

ZONING ORDINANCE 574-2019

**ORDINANCE REPLACING INTERIM ZONING ORDINANCE 566 (2019) TO
REGULATE HIGH-RISK SECURED FACILITIES**

Section 1. General Findings.

The Kitsap County Board of Commissioners finds as follows:

1. In 1990, Washington State became the first state to pass a law, chapter 71.09 RCW, authorizing indefinite civil commitment of individuals found by a superior court to be a Sexually Violent Predator (SVP).
2. Individuals that are civilly committed as SVPs have fulfilled their criminal sentence but have been found to suffer from a mental abnormality or personality disorder which makes the individual likely to reoffend if not confined in a secure facility.
3. In 1991, a civil rights lawsuit was filed in federal district court alleging violations of the constitutional rights of individuals that were civilly committed under the law.
4. In 1994, the Federal District Court for Western Washington entered an order and injunction requiring the state to provide constitutionally adequate mental health treatment for individuals that have been civilly committed. The court also found that the lack of a less restrictive alternative (LRA) to total confinement limited an individuals' opportunity to demonstrate their reduced risk and ordered the state to explore alternatives.
5. In 2007, the federal district court dismissed the injunction and closed the case after the state established two Secure Community Transition Facilities (SCTF) and amended state law, RCW 71.09.070, to require an annual review to determine if a SVP is eligible for placement in a LRA.
6. A LRA is a facility that provides court-ordered supervision, security, and treatment to individuals that have been civilly committed and conditionally released from a total confinement facility.
7. Washington State does not regulate the location or neighborhood compatibility and safety impacts of community based LRAs.

8. In February 2019, the Kitsap County Board of County Commissioners (Board) determined that current county regulations did not define LRA facilities or mitigate their land use impacts and potential building safety to protect both the residents of potential LRA facilities within Kitsap County as well as the general public.
9. The Growth Management Act (GMA), chapter 36.70A RCW, provides that each jurisdiction's comprehensive land use plan and development regulations shall be subject to continuing review and evaluation.
10. The Board has authority to adopt zoning regulations to protect public health and safety pursuant to RCW 36.32.120(7).

Section 2. General Procedural Findings.

The Kitsap County Board of Commissioners makes the following findings regarding the public participation process:

1. On February 6, 2019, the Board held a regularly scheduled and properly noticed meeting to adopt interim zoning regulations (Interim Zoning Ordinance 566-2019) to protect public health and safety in a way that mitigates land use and safety impacts without precluding the state-mandated placement of housing for persons that are civilly committed and conditionally released to a LRA.
2. On February 25, 2019, the Board held a regularly scheduled and properly noticed meeting to affirm the adoption of Interim Zoning Ordinance 566-2019.
3. On March 25, 2019, following effective and timely legal notice, the Board held a public hearing, as required by state law (RCW 36.70A.390 and RCW 36.70.795) to obtain public feedback regarding Interim Zoning Ordinance 566-2019.
4. Kitsap County conducted public outreach through a dedicated and up-to-date web page and direct notification to various Kitsap County notification lists (GovDelivery & NextDoor).
5. A public comment period regarding Interim Zoning Ordinance 566-2019 was open February 25, 2019 through April 2, 2019. Seventy public comments were received through emails, letters, online submittal forms, and verbal testimony.
6. Following the March 25, 2019 public hearing, the Board directed the Department of Community Development to draft proposed amendments based on public comment

received and on-going coordination with local jurisdictions to replace the temporary regulations adopted by Interim Zoning Ordinance 566-2019.

7. On April 11, 2019 and April 29, 2019, the Department of Community Development met with city officials from the City of Bremerton, City of Port Orchard, and City of Poulsbo to review the proposed amendments and ensure to the greatest extent possible that consistent and compatible zoning requirements are considered or adopted.
8. On April 16, 2019, the Kitsap County Planning Commission held a regularly scheduled and properly noticed work study session to review the proposed amendments.
9. A second public comment period on the proposed amendments was open April 2, 2019 through May 14, 2019. Twelve public comments were received through emails, letters, online submittal forms, and verbal testimony.
10. On May 14, 2019, following effective and timely legal notice, the Kitsap County Planning Commission held a public hearing to accept public testimony on the proposed amendments.
11. On May 21, 2019, the Kitsap County Planning Commission at a regularly scheduled and properly noticed meeting considered the proposed amendments and public comment received and recommended approval of the proposed amendments, as amended through a unanimous vote.
12. On May 21, 2019, the Kitsap County Planning Commission approved findings of fact on the proposed code amendment during a regularly scheduled and properly noticed meeting and forwarded them to the Kitsap County Board of Commissioners for consideration.
13. On June 13, 2019, the Kitsap County Board of Commissioners held a work study with the Department of Community Development to discuss the proposed amendments.
14. A third public comment period on the proposed amendment to Kitsap County Code was open from May 15, 2019 to June 28, 2019.
15. On June 24, 2019, following effective and timely legal notice, the Kitsap County Board of Commissioners held a public hearing to accept testimony on the proposed code amendments.

16. On July 10, 2019, the Board of County Commissioners held a work study with the Department of Community Development to discuss the proposed amendments and public comment received.
17. On July 22, 2019, the Board of County Commissioners deliberated on the proposed code amendments and, after consideration of public comment and the entire record related to this ordinance, made a final decision to adopt this ordinance as amended.

Section 3. Substantive Findings.

The Board of County Commissioners makes the following findings regarding the amendments:

1. The proposed amendments replace temporary zoning regulations adopted by Interim Zoning Ordinance 566-2019.
2. The proposed amendments were developed according to, and are found to comply with, the requirements of the GMA, Chapter 36.70A RCW, the Kitsap Countywide Planning Policies, the Kitsap County Comprehensive Plan, and other applicable state and federal requirements.
3. Public participation occurred in the review of the proposed code amendment, as required by the GMA, and consistent with the State Environmental Policy Act and Kitsap County Code.
4. The proposed amendments promote the public interest and welfare of the citizens of Kitsap County.

Section 4. Section 1 through 9 of Interim Ordinance 566 (2019), adopted on February 6, 2019, are repealed.

NEW SECTION. Section 5. A new section is added to Chapter 17.110 Kitsap County Code, 'Definitions', as follows:

17.110.335 High-Risk Secured Facility

“High-Risk Secured Facility” means a facility that provides court-ordered housing, supervision, 24-hour security, and coordinates treatment services for persons who are found by the court to be a “Sexually Violent Predator” or pose a likelihood of serious harm to others

as defined in 71.05.020 and are civilly-committed to a less restrictive alternative as defined in state law. Such facilities accommodate two or more persons placed by the court plus treatment and support staff. A High-Risk Secured Facility does not include:

- A. Secure community transition facilities proposed under the authority of, and consistent with the provisions of Chapter 71.09 RCW; or
- B. Nursing homes, assisted living facilities, or adult family homes that become licensed as enhanced services facilities as defined in RCW 70.97.060(4).

Section 6. Kitsap County Code Section 17.410.044 ‘Commercial, industrial, parks, and public facility zones use table’, adopted by Ordinance 550 (2018), is amended as follows:
