

## APPLICANT ELIGIBILITY

Not all grantees of the Treatment Sales Tax funding perform work that requires a license. It is dependent on the services being provided.

All moneys collected under Treatment Sales Tax must be used solely for the purposes of providing new or expanded programs and services for Kitsap Residents. (see [Strategic Plan Goals for more information on gaps and objectives where services may be eligible](#))

If you are offering treatment services, the following provisions apply.

**Requirements for providing behavioral health “TREATMENT” services include:**

All licensed individuals and/or organizations must maintain their licensure through the duration of the project. Organization must meet all county requirements for contracting including insurance requirements, audit, and financial requirements.

Organization is proposing to provide mental health, substance use disorder, co-occurring and/or problem and pathological gambling “**treatment**” services, or subcontracts with an organization or agency that meets the requirements applicable to local and state rules, state, and federal statutes, must be authorized, licensed and/or certified to provide these services. If services include State Department of Health Social Worker, independent clinical social worker, a licensed mental health counselor, or a licensed marriage and family therapist, all providers under this section must meet the requirements of chapter [388-877 WAC](#).
