

Kitsap County Parks

Keep Your Pets Safe and Recreate Responsibly!

The Centers for Disease Control and Prevention is recommending the following for pet owners:

- Treat pets as you would other human family members to protect them for a possible infection.
- Do not let pets interact with people or other animals outside the household.
- Walk dogs on a leash, maintaining at least 6 feet from other people and animals.
- Avoid dog parks or public places where a large number of people and dogs gather.

For more information on protecting your pets, visit the [CDC website](#).
