**SECTION 6. HOLD HARMLESS AND INDEMNIFICATION**

To the fullest extent permitted by law, Contractor shall indemnify, defend and hold harmless the County and its elected and appointed officials, officers, employees and agents from and against all claims resulting from or arising out of the performance of the Contract, whether such claims arise from the acts, errors or omissions of Contractor, its subcontractors, third parties or the County, or anyone directly or indirectly employed by any of them or anyone for whose acts, errors or omissions any of them may be liable. "Claim" means any loss, claim, suit, action, liability, damage or expense of any kind or nature whatsoever, including but not limited to attorneys' fees and costs, attributable to personal or bodily injury, sickness, disease or death, or to injury to or destruction of property, including the loss of use resulting therefrom. Contractor's duty to indemnify, defend and hold harmless includes but is not limited to claims by Contractor's or any

subcontractor's officers, employees or agents. Contractor's duty, however, does not extend to claims arising from the sole negligence or willful misconduct of the County or its elected or appointed officials, officers or employees. For the purposes of this indemnification provision, Contractor expressly waives its immunity under Title 51 of the Revised Code of Washington and acknowledges that this waiver was mutually negotiated by the parties. This indemnification provision shall survive the expiration or termination of the Contract.

## **SECTION 7. INSURANCE**

7.1 **Professional Legal Liability.** The Contractor, if it is a licensed professional, will maintain professional legal liability or professional errors and omissions coverage appropriate to the Contractor's profession. The coverage will have a limit of not less than \$1 million per occurrence. The coverage will apply to liability for a professional error, act or omission arising out of the Contractor's services under the Contract. The coverage will not exclude bodily injury or property damage. The coverage will not exclude hazards related to the work rendered as part of the Contract or within the scope of the Contractor's services under the Contract, including testing, monitoring, measuring operations or laboratory analysis where such services are rendered under the Contract.

7.2 **Workers' Compensation and Employer Liability.** The Contractor will maintain workers' compensation insurance as required by Title 51, Revised Code of Washington, and will provide evidence of coverage to the Kitsap County Risk Management Division. If the Contract is for over \$50,000, then the Contractor will also maintain employer liability coverage with a limit of not less than \$1 million.

Any additional workers' compensation requirements can be found in Attachment A, Special Terms and Conditions.

7.3 **Commercial General Liability.** The Contractor will maintain commercial general liability coverage for bodily injury, personal injury and property damage, subject to a limit of not less than \$1 million per occurrence. The general aggregate limit will apply separately to the Contract and be no less than \$2 million. The Contractor will provide commercial general liability coverage that does not exclude any activity to be performed in fulfillment of the Contract. Specialized forms specific to the industry of the Contractor will be deemed equivalent provided coverage is no more restrictive than would be provided under a standard commercial general liability policy, including contractual liability coverage.

7.4 **Automobile Liability.** The Contractor will maintain automobile liability insurance as follows (check ONE of the following options):

Not Applicable.

**X** The Contractor will maintain commercial automobile liability insurance with a limit of not less than \$1 million each accident combined bodily injury and property damage. The aggregate limit will be at least \$2 million. Coverage will include owned, hired and non-owned automobiles.

The Contractor will maintain automobile liability insurance or equivalent form with a limit of not less than \$100,000 each accident combined bodily injury and property damage. The aggregate limit will be at least \$300,000. If a personal lines automobile liability policy is used to meet this requirement, it must include a business rider and must cover each vehicle to be used in the performance of the Contract and the certificates of insurance must evidence that these conditions have been met. If the Contractor will use non-owned vehicles in performance of the Contract, the coverage will include owned, hired and non-owned automobiles.

#### **7.5 Miscellaneous Insurance Provisions**

- A. The Contractor's liability insurance provision will be primary with respect to any insurance or self-insurance programs covering the County, its elected and appointed officers, officials, employees and agents.
- B. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will include the County, its officers, officials, employees and agents as additional insureds with respect to performance of services.
- C. The Contractor's commercial general liability insurance and automobile liability insurance (if applicable) will contain no special limitations on the scope of protection afforded to the County as an additional insured.
- D. Any failure to comply with reporting provisions of the policies will not affect the coverage provided to the County, its officers, officials, employees or agents.
- E. The Contractor's insurance will apply separately to each insured against whom claim is made or suit is brought subject to the limits of the insurer's liability.
- F. The Contractor will include all subcontractors as insureds under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverage for subcontractors will be subject to all of the requirements stated in these provisions.
- G. The insurance limits mandated for any insurance coverage required by the Contract are not intended to be an indication of exposure, nor are they limitations on indemnification.

- H. The Contractor will maintain all required policies in force from the time services commence until services are completed. Certificates, policies and endorsements scheduled to expire before completion of services will be renewed before expiration. If the Contractor's liability coverage is written as claims-made-policy, then the Contractor must evidence the purchase of an extended-reporting period or "tail" coverage for a three-year period after completion of the services.

**7.6 Verification of Coverage and Acceptability of Insurers.**

- A. The Contractor will place insurance with insurers licensed to do business in the State of Washington and having A.M. Best Company ratings of no less than A-VII, with the exception that excess and umbrella coverage used to meet the requirements for limits of liability or gaps in coverage need not be placed with insurers or re-insurers licensed in the State of Washington.
- B. The Contractor will furnish the County with properly executed certificates of insurance or a signed policy endorsement which will clearly evidence all insurance required in this Section before work under this Contract shall commence. The certificate will, at a minimum, list limits of liability and coverage. The certificate will provide that the underlying insurance contract may not be canceled, or allowed to expire, except on 30-days' prior written notice to the County. Any certificate or endorsement limiting or negating the insurer's obligation to notify the County of cancellation or changes must be amended so as not to negate the intent of this provision.
- C. The Contractor will furnish the County with evidence that the additional-insured provision required above has been met. Acceptable forms of evidence are the endorsement pages of the policy showing the County as an additional insured, or a letter of self insurance from a public entity risk pool which waives the requirement.
- D. Certificates of insurance will show the certificate holder as Kitsap County and indicate "care of" the appropriate County office or department. The address of the certificate holder will be shown as the current address of the appropriate County office or department.
- E. The Contractor will request that the Washington State Department of Labor and Industries, Workers Compensation Representative, send verification to the County that the Contractor is currently paying workers' compensation.
- F. Evidence of such insurance, as required above, shall be provided to the County at the following address:

Carl Borg

Housing and Homelessness Division  
Kitsap County Department of Human Services  
345 6<sup>th</sup> Street, Suite 400  
Bremerton, WA 98337  
ceborg@kitsap.gov

Upon receipt, the Human Services Department will ensure submission of all insurance documentation to the Risk Management Division, Kitsap County Department of Administrative Services.

- G. Written notice of cancellation or change will be mailed to the County Human Services Department as provided above.
- H. The Contractor or its broker will provide a copy of all insurance policies specified in the Contract upon request of the Kitsap County Risk Manager.

## **SECTION 8. TERMINATION**

- 8.1 The County may terminate the Contract in whole or in part whenever the County determines, in its sole discretion, that such termination is in the best interests of the County. The County may terminate the Contract upon giving the Contractor 10-days' written notice. In that event, the County will pay the Contractor for all costs incurred by the Contractor in performing the Contract up to the date of such notice, subject to the other provisions of the Contract.
- 8.2 If funding for the underlying project or matter is withdrawn, reduced or limited in any way after the Contract is signed or becomes effective, the County may summarily terminate the Contract notwithstanding any other termination provision in the Contract. Termination under this provision will be effective upon the date specified in the written notice of termination sent by the County to the Contractor. No costs incurred after the effective date of termination will be paid.
- 8.3 If the Contractor breaches any of its obligations under the Contract, and fails to cure the breach within 10 days of written notice to do so by the County, the County may terminate the Contract. In that event, the County will pay the Contractor only for the costs of services accepted by the County. Upon such termination, the County, at its discretion, may obtain performance of the work elsewhere, and the Contractor will bear all costs and expenses incurred by the County in completing the work and all damages sustained by the County by reason of the Contractor's breach.

## **SECTION 9. ASSIGNMENT, DELEGATION AND SUBCONTRACTING**

- 9.1 The Contractor will perform under the Contract using only its bona fide employees or agents, and the obligations and duties of the Contractor under the

Contract will not be assigned, delegated or subcontracted to any other person or firm without the prior express written consent of the County.

- 9.2 If permitted to use subcontractors, the Contractor is responsible for subcontractor compliance with applicable terms and conditions of this Contract and all applicable laws.
- 9.3 The Contractor warrants that it has not paid, nor has it agreed to pay, any company, person, partnership or firm, other than a bona fide employee working exclusively for the Contractor, any fee, commission percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of the Contract.

## **SECTION 10. INDEPENDENT CONTRACTOR**

- 10.7 In the event that any of the Contractor's employees, agents, servants or subcontractors, carry on activities or conduct themselves in any manner which may either jeopardize the funding of this Contract or indicates that they are unfit to provide those services as set forth within, the Contractor shall be responsible for taking adequate measure to prevent said employee, agent or servant from performing or providing any such services.
- 10.8 The Contractor will hold harmless, indemnify and defend the County, its officers, officials, employees and agents from and against any loss or expense, including, but not limited to, settlements, judgments, set-offs, attorneys' fees or costs, incurred or suffered by reason of claims or demands arising in connection with the provisions of this Section.

- 17.2 **No Waiver.** The parties agree that the excuse or forgiveness of performance, or waiver of any provisions of the Contract, does not constitute a waiver of such provision or future performance, or prejudice the right of the waiving party to enforce any of the provisions of the Contract at a later time.

- 17.3 **Remedies.** All remedies provided for in this Contract will be construed as cumulative and will be in addition to any other remedies provided by law.

The Department of Commerce determines eligible uses of funds and specific policies and procedures for the CHG Eviction Prevention Program, which are listed in the Guidelines for the Consolidated Homeless Grant and are updated periodically.

### **Scope of Work**

The following comprise the elements of the scope of work, including specific requirements:

Operate the CHG Eviction Prevention Program, including performing assessments of household eligibility, maintaining documentation and records as outlined in the Department of Commerce's Guidelines for the Consolidated Homeless Grant, developing and maintaining a partnership with the local DRC, subgranting to By & For Outreach Organizations, issuing checks to landlords, coordinating with Kitsap County's coordinated entry system, collecting required data, entering data in the Homeless Management Information System, and working with clients to develop and carry out individualized Housing Stability Plans.

### **By and For Subgrant Requirement**

At least 10 percent of total awards must be subgranted to organizations that serve and are substantially governed by marginalized populations (By and For organizations). Subgrant activities may include any portion of or the full scope of homelessness prevention program activities. This includes services or activities designed to assist households in locating, obtaining, and retaining suitable housing, tenant counseling, assisting households to understand leases, inspections, securing utilities, making moving arrangements, and representative payee services concerning rent and utilities.

Allowable administrative costs benefit the organization as a whole and cannot be attributed specifically to a particular program or to the homeless crisis response system. Administrative costs may include the same types of expenses that are listed in program operations (such as IT staff and office supplies), in the case that these costs are benefiting the agency as a whole and are not attributed to a particular program or the homeless system. Administrative costs may include, but are not limited to, the following:

#### **Evaluation**

The Eviction Prevention Program should be considered a "work in progress," with frequent internal evaluations to make necessary adjustments to ensure the efficacy of the program.
