INSTRUCTIONS

RCW 50.62.030 requires that individuals who are eligible for services under the federal workforce innovation and opportunity act, P.L. 113-128 or its successor, must be provided the opportunity to enroll in self-employment assistance or entrepreneurial training programs to prepare them for self-employment on the same basis as they are provided the opportunity to enroll in other training programs funded under the federal workforce innovation and opportunity act.

For planning purposes, entrepreneurial training service enrollments must be determined using one of the three methodologies outlined in Policy 5608. Projected enrollments and expenditures should be comparable to and consistent with previous program years on a cost-per basis.

Total expenditures and training service enrollments appear automatically, per the expenditure and participant projections established on pages two and three, respectively.

To establish entrepreneurial training targets, enter projected expenditures and enrollments in the cells provided in the "By Quarter" section. Cumulative totals will auto-calculate.

Please refer to WIN 0042 Change 9 for more information about Self-Employer Training (SET) targets.

## **Part A: General Award, System for Award Management and Uniform Guidance**

### **A.1 Compliance and the Order of Precedence**

The recipient of this Federal award will assure that they will fully comply with the rules and requirements specified in the award document. Program requirements may be found in the Funding Opportunity Announcement (FOA), statutes, Executive Orders, government-wide regulations, agency regulations, agency policy guidance such as Training Employment Guidance Letter (TEGL), and the terms outlined in the award document. The list below identifies the hierarchy of authority.

The following order of precedence applies to your activities under this federal award. In the event of any inconsistency between the terms and conditions of this Notice of Award (NOA) and other requirements, consult the below order:

1. Workforce Innovation Opportunity Act (WIOA).
2. Other applicable Federal statutes.
3. Consolidated Appropriations Act 2022 (Public Law 117-103) dated March 15, 2022.
4. Implementing Regulations.
5. Executive Orders and Presidential Memoranda.
6. The Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 CFR (Code of Federal Regulations) parts 200 and 2900.
7. The U.S. Department of Labor (DOL) or Employment and Training Administration (ETA) directives.
8. Terms and conditions of this award.

**Notice of Award** The funds provided under this Notice of Award (NOA) must be expended according to all applicable Federal statutes, regulations and policies, and the applicable provisions in the appropriations act(s). The funds shall be obligated and expended via a NOA award modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

The funds that are provided under this NOA must be expended according to all applicable Federal statutes, regulations and policies, including those of the Workforce Innovation and Opportunity Act (WIOA), the applicable approved WIOA State Plan (including approved modifications and amendments to the plan), and any waiver plan approved under WIOA Section 189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Section 190, the negotiated performance levels and policies established pursuant to the Secretary's authority under WIOA Section 116, and the applicable provisions in the appropriations act(s).

The funds shall be obligated and allocated via a NOA grant modification. These obligations and expenditures may not exceed the amount awarded by the NOA modification unless otherwise modified by the ETA.

By drawing down funds, your organization as the award recipient agrees to the provisions of 20 CFR 683.820(b)(6), which states:

*“Any organization selected and/or funded under WIOA Title I, Subtitle D, is subject to having its award removed if an Administrative Law Judge (ALJ) decision so orders. As part of this process, the Grant Officer will provide instructions on transition and closeout to both the newly selected grant recipient and to the grant recipient whose positions is affected, or which is being removed.”*

#### A.2 Training and Employment Guidance Letter

Training and Employment Guidance Letter No. 09-21 and any amendments found at [https://wdr.doleta.gov/directives/corr\\_doc.cfm?DOCN=8776](https://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=8776) are hereby incorporated into this NOA. Award recipients are bound by the authorizations, restrictions, and requirements contained in the NOA. Therefore, the expenditure of funds by the award recipient certifies that your organization has read and will comply with all the parts that are contained in the NOA.

#### A.3 SF-424, Application for Federal Assistance, and SF-424B, Assurances and Certifications

The signed SF-424, Application for Federal Assistance, has been included as an attachment to this award. The individual that signed the SF-424 on behalf of the applicant is considered the Authorized Representative of the applicant. As stated in block 21 of the SF-424 form, the signature of the Authorized Representative on the SF-424 certifies that the grant award recipient is in compliance with the Assurances and Certifications form SF-424B available at [Grants.gov](https://www.grants.gov). ***The grant award recipient does not need to submit the SF-424B form separately.***

#### A.4 Federal Project Officer or Point of Contact (POC)

The DOL/ETA Federal Project Officer (FPO) or Point of Contact for this award is:

**Name:** Carol Padovan  
**Telephone:** (415) 625-7907  
**E-mail:** [Padovan.Carol@dol.gov](mailto:Padovan.Carol@dol.gov)

The individual named above is not authorized to change any of the terms or conditions of the award or approve prior approval requests. Any changes to the terms or conditions or prior approvals must be approved by the Grant Officer through the use of a formally executed award modification process.

#### A.5 Unique Entity Identifier Requirements

Effective on April 4, 2022, the DUNS Number will be replaced by a new, non-proprietary identifier requested in and assigned by [SAM.gov](https://www.sam.gov). This new identifier is called the Unique Entity Identifier (UEI), or the Entity ID. To learn more about SAM's rollout of the UEI, please visit the U.S. General Service Administration (GSA), [Unique Entity Identifier Update webpage](#).

If the grant award or cooperative agreement recipient is authorized to make subawards under this award, then the recipient:

1. Must notify potential subrecipients that no entity (see definitions below) may receive a subaward from the grant award recipient until the entity has provided its UEI to the recipient.
2. May not make a subaward to an entity unless the entity has provided its UEI to the grant or cooperative agreement recipient. Subrecipients are not required to obtain an active SAM registration but must obtain a UEI.

## A.6 System for Award Management

System for Award Management (SAM) is the official federal system that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of contract awards, grants, and electronic payment processes.

A SAM registration is required for an entity to be able to apply for federal awards, to request modifications to existing awards, and to enable them to closeout expiring awards. See [Training and Employment Notice \(TEN\) 18-17](#) for additional guidance.

Unless the award recipient is exempt from this requirement under 2 CFR 25.110, the grant award or cooperative agreement recipient must maintain current information in the SAM. This includes information on the recipient's immediate and highest-level owner and subsidiaries, as well as on all of the recipient's predecessors that have been awarded a Federal contract or Federal financial assistance within the last three years, if applicable, until the award recipient submits the final financial report required under this Federal award or receive the final payment, whichever is later.

DOL advises grant award recipients and other awardees of Federal awards such as cooperative agreements registered in SAM to review their registration information, particularly their financial information and points of contact. Assistance is available by contacting the Federal Service Desk at [FSD.gov](https://www.fsd.gov). Grant award or cooperative agreement recipients should contact ETA at [ETAAccountingGrants@dol.gov](mailto:ETAAccountingGrants@dol.gov) if they find that payments have been paid to a bank account other than their registered bank account.

DOL routinely checks the validity of a grant or cooperative agreement award recipient's SAM registration and verifies that the recipient is not included on the excluded parties list before making an award or approving a modification to an existing award. Failure to have an active SAM registration can delay award recipients from receiving their initial award or requested modifications to their existing awards.

DOL further encourages award recipients to review the expiration date of their SAM registration and begin the renewal process well in advance, to ensure that their registration remains valid. If the award recipient has not logged in and updated its entity registration record within at least the past 365 days, its record will expire and go into inactive status. Timely renewal will ensure that the award recipient can continue to request and receive modifications to their existing grants, as well as apply for new funding opportunities. Further, the EIN numbers must remain active until the award closeout process is fully completed.

#### A.7 Uniform Guidance Revisions

The Office of Management and Budget issued revisions to 2 CFR parts 25, 170, 183, and 200 (the Uniform Guidance) on August 13, 2020, and February 22, 2021 (technical correction). These revisions became effective November 12, 2020, except for the amendments to 2 CFR 200.216 and 200.340, which were immediately effective on August 13, 2020. The award recipient must operate in compliance with these revised regulations. Please note that the section numbering in the Uniform Guidance has changed in some instances, and this terms and conditions document has been updated accordingly.

#### A.8 Subawards

A *subaward* means an award provided by a *Pass-Through Entity* (PTE) to a subrecipient for the subrecipient to carry out part of a Federal award received by the PTE. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the PTE considers a contract.

The provisions of the Terms and Conditions of this award will be applied to any subrecipient under this award. The recipient is responsible for monitoring the subrecipient, ensuring that the Terms and Conditions are in all subaward packages and that the subrecipient complies with all applicable regulations and the Terms and Conditions of this award (2 CFR 200.101(b)).

#### A.9 Vendor/Contractor Defined

The term “contractor,” sometimes referred to as a vendor, is a dealer, distributor, merchant or other seller providing goods or services that are required to implement a Federal program (see 2 CFR 200.1). These goods or services may be for an organization's own use or for the use of the beneficiaries of the Federal program. Additional guidance on distinguishing between a subrecipient and a contractor (vendor) is provided in 2 CFR 200.331. When procuring contractors for goods and services, DOL/ETA recipients and subrecipients must follow the procurement requirements found at 2 CFR 200.320 (except states, pursuant to 2 CFR 200.317), which calls for free and open competition.

#### A.10 Technical Assistance, Resources, and Information

Additional resources, training, and information to assist the award recipient are located on the ETA website, [Resources webpage](#) and on the Grants Application and Management collection page on [WorkforceGPS.org](#). [SMART training](#) is a technical assistance initiative sponsored by DOL/ETA to assist its grant and cooperative agreement recipients and subrecipients in improving its program/project operations through effective grants management. Please take some time to review the training modules which are focused on: Strategies for sound grant management that include:

**M**onitoring,  
**A**ccountability,  
**R**isk mitigation and  
**T**ransparency.

These four themes are woven throughout the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, also known as the Uniform Guidance (2 CFR Part 200 and 2 CFR Part 2900). The 508-compliant PowerPoints of the modules may be found on [WorkforceGPS.org](http://WorkforceGPS.org) at the [Resource](#) page.

#### A.11 Monitoring, Technical Assistance, and Additional Specific Conditions of Award

All grant and cooperative agreement award recipients, including states and territories managing the Unemployment Insurance programs, are subject to 2 CFR 200.208, *Specific conditions*, which indicates that the Federal awarding agency may adjust specific award conditions as needed. A specific condition is based on an analysis of the following factors:

1. Based on the criteria in §200.206, *Federal awarding agency review of risk posed by applicants*;
2. The applicant or recipient's history of compliance with the general or specific terms and conditions of a Federal award;
3. The applicant or recipient's ability to meet expected performance goals as described in 2 CFR 200.211; or
4. A responsibility determination of an applicant or recipient.

Additional Federal award conditions may include items such as the following:

1. Requiring payments as reimbursements rather than advance payments;
2. Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period;
3. Requiring additional, more detailed financial reports;
4. Requiring additional project monitoring;
5. Requiring the non-Federal entity to obtain technical or management assistance; or
6. Establishing additional prior approvals.

Grant and cooperative agreement award recipients may be required to obtain technical or management assistance through an established provider/contractor that has been selected or hired by DOL/ETA that may include in-person or remote assistance.

#### A.12 Evaluation, Data, and Implementation

Grant and cooperative award recipients must cooperate during the implementation of a third-party evaluation. This means providing DOL/ETA or its authorized contractor with the appropriate data and access to program operating personnel and participants in a timely manner.

#### A.13 Program Requirements

Training and Employment Guidance Letter No. 09-21 contains the program requirements for this award.

## **Part B: Budget and Cost Share (Match)**

### **B.1 Budget - Approved**

The grant award recipient's budget documents are attached in this NOA. The documents are: 1) the SF-424, included as Attachment A. The grant award recipient must confirm that all costs are allowable, reasonable, necessary, and allocable before charging any expense. Pursuant to 2 CFR 2900.1, the approval of the budget as awarded does not constitute prior approval of those items specified in 2 CFR part 200 and 2 CFR part 2900 or as a part of the grant award as requiring prior approval. The Grant Officer is the only official with the authority to provide such approval.

Any changes to the budget that impact the Statement of Work (SOW) and agreed upon outcomes or deliverables will require a request for modification and prior approval from the Grant Officer.

If the period of performance will include multiple budget periods, subsequent budget periods are subject to the availability of funds, program authority, satisfactory performance, and compliance terms and conditions of the Federal award.

### **B.2 Budget Flexibility**

Award recipients are not permitted to make transfers that would cause any funds to be used for purposes other than those consistent with this Federal program. Any budget changes that impact the SOW and agreed upon outcomes or deliverables require a request for modification and approval from the Grant Officer.

As directed in 2 CFR 200.308(f), for programs where the Federal share is over the Simplified Acquisition Threshold (SAT) (currently \$250,000), the transfer of funds among direct cost categories or programs, functions, and activities is restricted such that if the cumulative amount of such transfers exceeds or is expected to exceed 10% of the total budget as last approved by the Federal awarding agency, the recipient must receive prior approval from the Grant Officer. Any changes within a specific cost category on the SF-424(a) do not require a grant modification unless the change results in a cumulative transfer among direct cost categories exceeding 10% of total budget. It is recommended that the assigned Federal point of contact review any within-line changes to the award recipient's budget prior to implementation to ensure they do not require a modification.

For programs where the Federal share of the project is below the SAT of \$250,000, recipients are not required to obtain the Grant Officer's approval when transferring funds among direct cost categories.

### **B.3 Non-Federal Share (Match or Cost Share)**

This award does not include a match requirement.

## **Part C: Funds Management and Special or Temporary Restrictions**

### **C.1 Funds – Payment Management System (PMS)**

Upon receipt of a NOA, in order to draw funds from the U.S. Department of Health and Human Services (HHS) Payment Management System (PMS), an active account must be established. To establish an account, award recipients must complete an SF-1199A and PMS Access form (shown as the PMS/FFR User Form on the PMS website). DOL/ETA is responsible for completing portions of the SF-1199A and submitting the completed SF-1199A to the Division of Payment Management, which operates PMS. Federal award recipients do not need to complete these forms if they already have an account with PMS.

### **C.2 Funds - Return & Refunds**

DOL/ETA does not accept paper checks for any type of returned funds. For active grants, all return of funds are to be submitted electronically through the PMS operated by the HHS via the same method as a drawdown. For grants that have been cancelled or are expired (typically older than five years), incoming payments, including returns and recoveries to DOL, must be made via the Pay.gov website.

If there are questions regarding the return of funds, or your organization no longer has access to PMS, contact the DOL/ETA, Office of Financial Administration via email at: ETA-ARteam@dol.gov for further assistance.

## **Part D: Costs - Limitations, Items, and Restrictions**

### **D.1 PY 2019 Administrative Costs Limit Change – Coronavirus Aid, Relief, and Economic Security (CARES) Act**

Pursuant to Public Law 116-136 (the CARES Act), and notwithstanding WIOA section 128(b)(4), for PY 2019, not more than 20% of the total amount allocated to a local area may be used for the administrative costs of carrying out local workforce investment activities under WIOA Chapter 2 (Youth Workforce Investment Activities) and Chapter 3 (Adult and Dislocated Worker Employment and Training Activities), if the portion of the total amount of administrative costs that exceeds 10% of the total amount allocated is used to respond to a qualifying emergency.

### **D.2 PY 2019 Rapid Response Activities Change – CARES Act**

Pursuant to Public Law 116-136 (the CARES Act), the funds reserved by a Governor for PY 2019 for statewide activities under WIOA 128(a) that remain unobligated may be used for statewide rapid response activities as described in WIOA 134(a)(2)(A) for responding to a qualifying emergency.

### **D.3 Administrative Costs**

Administrative costs are defined in the WIOA at 20 CFR 683.215. Limitations on administrative costs are described at 20 CFR 683.205. Under no circumstances may the administrative costs exceed these limits. The grant recipient will be monitored for

compliance with the administrative cost limits throughout the grant's period of performance. Any amounts that exceed these limitations will be disallowed and subject to debt collection.

#### D.4 Consultants

For the purposes of this grant award, the ETA's Grant Officer has determined that fees paid to a consultant who provides services under a program shall be limited to \$750.00 a day (representing an eight-hour workday). Such costs must be reasonable, allocable, and allowable to the program. Any fees paid in excess of this amount cannot be paid without prior approval from the Grant Officer.

#### D.5 Equipment

The requirement that grant recipients obtain prior approval from the Grant Officer for all purchases of equipment (as described in 2 CFR 200.439) is waived in accordance with 2 CFR 200.308(c)(4) and 20 CFR 683.200, and approval authority is delegated to the Governor for programs funded under Section 127 (Youth) or Section 132 (Adult & Dislocated Worker) of WIOA or under the Wagner-Peyser Act. Notwithstanding this waiver, the Grant Officer reserves the right to reimpose the requirement of prior approval, after providing advance notice to the recipient.

#### D.6 Pre-Award Costs

All costs incurred by the award recipient prior to the start date specified in the grant award issued by the Department are *incurred at the recipient's own expense*.

#### D.7 Program Income

The "Addition" method as described in 2 CFR 200.307 must be used in allocating any program income generated for this awards award. The award recipient must expend all program income prior to drawing down any additional funds as required at 2 CFR 200.305(b)(5) and 2 CFR 200.307(e). Any program income found remaining at the end of period of performance must be returned to ETA. In addition, the award recipient(s) must report program income on the quarterly financial report using the applicable ETA-9130 or SF-425 reports.

#### D.8 Supportive Services & Participant Support Costs

When supportive services are expressly authorized by a program statute, regulation, or FOA, this award waives the prior approval requirement for participant support costs as described in 2 CFR 200.456. Costs must still meet the basic considerations at 2 CFR 200.402 – 200.411. Questions regarding supportive services and participant support costs should be directed to the FPO who is assigned to the award.

#### D.9 Travel

This award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.475. For domestic travel to be an allowable cost, it must be necessary, allowable, reasonable, allocable and conform to the non-Federal entity's written policies and

procedures. All travel must also comply with Fly America Act (49 USC 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with, a U.S. Flag air carrier if service provided by such carrier is available.

#### D.10 Travel – Mileage Reimbursement Rates

Pursuant to 2 CFR 200.475(a), all award recipients must have policies and procedures in place related to travel costs; however, for reimbursement on a mileage basis, this Federal grant award cannot be charged more than the maximum allowable mileage reimbursement rates for Federal employees. Mileage rates must be checked annually at GSA's Privately Owned Vehicle (POV) Mileage Reimbursement Rates webpage to ensure compliance.

#### D.11 Travel – Foreign

Funds that are awarded and authorized to carry out an activity under WIOA, Subtitle B cannot be used for foreign travel.

#### D.12 Conferences and Conference Space

Conferences sponsored in whole or in part by the award recipient are allowable if the conference is necessary and reasonable for the successful performance of the Federal Award. The award recipients are urged to use discretion and good judgment to ensure that all conference costs charged to the grant are appropriate and allowable. For more information on the requirements and the allowability of costs associated with conferences, refer to 2 CFR 200.432. Recipients will be held accountable to the requirements in 2 CFR 200.432. Therefore, costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

#### D.13 Hotel-Motel Fire Safety

Pursuant to 15 U.S.C. 2225a, the recipient must ensure that all space for conferences and conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (P.L. 101-391, as amended). Recipients may search the Hotel-Motel National Master List to see if a property is in compliance, or to find other information about the Act.

#### D.14 WIOA Infrastructure

WIOA, Section 121(b)(1)(B) and 20 CFR 678.400 require the following programs to be One-Stop partners:

1. WIOA, Title I programs: Adult, Dislocated Worker, and Youth formula programs, Job Corps, YouthBuild, Native American programs, National Dislocated Worker Grants (DWG), and NFJP;
2. Wagner-Peyser Act Employment Service (ES) program authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.), as amended by WIOA, Title III;
3. SCSEP authorized under Title V of the Older Americans Act of 1965;
4. Trade Adjustment Assistance (TAA) activities authorized under Chapter 2 of Title II of the Trade Act of 1974;

5. Unemployment Compensation (UC) programs;
6. Jobs for Veterans State Grants (JVSG) programs authorized under Chapter 41 of Title 38, U.S.C.; and
7. Reentry Employment Opportunities (REO) programs (formerly known as the Reintegration of Ex-Offenders Program (RExO) awarded prior to January 1, 2019, which were authorized under Section 212 of the Second Chance Act of 2007 (42 U.S.C. 17532).

With the exception of Native American programs established under WIOA, Section 166 all One-Stop partner programs, including all programs that are funded under Title I of WIOA, are required to contribute to the infrastructure costs and certain additional costs of the One-Stop delivery system in proportion to their use and relative benefits received, per 20 CFR 678.700 and 678.760. While Native American programs are not required to contribute to infrastructure costs per WIOA Section 121(h)(2)(D)(iv), they are strongly encouraged to contribute as stated in TEGL No. 17-16. The sharing and allocation of infrastructure costs between One-Stop partners is governed by WIOA Section 121(h), WIOA's implementing regulations, and the Federal Cost Principles contained in the Uniform Guidance at 2 CFR part 200 and DOL's exceptions at 2 CFR part 2900.

If not deemed a required one-stop partner, it is strongly recommended that the grant recipient partner with the local WIOA one-stop delivery system in its service area(s). The one-stop system can assist with referrals, labor market information, and many other services that will directly benefit the management and performance of your grant. The one-stop system also provides access to a wide range of publicly- and privately-funded education, employment, training, and supportive services while also providing high-quality customer service to job seekers, workers, and businesses.

#### D.15 Pay-For-Performance Contract Strategies

If any subrecipients (Local Workforce Development Boards (LWDBs)) of the grant recipient elect to set aside funds for pay-for-performance (PFP) contract strategies under 20 CFR 683.520, a separate grant agreement must be created to administer these funds. The grant recipient must provide sufficient notice to the Grant Officer, through its FPO, of any LWDB's decision to reserve up to 10% of its total local Adult/Dislocated Worker or Youth allotment for PFP contract strategies so that a new grant agreement can be issued to cover those funds. The grant recipient should inform its FPO as soon as an amount to be reserved under this provision has been finalized.

#### D.16 Procurement

The Uniform Guidance (2 CFR 200.317) require States (as defined in 2 CFR 200.1) to follow the same procurement policies and procedures it uses for non-Federal funds. The state must comply with 2 CFR 200.321, 200.322, and 200.323 and ensure that every purchase order or other contract includes any clauses required by 2 CFR 200.327. The grant award recipient(s) must also follow the requirements regarding the competitive selection of One-Stop Operators at WIOA Sections 121(d) and 123.

## **Part E: Reporting, Audit, and Closeout**

### E.1 Reports

All ETA award recipients are required to submit quarterly financial and narrative progress reports for each award.

1. **Quarterly Financial Reports.** All ETA award recipients are required to report financial data on the ETA-9130 Financial Report. ETA-9130 reports are due no later than 45 calendar days after the end of each specified reporting quarter. Reporting quarter end dates are March 31, June 30, September 30, and December 31. A final financial report must be submitted no later than 45 calendar days after the quarter encompassing the award end date ends, or 45 calendar days after the completion of the quarter in which all funds have been expended, whichever comes first. A closeout report will be submitted during the closeout process. For additional guidance on ETA's financial reporting, reference TEGL 20-19 and ETA-9130 Financial Reporting Resources.

The instructions for accessing both the online financial reporting system and the HHS PMS can be found in the transmittal memo accompanying this NOA.

### E.2 Federal Funding Accountability and Transparency Act (FFATA or Transparency Act)

Applicable to grants and cooperative agreements:

1. Reporting of first-tier subawards.
  - a) *Applicability.* Unless the award recipient is exempt as provided in paragraph [4.] of this award term, the award recipient must report each action that equals or exceeds \$30,000 in Federal funds for a subaward to a non-Federal entity or Federal agency (see definitions in paragraph [5.] of this award term).
  - b) *Where and when to report.*
    - I. The Federal entity or Federal agency must report each obligating action described in paragraph [1.a.] of this award term to FSRS.gov.
    - II. For subaward information, the recipient must report no later than the end of the month following the month in which the obligation was made. (For example, if the obligation was made on November 7, 2010, the obligation must be reported by no later than December 31, 2010.)
  - c) *What to report.* The award recipient must report the information about each obligating action that the submission instructions posted at FSRS.gov specify.

### E.3 Integrity and Performance Matters – FAPIIS

1. If the total value of the currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then the award recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in Paragraph 2 of this award term and condition. This is a statutory requirement under Section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by Section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.
2. Proceedings about which the award recipient must report. Submit the information required about each proceeding that:
  - a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
  - b. Reached its final disposition during the most recent 5-year period; and
  - c. Is one of the following:
    - I. A criminal proceeding that resulted in a conviction, as defined in Paragraph 5. of this award term;

    - IV. Any other criminal, civil, or administrative proceeding if:
      - (A) It could have led to an outcome described in Paragraph 2.c.I, II, or III of this award term;
      - (B) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the grant recipient's part; and

(C) The requirement in this award term to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting procedures. Enter in SAM, Entity Management area (formerly CCR), or any successor system, the FAPIIS information that SAM requires about each proceeding described in Paragraph 2 of this award term. The award recipient does not need to submit the information a second time under assistance awards that were received if the recipient already provided the information through SAM (formerly CCR) because the recipient was required to do so under Federal procurement contracts that the recipient was awarded.
4. Reporting frequency. During any period of time when the award recipient is subject to the requirement in Paragraph 1 of this award term, the award recipient must report FAPIIS information through SAM no less frequently than semiannually following the initial report of any proceedings for the most recent 5-year period, either to report new information about any proceeding(s) that the award recipient has not reported previously or to affirm that there is no new information to report.
5. Definitions. For purposes of this award term:

Administrative proceeding means a non-judicial process that is adjudicatory in nature in order to make a determination of fault or liability (e.g., SEC Administrative proceedings, Civilian Board of Contract Appeals proceedings, and Armed Services Board of Contract Appeals proceedings).   - b. Conviction, for purposes of this award term, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.
  - c. Total value of currently active grants, cooperative agreements, and procurement contracts includes —
    - I. Only the Federal share of the funding under any award with a recipient cost share or match; and
    - II. The value of all options, even if not yet exercised.

#### E.4 Audits

Organization-wide or program-specific audits must be performed in accordance with Subpart F, the Audit Requirements of the Uniform Guidance. DOL award recipients that expend \$750,000 or more in a year from any Federal awards must have an audit conducted for that year in accordance with the requirements contained in 2 CFR 200.501. OMB's approved DOL exception at 2 CFR 2900.2 expands the definition of 'non-Federal entity' to include for-profit entities and foreign entities. As such, for-profit and foreign entities that are recipients/subrecipients of a DOL award must adhere to the Uniform Guidance at 2 CFR 200, including Subpart F. Audits of direct award recipients that are for-profit and foreign entities must be submitted directly to: USDOL ETA-OGM, Attn: Audit Resolution, 200 Constitution

Ave NW, Room N-4716, Washington, DC 20210. All other audit reports are submitted through the Federal Audit Clearinghouse

The recipient is prohibited from earning a profit resulting from the implementation of this cooperative agreement. As directed in 2 CFR 200.400(g), non-Federal entities may not earn or keep any profit resulting from Federal financial assistance unless explicitly authorized in the Federal Award Terms. Additionally, the provision on profit only applies to WIOA Title 1 programs at 20 CFR 683.295

#### E.5 Audit Submission Deadline Extension Related to COVID-19

In OMB Memorandum M-20-17, OMB offered an extension of Single Audit submission deadlines for fiscal years ending June 30, 2020 to allow recipients and subrecipients a responsible transition to normal operations. This flexibility was extended through December 31, 2020 by OMB Memorandum 20-26.

In OMB Memorandum M-21-20, Appendix 3, Item IX, OMB has offered an additional extension of Single Audit submission deadlines for fiscal years ending June 30, 2021. Award recipients and subrecipients that have not yet filed their single audits with the Federal Audit Clearinghouse as of March 19, 2021, that have fiscal year-ends through June 30, 2021, may delay the completion and submission of the Single Audit reporting package, as required under 2 CFR 200.501 (Audit Requirements), to six (6) months beyond the normal due date. This extension does not require individual recipients and subrecipients to seek approval for the extension by the cognizant or oversight agency for audit; however, recipients and subrecipients should maintain documentation of the reason for the delayed filing.

#### E.6 Closeout/Final Year Requirements

At the end of the grant period, the award recipient will be required to close the grant with the ETA. The grant and cooperative agreement award recipient will be notified approximately 15 days prior to the end of the period of performance that the closeout process will begin when the period of performance ends. See ETA's Grant Closeout webpage for further information on the closeout process. The recipient's responsibilities at closeout may be found at 2 CFR 200.344. During the closeout process, the award recipient must be able to provide documentation for all direct and indirect costs that are incurred. For instance, if an organization is claiming indirect costs, the required documentation is a NICRA or CAP issued by the award recipient's FCA. For those approved to utilize a de minimis rate for indirect costs, the grant agreement or cooperative agreement is sufficient documentation. Not having documentation for direct or indirect costs will result in costs being disallowed and subject to debt collection.

The only liquidation that can occur during closeout is the liquidation of accrued expenditures (NOT obligations) for goods and/or services received during the period of performance specified in this award (NOA) (2 CFR 2900.15).

## **Part F: National Policy and Restrictions**

### **F.1 Architectural Barriers**

The Architectural Barriers Act of 1968, 42 U.S.C. 4151 *et seq.*, as amended, the Federal Property Management Regulations (see 41 CFR 102-76), and the Uniform Federal Accessibility Standards issued by the U.S. General Services Administration (GSA) (see 36 CFR 1191, Appendixes C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with grant support must comply with these requirements.

### **F.2 Domestic Preferences for Procurements**

As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 CFR Part 200.322 must be included in all subawards including all contracts and purchase orders for work or products under this award.

### **F.3 Drug-Free Workplace**

The Drug-Free Workplace Act of 1988, 41 U.S.C. 702 *et seq.*, and 2 CFR 182 require that all award recipients receiving awards from any Federal agency maintain a drug-free workplace. The award recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment.

### **F.4 Flood Insurance**

The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4001 *et seq.*, provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in communities in the United States identified as flood-prone, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within 1 year of the identification. The flood insurance purchase requirement applies to both public and private applicants for the DOL support. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by FEMA.

### **F.5 Intellectual Property Rights**

The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: the copyright in all products developed under the grant, including a subgrant or contract under the grant or subgrant; and any rights of copyright to which the grant award recipient, subrecipient or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise.

Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the DOL/ETA has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping.

If revenues are generated by selling products developed with grant funds, including intellectual property, these revenues are considered as program income. Program income must be used in accordance with the provisions of this grant award and 2 CFR 200.307.

The following language must be on all workforce products developed in whole or in part with grant funds:

*“This workforce product was funded by a grant awarded by the U.S. Department of Labor (DOL) ’s Employment and Training Administration. The product was created by the recipient and does not necessarily reflect the official position of DOL/ETA. DOL/ETA makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it.”*

#### F.6 Promoting Equitable Delivery of Government Benefits and Equal Opportunity

The Department of Labor (Labor) seeks to affirmatively advance equity, civil rights and equal opportunity in the policies, programs, and services it provides. Therefore, consistent with Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*, grant and cooperative award recipients must execute the terms and conditions of their award in a manner that advances equity for all, including people of color and others who have been historically underserved, marginalized, and adversely affected by persistent poverty and inequality. This extends to all award activities including, but not limited to, service delivery, selection of subrecipients and contractors, and procurement of goods and services. Government programs are designed to serve all eligible individuals. As an expectation, Labor’s award recipients should make the goods and services they provide widely available with the goal of effectively serving a diverse population of eligible individuals; fairly, justly, and impartially in administering the grant award. Award recipients are encouraged to engage in contracting and subcontracting for goods and services related to performing the terms and conditions of their grants in such a way to achieve equity.

The term “equity” means the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment, such as Black, Latino, and Indigenous and Native American persons, Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons; persons with

disabilities; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality.

The term “underserved communities” refers to populations sharing a particular characteristic, as well as geographic communities, that have been systematically denied a full opportunity to participate in aspects of economic, social, and civic life, as exemplified by the list in the preceding definition of “equity.”

#### F.7 Personally Identifiable Information

The award recipient(s) must recognize and safeguard Personally Identifiable Information (PII) except where disclosure is allowed by prior written approval of the Grant Officer or by court order. Award recipients must meet the requirements in TEGL No. 39-11, Guidance on the Handling and Protection of PII.

#### F.8 Publicity

Pursuant to P.L. 117-103, Division H, Title V, Section 503, the award recipient is not authorized to use any funds provided under this award—other than for normal and recognized executive–legislative relationships—for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation, designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

#### F.9 Telecommunications Prohibition

Award recipients must adhere to 2 CFR 200.216 - Prohibition on certain telecommunications and video surveillance services or equipment (effective August 13, 2020).

Award recipients, including grant and cooperative agreements, and subrecipients are prohibited from obligating or expending loan or grant funds to:

- Procure or obtain;

- Extend or renew a contract to procure or obtain; or

- Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any

subsidiary or affiliate of such entities). Including telecommunications or video surveillance services provided by such entities or using such equipment and telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. See Public Law 115-232 (section 889) and 2 CFR 200.471 for additional information.

#### F.10 Veterans' Priority Provisions

The Jobs for Veterans Act (Public Law 107-288) requires award recipients to provide priority service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the DOL. The regulations implementing this priority of service can be found at 20 CFR Part 1010. In circumstances where an award recipient must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans' priority of service provisions require that the award recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Award recipients must comply with the DOL guidance on veterans' priority. ETA's TEGL No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL.

#### F.11 Waste, Fraud and Abuse

No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a Federal department or agency authorized to receive such information.

#### F.12 Whistleblower Protection

All employees working for contractors, grantees/ grant recipients, subcontractors, subgrantees/ subrecipients, and recipients of cooperative agreements working on this Federal award are subject to the whistleblower rights and remedies established at 41 U.S.C. 4712. The award recipient shall inform its employees and applicable contractors and subrecipients, in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of

As clarified by EO 13166, Improving Access to Services for Persons with Limited English Proficiency, dated August 11, 2000, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, award recipients must take reasonable steps to ensure that LEP persons have meaningful access to programs in accordance with DOL's Policy Guidance on the Prohibition of National Origin Discrimination as it Affects Persons with Limited English Proficiency, 68 FR 32289 (May 29, 2003). Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Award recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding your LEP obligations, go to LEP.gov.

The Executive Level II salary may change yearly and is located on the [OPM.gov](https://www.opm.gov) website. The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 CFR 200.331. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients, taking into account factors including the relative cost-of-living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer Federal programs involved including ETA programs. See [TEGL 5-06](#) for further clarification.

#### F.19 Harassment Prohibited

The grant recipient and any subrecipients are prohibited from engaging in harassment of an individual based on race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, based on citizenship status or participation in any WIOA Title I-financially assisted program or activity. Submission to, or rejection of, such conduct by an individual is used as the basis for limiting that individual's access to any aid, benefit, service, training, or employment from, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity; or

Such conduct has the purpose or effect of unreasonably interfering with an individual's participation in a WIOA Title I-financially assisted program or activity creating an intimidating, hostile or offensive program environment.

#### G.4 Health Benefits Coverage for Contraceptives

Federal funds may not be used to enter in to or renew a contract which includes a provision for prescription drug coverage unless the contract also includes a provision for contraceptive coverage. This requirement does not apply to contracts with 1) the religious plans Personal Care's HMO and OSF Health Plans, Inc. and 2) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs.

In implementing this section, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individuals' religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion related services.

### G.5 Health Benefits Coverage for Abortions Restricted

Pursuant to P.L. 117-103, Division H, Title V, Section 506 and 507, Federal funds may not be expended for health benefits coverage that includes coverage of abortions, except when the pregnancy is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself that would, as certified by a physician, place the women in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit do not come from a Federal source. Additionally, no funds made available through this grant award may be provided to a State or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

    - (i) interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians;

    - (iii) evaluating and making recommendations regarding coverage or compensability of claims or determining liability or value aspects of claims;
    - (iv) negotiating settlements; or
    - (v) making recommendations regarding litigation.
- (2) The exemption in this subsection shall not affect the exemption provided by section 13(a)(1) [of the FLSA].
- (3) For purposes of this subsection—
- (A) the term ‘major disaster’ means any disaster or catastrophe declared or designated by any State or Federal agency or department;

(B) the term ‘employee employed to adjust or evaluate claims resulting from or relating to such major disaster’ means an individual who timely secured or secures a license required by applicable law to engage in and perform the activities described in clauses (i) through (v) of paragraph (1)(C) relating to a major disaster, and is employed by an employer that maintains worker compensation insurance coverage or protection for its employees, if required by applicable law, and withholds applicable Federal, State, and local income and payroll taxes from the wages, salaries and any benefits of such employees; and

(C) the term ‘affiliate’ means a company that, by reason of ownership or control of 25% or more of the outstanding shares of any class of voting securities of one or more companies, directly or indirectly, controls, is controlled by, or is under common control with, another company.”

**EQUAL OPPORTUNITY IS THE LAW**

**29 CFR Part 37.30**

It is against the law for this recipient of Federal financial assistance to discriminate on the following bases:

Against any individual in the United States, on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief; and

Against any beneficiary of programs financially assisted under Title I of the Workforce Innovation and Opportunity Act of 2014 (WIOA), on the basis of the beneficiary's citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or his or her participation in any WIOA Title I-financially assisted program or activity.

The recipient must not discriminate in any of the following areas: Deciding who will be admitted, or have access, to any WIOA Title I-financially assisted program or activity; providing opportunities in, or treating any person with regard to, such a program or activity; or making employment decisions in the administration of, or in connection with, such a program or activity. If you think that you have been subjected to discrimination under a WIOA Title I-financially assisted program or activity, you may file a complaint within one hundred eighty (180) days from the date of the alleged violation with either: the recipient's Equal Opportunity Officer (or person whom the recipient has designated for this purpose); or the Director, Civil Rights Center (CRC), U.S. Department of Labor, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210.

If the recipient does not give you a written Notice of Final Action within ninety (90) days of the day on which you filed your complaint, you do not have to wait for the recipient to issue that Notice before filing a complaint with CRC. However, you must file your CRC complaint within thirty (30) days of the ninety- (90-) day deadline (in other words, within one hundred twenty (120) days after the day on which you filed your complaint with the recipient).

If the recipient does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within thirty (30) days of the date on which you received the Notice of Final Action.
