

Bias-Based Policing

402.1 PURPOSE AND SCOPE

This policy provides guidance to office members that affirms the Kitsap County Sheriff's Office's commitment to policing that is fair and objective. Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the office's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships) (RCW 43.101.410).

402.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement.

402.2 POLICY

The Kitsap County Sheriff's Office is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this office to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

402.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit a deputy from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

402.3.1 OTHER PROHIBITIONS

The Kitsap County Sheriff's Office also condemns the illegal use of an individual or group's attire, appearance, or mode of transportation, including the fact that an individual rides a motorcycle or wears motorcycle-related paraphernalia, as a factor in deciding to stop and question, take enforcement action, arrest, or search a person or vehicle with or without a legal basis under the United States Constitution or Washington State Constitution (RCW 43.101.419).

Additionally, members shall not collect information from a person based on religious belief, practice, or affiliation unless permitted under state law. Members shall not (RCW 42.60.020; RCW 42.60.030):

- (a) Provide or disclose to federal government authorities personally identifiable information about a person's religious belief, practice, or affiliation unless the member is being questioned as a witness to a crime.

Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

402.4.1 REASON FOR CONTACT

Deputies contacting a person shall be prepared to articulate sufficient reason for the contact independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved deputy should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any deputy to document a contact that would not otherwise require reporting.

402.6 STATE REPORTING

Subject to any fiscal constraints, the Patrol Division Chief should review available data related to traffic stops, including demographic data, existing procedures, practices and training, as well as complaints. The data should be analyzed for any patterns or other possible indicators of racial- or bias-based profiling and included in an annual report for the Washington Association of Sheriffs and Police Chiefs (RCW 43.101.410(3)).

402.7 ADMINISTRATION

The Office of Professional Standards should review the efforts of the Office to provide fair and objective policing and submit an annual report, including public concerns and complaints and statistical data, to the Sheriff. The annual report should not contain any identifying information about any specific complaint, citizen or deputies. It should be reviewed by the Sheriff to identify any trends and/or any changes in policy, training, or operations that should be made to improve service.

Supervisors should review the annual report submitted to the Washington Association of Chiefs of Police and discuss the results with those they are assigned to supervise.

402.8 TRAINING

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Officer (RCW 43.101.410).
