How We Can Help You

- **If housing is unavailable**, we will place your name on the interest pool listing and let you know as soon as shelter becomes available.
- **We provide transportation assistance** to help you get to the referral site or shelter that you need to reach.
- **We work with local landlords** to increase access to housing, especially for individuals with poor credit history or criminal records.

Everything In One Place

Are you behind in your rent and/or facing eviction? Are you living in your car or sleeping on the streets?

If so, the Housing Solutions Center (HSC) of Kitsap County is a resource. HSC can help connect you to the housing and homeless services best suited to meet your needs.

When you visit HSC, you can learn about available housing resources, including emergency shelter openings, rental and deposit assistance. You can also obtain information on subsidized housing and receive local landlord referrals. A HSC Navigator will review your unique circumstances and help you access housing assistance resources.

You no longer have to visit each shelter location to inquire about housing. As a one-stop resource, HSC will help you access all appropriate housing options in an effective and efficient manner.
