

**You are invited to apply for a paid leadership opportunity for youth!**

## **The Kitsap County Youth Prevention Alcohol and Tobacco Retailer Education Program**

Working as part of a team with an adult advisor, youth will perform assessments of local retailers that sell alcohol and tobacco. The team will go out on **5/5/2018** for a total of 6 hours to perform the survey and educate retailers. The groups will then create a presentation which will be used by the group to educate elected officials, local decision makers, schools and the community about their findings and recommendations.

**Youth will be paid a stipend of \$135.00 at the completion of up to 12 service hours.**

The goal of this project is to educate retailers and decision makers about strategies that decrease the marketing of alcohol and tobacco products to youth while providing youth participants with opportunities to learn about marketing, surveying, and develop their presentation skills.
