Summary of RFP

Kitsap County and the City of Bremerton are initiating this Request for Proposals (RFP) from qualified applicants for affordable housing projects located in Kitsap County and the City of Bremerton to be funded with Home Investment Partnership (HOME) funds.

Kitsap County funding is prioritized for:

- Affordable housing projects located in unincorporated Kitsap County and the cities of Bainbridge Island, Poulsbo and Port Orchard.
 - Rental housing, including construction of new units, acquisition and rehabilitation, is a high priority.
 - Homebuyer assistance (i.e. down-payment assistance) will be considered a lower priority for funding in years where there are high priority rental project applications. New construction of homeowner housing will be a low priority.

City of Bremerton is prioritized for:

- HOME funds will be prioritized for rental and homeowner projects including acquisition, new construction, rehabilitation and homebuyer assistance.

All projects must serve households at or below 80% Area Median Income (AMI). HOME assisted rental units must serve households at or below 60% AMI. In projects of 5 or more HOME-assisted units at least 20% of the units must be serving households at or below 50% AMI. Rental projects may be mixed income.

Kitsap County has also issued a Notice of Funding Availability (NOFA) for CDBG funding. The City of Bremerton will conduct a separate process for their CDBG funding. Refer to the County and City websites for the NOFA and other important information.

About the Funding

The Coordinated Grant Application Process brings together separate funding sources into a common application process. This RFP is for County and City of Bremerton HOME funds. For more detailed information regarding funding requirements and policies that will apply if your project is funded, please refer to the Kitsap County CDBG/HOME Policy Plan. A brief description of HOME funds is provided below.

HOME Investment Partnership Program

The HOME Program was created by the National Affordable Housing Act of 1990 (NAHA). The Housing and Community Development Act of 1992 and the Multifamily Property Disposition Act of 1994 made important changes to the Program. The intent of the HOME Program is to:

- expand the supply of decent, safe, sanitary, and affordable housing;
- strengthen the abilities of state and local governments to provide housing;
- expand the capacity of nonprofit community-based housing development organizations; and,
- leverage private sector participation in financing affordable housing.

Eligible Applicants

Eligible applicant/recipients include:

- City or County governments
- Public Housing Authorities
- Public and private nonprofit organizations 501(c)(3)
- Section 301(d) small business investment companies
- Local development corporations
- Faith based organizations

Additionally, all applicants must:

- Demonstrate an active governing body or board of directors with skills and experience to provide leadership and direction to the agency;
- Demonstrate the legal, financial, and programmatic ability to administer the proposed project;
- Meet the County/City requirements for contracting agencies such as insurance requirements, audit and financial requirements; and
- Have a current audit.

Funds Available

CDBG and HOME programs are federally funded through the Department of Housing and Urban Development (HUD). Funding levels are determined by HUD after the Federal Budget is finalized, which often occurs after the program year has begun. Kitsap County estimates funding levels in order to start the grant application process; therefore, funding amounts shown below are estimates.

Kitsap County Funding	
Funding Source	Amount
2022 HOME Funds	379,882.50
Program Income	210,127.19
2022 HOME CHDO Funds	75,796.50
Prior year funds	3,147.20
Total	\$668,953.39

City of Bremerton Funding	
Funding Source	Amount
2022 HOME Funds	169,199.25
2022 HOME CHDO funds	33,839.85
Total	\$203,039.10

This is a competitive application process for limited funding; therefore, applications that meet all criteria are not guaranteed an award of funds and successful applications may be funded for less than the amount requested. Funding may be allocated to one project (for each jurisdiction) that meets the priority and targets identified in this RFP, or funding can be split between multiple projects.

HOME regulations require a portion of HOME funds be set-aside for Community Housing Development Organizations (CHDOs). A CHDO is a private, nonprofit, community-based organization that has staff with the capacity to develop affordable housing for the community it serves. In order to qualify for designation as a CHDO, the organization must meet certain requirements pertaining to their legal status, organizational structure, and capacity and experience. For information about how to qualify as a CHDO please contact Block Grant Staff. Additionally, a CHDO agency is not restricted to just CHDO funds.

Funding awards could be up to the amounts listed in the tables above however if all funding is not allocated, it may be included in the next application opportunity.

The minimum grant request is \$10,000 and there is no maximum.

All guidelines and policies for the funds below are not included in this RFP but are detailed in the **2022 CDBG HOME Policy Plan**. It is the applicant's responsibility to read and understand the funding requirements and restrictions.

Match Requirements:

Projects will have a 25% match requirement as required for HOME funded activities.

Application Access and Submission

This RFP utilizes an online application system, Survey Monkey Apply. To access Survey Monkey Apply go to <https://apply-kitsap.smapply.io>

Two separate applications are required to be completed and submitted to meet the application requirements for this NOFA. Once you have established a log-in you will see the different application types, open date and deadline for submission.

Your agency must submit the **Organization Information 2022** application plus **one of the following project applications**:

- HOME Rental Housing 2022
- HOME Homebuyer Housing 2022

If your agency plans to submit multiple applications the Organization Information 2022 application only needs to be completed once, you will not be required to complete and submit that application again. Once it has been completed, you will just select one of the project applications from the homepage for each project or program you are applying for.

Completing and submitting the Organization Information Application allows your agency to submit the Project Information application for any Coordinated Grant Application during the 2022 application cycle including Kitsap County and City of Bremerton CDBG funds. If your agency previously submitted this application, you may go into that application and update material (i.e., audit, budget, board members), if needed.
2. **Project Application** - These applications provide project information including description, need and population served, timeline, and financial information. There are separate applications for rehabilitation of housing, microenterprise assistance, and public facilities-infrastructure.

The applications for this NOFA will be available beginning Thursday, July 1, 2021. Access to the application website requires a computer with internet capability. No other method of application will be accepted.

Both applications must be completed and submitted by the due date for your application to be considered complete.

Application submission deadline is Thursday, July 29, 2021 at Noon.

Application review and rating will be conducted by staff and members of the Grant Recommendation Committee (GRC) according to the process outlined in the Citizen Participation Plan, Appendix A, of the CDBG/HOME Policy Plan and posted on the Coordinated Grant Application web page.
