Title of Continuation Grant Proposal

Agape Integrated Mental Health Services (AIMS)

Estimated Funds Requested

88,397.45

Please check which strategic goal(s) the project addresses**Responses Selected:**

Improve the health status and wellbeing of Kitsap County residents.

Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.

Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.

Continuation Grant Proposal Summary

The AIMS (Agape Integrated Mental Health Services) program started in January 2020 as a partnership between Agape and Peninsula Community Health Services. This program provides co-occurring services to participants in one location resolving barriers preventing engagement into services and increasing success. The funds requested will support one year of program staff/operations. The program will staff a Licensed Mental Health Practitioner and Patient Care Coordinator providing mental health screening, assessment and services concurrently with SUD treatment.

Continuation Grant Proposal Summary

This proposal is to continue the funding for the Crisis Intervention Training courses, held locally. We still have a large need for these courses to be offered and now see an increase of fire department staff who are attending. The 40 hour classes and the advanced courses we offer place Kitsap County above what other areas are providing.

Continuation Grant Proposal Summary

We want to become the treatment agency of choice for homeless residents moving towards housing stability. We are seeking funds to expand our counseling services and case management program. An additional goal is to create a counseling internship program that focuses on teaching and delivering trauma informed care based services through masters and bachelors level counseling interns. This will enable us to leverage the time we have with our one counselor and two housing navigators.

Title of Continuation Grant Proposal

Coordinated Care in KRM's Continuous Stay Shelter

Estimated Funds Requested

\$99,777

Please check which strategic goal(s) the project addresses

Responses Selected:

Improve the health status and wellbeing of Kitsap County residents.

Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.

Reduce the number of chemically dependent and mentally ill youth and adults from initial or further criminal justice system involvement.

Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.

Continuation Grant Proposal Summary

The Kitsap Rescue Mission serves approximately 275 unique individuals each year through our low-barrier, continuous-stay shelter. Of those seeking refuge in the shelter, 39% report mental health issues while 13% report alcohol or drug use. The funding in the proposal would bring mental health and addiction recovery support on site for our homeless guests through Peninsula Community Health Services, with the goal of coordinating care and helping our guests stabilize while awaiting permanent housing.

Fire CARES Behavioral Health Response Unit

Estimated Funds Requested

246,000

Please check which strategic goal(s) the project addresses

Responses Selected:

Improve the health status and wellbeing of Kitsap County residents.

Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.

Reduce the number of people in Kitsap County who use costly interventions including hospitals, emergency rooms, and crisis services.

Continuation Grant Proposal Summary

The City of Poulsbo, Poulsbo Fire, OPCC, and Kitsap ALTC request \$246,000 to continue the Fire CARES Program. CARES pairs a firefighter with a behavioral health professional to respond to calls involving mental health and substance use issues. In 2021, we discovered the prevalence of older adults struggling with cognitive decline, depression, and alcohol abuse. The 2022 program adds case manager to the team specializing in the needs of older adults with behavioral health issues.

Therapeutic Courts - Alternative to Prosecution

Estimated Funds Requested

\$302,200.00

Please check which strategic goal(s) the project addresses

Responses Selected:

Reduce the number of chemically dependent and mentally ill youth and adults from initial or further criminal justice system involvement.

Reduce the number of people in Kitsap County who cycle through the criminal justice systems, including jails and prisons.

Continuation Grant Proposal Summary

The Kitsap County Prosecuting Attorney's Office is requesting continued grant funding of two full-time Deputy Prosecuting Attorneys and one full-time Legal Assistant to support the Therapeutic Courts in partnership with the Superior and District Courts. Statistics to date have been positive and we anticipate this will continue going forward. The improved application process and dedicated attorney involvement has been incredibly beneficial in establishing the relationships necessary to improve the success for the program participants.

Title of Continuation Grant Proposal

Housing and Case Management Support for Victims of Human Trafficking and Sexual Exploitation

Estimated Funds Requested

75,000

Please check which strategic goal(s) the project addresses

Responses Selected:

Reduce the incidence and severity of chemical dependency and/or mental health disorders in adults and youth.

Increase the number of stable housing options for chemically dependent and mentally ill residents of Kitsap County.

Continuation Grant Proposal Summary

Scarlet Road provides wraparound support to empower survivors of human trafficking and sexual exploitation in Kitsap County to achieve self-sufficiency. Survivors often face severe barriers to self-sufficiency including chemical dependency and mental health challenges. Scarlet Road proposes continuation of a flexible rental assistance program for survivors, and an additional 1.0 FTE case management hours to expand our capacity to provide a continuum of recovery support services for approximately 15 additional survivors in 2022.

Continuation Grant Proposal Summary

With the return of all services being offered again in-jail including assessments, group counseling, and individual counseling, we have minor adjustments. The jail requires a male counselor, and a female counselor. We also need a .5 FTE transport for the men's and women's transport. These three adjustments increase our funding from the 2021 year in the amount of \$328,500 by \$31,750.80 more, for a total ask of \$360,250.80.

Relational Mentor Training

Estimated Funds Requested

\$140,000

Please check which strategic goal(s) the project addresses**Responses Selected:**

Improve the health status and wellbeing of Kitsap County residents.

Continuation Grant Proposal Summary

Kitsap Strong seeks to expand the RISE Mentor Training to serve an additional 4 cohorts, specifically focusing efforts on education staff (paraeducators, teachers, and others) to support youth and adults in preventing and intervening in behavioral health needs. The pandemic has increased community risk, and the intensive training led by XParenting, followed by a Community of Practice (COP), will build and reinforce critical skills necessary to support youth and adults and prevent behavioral health issues.
