\*Per WIN 0056 (Rev12), The 2025 U.S. Department of Health and Human Services poverty level for a family of one is \$23062. Staff must use this standard for families of one as it is a higher standard than 70 percent of the 2025 LLSIL for a family of one.

LLSIL guidelines apply to local polices and definitions around low income and self-sufficiency. However, LLSIL represents minimum criteria for determining low income and self-sufficiency per WorkSource System Policy 1019 (Rev11) Eligibility Guidelines and Documentation Requirements.
