

PREA ANNUAL REPORT & ACTION PLANS

Kitsap County Juvenile services has taken great strides in addressing Sexual abuse and Sexual harassment in the facility. This includes strong Zero Tolerance, Retaliation and Investigation policies and procedures. The Zero Tolerance policy is for the protection of both youth and staff and for the elimination of sexual misconduct within the Detention facility. The Retaliation Policy is to protect an individual (youth and staff) from retaliation after reporting a violation. The Investigation policy is used to determine if allegations are founded or not. Investigations are also used to determine if there are changes that need to be made to policies, procedures, facilities, staffing, personnel assignments or supervision. All allegations are taken seriously and investigated thoroughly.
