### **Topic 1: Welcome and Introductions**

Meeting Called to Order

### **Topic 2: Public Comment**

None

### **Topic 3: Approval of minutes**

July approved.

September approved.

### **Topic 4: Welcome Commissioner Wolfe**

Elevating the needs of projects

Get feedback

If I can do anything to progress, I will.

Do good work.

Listen and answer questions.

Ray: Horribly underfunded. Need a way to restructure bike ped . Never seem to make it through.

Ed: Walking through homeless areas. Trying to best methods. Interconnections between our communities. Next to community center. Selling apartments. Got to have connection.

### **Topic 5: Central Kitsap UGA Pedestrian Prioritization**

Melissa: Opened screen Explained purpose. funding

### **Topic 6: NM Signage Work Plan**

Work on the sign rules. Good options. Consistent. In house project with a protocol. David and Melissa. County sign shop. Logo's. Final Design in Jan. March at 90%. Input nlt couple months Jan-Feb latest.

### **Topic 7: Member & Staff Update**

Nancy: Kayak in Seabeck. Talked to landowners south of store to fire house. Seabeck conference center owns subject property. They are open to the idea, minus liability. Can we use this parking lot for kayak, boarding. Great parking. A natural sloped area. Ideal small beach for launching. A parks thing too. Talked with Ed and Kilmer. Parking at community center, but the conference center owns the land. Donate???

Jess: Signs. Can't find anything that bounds. Asked county to bound the issue.

David: Constraints. Aspirational. What information needs to be conveyed.

Ed: Jeff Shea is the sign czar.

Jeff: We're into a different MUTCD for motor vehicles. Not what we're looking for.

Nancy liked new shoulder on Seabeck Highway alongside Newberry Hill Heritage Park.

Jess was riding bike and having a problem Trails to Greaves Way. Jeff Shea will look at Greaves Way and will make sure there is proper sight distance of signal. If you call in, pw has to look into. Kitsap1 is the answer.

Don Willott: Wanted to mention STO logo. He will work with county. Consistency is important. Rails to Trails. Trails worthy of our community. He offered his help.

**Topic 8: Adjorn**

Rick put out the motion to adjourn, Jess seconded. All voted in favor.
