

VOLUNTEER REQUEST

Formal request for volunteers to staff quarantine/isolation shelter sites for COVID-19 patients in Kitsap County. Sites are designated as non-medical, voluntary and involuntary quarantine/isolation to house people experiencing homelessness, or unable to return home due to living with person or persons that are classified in the high-risk category. These sites will be maintained and managed by Kitsap County Department of Emergency Management. Example of duties for volunteer staff include delivering boxed meals to patients, processing intake forms upon patients' arrival, taking patients temperatures using a thermometer, delivering clean laundry to patients, donning and doffing of CDC recommended personal protective equipment (PPE).

Security will be on-site at each site at all times. No volunteers will work alone. Environmental services has been contracted to provide cleaning services. PPE will be provided for all volunteers. All patients will be self-sufficient and not require assistance with activities of daily living. Staffing will be needed 24 hours a day, 7 days a week, once a site opens.

We are requesting volunteers to be on-call and available to staff the site(s) as they open. Volunteers interested can contact volunteer coordinator, Michele Moen at volunteer@kitsapem.org

Sincerely,

Michele Moen

KCDEM, Volunteer Coordinator
