direct Costs (Reimbursable to HCA if unused) | 10% Indirect Costs (Kept by Contractor) | Total Subsidy |
|---------------|--|--|------------------|
| Total Subsidy | \$90,909.91 | \$9,091.09 | \$100,000.00 |

F. Quarter Date Range

| Q# | Date Range |
|----|--------------------|
| 1 | July – September |
| 2 | October – December |
| 3 | January – March |
| 4 | April – June |

G. SMI. Contractor may provide up to \$500,000.00 in subsidies for individuals with SMI. Contractor shall notify the HCA Contract Manager if quarterly subsidies provided are significantly under or over the estimated figures.

- i. Contractor shall prioritize quarterly subsidy funds to serve individuals with SMI.
- ii. Estimated Subsidy per Individual. HARPS Bridge Subsidies are estimated to average at \$2,500.00 per person.

This estimation was developed for budget purposes only and regions may adjust as needed to meet Fair Market Rental Housing rates as long as the Contractor stays within contracted amount.

H. SUD. Contractor may provide up to \$100,000.00 in subsidies for individuals with SUD.

I. Subsidy Time Criteria

- i. HARPS Bridge Subsidies are temporary in nature and should be combined with other funding streams, whenever possible, to leverage resources to assist individuals in obtaining and maintaining a permanent residence.

- ii. HARPS teams are encouraged to work with Department of Commerce and the long-term housing subsidies available through the Community Behavioral Health Rental Assistance (CBRA) program.
- iii. Individuals exiting detox, 30, 60, and 90-day inpatient SUD treatment facilities, residential treatment facilities, state hospitals, E&T's, local psychiatric hospitals and other inpatient behavioral healthcare settings could receive up to 3 months of housing 'bridge' subsidy.

J. Allowable Expenses

- i. Monthly rent and utilities, and any combination of first and last months' rent for up to three (3) months. Rent may only be paid one month at a time, although rental arrears, pro-rated rent, and last month's may be included with the first month's payment.
- ii. Rental and/or utility arrears for up to three months. Rental and/or utility arrears may be paid if the payment enables the household to remain in the housing unit for which the arrears are being paid or move to another unit. The HARPS Bridge Subsidy may be used to bring the program participant out of default for the debt and the HARPS Peer Specialist will assist the participant to make payment arrangements to pay off the remaining balances.
- iii. Security deposits and utility deposits for a household moving into a new unit.
- iv. HARPS rent assistance may be used for move-in costs including but not limited to deposits and first months' rent associated with housing, including project- or tenant-based housing.
- v. Application fees, background and credit check fees for rental housing.
- vi. Lot rent for Recreational Vehicle (RV) or manufactured home.
- vii. Costs of parking spaces when connected to a unit.
- viii. Landlord incentives (provided there are written policies and/or procedures explaining what constitutes landlord incentives, how they are determined, and who has approval and review responsibilities).
- ix. Reasonable storage costs.
- x. Reasonable moving costs such as truck rental and hiring a moving company.
- xi. Hotel/Motel expenses for up to 30 days if unsheltered households are actively engaged in housing search and no other shelter option is available.

- xii. Temporary absences. If a household must be temporarily away from his or her unit, but is expected to return (e.g., participant violates conditions of their Department of Corrections (DOC) supervision and is placed in confinement for 30 days or re-hospitalized), HARPS may pay for the households rent for up to 60 days. While a household is temporarily absent, Participants may continue to receive HARPS services.
- xiii. Rental payments to Oxford houses or Recovery Residences on the Recovery Residence Registry located at <https://hca-tableau.watech.wa.gov/t/51/views/ResidenceOxfordHouseLocations/Dashboard?isGuestRedirectFromVizportal=y&embed=y>.

 - ii. Legal and advocacy services;
 - iii. Accessing financial support such as government benefits and entitlements (SSI, SSDI, veterans' benefits);
 - iv. Accessing housing subsidies (HUD Section 8);
 - v. Money-management services (e.g., payee services, budgeting, managing credit score, financial wellness); and
 - vi. Use of public transportation.

3.5.5.9. Hospital Liaison Coordination. The BHASO's hospital liaison must actively coordinate the transition of individuals from behavioral healthcare inpatient treatment center discharge to the HARPS Team in the community of residence in order to minimize gaps in outpatient health care, and housing.

3.5.5.10. Crisis Assessment and Intervention Coordination. Behavioral Health Crisis assessment and intervention must be available 24-hours per day, seven days per week through the BHASO's crisis system.

- A. Services must be coordinated with the assigned Care Coordinator.
- B. These services include telephone and face-to-face contact.

3.5.5.11. Education Services Linkage

- A. Supported education related services are for individuals whose high school, college or vocational education could not start or was interrupted and made educational goals a part of their recovery (treatment) plan.
- B. Services include providing support to applying for schooling and financial aid, enrolling and participating in educational activities or linking to supported employment/supported education services.

3.5.5.12. Supported Employment - Vocational Services Linkage. Services to help individuals value, find, and maintain meaningful employment in community-based job sites.

- A. Job development and coordination with employers;
- B. A component of the Participant's recovery (treatment) plan or linkage to supported employment;
- C. Assist with referrals to job training and supported employment services provided by Foundational Community Supports (FCS) or Division of Vocational Rehabilitation (DVR) or other supports;
