

## **Kitsap Recovery Center – An Approved Therapeutic Court Treatment Partner**

A forward-thinking alliance delivering person-centered, evidence-based care for court-mandated recovery.

---

## **Why We've Partnered**

- **Holistic, Trauma-Informed Approach**

Every participant begins with an ASAM-guided assessment. We blend Motivational Interviewing, CBT, and peer support to build real-world coping skills.

- **Referrals for MAT & Mental Health**

We connect you with vetted local providers for Medication-Assisted Treatment and, when needed, specialized mental-health counseling or psychiatric support.

- **Integrated Case Management & Counseling**

Your dedicated counselor:

- Coordinates individual sessions
- Leads process groups and relapse-prevention groups
- Arranges for housing, employment, or community-resource referrals
- Sends clear, timely progress updates back to the Drug Court

- **Balanced Accountability**

Through regular court check-ins and random UA/ETG screens, we pair **motivational incentives** for milestones with **graduated sanctions** for missteps—designed to foster growth rather than merely punish setbacks.

---

## **Your Roadmap to Court-Mandated Treatment**

1. **Confirm Eligibility**

Review the Kitsap County Therapeutic Court criteria for qualifying offenses and baseline requirements. \*\*\*LINK\*\*\* [Therapeutic Courts](#)

2. **Consult Your Attorney**

To officially start the referral process, please contact your attorney and request treatment with Kitsap Recovery Center.

3. **Have the attorney submit a referral through the court**

You'll hear back within 5–7 business days.

4. **Assessment and placement**

You will be contacted for either an in-custody or out of custody assessment appointment. Once assessed and you qualify for treatment you will be recommended for inpatient or outpatient treatment.

5. **Begin Your Care Plan**

Start Phase I with a tailored regimen of weekly counseling, group work, UA/ETG screening, and collaborative support—earning privileges as you advance.

---

## Need Help or Have Questions?

Feel free to call us anytime for guidance on the process, program details, or any other questions—our counselor team is here to help.
