Christine Rolfes, Chair
614 Division Street, MS-5
Port Orchard, WA 98366

Dear Ms. Rolfes,

Attached please find a copy of your contract for State Fiscal Year 2026. Please note that this contract reflects only General State Funds, and we are waiting for federal funds which is dependent on Congressional action.

The overall amount of funding this year is expected to be lower. This year the total GFS funding (so far) received from Commerce is \$2,519,370. Commerce increased their administrative rate from 5% to 7%- this equates to about a \$49,000 decrease in overall funds. We have not been given an estimate for the federal funding yet.

We made changes to the titles of the funding categories, and will track invoices by state general funds and by federal funds. This is based on feedback received from local host entities.

Please note the following:

1. Two funding categories have been removed. The "Adult Family Home Proviso" funds are now combined with the "LTCOP Base" funding. There is no need to track AFH expenses separately. The "Proviso" category is added to comport with Commerce's funding categories. There is no difference in the type of work by funding centers.
2. The "HB1402 funding" has been removed from contracts. For simplicity, we allocated the "HB1402" funding to the State Office and legal contractor expenses. This decision had no impact on the funding levels for local entities, the State LTCOP or program attorneys.
3. Most but not all local entities have carry over federal funds (Title VII and/or Title III from your current amendment) which expires September 30, 2025. Carry over federal funds are not reflected in the new contracts.
4. For those who have carry over federal funds, we will send a total remaining amount as of July 1, 2025 in a separate email to you.

To execute this contract amendment for payment a "DOCUSIGN" will be forwarded to your CEO/ED or their designee:

1. Please review and sign the contract Face sheet (via DOCUSIGN)
2. Please complete the budget. We have included a budget template with this email. Please return the budget to vannaht@mschelps.org to execute this contract.

If you have any questions or concerns, please contact Patricia Hunter, State LTC Ombuds at Cell: 253/263-6573 or by email at stateombuds@mschelps.org

(C) The disclosure is required by court order;

(iv) Exclusion of the Ombudsman and representatives of the Office from abuse reporting requirements, including when such reporting would disclose identifying information of a complainant or resident without appropriate consent or court order, except as otherwise provided in §1327.19(b)(5) through (8); and

(v) Adherence to the provisions of paragraph (e)(3) of this section, regardless of the source of the request for information or the source of funding for the services of the Ombudsman program, notwithstanding section 705(a)(6)(c) of the Act.

(4) *Conflicts of interest.* Policies and procedures regarding conflicts of interest must establish mechanisms to identify and remove or remedy conflicts of interest as provided in §1324.21, including:

(i) Such procedures must exclude the Ombudsman and representatives of the Office from any State lobbying prohibitions to the extent that such requirements are inconsistent with section 712 of the Act.

(ii) Nothing in this part shall prohibit the Ombudsman or the State agency or other agency in which the Office is organizationally located from establishing policies which promote consultation regarding the determinations of the Office related to recommended changes in laws, regulations, and policies. However, such a policy shall not require a right to review or pre-approve positions or communications of the Office.

(6) *Designation.* Policies and procedures related to designation must establish the criteria and process by which the Ombudsman shall designate and refuse, suspend or remove designation of local Ombudsman entities and representatives of the Office.

(i) Such criteria should include, but not be limited to, the authority to refuse, suspend or remove designation a local Ombudsman entity or representative of the Office in situations in which an identified conflict of interest cannot be adequately removed or remedied as set forth in §1327.21.

(ii) [Reserved]

(7) *Grievance process.* Policies and procedures related to grievances must establish a grievance process for the receipt and review of grievances regarding the determinations or actions of the Ombudsman and representatives of the Office.

(i) Such process shall include an opportunity for reconsideration of the Ombudsman decision to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office. Notwithstanding the grievance process, the Ombudsman shall make the final determination to designate or to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office.

(ii) [Reserved]

(8) *Determinations of the Office.* Policies and procedures related to the determinations of the Office must ensure that the Ombudsman, as head of the Office, shall be able to independently make determinations and establish positions of the Office, without necessarily representing the determinations or positions of the State agency or other agency in which the Office is organizationally located, regarding:

- (i) Disclosure of information maintained by the Ombudsman program within the limitations set forth in section 712(d) of the Act;

(d) *Ombudsman program information.* The Ombudsman shall manage the files, records, and other information of the Ombudsman program, whether in physical, electronic, or other formats, including information maintained by representatives of the Office and local Ombudsman entities pertaining to the cases and activities of the Ombudsman program. Nothing in this provision shall prohibit a representative of the Office or a local Ombudsman entity from maintaining such information in accordance with Ombudsman program requirements.

(e) *Disclosure.* In making determinations regarding the disclosure of files, records and other information maintained by the Ombudsman program, the Ombudsman shall:

(1) Have the sole authority to make or delegate determinations concerning the disclosure of the files, records, and other information maintained by the Ombudsman program. The Ombudsman shall comply with section 712(d) of the Act in responding to requests for disclosure of files, records, and other information, regardless of the format of such file, record, or other information, the source of the request, and the sources of funding to the Ombudsman program;

(2) Develop and adhere to criteria to guide the Ombudsman's discretion in determining whether to disclose the files, records or other information of the Office; and

(c) The State agency shall provide opportunities for training for the Ombudsman and representatives of the Office in order to maintain expertise to serve as effective advocates for residents. The State agency may utilize funds appropriated under Title III and/or Title VII of the Act designated for direct services in order to provide access to such training opportunities.

(d) The State agency shall provide personnel supervision and management for the Ombudsman and representatives of the Office who are employees of the State agency. Such management shall include an assessment of whether the Office is performing all of its functions under the Act.

(e) The State agency shall provide monitoring, as required by §1321.11(b) of this chapter, including but not limited to fiscal monitoring, where the Office and/or local Ombudsman entity is organizationally located within an agency under contract or other arrangement with the State agency. Where applicable, the State agency shall require inclusion of goals and objectives of local Ombudsman entities into area plans on aging.

(h) The State agency shall provide elder rights leadership. In so doing, it shall require the coordination of Ombudsman program services with, the activities of other programs authorized by Title VII of the Act as well as other State and local entities with responsibilities relevant to the health, safety, well-being or rights of older adults, including residents of long-term care facilities as set forth in §1324.13(h).

(i) *Interference, retaliation and reprisals.* The State agency shall:

(1) Ensure that it has mechanisms to prohibit and investigate allegations of interference, retaliation and reprisals:

(i) by a long-term care facility, other entity, or individual with respect to any resident, employee, or other person for filing a complaint with, providing information to, or otherwise cooperating with any representative of the Office; or

(ii) The Ombudsman and representatives of the Office assist residents in seeking administrative, legal, and other appropriate remedies. In so doing, the Ombudsman shall coordinate with the legal services developer, legal services providers, and victim assistance services to promote the availability of legal counsel to residents; and

(iii) Legal representation, arranged by or with the approval of the Ombudsman, is provided to the Ombudsman or any representative of the Office against whom suit or other legal action is brought or threatened to be brought in connection with the performance of the official duties.

(2) Such legal counsel may be provided by one or more entities, depending on the nature of the competencies and services needed and as necessary to avoid conflicts of interest (as defined by the State ethical standards governing the legal profession). However, at a minimum, the Office shall have access to an attorney knowledgeable about the Federal and State laws protecting the rights of residents and governing long-term care facilities.

(3) Legal representation of the Ombudsman program by the Ombudsman or representative of the Office who is a licensed attorney shall not by itself constitute sufficiently adequate legal counsel.

(4) The communications between the Ombudsman and legal counsel are subject to attorney-client privilege.

(k) The State agency shall require the Office to:

(a) The agency in which a local Ombudsman entity is organizationally located shall be responsible for the personnel management, but not the programmatic oversight, of representatives, including employee and volunteer representatives, of the Office.

(b) The agency in which a local Ombudsman entity is organizationally located shall not have personnel policies or practices which prohibit the representatives of the Office from performing the duties, or from adhering to the access, confidentiality and disclosure requirements of section 712 of the Act, as implemented through this rule and the policies and procedures of the Office.

(1) Policies, procedures and practices, including personnel management practices of the host agency, which the Ombudsman determines conflict with the laws or policies governing the Ombudsman program shall be sufficient grounds for the refusal, suspension, or removal of the designation of local Ombudsman entity by the Ombudsman.

(2) Nothing in this provision shall prohibit the host agency from requiring that the representatives of the Office adhere to the personnel policies and procedures of the agency which are otherwise lawful.

§1324.19 Duties of the representatives of the Office.

In carrying out the duties of the Office, the Ombudsman may designate an entity as a local Ombudsman entity and may designate an employee or volunteer of the local Ombudsman entity as a representative of the Office. Representatives of the Office may also be designated employees or volunteers within the Office.

(a) *Duties.* An individual so designated as a representative of the Office shall, in accordance with the policies and procedures established by the Office and the State agency:

(7) Carry out other activities that the Ombudsman determines to be appropriate.

(b) *Complaint processing.* (1) With respect to identifying, investigating and resolving complaints, and regardless of the source of the complaint (*i.e.* complainant), the Ombudsman and the representatives of the Office serve the resident of a long-term care facility. The Ombudsman or representative of the Office shall investigate a complaint, including but not limited to a complaint related to abuse, neglect, or exploitation, for the purposes of resolving the complaint to the resident's satisfaction and of protecting the health, welfare, and rights of the resident. The Ombudsman or representative of the Office may identify, investigate and resolve a complaint impacting multiple residents or all residents of a facility.

(2) Regardless of the source of the complaint (*i.e.* the complainant), including when the source is the Ombudsman or representative of the Office, the Ombudsman or representative of the Office must support and maximize resident participation in the process of resolving the complaint as follows:

(i) The Ombudsman or representative of Office shall offer privacy to the resident for the purpose of confidentially providing information and hearing, investigating and resolving complaints.

(A) Determine the perspective of the resident (or resident representative, where applicable) of the complaint;

(B) Request the resident (or resident representative, where applicable) to communicate informed consent in order to investigate the complaint;

(C) Determine the wishes of the resident (or resident representative, where applicable) with respect to resolution of the complaint, including whether the allegations are to be reported and, if so, whether Ombudsman or representative of the Office may disclose resident

identifying information or other relevant information to the facility and/or appropriate agencies. Such report and disclosure shall be consistent with paragraph (b)(3) of this section;

(D) Advise the resident (and resident representative, where applicable) of the resident's rights;

(E) Work with the resident (or resident representative, where applicable) to develop a plan of action for resolution of the complaint;

(F) Investigate the complaint to determine whether the complaint can be verified; and

(G) Determine whether the complaint is resolved to the satisfaction of the resident (or resident representative, where applicable).

(iii) Where the resident is unable to communicate informed consent, and has no resident representative, the Ombudsman or representative of the Office shall:

(A) Take appropriate steps to investigate and work to resolve the complaint in order to protect the health, safety, welfare and rights of the resident; and

(B) Determine whether the complaint was resolved to the satisfaction of the complainant.

(3) The Ombudsman or representative of the Office may provide information regarding the complaint to another agency in order for such agency to substantiate the facts for regulatory, protective services, law enforcement, or other purposes so long as the Ombudsman or representative of the Office adheres to the disclosure requirements of section 712(d) of the Act and the procedures set forth in §1324.11(e)(3).

(i) Where the goals of a resident or resident representative are for regulatory, protective services or law enforcement action, and the Ombudsman or representative of the Office determines that the resident or resident representative has communicated informed consent to the Office, the Office must assist the resident or resident representative in contacting the appropriate agency and/or disclose the information for which the resident has provided consent to the appropriate agency for such purposes.

(ii) Where the goals of a resident or resident representative can be served by disclosing information to a facility representative and/or referrals to an entity other than those referenced in paragraph (b)(3)(i) of this section, and the Ombudsman or representative of the Office determines that the resident or resident representative has communicated informed consent to the Ombudsman program, the Ombudsman or representative of the Office may assist the resident or resident representative in contacting the appropriate facility representative or the entity, provide information on how a resident or representative may obtain contact information of such facility representatives or entities, and/or disclose the information for which the resident has provided consent to an appropriate facility representative or entity, consistent with Ombudsman program procedures.

(iii) In order to comply with the wishes of the resident, (or, in the case where the resident is unable to communicate informed consent, the wishes of the resident representative), the Ombudsman and representatives of the Office shall not report suspected abuse, neglect or exploitation of a resident when a resident or resident representative has not communicated informed consent to such report except as set forth in paragraphs (b)(5) through (7) of this section, notwithstanding State laws to the contrary.

(4) For purposes of paragraphs (b)(1) through (3) of this section, communication of informed consent may be made in writing, including through the use of auxiliary aids and services. Alternatively, communication may be made orally or visually, including through the use of auxiliary aids and services, and such consent must be documented contemporaneously by the Ombudsman or a representative of the Office, in accordance with the procedures of the Office;

(5) For purposes of paragraphs (b)(1) through (3) of this section, if a resident is unable to communicate his or her informed consent, or perspective on the extent to which the matter has been satisfactorily resolved, the Ombudsman or representative of the Office may rely on the communication of informed consent and/or perspective regarding the resolution of the complaint of a resident representative so long as the Ombudsman or representative of the Office has no reasonable cause to believe that the resident representative is not acting in the best interests of the resident.

(6) For purposes of paragraphs (b)(1) through (3) of this section, the procedures for disclosure, as required by §1327.11(e)(3), shall provide that the Ombudsman or representative of the Office may refer the matter and disclose resident-identifying information to the appropriate agency or agencies for regulatory oversight; protective services; access to administrative, legal, or other remedies; and/or law enforcement action in the following circumstances:

(i) The resident is unable to communicate informed consent to the Ombudsman or representative of the Office;

(iv) The Ombudsman or representative of the Office has no evidence indicating that the resident would not wish a referral to be made;

(v) The Ombudsman or representative of the Office has reasonable cause to believe that it is in the best interest of the resident to make a referral; and

(vi) The representative of the Office obtains the approval of the Ombudsman or otherwise follows the policies and procedures of the Office described in paragraph (b)(9) of this section.

(7) For purposes of paragraphs (b)(1) through (3) of this section, the procedures for disclosure, as required by §1327.11(e)(3), shall provide that, the Ombudsman or representative of the Office may refer the matter and disclose resident-identifying information to the appropriate agency or agencies for regulatory oversight; protective services; access to administrative, legal, or other remedies; and/or law enforcement action in the following circumstances:

(i) The resident is unable to communicate informed consent to the Ombudsman or representative of the Office and the Ombudsman or representative of the Office has reasonable cause to believe that the resident representative has taken an action, inaction or decision that may adversely affect the health, safety, welfare, or rights of the resident;

(ii) The Ombudsman or representative of the Office has no evidence indicating that the resident would not wish a referral to be made;

(iii) The Ombudsman or representative of the Office has reasonable cause to believe that it is in the best interest of the resident to make a referral; and

(iv) The representative of the Ombudsman obtains the approval of the Ombudsman.

(8) The procedures for disclosure, as required by §1327.11(e)(3), shall provide that, if the Ombudsman or representative of the Office personally witnesses suspected abuse, gross neglect, or exploitation of a resident, the Ombudsman or representative of the Office shall seek communication of informed consent from such resident to disclose resident-identifying information to appropriate agencies;

(i) Where such resident is able to communicate informed consent, or has a resident representative available to provide informed consent, the Ombudsman or representative of the Office shall follow the direction of the resident or resident representative as set forth paragraphs (b)(1) through (3) of this section; and

(ii) Where the resident is unable to communicate informed consent, and has no resident representative available to provide informed consent, the Ombudsman or representative of the Office shall open a case with the Ombudsman or representative of the Office as the complainant, follow the Ombudsman program's complaint resolution procedures, and shall refer the matter and disclose identifying information of the resident to the management of the facility in which the resident resides and/or to the appropriate agency or agencies for substantiation of abuse, gross neglect or exploitation in the following circumstances:

(A) The Ombudsman or representative of the Office has no evidence indicating that the resident would not wish a referral to be made;
