

Rain Drop to Storm Drain Maze

Storm drains collect water from storms (stormwater). This water is directed into streams and Puget Sound. When stormwater gets polluted, it also pollutes our natural waterways.

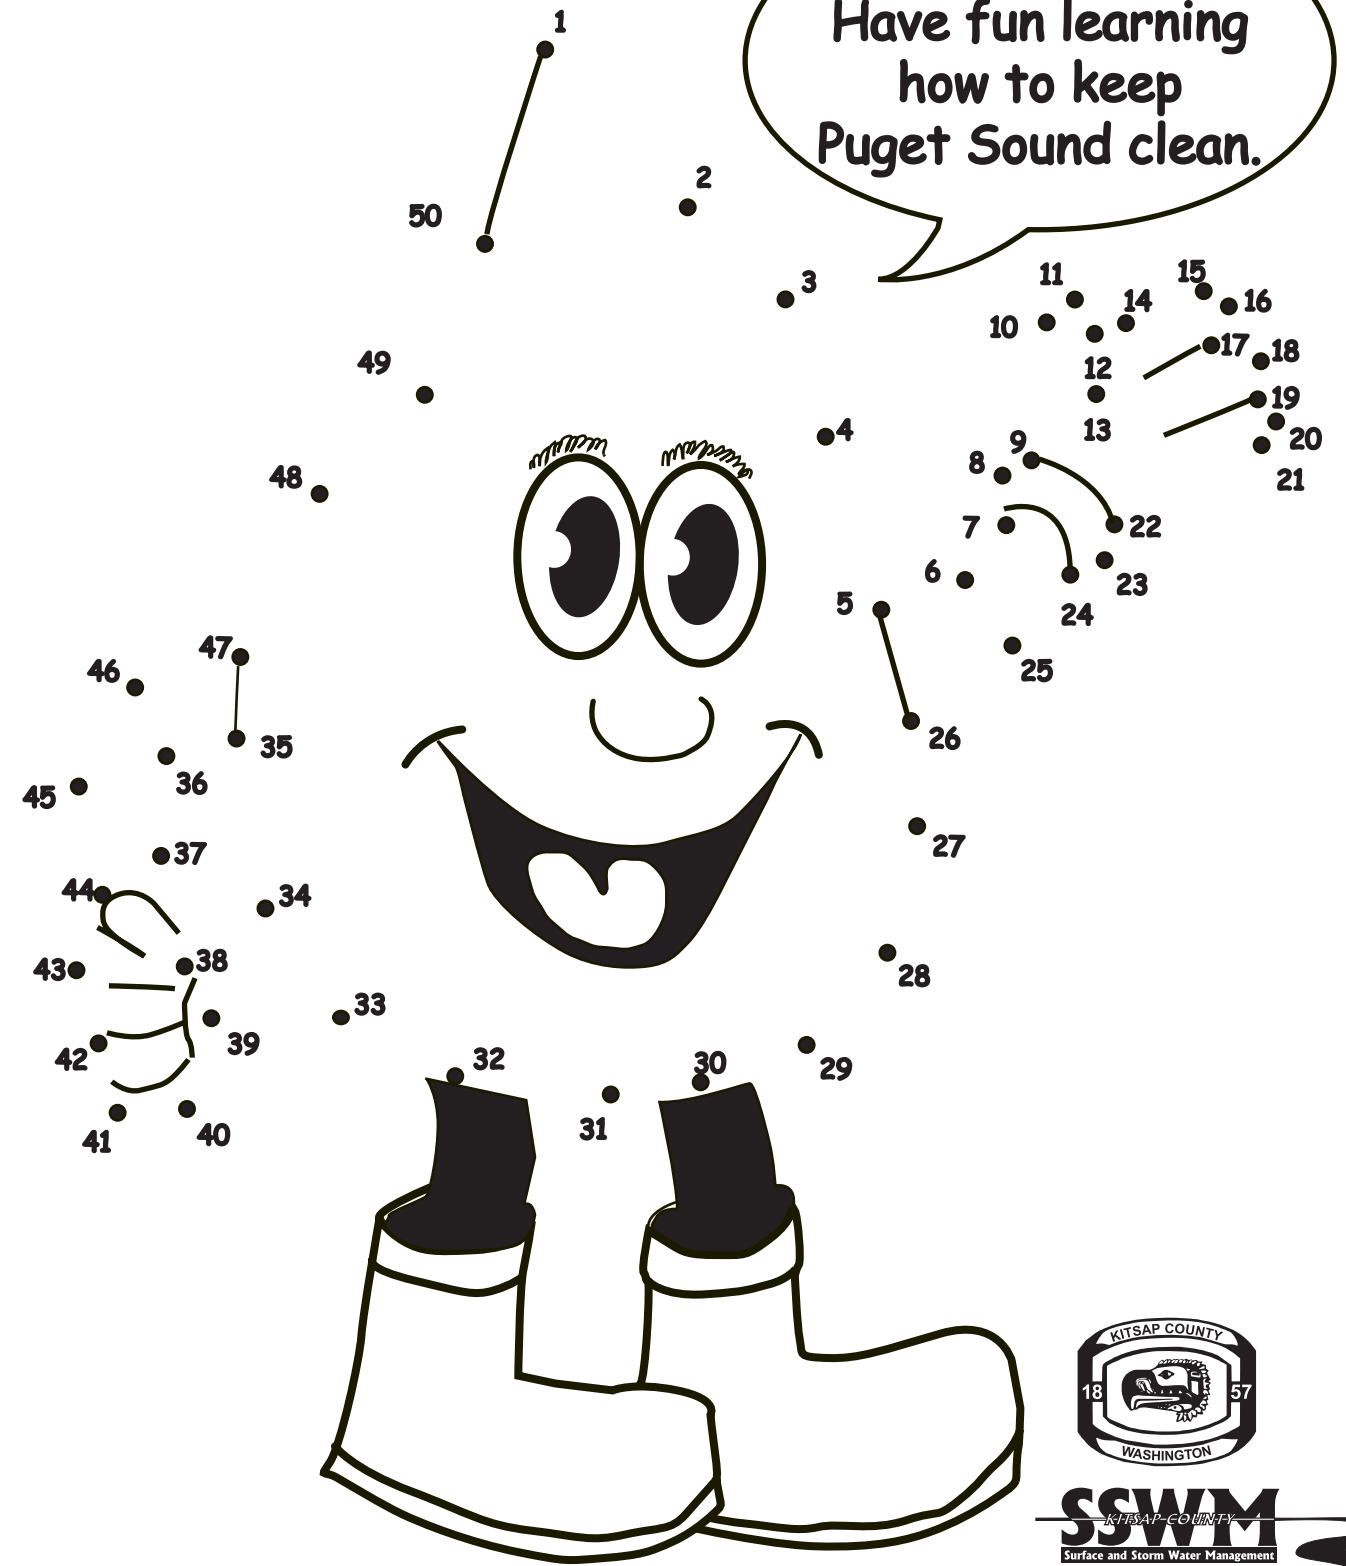

Help Stormie journey through the stormwater system without becoming contaminated by Sludge or Toxic.

the dots

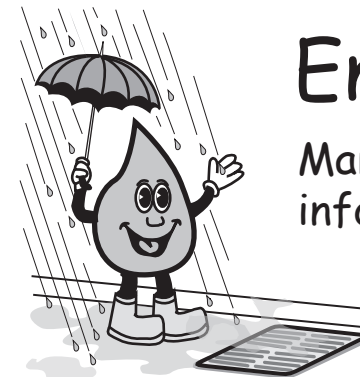

Mystery Message Wheel

Start with the letter indicated
and write every other letter
as you go around the wheel to
find the hidden message.

Encoded Stormdrain

Mark the stormdrain with the encoded message to
inform others of where the water goes.
