Any responsive materials shall be served and filed with the Clerk of Court by 12:00 noon two days prior to the time set for the hearing or trial. Any documents in strict reply shall be similarly filed and served no later than 12:00 noon on the court day before the hearing. No documents shall be submitted to the Court unless opposing counsel or the self-represented litigants have been timely provided with copies.
- (B) Bench Copies. At the time a party files any document with the office of the Clerk of Court pursuant to section (A) above the party shall be responsible for filing bench copies simultaneously with the Superior Court office along with a notation of trial or hearing date. Bench copies shall be filed with the Superior Court office no later than the deadlines set for mandatory confirmation required under KCLCR 77. Bench copies are mandatory for all hearings for which pleadings have been filed. If a hearing is confirmed but not held, the bench copy will be available at the Superior Court office until the end of the calendar and then discarded.
- If a hearing is not confirmed and a bench copy has been filed, a party may retrieve it from the Superior Court office on, or before, the date originally set for hearing, re-date it, and refile it. If bench copies have not been retrieved and refiled for a new hearing date, another set of bench copies must be filed for the new hearing unless the submitting party contacts the Court Administration office prior to the hearing and makes arrangements to move the bench copies to the next hearing date.

- (D) Motions in Limine. Motions to limit the introduction of evidence should be presented for resolution on the day of trial, or at such other time as arranged with the Court Scheduler.

Failure to comply with this rule may result in the Court's refusal to hear such motion on the day of trial or in the imposition of terms in favor of both the adversely affected party or parties and to Kitsap County for the expense caused by resulting delays.

- (2) Form; Necessary Provisions in Orders Requiring Personal Attendance. In all civil proceedings wherein an order is to be issued requiring the personal attendance of a person to be examined in open court, the order shall include the following words in capital letters:

- (c) *Court May Excuse Attendance.* Attendance of a party may be excused upon notice to other parties no later than 24 hours prior to the settlement conference at the discretion of the settlement conference judge, preassigned judge, or Presiding Judge for good cause shown.
- (d) Failure to attend the settlement conference in accordance with these rules may result in the settlement conference judge striking the scheduled settlement conference and setting a subsequent settlement conference.

(3) Mandatory Confirmations. All settlement conferences must be confirmed in person, by telephoning the Superior Court office at **(360) 337-7140 (Option #2)**, or by email at **supcourtconfirm@kitsap.gov** no later than 12:00 noon on the day before the conference, but not earlier than 48 hours in advance.

- (i) This requirement is waived in instances where a protective order prevents unrepresented parties from contacting one another directly.
 - (ii) The parties should use the “Certification of Settlement Attempt” form available on the court website for purposes of filing certification. [See Local Court Rule Form Exhibit P].
 - (iii) The certification must be filed no later than the deadline for Mandatory Confirmations set out in KCLCR 16(a)(3).
 - (iv) Failure to timely submit certification may result in the settlement conference being stricken and rescheduled for a later date.
- (B) Where applicable, attorneys shall certify that they have properly prepared clients to engage in serious, good faith negotiations at the settlement conference, up to and including the development of a specific settlement position in advance of the settlement conference.
- (C) The requirements of this section may be waived for good cause upon motion of a party.
- (8) Failure to confirm the settlement conference and/or to provide a settlement conference memorandum as required in this rule may, at the discretion of the judge, result in the settlement conference judge striking the scheduled settlement conference and setting a subsequent settlement conference.
- (9) Failure to comply with these rules resulting in the resetting of the settlement conference may result in the imposition of terms and/or sanctions as the Court may deem appropriate.

(b) Trial Preparation (civil-non-domestic).

- (1) Exchange of Exhibit and Witness Lists. Pursuant to the case event schedule, the parties shall exchange: (A) lists of the witnesses whom each party expects to call at trial; (B) lists of the exhibits that each party expects to offer at trial, except for exhibits to be used only for impeachment; and (C) copies of all documentary exhibits except those to be used only for illustrative purposes, and except for those items agreed to by counsel and self-represented parties, such as identical copies of items already produced to avoid unnecessary duplication. Counsel and self-represented parties are encouraged to ascertain that each has full and complete copies of any document to be presented at trial to avoid unnecessary duplication expenses. In addition, non-documentary exhibits, except for those to be used only for illustrative purposes, shall be made available for inspection by all other parties prior to the start of trial. Any witness or exhibit not listed shall not be used at trial, unless the court orders otherwise for good cause and subject to such conditions as justice requires. Copies of the actual exhibits should not be filed and should be

presented at the time of the trial before the Court.

- (2) **Joint Statement of Evidence.** Pursuant to the case event schedule, the parties shall file a Joint Statement of Evidence consisting of (A) a list of the witnesses whom each party expects to call at trial and (B) a list of the exhibits that each party expects to offer at trial. VI. TRIALS**KCLCR 40 ASSIGNMENT OF CASES**

- (b) **Methods.**

- (1) Trial Setting.

- (A) Note for Trial Setting. Any party desiring to obtain a trial date may note the matter on the trial setting calendar using the Note for Trial Setting (Exhibit A) after all named parties have been served.

The moving party must identify all counsel and/or parties and their mailing addresses. Personal appearance by counsel is not necessary. Settings will be done administratively and the Court shall mail a default case event

schedule that contains all case events and deadlines listed herein and the trial date to all parties listed on the Note for Trial Setting. If a dispute arises over a setting, the matter shall be heard on the civil motion calendar in accordance with KCLCR 77(k).

Alternatively, a party may note a motion to set a trial date on the civil motions docket at any time. At said hearing, the Court will set a trial date and (absent good cause) a settlement conference date and the Court may set deadlines for effecting service upon unserved parties and may compel the filing of answers by parties against whom relief is sought. The Court may order the striking of pleadings of parties who/which do not comply with such orders.

After a trial date has been set, if all parties can agree upon a case schedule which includes all case events listed herein, the parties may file the agreed case schedule in place of the Court's default case event schedule. If the parties do not file a case event schedule within 60 days of the announcement of the trial date, the Court's default schedule shall prevail.

A party must file and serve a jury demand on or before the time of trial setting or the right to a jury trial will be waived. A party who/which has not appeared at the time of trial setting must file and serve a jury demand within sixty (60) days of service of the initial pleadings or the right to a jury trial will be waived.

All telephone communications regarding trial settings, special motion settings, and scheduling should initially be with the Court Scheduler at **(360) 337-7008**.

- (B) Visiting Judge Required. The Court shall be notified at the time of trial setting if an attorney practicing in Kitsap County is a party or a witness in any matter before the Court or of any other matter needing a visiting judge.
- (3) Mental Illness Hearings. Mental illness hearings will be set through the Court Scheduler.
- (4) Standby Calendar. In the event that a case cannot be heard on the date set for trial it will be held on a standby calendar and counsel will be given a minimum of two hours' notice for trial.
 - (A) Notification. The Court Scheduler shall contact the parties to advise them of the standby status of their case.
 - (B) Standby Calendar at Counsel Request. A standby calendar at the parties' request may be created with the following conditions and addressed to the Court Scheduler.

- Appeals from courts of limited jurisdiction;
 - Foreign judgments;
 - Petitions for writs of mandamus, restitution, etc.;
 - Civil commitments; and
 - Proceedings under RCW 70.96A.
- (ii) *Preassignment and Case Schedule.* At the time a matter is noted for trial setting, the Court shall randomly preassign a department of the Superior Court to hear the case. The Court shall enter an Order Setting Trial Date and a Civil Case Event Schedule in the form set forth in Exhibit D of these rules.
- (iii) *Amendment of Order Setting Case Event Schedule.* Upon motion of any party or the Court, and upon good cause shown, the preassigned judge may modify any date in the original Order Setting Trial Date and Civil Case Event Schedule. Copies of said amended order shall be filed and served upon all parties.

- (vi) *Enforcement.* The Court on its own initiative, or on motion of a party, may order an attorney or party to show cause as to why sanctions or terms should not be imposed for failure to comply with the case schedule established by these rules. If the Court finds that an attorney or party has failed to comply with the case schedule and has no reasonable excuse or other good cause, the Court may order the attorney or party to pay monetary sanctions to the Court, or terms to any attorney or party who has incurred expense as a result of the failure to comply, or both. In addition, the Court may impose such other sanctions or terms as justice requires. As used in this rule, “terms” means costs, reasonable attorney fees and other expenses incurred or to be incurred as a result of the failure to comply; “monetary sanctions” means a financial penalty payable to the Court, and “other sanctions” includes, but is not limited to, the exclusion of evidence and other sanctions available pursuant to the Civil Rules and Local Court Rules.
- (vii) *Discovery Cutoff.* Unless otherwise ordered by the Court for good cause and subject to such terms and conditions as are just, all discovery allowed under Civil Rules 26-37, including responses and supplements thereto, must be completed no later than the date specified in the Civil Case Event Schedule. Discovery requests must be served early enough that responses will be due and depositions will have been taken prior to the cutoff date. Nothing in this rule shall modify a party’s responsibility to seasonably supplement responses to discovery requests or otherwise to comply with discovery prior to the cutoff, nor shall a party be prevented from seeking relief under CR 37 after the cutoff date for discovery properly sought in accordance with this rule.
- (viii) *Dispositive Pretrial Motions.* No hearings on dispositive pretrial motions shall be heard by the Court after the cutoff date specified in the Civil Case Event Schedule, except upon good cause shown and upon such terms and conditions as the Court may deem just, including assessment of terms and sanctions.
- (ix) *Settlement Conference.* Reserved [See KCLCR 16(a).]

(B) Track II - Complex Litigation.

- (i) *Leave of Court Required.* Assignment to Track II requires court approval. A request for assignment to Civil Track II may be made by filing a Note for Trial Setting (Exhibit A) in conjunction with a Request for Assignment to Civil Track II (Exhibit B). Alternatively,

a plaintiff or defendant may move for placement on Track II at filing or when an answer is filed by bringing the motion on the Presiding Judge's departmental calendar. The Court may place a case on Track II on its own motion at any time.

- (ii) *Scope.* The following factors shall be weighed in determining whether a case will be placed on Track II:
- Nature of subject matter;
 - Degree of complexity;
 - Amount in controversy;
 - Number of attorneys/parties involved; and
 - Length of trial.
- (iii) *Preassignment and Case Schedule.* The Presiding Judge will accept or deny a request submitted pursuant to section (B)(i) above and notify parties. A department of the Superior Court shall be preassigned to hear the case.
- (iv) *Management conference.* A case must be at issue at the time of the initial management conference. The initial management conference shall be held within 60 days of acceptance into Track II, at which conference the following shall occur:
- Assignment of a trial date;
 - Parties submit case management schedule approved by the Court; and
 - Assignment of a date for the mandatory settlement conference.
- (v) *Amendment of Order Setting Case Schedule.* Upon written motion of any party or the Court, and upon good cause shown, the preassigned judge may modify any date in an order entered pursuant to section (B)(iii) above. Copies of said amended order shall be filed and served upon all parties.
- (vii) *Cases under the Land Use Petition Act, RCW 36.70C.* When a land use petition (pursuant to RCW 36.70C) is filed with the Kitsap County Superior Court, all such cases shall be treated as Track II complex litigation and in accordance with the following procedures:

Pre-Assignment to a Superior Court Judge. Land Use Petition Act cases shall be assigned to a superior court judge, who shall hear and decide all matters in the case.

Notice of Land Use Petition. Within 7 days of the filing of a petition under the Land Use Petition Act, RCW 36.70C, the petitioner shall

provide written notice of the filed petition to the Kitsap County Court Scheduler, identify it as a Land Use Petition Act case, and ask that the case be assigned to a judge. The Court Scheduler will note an initial hearing before the assigned judge.

Initial Hearing. A scheduling order setting the dates for filing the record, submitting briefs, and hearings will be issued at or shortly after the initial hearing. The parties should attempt to determine a mutually agreed upon scheduling order prior to the initial hearing. The parties may waive the initial hearing by filing a stipulated order resolving jurisdictional and procedural issues raised by the petition and setting a schedule for briefing, filing the record and transcripts and a hearing on the merits. Prior to filing a stipulated scheduling order, the petitioner shall contact the Court Scheduler to obtain a tentative date for the merits hearing.

Preparation of Administrative Record. Copies of the administrative record shall be provided to all parties. A bench copy of the record with an index and document identification tabs shall be provided to the assigned judge. A copy of the administrative record without side tabs shall be filed with the Superior Court Clerk for the court file.

Preparation of Transcripts. Verbatim transcripts shall be prepared by a certified court reporter and submitted to all parties for a period of seven days for correction of errors prior to filing.

Briefs. The petitioner shall have at least 30 days after the record and verbatim transcripts are filed to file and serve its brief. Respondent's brief shall be filed and served 30 days following filing and service of the petitioner's brief. Petitioner shall have an additional 14 days for filing a service of a reply brief. Reply briefs are in strict reply only. If a reply brief raises new issues, respondent may respond to those issues. In all statements of fact, briefs shall contain citations to the administrative record and the transcripts. Citations to the administrative record and the transcripts shall be denoted "AR" and "HR [date]," respectively, plus a page number.

Hearing on the Merits. Unless otherwise granted at the initial hearing, the Land Use Petition Act hearing on the merits shall be scheduled for one (1) day. The assigned judge shall take the first half of the day for reviewing the record, transcripts and briefs. The assigned judge will determine the amount of time granted for argument on the merits.

Related Matters. If a LUPA petition is consolidated with another claim, such as a damage action, the case may be bifurcated on stipulation of the parties or pursuant to motion. If the related matter

is not bifurcated and entails a trial, a note for trial setting shall not be filed until after the record and transcripts are filed and served.

KCLCR 47 JURORS

(a) Examination of Jurors.

- (1) At the commencement of trial, the clerk will assign numbers randomly, beginning with the number one, to all jurors called for trial. If a criminal defendant objects to this procedure, the numbers will be drawn by the clerk in open court at the beginning of the trial.
 - (A) Prior to the questioning of prospective jurors by counsel, the Court will allow time for counsel to review juror profiles and questionnaires.
 - (B) These jurors will be given large badges with their assigned numbers on them. These will be large enough to be easily read by the Court, counsel, and the court reporter. The jurors will arrange themselves in order as directed by the Court.
 - (C) If alternate jurors are to be selected, the parties are encouraged to stipulate that all peremptory challenges will be exercised against the entire panel. Otherwise, each side will only be allowed the number of peremptory challenge(s) against the alternate juror or jurors as allowed by CR 47(b).
- (2) The Court will then ask general questions of the prospective jurors.
 - (A) “General questions” means those questions that are designed to discover those jurors who should be excused for cause (e.g., those prospective jurors who are related to a party or who cannot be available for the full time the trial is estimated to take).
 - (B) Counsel may request general questions to be asked by the Court as long as they meet the definition in section (2)(A) above.

- (3) After prospective jurors have been excused for cause, the Court may excuse those jurors who are in excess of the number needed for the trial. The number needed for trial will be equal to 12, plus the number of alternates, plus the total number of peremptory challenges to which all parties are entitled, plus two to five additional as a cushion for possible additional challenges for cause.
- (4) Counsel will then question the remaining prospective jurors.
 - (A) Each side will have 90 minutes for questioning. Each side may reserve that amount of the allotted time as allowed by the Court for additional questions following the questioning by the other side.
 - (i) Any time expended in arguing a challenge for cause will not be charged to either side.
 - (B) The times set forth in section (4)(A) above may be expanded by the Court for good cause shown, such as an extremely complicated case or multiple parties.
 - (C) Counsel may use their allotted time in any manner and may question prospective jurors in any order. Counsel may ask group questions or ask jurors to respond to remarks made by other members of the jury panel. (e.g., the first question may be addressed to juror #3 in the box, then a question to juror #21 on the benches, then to juror #9 in the box, then back to juror #3 in the box, then a question addressed to the entire panel, or just to jurors #3 and #9, etc.)
 - (D) Challenges for cause must be made when they are discovered.
 - (E) Objections to questions are made in the usual manner.
 - (F) If counsel is pursuing an important issue that relates to the qualifications of the prospective jurors to serve, and time has run out, counsel may request that the Court grant additional time.
 - (G) The entire panel of prospective jurors is passed for cause when counsel so announces or when the time allotted has been consumed.
 - (H) The procedure set forth in this rule shall not apply to cases involving charges of aggravated first degree murder as defined by RCW 10.95.020 if a notice of special sentencing proceeding has been filed.
- (5) The parties then exercise their peremptory challenges.
 - (A) All peremptory challenges shall be exercised in open court.
 - (B) Challenges may be made to jurors who are not seated in the box.

- (C) When a peremptory challenge is exercised, the next juror on the bench with the lowest number shall replace the juror who was excused from the jury box.
- (D) The parties are encouraged to stipulate regarding peremptory challenges per Rule 47(a)(2)(A).
- (E) Upon request of counsel, time will be allowed between voir dire and the exercise of peremptory challenges.
- (6) Additional provisions.
- (A) Counsel may submit, and the Court may allow, special questionnaires focused to the specific case (or type of case) to be submitted to the jurors to answer on the morning of trial before the voir dire process begins. Copies will be made and available to counsel during the questioning of the jurors. Counsel must submit proposed questionnaires to the Court and serve copies on opposing counsel at least five days prior to trial. If this is not done, the Court, in its discretion, may not allow special questionnaires. (If a standard questionnaire has been adopted by the Court for particular types of cases, counsel may refer to the standard questionnaire rather than serving copies.)
- (k) **Jury - Jurors.** Jurors shall be called on a one trial/one day basis. Those persons selected to serve on a jury will be obligated for the duration of that one trial. Those not seated on a jury by the end of the selection will have fulfilled their jury obligation.

Amended June 21, 2011; effective September 1, 2011.

The Notice of Hearing and Petition for Emergency Minor Guardianship shall be provided to the individuals listed in RCW 11.130.225(3) no less than 14 calendar days prior to the emergency guardianship hearing. If a Petition for Guardianship has already been filed with the court, a Petition for Emergency Minor Guardianship may be filed under the same cause number.
- (3) **Motion for Immediate Emergency Guardianship (RCW 11.130.225(4)).** If a party has initiated an Emergency Guardianship action, a party may also request that the court appoint an emergency guardian for a minor without notice to the individuals set forth in RCW 11.130.225(3) if the court finds that, “the minor’s health, safety, or welfare will be substantially harmed before a hearing with notice.” If an Immediate Order for Emergency Guardianship is entered, the notice of appointment of guardian must be provided to the individuals listed within RCW 11.130.225(3) within 48 hours of the appointment, and a substantive hearing on the Petition for Emergency Guardianship shall be held within 5 court days of the entry of the order, or the first Minor Guardianship calendar thereafter.

Notice of the support hearing and the underlying motion must be filed with the court and provided to the other party at least 14 calendar days prior to the hearing date.

Hearings relating to such motions shall be set on the Minor Guardianship calendar. Notice of the hearing and the underlying motion for restraints/injunction must be

filed and provided to the other party at least 14 calendar days prior to the date of the hearing. A restraining order may be requested ex parte, or without notice to the restrained party if the court makes a finding that irreparable injury could result if an order is not issued until the time for responding has elapsed. If an ex parte order is entered, the order shall be served on the restrained party at least 14 days prior to the hearing date on the underlying motion.

- (7) **Temporary Protection Orders (RCW 11.130.257(3)).** Any party in a minor guardianship proceeding may request a domestic violence protection order or anti-harassment order involving the parties and the child(ren), by filing a separate cause of action. The person requesting the temporary protection order shall inform the clerk and court of the existence of the Minor Guardianship case and all future protection hearings shall be heard on the Minor Guardianship calendar, to be heard concurrent with the pending minor guardianship proceeding. The clerk shall relate the cases in the case management system.
- (8) **Other Filing Requirements.** Upon filing a Summons and Petition for Guardianship and/or a Petition for Emergency Guardianship, the petitioner must simultaneously file a Confidential Information Sheet (GDN M 410), a Motion and proposed Order to DCYF to Release CPS Information (GDN M 404/GDN 405), and WSP WATCH report for each petitioner filed under a Criminal History cover sheet (GDN M 407). If the guardianship action was consolidated with a prior non-parent custody action, no new confidential information sheet is required.
- (c) **Motions and Hearings.** All hearings related to minor guardianship petitions (emergency and non-emergency) shall be heard on the designated minor guardianship calendar (except for hearings on presentation of orders, which shall be heard on the appropriate judge's departmental calendar). All hearings must be confirmed in person, by telephoning the Superior Court office at (360) 337-7140, or by email at supcourtconfirm@kitsap.gov no later than 12:00 noon one day before the hearing, but no earlier than 48 hours in advance.
- (1) **Initial Hearing on Petition for Guardianship.** Unless the matter can be resolved by default or entry of an agreed order, the initial hearing on the Petition for Guardianship shall be a status hearing to address the following:
 - (A) Whether the Petitioner has complied with the statutory notice requirements set forth in RCW 11.130.195 or RCW 11.130.240.
 - (B) Whether an attorney should be appointed for the minor(s) and/or the parent(s). (RCW 11.130.200)
 - (C) Whether a guardian ad litem or court visitor should be appointed.
 - (D) The extent to which the child should participate in the proceedings going forward. (RCW 11.130.205)

Each party shall file a statement that addresses his/her position on the above issues. This statement may be in the form of a declaration or memorandum. Said statement shall be provided to all parties and the court (in the form of bench copies) five (5) court days prior to the initial hearing.

Unless the court determines a settlement, conference would not be beneficial, the parties shall be sent to the court scheduler to get a settlement conference date. The parties shall simultaneously obtain a trial date. These dates shall be chosen based on the availability of parties and counsel (to include any counsel or GAL appointed at this hearing). Both the settlement conference and trial date shall be scheduled for a date that allows sufficient time for an attorney to be appointed for the parent(s) or child(ren) (if applicable), and that allows a court visitor or guardian ad litem (if appointed) to perform his/her duties.

If an Emergency Guardianship Order has been entered within the guardianship proceeding, then the court shall set a status/review within forty-five (45) days from the date of the initial hearing to determine if the emergency guardianship order should remain in place. At that hearing, the intent is that the minor(s) and parent(s) shall have the benefit of court-appointed counsel (if applicable) to argue on his/her behalf, and that the court visitor provide the court with information related to the performance of his/her duties, and that the guardian ad litem (if applicable) provide the court with interim recommendations. All documents submitted to the court in relation to the status hearing shall be filed and provided to the court (in the form of bench copies), and other parties, at least five (5) court days prior to the status hearing.

If the pending action relates to a Petition to Terminate, Change, or Remove a Guardianship, then the court shall set a status hearing/review within 30 days to determine if a transitional order should be entered pursuant to RCW 11.130.240.

- (2) **Emergency Guardianship Hearing.** Substantive hearings on emergency guardianship shall be heard on the Minor Guardianship calendar unless the parties wish to provide oral testimony. In cases in which oral testimony will be presented, the emergency guardianship hearing shall be heard as a special set hearing (a date should be obtained from the court scheduler). Substantive hearings on the Minor Guardianship calendar shall be based on written declarations and/or affidavits. The following rules shall govern the emergency guardianship hearings:
- (A) At the hearing, each party is entitled to present evidence through declarations and/or testimony, present exhibits, and examine witnesses.
 - (B) Any written evidence that the Petitioner intends to present at the substantive hearing shall be filed, provided to the court (in the form of bench copies), and provided to the other parties, at least five (5) court days prior to the hearing. Any written evidence that the responding parties and GAL/court visitor wish to provide shall be filed, provided to the court (in the form of

bench copies), and provided to the other parties, at least three (3) court days prior to the hearing.

- (C) The court shall not hold a substantive hearing on a Petition for Emergency Guardianship unless the Petitioner has filed an affidavit of service indicating that all individuals listed in RCW 11.130.225(3) have been provided proper notice.
- (D) A failure to receive notice of the emergency guardianship hearing, or a failure to receive evidence in a timely manner on the part of any party, shall be deemed good cause to continue the emergency guardianship hearing to the next minor guardianship calendar.
- (E) If the parents or child has requested counsel, counsel shall be appointed prior to the substantive emergency guardianship hearing. Failure to appoint counsel, or the inability of counsel to participate in the hearing, shall be deemed good cause to continue the emergency guardianship hearing to the next emergency guardianship calendar.

Prior to the court entering an emergency guardianship order, the petitioner must submit a JIS search request to the court (<https://www.cognitofrms.com/KitsapCounty1/JISSEARCHREQUEST>). The request should include the names and dates of birth for all proposed guardians, all adults in the proposed guardian's household, and any parent that may be entitled to visitation with the child. This should be submitted in anticipation of the emergency guardianship hearing. The court shall review the JIS prior to entry of the emergency guardianship order.

If an emergency guardianship order is entered, that order shall expire 60 days following entry of the order unless the order indicates an alternate review date, or the petitioner files a motion to renew the emergency guardianship and schedules that motion for hearing prior to the expiration of the 60 days period. Renewal hearings shall comply with the rules set forth in section ii above.

If an attorney was appointed for the parent(s) and/or child(ren) at or following the substantive hearing on the petition for emergency guardianship, or a court visitor and/or guardian ad litem was appointed at or following the substantive hearing, any of these individuals may file a motion to review the emergency guardianship order for good cause. A renewal hearing or motion to review an emergency guardianship shall be governed by the emergency guardianship hearing rules set forth above.

- (3) **Support Hearings and Temporary Restraining Order Hearings.** Evidence presented for these hearings shall be presented by affidavit/declaration. The party seeking relief shall file and serve the notice of motion and underlying motion and declarations on the other party fourteen (14) calendar days prior the hearing date. The responding party shall submit his/her responsive materials five (5) court days

prior to the hearing date. The party seeking relief may submit a reply to affidavit/declaration the day prior to the hearing, by noon. The reply declaration is limited to three double spaced pages (12-point font). If the hearing is in relation to support, both parties must provide their pay stubs for the six (6) months preceding the motion.

(d) Finalization of Guardianship Actions.

- (1) **Trials on Petitions for Guardianship.** Contested guardianships shall be resolved by trial. At trial each side may present evidence through witnesses and exhibits. The Washington State rules of evidence shall apply to these proceedings. The parties shall exchange exhibits at least 5 court days prior to trial. Two sets of exhibits shall be provided to the court no less than 3 court days prior to trial (one set to be marked by the clerk, and one set for the judge).
- (2) **JIS Search Request.** Prior to the court entering a Minor Guardianship Findings and Order the petitioner must submit a JIS search request to the court (<https://www.cognitofirms.com/KitsapCounty1/JISSEARCHREQUEST>). The request should include the names and dates of birth for all proposed guardians, all adults in the guardian's household, and any parent that is entitled to visitation with the child. This should be done in anticipation of a hearing in which the petitioner(s) shall be presenting the final order. The court shall review the JIS prior to entry of the final order.
- (3) **Disclosure of Bankruptcy and Criminal History.** Prior to the court entering a Guardianship Findings and Order the petitioner(s) shall submit, and the court shall review, a Disclosure of Bankruptcy and Criminal History (GDN ALL 002).
- (4) **Ex Parte Presentation.** Agreed minor guardianship orders may be presented on the ex parte calendar provided all notice requirements are dispensed with, all necessary parties have signed the final orders (or have been found in default), and the criminal history, bankruptcy information, and JIS requirements have been satisfied (prior to or at the ex parte hearing).
- (5) **Letters of Guardianship:** Upon the entry of Minor Guardianship Findings and Order (GDN M 105), the named guardian shall file an Acceptance of Appointment (GDN ALL 003), and the clerk shall thereafter issue Letters of Guardianship (GDN ALL 004) to the guardian.
